

Chapter Comm 5

LICENSES, CERTIFICATIONS AND REGISTRATIONS

- Comm 5.001 Purpose.
- Comm 5.002 Scope.
- Comm 5.003 Definitions.
- Comm 5.004 Incorporation of standards by reference.

Subchapter I — General Requirements

- Comm 5.01 Application.
- Comm 5.02 Fees.
- Comm 5.03 Petitions for variance.
- Comm 5.04 Processing times.
- Comm 5.05 Mailing.
- Comm 5.06 Terms.
- Comm 5.07 Renewal.
- Comm 5.08 Continuing education.
- Comm 5.09 Examinations.
- Comm 5.10 Denial, suspension and revocation.
- Comm 5.11 Responsibilities.
- Comm 5.12 Penalties.

Subchapter II — Blasting and Fireworks

- Comm 5.20 Blasters.
- Comm 5.21 Fireworks manufacturers.

Subchapter III — Dwellings, Structures and Sites

- Comm 5.31 Dwelling contractor.
- Comm 5.315 Dwelling contractor qualifier.
- Comm 5.32 Manufactured home manufacturers.
- Comm 5.323 Manufactured home dealer.
- Comm 5.325 Manufactured home salesperson.
- Comm 5.327 Manufactured home installer.
- Comm 5.33 Soil testers.
- Comm 5.34 Welders.
- Comm 5.35 Weld test conductors.
- Comm 5.36 POWTS maintainers.

Subchapter IV — Electrical

- Comm 5.40 Electricians.
- Comm 5.41 Electrical contractors.
- Comm 5.42 Electrical contractors—restricted.
- Comm 5.43 Master electricians.
- Comm 5.44 Journeyman electricians.
- Comm 5.45 Beginning electricians.

Subchapter V — Fire Sprinkler

- Comm 5.50 Fire sprinkler installers.
- Comm 5.51 Sprinkler contractors.
- Comm 5.52 Journeyman sprinkler fitters.
- Comm 5.53 Sprinkler system apprentices.
- Comm 5.54 Sprinkler maintenance contractors.
- Comm 5.55 Sprinkler maintenance fitters.
- Comm 5.56 Sprinkler testers.

Subchapter VI — Inspection

- Comm 5.60 Boiler—pressure vessel inspectors.

- Comm 5.61 Commercial building inspectors.
- Comm 5.62 Commercial electrical inspectors.
- Comm 5.625 Commercial plumbing inspectors.
- Comm 5.63 Dwelling inspectors.
- Comm 5.635 UDC inspection agency.
- Comm 5.64 Elevator inspectors.
- Comm 5.66 POWTS inspectors.
- Comm 5.67 Rental weatherization inspectors.
- Comm 5.68 Tank system inspectors.

Subchapter VII — Mechanical

- Comm 5.70 HVAC contractors.
- Comm 5.71 HVAC qualifiers.
- Comm 5.72 Refrigerant handling technicians.
- Comm 5.73 Liquefied gas suppliers.

Subchapter VIII — Storage Tanks

- Comm 5.80 PECFA consulting firms.
- Comm 5.81 PECFA consultants.
- Comm 5.82 Tank specialty firms.
- Comm 5.83 Tank—system site assessors.
- Comm 5.84 Aboveground tank system installers.
- Comm 5.85 Underground tank system installers.
- Comm 5.86 Underground tank system liners.
- Comm 5.87 Tank system removers and cleaners.
- Comm 5.88 Tank system tightness testers.
- Comm 5.89 Cathodic protection specialities.

Subchapter IX — Plumbing

- Comm 5.90 Plumbing.
- Comm 5.91 Master plumbers.
- Comm 5.92 Master plumbers—restricted.
- Comm 5.93 Journeyman plumbers.
- Comm 5.94 Journeyman plumbers—restricted.
- Comm 5.95 Plumbing apprentices.
- Comm 5.96 Plumbing learners.
- Comm 5.97 Utility contractors.
- Comm 5.98 Pipelayers.
- Comm 5.99 Cross connection control testers.

