DWD 56.03 Department of workforce development powers and responsibilities. (1) GENERAL. The department shall maintain oversight responsibility for administration by child care administrative agencies of the child care funding program.

(2) **RATE APPROVAL.** The department shall review and approve the methods employed by counties and tribes for determining child care rates as required under ss. DWD 56.05 (3) and 56.06.

(3) **ASSISTANCE TO COUNTIES, TRIBES AND W-2 AGENCIES.** The department shall provide information and technical assistance to county, tribal and W-2 agencies regarding administration of the child care funding program.

(5) **RATE REVIEW.** (a) The department shall annually review child care rates set by each county and tribe and shall approve or disapprove each county agency’s rates and tribal agency’s rates based on the following criteria:

1. Whether the rate-setting method is in accordance with rate-setting requirements specified under ss. DWD 56.05 (3) and 56.06.

2. Whether the rate-setting method documents that the maximum allowable rates permit all eligible parents a reasonable choice of day care providers.

(b) The department may grant a variance to a nonstatutory requirement under ss. DWD 56.04 to 56.06 on written request of a county or tribal agency if the department is convinced that an alternative means meets the intent of the requirement.

DWD 56.04 Policies for child care services through the voucher system. (1) AUTHORIZED PROVIDERS. (a) A child care administrative agency may authorize payment for child care services provided by any of the following child care providers:

1. Providers licensed by the department of health and family services under ch. HFS 45.

2. Providers certified by a county or tribal agency under standards specified in s. DWD 55.08 or 55.09. The agency may authorize payment to providers who become certified from the date the certification application was received by the child care administrative agency.

3. Programs established or contracted for by a school board under s. 120.13 (14), Stats.

(b) A child care administrative agency may authorize payment for services from other than a child care provider under par. (a) only if at least one of the following conditions is met:

1. The care is an arrangement for parents in training, orientation or counseling programs and the child care is provided at the training, orientation or counseling site.

2. The care is a short-term arrangement when a child is ill and not able to receive care from a child care provider under s. DWD 56.02 (6) or the provider has an emergency due to illness or other circumstance.

3. The care permits a Wisconsin works applicant to participate in job search, training or orientation under s. 49.147 (2) (a), Stats., prior to the development of an employability plan.

4. The care is for a food stamp employment and training program enrollee to attend a program activity prior to the development of an employability plan.

(c) A child care administrative agency may not authorize payment to a person legally responsible for a child under s. 49.90, Stats., for child care services.

(e) A certified in-home care arrangement may be authorized by a child care administrative agency for reimbursement only in one of the following circumstances:

1. The child has a special need.

2. Licensed or certified care is not available during the times care is needed, such as during evening hours.

3. Care is provided to 3 or more children from the same family.

4. Licensed or certified care is not available within a reasonable geographic distance.

(2) (a) 1. A child care administrative agency shall provide vouchers to eligible parents, as follows:

a. A child care administrative agency shall offer a voucher to each eligible parent to the extent that funds are available.

b. A voucher shall be in writing and shall authorize a parent to obtain child care services stipulated in that voucher from a provider under sub. (3).

c. The voucher shall set a maximum amount of authorized payment that is the lesser of the provider price and the county or tribal maximum rate, minus any co-payment that the parent is required to make.

2. Parents using vouchers for the payment of child care services may receive child care services from a provider whose child care price is higher than the county or tribal maximum rate and pay the difference between the provider’s child care price and the county or tribal maximum rate in addition to any required parents’ co-payment.

(b) A child care administrative agency may authorize payment for child care services to a 2 parent family only if both parents are participating in an approved activity as defined in s. 49.155 (1m) (a), Stats., or if one parent is participating in an approved activity and the other parent is unable to care for the child due to a disability or health condition as verified by a doctor, psychiatrist, or psychologist.

(c) If a county or tribal agency authorizes payment for child care services by means of a voucher issued to the parents or by contract with a provider, billing and collection of any parent co-payment requirement is the responsibility of the provider.

(d) A child care administrative agency shall authorize payment to child care providers as follows:

1. For licensed group and family day care centers, the agency shall authorize payment based on authorized units of service, except in the following circumstances.

a. The agency may authorize payment to licensed providers based on units of service used by each child, up to the maximum number of authorized units, with the reimbursement rate increased by 10% to account for absent days, if the schedule of child care to be used is expected to vary widely.

b. The agency may authorize payment to licensed providers based on units of service used by each child, up to the maximum number of authorized units, if the agency has documented 3 separate occasions where the provider significantly overreported the attendance of a child.

