ERC 17.01 Scope. This chapter governs the general procedure relating to elections to determine a collective bargaining representative for supervisory law enforcement or supervisory fire fighter personnel, and for a determination of said unit when such question arises, pursuant to s. 111.70 (4) (d), Stats. The determination as to the levels of law enforcement and fire fighter supervisors to be included in bargaining units, as set forth in s. 111.70 (4) (d), Stats., will be determined on a case-to-case basis, because of a variance of the duties and responsibilities assigned to supervisory officers in law enforcement and fire fighting services in the various municipalities throughout the state. Since s. 111.70 (1) (b), Stats., specifically excludes confidential, managerial and executive employees, as well as supervisors, from the term “municipal employee”, supervisors who perform confidential, managerial or executive duties shall be excluded from units of supervisory law enforcement or fire fighter personnel. Supervisors employed in law enforcement departments, who have no power of arrest, and supervisors employed in fire departments, who are not actively engaged in fire fighting, are not considered as law enforcement or fire fighter supervisors.