Subchapter X — Conveyances

- Comm 5.9905 Elevator contractor.
- Comm 5.991 Elevator installers.
- Comm 5.992 Elevator mechanic.
- Comm 5.993 Elevator mechanic—restricted.
- Comm 5.994 Elevator apprentice.
- Comm 5.995 Elevator apprentice—restricted.
- Comm 5.996 Elevator helpers.
- Comm 5.997 Lift mechanic.
- Comm 5.998 Lift apprentice.
- Comm 5.999 Lift helpers.

Note: Corrections made in this chapter were made under s. 13.93 (2m) (b) 1., 7. and 14. Stats., Register, October, 1996, No. 490 and February, 1997, No. 494. Sections Comm 5.003 (10g), (27y) and (32s), 5.37, 5.38, 5.383, 5.385 and 5.387 were created as emergency rules, effective June 1, 2007, but were not adopted as permanent rules.

Comm 5.001 Purpose. This chapter is to protect public and employee health, safety and welfare by establishing minimum standards for the qualifications and responsibilities of persons and businesses that are required or permitted to obtain licenses, certifications or registrations under chs. 101, 145 and 167, Stats.

History: Cr. Register, October, 1996, No. 490, eff. 11-1-96.

Comm 5.002 Scope. This chapter applies to any person or business engaging or offering to engage in an activity or provide a service for which a license, certification or registration is required or desired under chs. 101, 145 and 167, Stats.

History: Cr. Register, October, 1996, No. 490, eff. 11-1-96; am. Register, April, 2000, No. 532, eff. 5-1-00.

Comm 5.003 Definitions. In this chapter:

- (1) “Approved” means accepted by the department.

(1m) “ASME” means American society of mechanical engineers.

(2) “Automatic fire sprinkler contractor” has the meaning specified under s. 145.01 (1), Stats.

Note: Under section 145.01 (1), Stats., “automatic fire sprinkler contractor” means any individual, firm or corporation who has paid the annual license fee and obtained a license to conduct a business in the design, installation, maintenance or repair of automatic fire sprinkler systems.

(3) “Automatic fire sprinkler system” has the meaning specified under s. 145.01 (2), Stats.

Note: Under s. 145.01 (2), Stats., “automatic fire sprinkler system”, for fire protection purposes, means an integrated system of underground and overhead piping designed in accordance with fire protection engineering standards. The system includes a suitable water supply, such as a gravity tank, fire pump, reservoir or pressure tank or connection beginning at the supply side of an approved gate valve located at or near the property line where the pipe or piping system provides water used exclusively for fire protection and related appurtenances and to standpipes connected to automatic sprinkler systems. The portion of the sprinkler system above ground is a network of specially sized or hydraulically designed piping installed in a building, structure or area, generally overhead, and to which sprinklers are connected in a systematic pattern. The system includes a controlling valve and a device for actuating an alarm when the system is in operation. The system is usually activated by heat from a fire and discharges water over the fire area.

(4) "Automatic fire sprinkler system apprentice" has the meaning specified under s. 145.01 (3), Stats.

Note: Under s. 145.01 (3), Stats., "automatic fire sprinkler system apprentice" means any person other than an automatic fire sprinkler system contractor or a journeyman automatic fire sprinkler system fitter who is engaged in learning and assisting in the installation of automatic fire sprinkler systems and who is indentured under ch. 106, Stats.

(5) "Blasting" means any method of loosening, moving or shattering masses of solid matter by use of an explosive.

(6) "Blasting operation" means any enterprise or activity involving blasting.

(6m) "Branch" means an office, other than the main business office, involved in the sales of manufactured homes that advertises as a sales location, displays new or used homes, takes sales calls, is staffed by licensed salespersons, has signage of a licensed dealer, and accepts offers or contracts on manufactured homes.