2. For certified providers, the agency shall authorize payment for units of service used by each child, up to the maximum number of authorized units, except as provided in par. (h).

(e) The child care administrative agency may refuse to authorize payment for child care services to a licensed provider if the provider refuses to submit documentation of the provider's child care prices in response to an agency request.

(f) The child care administrative agency may refuse to authorize payment on a provider's attendance report that is submitted more than 3 months after the attendance report was issued.

(g) The child care administrative agency may limit the number of children that may be authorized to a certified or licensed family day care provider, who is not an in-home provider, for a particular time period, unless the provider can show that he or she will not exceed the applicable group size limitation.

(h) The child care administrative agency may authorize payment to a licensed or certified provider to hold a slot for a child if the parent has a temporary break in employment and intends to return to work and continue to use the child care provider upon return to work. The agency may authorize payment for no more than 6 weeks if the absence is due to a medical reason and is documented by a physician or for no more than 4 weeks if the absence is for other reasons. The department and child care administrative agency may not consider payment for a temporary absence to be an overpayment if the parent intended to return to work but does not actually return.

(i) The department may issue all payments by electronic funds transfer.

(2m) REPORTING CHANGE IN ELIGIBILITY. A parent shall report any change in circumstances that may affect his or her eligibility to the child care administrative agency within 10 days after the change.

(3) ELIGIBILITY REDETERMINATION. A child care administrative agency shall redetermine parent need for service and eligibility at all of the following times:

(a) In a timely manner following receipt of a parent's report of a change in circumstances affecting his or her eligibility.

(b) At least every 6 months.

(4) PARENTAL CHOICE. Parents may choose the particular child care provider for their child, except that parents may use in-home day care only if one of the criteria under sub. (1) (e) is met.

(5) OVERPAYMENT RECOVERY AND SANCTIONS. (a) 1. A child care administrative agency or the department shall take all reasonable steps necessary to recover from a parent funds paid to a child care provider or to that parent when the parent was not eligible for that level of child care benefit and the overpayment benefited the parent by causing the parent to pay less for child care expenses than the parent otherwise would have been required to pay under child care assistance program requirements, regardless of whether the overpayment was the result of administrative error, client error, or intentional program violation. Section DWD 12.23 shall apply to overpayment collection from a parent under this section.

2. An overpayment shall include excess child care funds paid when there was a change in family eligibility circumstances that was significant enough that it would have resulted in a smaller child care benefit or ineligibility for a child care benefit due to any reason, including the following:

a. The parent failed to report a change in circumstances that may affect his or her eligibility within 10 days after the change.

b. The parent was absent from an approved activity under s. 49.155 (1m) (a), Stats., without good cause, while the child was in the care of the provider.

3. The child care worker shall determine good cause under subd. 2. b. if the approved activity is unsubsidized employment. A parent's absence from unsubsidized employment shall be considered good cause if the parent is using employer-approved sick time, personal time, or vacation time and the child is in care for no more than the hours authorized.

(b) A child care administrative agency shall take all reasonable steps necessary to recoup or recover from a provider any overpay-

ments made for child care services for which the provider was responsible or overpayments caused by administrative error that benefited the provider. A provider shall be responsible for an overpayment if both of the following criteria are satisfied:

1. The overpayment benefited the provider by causing the provider to receive more child care assistance than otherwise would have been paid on the family's behalf under child care assistance program requirements.

2. The overpayment did not benefit the parent by causing the parent to pay less for child care expenses than the family otherwise would have been required to pay under child care assistance program requirements.

(c) If a child care administrative agency has given notice to a provider that the provider is in violation of licensing or certification rules and the provider has not corrected the violation or if the provider submits false attendance reports, refuses to provide documentation of the child's actual attendance, or gives false or inaccurate child care price information, the child care administrative agency or department may take one or more of the following steps:

1. Refuse to issue new child care authorizations to a provider for a period of time not to exceed 6 months.

2. Revoke existing child care authorizations to the provider.

3. Refuse to issue payments to the provider until the provider has corrected the violation.

(d) When the department or a child care administrative agency refuses to issue new authorizations, revokes existing authorizations, or refuses to issue payments to a provider under par. (c), the child care administrative agency shall provide written notice to the parent as soon as possible before the effective date of the sanction.

