WGC 7.05 Grading system. (1) GRADE CLASSIFICATIONS. (a) The racing secretary shall be responsible for the proper grading of greyhounds under provisions of this section. Before the first day of a race meet the racing secretary, after sufficiently schooling all greyhounds and considering their past performances, shall classify and assign greyhounds to proper grades.

(b) The racing secretary shall use the following 6 grades; A, B, C, D, E and M.

(c) Grade M refers to maiden classification which indicates a greyhound has not won an official race at a pari-mutuel racetrack supervised by a regulatory agency.

(d) A greyhound that falls in a race shall be considered a starter. However, a greyhound shall not be considered a starter if the start would result in the greyhound being graded off, but in this event the greyhound shall be considered a starter for purposes of pari-mutuel wagering.

(e) For a greyhound that transfers to the racetrack from another racetrack during a race meeting, the racing secretary shall assign the grade held by the greyhound at the time of the transfer or the

equivalent grade of such track, depending on the previous track's grading system, or the next 2 grades higher or lower.

(f) The racing secretary may re-grade a greyhound at anytime within its first 3 starts, but not more than one grade higher or lower.

(g) A greyhound that has advanced from grade M and has been dropped from further racing without winning another official start may be re-qualified after a period of 30 days. Upon requalification the greyhound shall be placed in grade E by the racing secretary.

(h) Greyhounds not racing because of illness or injury for 30 days or more may be re-classified.

(i) All stakes races shall be indicated by the letter "S" and the grade.

(2) ADVANCE IN GRADE. (a) The racing secretary shall advance a greyhound that wins a maiden race to grade E.

(b) The racing secretary shall advance a greyhound that wins a race 1 grade until reaching grade A.

(c) On request by a kennel owner or trainer, the racing secretary may advance a greyhound that finishes second, third or fourth in a maiden race to grade E and then must advance as provided in this section. For a greyhound re-graded on request under this subsection, the association shall place the letter "M" after the greyhound's name in the racing program.

(3) DECLINE IN GRADE. (a) Except as provided in par. (b), the racing secretary shall lower a greyhound to the next lower grade if:

1. The greyhound fails to finish in the top 3 positions in 3 consecutive starts; or

2. The greyhound fails to finish third or better at least once in 4 consecutive starts.

(b) The racing secretary shall lower a greyhound in grade D to the next lower grade if it fails to finish in the top 4 positions in 4 consecutive starts.

(4) DROP IN ELIGIBILITY. (a) If a greyhound in grade E fails to finish in from further racing at that race meeting. However, a greyhound that wins a maiden race and advances to grade E in its initial entry in that grade may fail to finish in the top 4 finishing positions in 6 consecutive starts before being dropped from further racing.

(b) If a maiden fails to finish in the top 4 positions in 6 consecutive starts, the greyhound shall be dropped from further racing at the meeting, except that if it re-qualifies, the greyhound shall be given 2 additional starts. If the greyhound fails to finish in the top 4 positions in those 2 starts, the greyhound shall be dropped from further racing at the race meeting.

(b) Joint subscriptions and entries may be made by any one or more of the owners. However, all owners shall be jointly and severally liable for all fees and forfeits.

(c) Entries which have closed shall be compiled without delay by the racing secretary and conspicuously posted.

(d) Entrance money shall not be refunded on the death of a greyhound or failure to start.

(2) ELIGIBILITY FOR ENTRY. (a) A greyhound shall not be qualified to be entered or to start in any race if owned in whole or in part or is under the control, directly or indirectly, of a disqualified person. Any purse money won shall be returned.

(b) No greyhound shall be permitted to enter or to start unless conditioned by a licensed trainer as registered with the commission.

(c) No greyhound on the schooling list or the veterinarian's list shall be allowed to enter.

(d) Female greyhounds coming in season during the race meeting shall not be accepted for entry within 30 days from the date noted the greyhound came in season. Before being accepted for entry the greyhound shall be examined by the commission's veterinarian and schooled to the satisfaction of the stewards.

(e) Lactating females shall not be eligible to enter, school or race.

(f) No greyhound under the age of 14 months may enter any official race.

(3) STAKES. (a) Entries for stakes races, the conditions of which have previously been published, shall close at the time advertised in such publication and no entry shall be received after that time. If the race fails to fill, additional time may be granted. The time for closing is as follows:

1. When an hour for closing is designated entries and declarations for stakes shall not be received afterwards;

2. If an hour is not designated entries and declarations shall be mailed up to midnight of the day entries close, provided they are received in time for compliance with every other condition of the race.

(b) In the event the number of entries to any stake race is in excess of the number of greyhounds that may be permitted to start, the starters for the race shall be determined by the racing secretary according to the published conditions of the race.

(c) An entry in a stakes race shall not be withdrawn. However, in a multiple race series an entry may be scratched if the commission veterinarian determines that it is unable to compete. A greyhound scratched from a stakes race shall not start officially before the stakes race is final.

(d) In the absence of notice to the contrary, entrance and declarations for stakes races which close during or on the eve of a racing meet shall close at the office of the racing secretary. Closing at all other times for stakes races shall be at the office of the association.