(6s) "Broker" means a manufactured home dealer who has no sales lot, no inventory and no ownership interest in the manufactured homes being sold.

(7) "Building permit" means an official document or certificate granting permission to perform construction or erosion control work, except for electrical, plumbing or HVAC, on a one- or 2-family dwelling.

(8) "Business establishment" means any industrial or commercial organization or enterprise, including but not limited to a proprietorship, partnership, firm, business trust, joint venture, syndicate, corporation or association.

(8m) "Cash price" means the manufactured home dealer asking price including dealer installed options and accessories and additional dealer mark-up, profit and transportation charges, minus the dollar value of cash discounts.

(9) "Cathodic protection tester" means a person who demonstrates an understanding of the principles and measurements of all common types of cathodic protection systems as applied to buried or submerged metal piping systems and metal tanks.

(10) "Conflict of interest" means a certified inspector inspecting work in which the inspector or the inspector's employer, other than the state or a municipality, has participated or has a monetary or personal interest.

(10g) "Conveyance" has the meaning as given in s. 101.981 (1) (c), Stats., except it does not include any of the following:

(a) A platform lift, stairway chair lift and any other similar device serving an individual residential dwelling unit.

(b) A personnel hoist.

(c) A material hoist.

Note: Section 101.981 (1) (c), Stats., reads: "Conveyance" means an elevator, an escalator, a dumbwaiter, a belt manlift, a moving walkway, a platform lift, a personnel hoist, a material hoist and a stairway chair lift, and any other similar device, such as an automated people mover, used to elevate or move people or things, as provided in the rules of the department. "Conveyance" does not include a grain elevator a ski lift or towing device, or an amusement or thrill ride.

Section 101.981 (2), Stats., allows the department to modify the definitions under s. 101.981 (1), Stats.

(10m) "Corrosion expert" means a person who is qualified to engage in the practice of corrosion control on buried or submerged metal piping systems and metal tanks by reason of thorough knowledge of the physical sciences and the principles of engineering and mathematics acquired by a professional education and related practical experience.

(11) "Damage" means defects caused by reasons other than normal wear through home age and usage.

(13) "Department" means the department of commerce.

(14) "Direct supervision" means to assume the responsibility of an activity of others and its results by providing oversight and guidance at the site where the activity is being conducted.

(15) "Dwelling contractor" means any person, firm or corporation engaged in the business of performing construction or erosion control work on a one- or 2- family dwelling.

Note: Pursuant to s. 101.654 (1) (b), Stats., "dwelling contractor" does not include an owner of a dwelling who resides or will reside in the dwelling.

(16) "Electrical construction" means the installation of electrical wiring. "Electrical construction" does not include the maintenance, repair or fabrication of electrical equipment or the installation of electrical wiring and equipment covered by ch. PSC 114.

(17) "Electrical wiring" means all equipment, wiring, material, fittings, devices, appliances, fixtures and apparatus used for the production, modification, regulation, control, distribution, utilization or safeguarding of electrical energy for mechanical, chemical, cosmetic, heating, lighting or similar purposes as covered by the scope of ch. Comm 16.

(18) "Financial statement" means a balance sheet showing assets, liabilities and net worth.

(19) "Fireworks" has the meaning specified under s. 167.10 (1), Stats.

Note: Under s. 167.10 (1), Stats., "fireworks" means anything manufactured, processed or packaged for exploding, emitting sparks or combustion which does not have another common use, but does not include any of the following:

(a) Fuel or a lubricant.

(b) A firearm cartridge or shotgun shell.

(c) A flare used or possessed or sold for use as a signal in an emergency or in the operation of a railway, aircraft, watercraft or motor vehicle.

(d) A match, cigarette lighter, stove, furnace, candle, lantern or space heater.

(e) A cap containing not more than one-quarter grain of explosive mixture, if the cap is used or possessed or sold for use in a device which prevents direct bodily contact with a cap when it is in place for explosion.