(e) If the provider has not repaid an overpayment, the child care administrative agency or department may recover the overpayment by making an offset from current or future funds under its control that are payable to the provider of no more than 50% of each payment.

(f) If the department refuses to issue payment based on a provider's violation of a requirement in this chapter, the provider may not hold the parent liable for payment other than the copayment and any amount that the parent agreed to above the department's maximum reimbursement rate if the parent relied on an approved authorization for care for his or her child to receive care from the provider.

(6) MONITORING OF CHILD CARE PROGRAMS. The department or the child care administrative agency may take one or more of the following steps to monitor a provider's compliance with program requirements:

(a) Require the provider to submit documentation signed by the parent of the actual times that the child was dropped off to and picked up from the child care provider.

(b) Contact the parents to determine the child's actual attendance hours.

(c) Require the provider to submit attendance and payment records for families that pay for child care costs out of their own personal funds.

(d) Require the provider to have attendance records available at the child care site whenever the department or child care administrative agency requests to review them.

(e) Make on-site inspections to monitor provision of authorized services.

(3) RATE-SETTING METHOD. Each county and tribal agency shall submit a written statement to the department which describes the method by which the county or tribal agency has determined reasonable and customary child care prices and the maximum rate that the county or tribal agency will allow for the purchase of child care services. The department may prescribe standard units of service by which rates are set in order to achieve statewide consistency.

(4) INFORMATION TO PROVIDERS. (a) County and tribal agencies shall distribute information to child care providers regarding child care funding policies.

Except as provided in subd. 1m., 1r., or 2., a child care administrative agency shall annually set child care rates in accordance with the policies and procedures set out in this section unless the department sets maximum rates for a multicounty area which includes the particular county or tribal area.

1m. Notwithstanding subd. 1., the department shall set child care rates for the year beginning January 1, 2007, to be the same as the rates in effect on December 31, 2006.

1r. Notwithstanding subd. 1., the department shall set child care rates for the years 2008 and 2009 to be the same as the rates in effect on December 31, 2006.

2. A tribal agency may use the maximum rates established by a neighboring county rather than establish its own rates.

(b) Survey. The county or tribal agency, except a tribal agency acting under par. (a) 2., shall annually contact all licensed group day care centers and licensed family day care centers in the county or tribal area to determine the child care prices they charge to the general community, except if the department arranges for a survey independent of the county or tribal agency. The child care prices shall be submitted in writing to be included in the survey.

(c) Group. The county or tribal agency shall set separate maximum rates for the following groups of children:

1. Infants and toddlers under 2 years of age.

2. Children age 2 to 3 years.

3. Children age 4 to 5 years.

4. Children age 6 to 13 years.

(d) Types of care. To the extent permitted by federal statutes and regulations, the rates for each group under par. (c) shall be set separately for each of the following types of care:

1. Licensed group day care centers.

2. Licensed family day care centers.

3. Level I (regular) certified family day care providers who are not in-home providers.

4. Level II (provisional) certified family day care providers who are not in-home providers.

5. Certified in-home providers.

(2) MAXIMUM RATES. (a) Licensed group day care centers. In setting maximum rates for licensed group day care centers, the county or tribal agency shall comply with the following:

1. Maximum rates shall be set so that at least 75% of the group day care center slots in the county or tribal area may be purchased at or below the maximum rate. The number of slots attributed to a center shall be equal to the center's licensed capacity.

2. In determining whether 75% of the day care slots can be purchased at or below the maximum rate, the county or tribal agency may exclude day care centers that operate less than 5 days a week or 5 hours a day, receive funding from a county department established under s. 51.42 or 51.437, Stats., do not have a set full-time, weekly child care price, or at which more than 75% of the children's care is subsidized under s. 49.155, Stats., excluding subs. (1d) and (1g).

3. Reduced maximum rates may not be set for siblings.

(b) Licensed family day care centers. In setting maximum rates for licensed family day care centers, the county or tribal agency shall comply with the following:

1. Maximum rates shall be set so that at least 75% of the family day care center slots in the county or tribal area may be purchased at or below the maximum rates. The number of slots attributed to a center shall be equal to the center's licensed capacity. In determining whether 75% of the day care slots can be purchased at or below the maximum rate, the county or tribal agency may exclude day care centers that operate less than 5 days a week or 5 hours a day, receive funding from a county department established under s. 51.42 or 51.437, Stats., do not have a set full-time, weekly child care price, or at which more than 75% of the children's care is subsidized under s. 49.155, Stats., excluding subs. (1d) and (1g).

