Tax 3.04	Subtraction for military pay received by members of a reserve component of the armed forces.	Tax 3.098	Railroad retirement supplemental annuities.
Tax 3.085	Retirement plan distributions.		
Tax 3.095	Income tax status of interest and dividends received from government and other securities by individuals and fiduciaries.		

Tax 3.03 Dividends received deduction – corporations. (1) **PURPOSE.** This section clarifies the deduction from gross income allowed to corporations for dividends received. Dividends may be deductible due to the recipient’s ownership of the payer corporation, as provided in sub. (3).

(2) **DEFINITION.** “Dividends received” means gross dividends minus taxes on those dividends paid to a foreign nation and claimed as a deduction under ch. 71, Stats.

Note: Refer to s. 71.26 (3) (j), Stats.

(3) **DIVIDENDS DEDUCTIBLE DUE TO OWNERSHIP.** A corporation may deduct from gross income 100% of the dividends received from a payer corporation during a taxable year if both of the following occur:

(a) The dividends are paid on common stock of the payer corporation.

(b) The corporation receiving the dividends owns directly or indirectly during the entire taxable year in which the dividends are received at least 70% of the total combined voting stock of the payer corporation.

Note: 1) Refer to s. 71.26 (3) (j), Stats.

2) Only cash dividends were deductible by the recipient in taxable years 1980 through 1986. This limitation was eliminated by 1987 Wis. Act 27.

3) For taxable years 1980 through 1983 the deduction was limited to 50% of the dividends received.

4) For the taxable year 1984 the deduction was limited to 75% of the dividends received.

5) For taxable years 1985 and thereafter the deduction equals 100% of the dividends received.

6) For taxable years beginning before January 1, 1993, the corporation receiving the dividends was required to own directly or indirectly during the entire taxable year in which the dividends were received at least 80% of the total combined voting stock of the payer corporation. The percentage of ownership requirement was changed from 80% to 70% by 1993 Wis. Act 16.

(4) **LIMITATION ON DEDUCTION.** The deduction under sub. (3) may not exceed the dividend received and included in gross income for a taxable year.

(5) **DIVIDENDS INCLUDABLE IN GROSS INCOME.** All dividend income shall be included in full in gross income on the franchise or income tax return of the recipient, whether or not certain dividends are deductible.

Act 183.

(2) **LIMITATION ON SUBTRACTION.** A person who is a member of a reserve component of the U.S. armed forces, who is serving on active duty or full-time duty in the active guard reserve program under 32 USC 502 (f), does not qualify for the subtraction.

Tax 3.095 Income tax status of interest and dividends received from government and other securities by individuals and fiduciaries. (1) **PURPOSE.** This section lists federal, state, municipal and other government securities, and certain nongovernment securities, and specifies whether interest and dividends payable on those securities are exempt from or subject to the Wisconsin income tax on individuals and fiduciaries. The lists are not all-inclusive.

Note: Information regarding the income tax status of interest and dividends received from securities not listed in this section may be obtained by writing to Wisconsin Department of Revenue, Technical Services Staff, P.O. Box 8933, Madison, WI 53708–8933.

(2) **DEFINITIONS.** In this section:

(a) “CHAP” means “Community Housing Alternatives Program.”

(b) “Federal securities” means only securities which are direct and primary obligations of the United States and securities the interest on which federal law prohibits states from taxing. Federal securities do not include securities for which the United States is merely a guarantor and, therefore, has an obligation which is secondary and contingent to that of the issuer of the security.

(c) “Public housing agency” means any state, county, municipality or other governmental entity or public body, or agency or instrumentality thereof, which is authorized to engage in or assist in the development or operation of lower income housing, under 42 USC 1437a (b) (6).

(d) "WHEDA" means "Wisconsin Housing and Economic Development Authority."

(3) GENERAL. (a) Under s. 71.05 (6) (a) 1., Stats., interest income which is subject to the Wisconsin income tax on individuals and fiduciaries, but which is not included in federal adjusted gross income, shall be added to federal adjusted gross income in computing Wisconsin taxable income.