(f) A toy snake which contains no mercury.

(g) A model rocket engine.

(h) Tobacco and a tobacco product.

(i) A sparkler on a wire or wood stick not exceeding 36 inches in length that is designed to produce audible or visible effects or to produce audible and visible effects.

(j) A device designed to spray out paper confetti or streamers and which contains less than one-quarter grain of explosive mixture.

(k) A fuseless device that is designed to produce audible or visible effects or audible and visible effects, and that contains less than one-quarter grain of explosive mixture.

(L) A device that is designed primarily to burn pyrotechnic smoke-producing mixtures, at a controlled rate, and that produces audible or visible effects, or audible and visible effects.

(m) A cylindrical fountain that consists of one or more tubes and that is classified by the federal department of transportation as a Division 1.4 explosive, as defined in 49 CFR 173.50.

(n) A cone fountain that is classified by the federal department of transportation as a Division 1.4 explosive, as defined in 49 CFR 173.50.

(20) "General supervision" means to assume the responsibility of an activity of others and its results without being present at the site where the activity is being conducted.

(21) "HVAC" means heating, ventilating and air conditioning.

(22) "HVAC equipment" means materials, piping, fittings, devices, appliances, apparatus, controls and control wiring used as part of or in connection with permanent heating, ventilating, air conditioning or exhausting systems serving buildings. HVAC equipment does not include residential bathroom fans and kitchen hoods, water heaters, process heating equipment, and space heaters such as masonry fireplaces and chimneys, factory-built fireplaces and venting systems, decorative gas fireplaces, and wood-burning stoves.

(23) "Incompetence" means conduct which evidences a lack of competence or ability to discharge the duty required to protect the health, safety and welfare of the public, lack of knowledge of the fundamental principles of a particular trade or practice, or an inability to apply those principles, or failure to maintain competency in the current practices and methods applicable to the activity and the state statutes and rules governing the activity.

(24) "Journeyman automatic fire sprinkler fitter" has the meaning specified under s. 145.01 (6), Stats.

Note: Under s. 145.01 (6), Stats., "journeyman automatic fire sprinkler fitter" means any person other than an automatic fire sprinkler contractor who is engaged in the practical installation of automatic fire sprinkler systems.

(25) "Journeyman plumber" has the meaning specified under s. 145.01 (7), Stats.

Note: Under s. 145.01 (7), Stats., "journeyman plumber" means any person other than a master plumber, who is engaged in the practical installation of plumbing.

(26) "Journeyman plumber-restricted" means a person licensed under s. 145.14, Stats.

Note: See appendix for further explanatory material.

(26m) “Licensee” means any manufactured home dealer or manufactured home salesperson or any person who is both a manufactured home dealer and a manufactured home salesperson.

(26t) “Lift” means a conveyance device covered under the scope of American Society of Mechanical Engineers (ASME) A18.1a – Safety Standard for Platform Lifts and Stairway Chairlifts.

(26x) “Liquefied petroleum gas” has the meaning specified under s. 101.16 (1) (b), Stats.

Note: Section 101.16 (1) (b), Stats., reads: “ ‘Liquefied petroleum gas’ means any material which is composed predominantly of, or any mixtures of, any of the following hydrocarbons including their isomers:

1. Propane.
2. Propylene.
3. Butane.
4. Butylene.”

(27) “Listed device” has the meaning specified under s. 167.10 (1) (e), (f) and (i) to (n), Stats.

Note: See the note after the definition of “fireworks”, sub. (18), for the statutory language of s. 167.10 (1) (e), (f) and (i) to (n).

(27e) “Main business office” means an office involved in the sales of manufactured homes that is the primary management location of the licensed manufactured home dealer.

(27m) “Manufactured home” has the meaning given in s. 101.91 (2), Stats.