(e) All stakes races shall be indicated by the letter "S" and the grade. The letter "S" shall appear at the top of each page of the program for this type of race. After racing in a grade S race, the greyhound's grade shall include the S followed by the greyhound's current grade.

(f) A person entering a greyhound shall be liable for the entrance money or stake. Should the subscriber transfer the entry, the subscriber shall be liable.

(g) If a stakes race is not run all stakes or entrance money shall be refunded.

(h) If the racing secretary allows a greyhound to start in a race without its entrance money or stake having been paid, the racing secretary shall be liable for the money due.

(i) Subscription of entry or right of entry shall survive the death of nominator or subscriber of the greyhound.

(4) DRAWING. (a) The post positions of greyhounds starting shall be assigned by random lot or drawing, including computerized drawing.

(b) Entries shall not be drawn and assigned a post position unless a steward representing the commission and the racing secretary are present. The kennel owner or trainer may be present, but their absence at the time of drawing shall constitute a waiver of their right to be present.

(c) The racing secretary shall post, in an area previously designated for this purpose, the date, time and place for the drawing of entries and assignment of post positions at least one day prior to the running of the race.

(d) The following provisions apply to the listing of greyhounds not drawn:

(c) All greyhounds having an established weight change of more than one pound shall be schooled at least once at the discretion of the stewards at the new weight before being eligible to start.

(d) Greyhounds that have not raced or schooled officially for a period of 3 weeks shall be allowed to establish a new racing weight with the consent of the stewards and shall be schooled officially immediately upon receipt of consent.

(2) WEIGHING IN. (a) All greyhounds shall be weighed not less than one hour before the time of the first race of the program in which they are to appear. Only one weigh-in shall be permitted.

(b) As each greyhound is weighed in, there shall be an identification tag attached to its collar indicating the number of the race in which the greyhound is entered and its post position. This tag shall not be removed until the greyhound has been weighed out and blanketed.

(c) All greyhounds must be weighed in and weighed out with the muzzle, collar and lead strap approved by the commission's paddock judge.

(d) Upon weighing-in, should there be a variation of more than 1 1/2 pounds from the greyhounds established weight the stewards shall order that greyhound scratched.

(e) Immediately after being weighed in, the greyhounds shall be placed in lock-out kennels under the supervision of the association paddock judge or kennel master.

(f) If at weighing-in time there is more than 2 pounds variation between the present weight and the weight at weighing-in time of its last race, the stewards shall order the greyhound scratched.

(g) Upon placement of the greyhounds in the lock-out kennels after weighing-in, no person except racing officials or designated representatives of the commission shall be allowed in the lock-out kennels. At no time shall less than 2 such authorized individuals be present in the lock-out kennel.

(3) WEIGHING OUT. Each greyhound shall be weighed out prior to entry into the paddock. If a greyhound loses weight in excess of 1 1/2 pounds from its weigh-in weight while in the lock-out kennels, the stewards shall consult with the commission veterinarian. If, in the opinion of the commission's veterinarian, the loss of weight while in the lock-out kennels does not impair the racing condition of the greyhound, the stewards shall allow the greyhound to race. Otherwise, the greyhound shall be scratched.

(4) MISCELLANEOUS. (a) The clerk of scales shall require a greyhound to remain on the scales until such time as no more than 1-quarter pound movement in scale action is caused by the greyhound moving while being weighed.

(b) The weight regulations provided in these rules shall be printed in the daily program.

(c) The stewards shall have the option of ordering the weighing of a greyhound entered in a race at any time from the time the greyhound is entered in a race until post time.

(e) If a greyhound bolts the course, or runs in the opposite direction during the running of the race, and in so doing, in the opinion of the stewards, interferes with any other greyhound so as to alter the outcome of the race, the stewards may declare it "no race" and all monies wagered shall be refunded.

(f) If a greyhound bolts the course, runs in the opposite direction, or does not run the entire prescribed distance for the race, it shall forfeit all rights in the race, and no matter where it finishes, the stewards shall declare the finish of the race the same as if that greyhound was not a participant. However, that greyhound shall be considered a "starter" for grading purposes.

(g) The stewards at each race meet shall designate individuals who may remove a greyhound from the track when it appears it may interfere with the running of the race. No other person shall enter the track during the running of the race.

(h) If a greyhound is left in the box when the doors of the starting box open at the start, there shall be no refund of monies wagered. Such greyhound shall be considered a starter.

(3) STEWARDS LIST. (a) If the stewards determine that an animal, during a race, is fractious, unruly or otherwise runs so as to cause interference to other animals in the race, the stewards may place that animal on the schooling list.

(b) No animal placed on the schooling list shall be permitted to race without schooling back to the satisfaction of the stewards.

(c) When the stewards charge a greyhound for interference in any official race, films shall be made available for viewing by the kennel owner or trainer. Upon written appeal to the stewards of an interference ruling and placement of the greyhound on the schooling list, the stewards may review the film and their decision in the presence of the kennel owner or trainer.

(5) OBJECTIONS. (a) All objections as to eligibility of an animal to race shall be made to the stewards in writing, signed by the objector, and a copy sent immediately to the director.

(b) Objections to a greyhound engaged in a race shall be made only by the trainer of another greyhound engaged in the same race, or by a racing official.

(c) All objections shall be made within 48 hours after the race is run.