Note: Section 71.05 (1) (a) 1., 1985 Stats., was amended by 1987 Wis. Act 27, to provide for the addition to federal adjusted gross income, of any interest not included in federal adjusted gross income which is not specifically exempted from state taxation. This change applies only to securities issued after January 28, 1987. Prior to enactment of 1987 Wis. Act 27, the addition applied only to interest excluded from federal adjusted gross income solely by s. 103 of the internal revenue code. Section 71.05 (1) (a) 1., 1985 Stats., was renumbered s. 71.05 (6) (a) 1., Stats., by 1987 Wis. Act 312, effective January 1, 1989.

(b) Under s. 71.05 (6) (b) 1., Stats., interest and dividend income which is included in federal adjusted gross income but which is by federal law exempt from state income taxation, shall be subtracted from federal adjusted gross income in computing Wisconsin taxable income.

(4) EXEMPT SECURITIES. Interest and dividends payable on the following securities shall be exempt from the Wisconsin income tax on individuals and fiduciaries:

(a) *Exempt state, municipal and other government securities.*

1. District of Columbia general obligation bonds issued on or prior to January 28, 1987, where the interest from the bonds qualifies for exemption from federal income taxation for a reason other than or in addition to s. 103 of the internal revenue code.

3. Public housing agency bonds issued on or prior to January 28, 1987, by agencies located outside Wisconsin where the interest from the bonds qualifies for exemption from federal income taxation for a reason other than or in addition to s. 103 of the internal revenue code.

Act 27, which amended s. 71.05 (1) (a) 1., 1985 Stats., effective with securities issued after January 28, 1987, no modification was provided to add to federal adjusted gross income interest and dividends which were excludable from federal adjusted gross income for any reason other than or in addition to s. 103

of the internal revenue code. Section 71.05 (1) (a) 1., 1985 Stats., was renumbered s. 71.05 (6) (a) 1., Stats., by 1987 Wis. Act 312, effective January 1, 1989.

Tax 3.096 Interest paid on money borrowed to purchase exempt government securities. (1) Any amount of distributable and nondistributable interest or dividend income which is by federal law exempt from the Wisconsin income tax shall be reduced by any related expense before it is claimed as a subtraction modification on a Wisconsin fiduciary income tax return.

(2) Interest expense is a "related expense" if it is incurred to purchase securities producing exempt interest or dividend income and if it is deducted in computing Wisconsin taxable income.

(3) Interest expense is not a "related expense" if it is incurred to purchase securities producing exempt interest or dividend income but is not deducted in computing Wisconsin taxable income (for example, because the taxpayer elects the standard rather than to itemize deductions).

Note: 1) For taxable year 1987, the subtraction modification for the amount of distributable and nondistributable exempt interest and dividend income did not have to be reduced by related expenses before it was claimed on a Wisconsin fiduciary return as a result of amendment to s. 71.05 (1) (b) 1. by 1987 Wis. Act 27.

2) For taxable years prior to 1986, individual taxpayers were required to reduce the amount of interest or dividend income which was by law exempt from Wisconsin income tax by any related expense before the income was claimed as a subtraction modification on a Wisconsin individual income tax return if the related expense was deducted in computing Wisconsin taxable income.

Examples:

1) U.S. bond interest exempt from Wisconsin income tax.	\$600
Interest which was paid on funds used to acquire exempt securities and which was claimed as an itemized deduction.	<u>400</u>
Subtraction modification.	<u>\$200</u>
2) U.S. bond interest exempt from Wisconsin income tax.	\$400
Interest paid to acquire the exempt securities which was claimed as an itemized deduction.	<u>600</u>
Subtraction modification.	<u>\$ 0</u>

3) U.S. bond interest exempt from Wisconsin income tax.	\$400
Interest paid to acquire the exempt securities but not claimed as an itemized deduction	<u>600</u>
Subtraction modification	<u>\$400</u>

(b) (1) This section shall not operate to exclude the amount of any supplemental annuity paid to an individual under section (2) (b) of this Act [45 USCS § 231a (b)] from income taxable pursuant to Federal income tax provisions of the Internal Revenue Code of 1954 [26 USCS §§ 1 et seq.]”