Note: Under s. 101.91 (2), Stats., “manufactured home” means any of the following:

(am) A structure that is designed to be used as a dwelling with or without a permanent foundation and that is certified by the federal department of housing and urban development as complying with the standards established under 42 USC 5401 to 5425.

(c) A mobile home, unless a mobile home is specifically excluded under the applicable statute.

(27s) “Manufactured home dealer” has the meaning given in s. 101.91 (3), Stats., except for a person who sells no more than one new or used manufactured home in any one calendar year.

Note: Under s. 101.91 (3), Stats., “manufactured home dealer” means a person who, for a commission or other thing of value, sells, exchanges, buys or rents, or offers or attempts to negotiate a sale or exchange of an interest in, manufactured homes or who is engaged wholly or partially in the business of selling manufactured homes, whether or not the manufactured homes are owned by the person, but does not include:

- (a) A receiver, trustee, personal representative, guardian, or other person appointed by or acting under the judgment or order of any court.
- (b) Any public officer while performing that officer’s official duty.
- (c) Any employee of a person enumerated in par. (a) or (b).
- (d) Any lender, as defined in s. 421.301 (22).
- (e) A person transferring a manufactured home used for that person’s personal, family or household purposes, if the transfer is an occasional sale and is not part of the business of the transferor.

(27w) “Manufactured home community” has the meaning given in s. 101.91 (5m), Stats.

Note: Under s. 101.91 (5m), Stats., “manufactured home community” means any plot or plots of ground upon which 3 or more manufactured homes that are occupied for dwelling or sleeping purposes are located. “Manufactured home community” does not include a farm where the occupants of the manufactured homes are the father, mother, son, daughter, brother or sister of the farm owner or operator or where the occupants of the manufactured homes work on the farm.

(27y) “Material hoist” has the meaning as given in s. 101.981 (1) (g), Stats.

Note: Section 101.981 (1) (g), Stats., reads: “Material hoist” means a hoist, other than a personnel hoist, that is used to raise or lower materials during construction, alteration, or demolition of a building or structure.

(28) “Master plumber” has the meaning specified under s. 145.01 (8), Stats.

Note: Under s. 145.01 (8), Stats., “master plumber” means any person skilled in the planning, superintending and the practical installation of plumbing and familiar with the laws, rules and regulations governing the same.

(29) “Master plumber–restricted” means a person licensed under s. 145.14, Stats.

Note: See appendix for further explanatory material.

(30) “Misconduct” means an act performed by an individual relating to the responsibilities or duties for which the individual has been licensed, registered or certified that jeopardizes the interests of the public, including violation of federal or state laws, local ordinances or administrative rules; preparation of deficient or falsified reports; failure to submit information or reports required by law or contract when requested by the municipality or the department; conduct which evidences a lack of trustworthiness; misrepresentation of qualifications such as education, experience or certification; illegal entry of premises; misuse of funds; or misrepresentation of authority.

(30m) “Multipurpose piping system” means a type of water distribution system conveying potable water to plumbing fixtures and appliances and automatic fire sprinklers with the intention of serving both domestic water needs and fire protection needs within a one– or 2–family dwelling or manufactured dwelling.

(31) “Municipality” means a city, village, town or county.

(32) “Negligence” means the failure to exercise the degree of care and judgment to protect public health and safety normally expected of an individual performing activities within the scope of a license, certification or registration category.

(32e) “Net worth” means the difference between the asset and liability values on a financial statement. Negative net worth is the excess of liabilities over assets.

(32h) “New manufactured home” has the meaning given in s. 101.91 (11), Stats.

Note: Under s. 101.91 (11), Stats., “new manufactured home” means a manufactured home that has never been occupied, used or sold for personal or business use.

(32m) “PECFA” means petroleum environmental cleanup fund award, as established in s. 101.143, Stats.

(32s) “Personnel hoist” has the meaning as given in s. 101.981 (1) (h), Stats.