2. Reduced maximum rates may not be set for siblings.

(c) Certified family day care. To the extent permitted by federal statutes and regulations, maximum rates for certified family day care shall comply with s. 49.155 (6) (b) and (c), Stats.

(d) In-home day care. For in-home care, the county or tribal agency shall establish the maximum rate at the level of no less than the state minimum wage established under ch. 104, Stats., and ch. DWD 272. The child care administrative agency may authorize payment to the child care provider at the local reimbursement rate for the type of care provided multiplied by the number of children in care if this rate exceeds the minimum wage.

(e) Other day care providers. For a day care program established or contracted for by a school board or for a certified school-age day care program, the county or tribal agency shall establish maximum rates in accordance with par. (a).

(4) **SPECIAL RATES.** A county or tribal agency may set maximum reimbursement rates that are different from the rates allowed under subs. The department shall set a schedule for parent copayment responsibilities for all parents who receive child care financial assistance under s. 49.155, Stats., excluding s. 49.155 (1g), Stats. Note: This copayment schedule is current as of March 30, 2008. DWD may make future adjustments to the schedule as described in sub. (3).

(2) **EXCEPTIONS.** (a) Families with children who are authorized for child care assistance for 20 hours or less are responsible for 50% of the amount listed in the copayment schedule for those children, based on family size, family gross income, and the number of children in a given family in child care.

(b) Foster parents do not have a copayment responsibility for the foster children in their care.

(c) Subsidized guardians or interim caretakers of a child under s. 48.62 (5), Stats., do not have a copayment responsibility for that child in their care.

Note: Kinship care relatives do not have to be receiving payments under s. 48.57 (3m) or (3n), Stats., for this paragraph to apply.

(e) Kinship care relatives who are providing care for a child without a court order are responsible for the minimum copayment based on the number of children in the family in child care, unless they are receiving a child care subsidy for another child who is subject to a copayment greater than the minimum copay.

Note: Kinship care relatives do not have to be receiving payments under s. 48.57 (3m) or (3n), Stats., for this paragraph to apply.

(f) Parents who have left a Wisconsin works employment position for unsubsidized employment may pay the minimum copayment amount based on the number of children in the family in child care for the first month of the unsubsidized employment.

Section 49.26(1) (e), Stats., prohibits copayment responsibility for minor teen parents who are Learnfare participants.

7 USC 2015 prohibits copayment responsibility for participants in the Food Stamp Employment and Training program.

(3) **ADJUSTMENTS.** (a) The department may adjust the amounts in the schedule to reflect the following factors:

1. A change in child care prices or in the rates paid by county or tribal agencies.
2. A change in the amount of funds available for child care assistance.
3. A change in costs due to a change in the consumer price index.
4. A change in the federal poverty level.
5. A change in economic factors affecting the cost of child care to the state, such as an increase in the demand for child care financial assistance under s. 49.155, Stats., excluding subs. (1d) and (1g).

6. Funding is not sufficient to meet the needs of all eligible families applying for child care assistance.

(b) The department shall publish adjustments to the copayment schedule in the Wisconsin administrative register.

(c) If the department proposes to make adjustments to the copayment schedule that would increase parental copayments by 10% or more, the department shall promulgate an administrative rule to make such adjustments, and the department shall not issue an emergency rule to implement such adjustments before providing advance public notice of at least one month.

NOTE: The copayment rate for teen parents who are not Learnfare participants is minimum copay and is found by selecting the lowest income line (70%) FPL and then finding the copayment listed for the appropriate number of children. Parents who have left a W–2 employment position for unsubsidized work also qualify for the minimum copay for one month. Families with children who are authorized for 20 hours or less are subject to one half of their share of the family copay listed above for those children. No copay is required for parents who participate in Learnfare or Food Stamp Employment and Training. Foster parents do not have a copayment responsibility for the foster children in their care. Kinship care relatives caring for a child under a court order do not have a copayment responsibility. Kinship care relatives caring for a child without a court order pay the minimum copay, unless they are receiving a child care subsidy for another child who is subject to a copayment greater than the minimum copay.