Note: Section 101.981 (1) (h), Stats., reads: “Personnel hoist” means a hoist that is installed inside or outside a building or structure during the construction, alteration, or demolition of the building or structure and that is used to raise and lower workers, other personnel, and materials which the hoist is designed to carry.

(33) “Pipelayer” has the meaning specified under s. 145.01 (9), Stats.

Note: Under s. 145.01 (9), Stats., “pipelayer” means a person registered under s. 145.07 (11).

(34) “Plumbing” has the meaning specified under s. 145.01 (10), Stats.

Note: Under s. 145.01 (10), Stats., “plumbing” means and includes:

(a) All piping, fixtures, appliances, equipment, devices and appurtenances in connection with the water supply, water distribution and drainage systems, including hot water storage tanks, water softeners and water heaters connected with such water and drainage systems and also includes the installation thereof.

(b) The construction, connection or installation of any drain or waste piping system from the outside or proposed outside foundation walls of any building to the mains or other sewage system terminal within bounds of, or beneath an area subject to easement for highway purposes, including private sewage systems, and the alteration of any such systems, drains or waste piping.

(c) The water service piping from the outside or proposed outside foundation walls of any building to the main or other water utility service terminal within bounds of, or beneath an area subject to easement for highway purposes and its connections.

(d) The water pressure system other than municipal systems as provided in ch. 281.

(e) A plumbing and drainage system so designed and vent piping so installed as to keep the air within the system in free circulation and movement; to prevent with a margin of safety unequal air pressures of such force as might blow, siphon or affect trap seals, or retard the discharge from plumbing fixtures, or permit sewer air to escape into the building; to prohibit cross–connection, contamination or pollution of the potable water supply and distribution systems; and to provide an adequate supply of water to properly serve, cleanse and operate all fixtures, equipment, appurtenances and appliances served by the plumbing system.

(35) “Plumbing appliance” means any one of a class of plumbing devices which is intended to perform a special function. The operation or control of the appliance may be dependent upon one or more energized components, such as motors, controls, heating elements, or pressure or temperature sensing elements. The devices may be manually adjusted or controlled by the user or operator, or may operate automatically through one or more of the following actions: a time cycle, a temperature range, a pressure range, a measured volume or weight.

(36) “Plumbing apprentice” has the meaning specified under s. 145.01 (11), Stats.

Note: Under s. 145.01 (11), Stats., “plumbing apprentice” means any person other than a journeyman or master plumber who is engaged in learning and assisting in the installation of plumbing and drainage.

(37) “Place of employment” has the meaning specified under s. 101.01 (11), Stats.

Note: Under s. 101.01 (11), Stats., “place of employment” includes every place, whether indoors or out or underground and the premises appurtenant thereto where either temporarily or permanently any industry, trade or business is carried on, or where any process or operation, directly or indirectly related to any industry, trade or business, is carried on, and where any person is, directly or indirectly, employed by another for direct or indirect gain or profit, but does not include any place where persons are employed in private domestic service which does not involve the use of mechanical power or in farming. “Farming” includes those activities specified in s. 102.04 (3), and also includes the transportation of farm products, supplies or equipment directly to the farm by the operator of said farm or employees for use thereon, if such activities are directly or indirectly for the purpose of producing commodities for market, or as an accessory to such production. When used with relation to building codes, “place of employment” does not include an adult family home, as defined in s. 50.01 (1), or, except for the purposes of s. 101.11, a previously constructed building used as a community-based residential facility, as defined in s. 50.01 (1g), which serves 20 or fewer unrelated residents.

(38) “POWTS” means private onsite wastewater treatment system and has the meaning specified under s. 145.01 (12), Stats., for “private sewage system”.

Note: Under s. 145.01 (12), Stats., “private sewage system” means a sewage treatment and disposal system serving a single structure with a septic tank and soil absorption field located on the same parcel as the structure. This term also means an alternative sewage system approved by the department including a substitute for the septic tank or soil absorption field, a holding tank, a system serving more than one structure or a system located on a different parcel than the structure. A private sewage system may be owned by the property owner or by a special purpose district.

(39) “Private interceptor main sewer” has the meaning specified under s. Comm 81.01 (193).

Note: Under s. Comm 81.01 (193) “private interceptor main sewer” means a privately owned sewer serving 2 or more buildings and not directly controlled by a public authority.

(40) “Private water main” has the meaning specified under s. Comm 81.01 (195).

Note: Under s. Comm 81.01 (195) “private water main” means a privately owned water main serving 2 or more buildings and not directly controlled by a public authority.

(41) “Process piping” means that piping which is separated from a water supply system or drain system by the appropriate methods or means specified under ch. Comm 82 and is part of a system used exclusively for refining, manufacturing, industrial or shipping purposes of every character and description.

(42) “Public building” has the meaning specified under s. 101.01 (12), Stats.

Note: Under s. 101.01 (12), Stats., “public building” means any structure, including exterior parts of such building, such as a porch, exterior platform or steps providing means of ingress or egress, used in whole or in part as a place of resort, assembly, lodging, trade, traffic, occupancy, or use by the public or by 3 or more tenants. When used in relation to building codes, “public building” does not include a previously constructed building used as a community-based residential facility as defined in s. 50.01 (1g) which serves 20 or fewer unrelated residents or an adult family home, as defined in s. 50.01 (1).

(43) “Refrigeration equipment” has the meaning specified under s. 101.177 (1) (c), Stats.

Note: Under s. 101.177 (1) (c), Stats., “refrigeration equipment” means mechanical vapor compression refrigeration equipment except for a mobile air conditioner, as defined in s. 100.45 (1) (b), Stats., or trailer refrigeration equipment, as defined in s. 100.45 (1) (e), Stats.

(44) “Registered learner” has the meaning specified under s. 145.01 (13), Stats.

Note: Under s. 145.01 (13), Stats., “registered learner” means a person, other than a restricted plumber licensee, who is learning a limited type of plumbing and is engaged in assisting a restricted plumber licensee.

(45) “Rental unit” has the meaning specified under s. 101.122 (1) (e), Stats.

Note: Under s. 101.122 (1) (e), Stats., “rental unit” means any rented dwelling units. “Rental unit” does not include:

1. Any building containing up to 4 dwelling units, one of which is owner-occupied.
2. Any building constructed after December 1, 1978, which contains up to 2 dwelling units.
3. Any building constructed after April 15, 1976, which contains more than 2 dwelling units.
4. Any dwelling unit not rented at any time from November 1 to March 31.
5. A building that is subject to a condominium declaration under ch. 703, Stats., and that contains 3 or more units, as defined in s. 703.02 (15), Stats.

(46) “Restricted plumber licensee” has the meaning specified under s. 145.01 (14), Stats.

Note: Under s. 145.01 (14), Stats., “restricted plumber licensee” means any person licensed as a master plumber (restricted) or a journeyman plumber (restricted) under s. 145.14.

(46m) “Retail purchaser” means any purchaser not licensed as a manufactured home dealer or a manufactured home salesperson.

(47) “Sanitary building sewer” has the meaning specified under s. Comm 81.01 (45).

Note: Under s. Comm 81.01 (45) “sanitary building sewer” means a building sewer which conveys wastewater consisting in part of domestic wastewater.

(47m) “Site” means any plot of land which is owned or rented, and used or intended to be used for the accommodation of a manufactured home for residential purposes.

(48) “Storm building sewer” has the meaning specified under s. Comm 81.01 (46).

Note: Under s. Comm 81.01 (46) “storm building sewer” means a building sewer which conveys storm water wastes or clear water wastes, or both.

(48m) “UDC” means chs. Comm 20 to 25, the Wisconsin uniform dwelling code.

(48s) “Used manufactured home” has the meaning given in s. 101.91 (12), Stats.

Note: Under s. 101.91 (12), Stats., “used manufactured home” means a manufactured home that has previously been occupied, used or sold for personal or business use.

(49) “Utility contractor” has the meaning specified under s. 145.01 (15), Stats.

Note: Under s. 145.01 (15), Stats., “utility contractor” means a person licensed under s. 145.07 (10).

(50) “Water service” has the meaning specified under s. Comm 81.01 (282).

Note: Under s. Comm 81.01 (282) “water service” means that portion of a water supply system from the water main or private water supply to the building control valve.

(51) “Water supply system” has the meaning specified under s. Comm 81.01 (284).

Note: Under s. Comm 81.01 (284) “water supply system” means the piping of a private water main, water service and water distribution system, fixture supply connectors, fittings, valves, and appurtenances through which water is conveyed to points of usage such as plumbing fixtures, plumbing appliances, water using equipment or other piping systems to be served.

(52) “Year” means 12 consecutive months.

Subchapter I — General Requirements

Comm 5.01 Application. (1) Application for a license, certification or registration or a license, certification or registration examination covered under this chapter shall be submitted on a form prescribed by the department.

Note: Applications and related forms for licenses, certifications or registrations covered under subchapters II to VII and IX of this chapter are available from the Division of Safety and Buildings at P.O. Box 7082, Madison, WI 53707-7082, or at telephone 608/261-8500 and 608/264-8777 (TTY), or at the Safety and Buildings' Web site at commerce.wi.gov/SB/. Applications for certifications or registrations covered

under subchapter VIII of this chapter are available from the Division of Environmental and Regulatory Services at P.O. Box 7837, Madison, WI 53707-7837, or at telephone 608/266-7874 and 608/264-8777 (TTY), or at the Web sites for petroleum programs and PECFA at commerce.wi.gov.

(2) An application for a license, certification or registration which either requires or recognizes the attendance at or completion of educational courses as a qualification for the license, certification or registration shall be accompanied by such evidence, including but not limited to transcripts, that verifies fulfillment of the prerequisite.

(3) Pursuant to s. 101.02 (20) (b) and (21) (b), Stats., the department may not issue or renew any license, certification or registration under this chapter unless the applicant for the license, certification or registration includes his or her social security number, or in the case of a license, certification or registration for a business, the applicant includes the federal employer identification number. The department shall consider the failure by the applicant to provide a social security number or a federal employer identification number as an incomplete application and shall not process the application further until the appropriate number is provided.

(4) A business having multiple locations covered under one federal employer identification number applying for any of the following licenses, certifications or registrations need not obtain a separate license, certification or registration for each location:

- (a) Dwelling contractor.
- (b) Electrical contractor.
- (c) UDC inspection agency.
- (d) HVAC contractor.
- (e) PECFA consulting firm.
- (f) Tank specialty firm.
- (g) Elevator contractor.
- (h) Gas supplier.

Comm 5.02 Fees. (1) (a) Fees required for the various licenses, certifications or registrations and their processing under this chapter shall be determined in accordance with Table 5.02, except as provided in par. (b).

(b) 1. Pursuant to s. 145.05, Stats., a person who holds a master plumber license, master plumber-restricted license, journeyman plumber license or journeyman plumber-restricted license and who is employed by a city of the first, second or third class as a plumbing inspector is not required to submit a license fee in order to renew his or her license.

2. A person who applies to renew his or her master plumber license, master plumber-restricted license, journeyman plumber license or journeyman plumber-restricted license without the license fee as permitted under subd. 1. shall provide evidence that he or she is a plumbing inspector for a first, second or third class city with the application for renewal.

Note: The exemption of not having to pay a license fee does not relieve an individual of fulfilling all other obligations or responsibilities to renew the license such as continuing education requirements.

(2) Fees required under this chapter for the various licenses, certifications or registrations or their processing examinations shall not be refundable.

(3) The department shall prorate a license, certification or registration fee on a monthly basis for the initial issuance of a license, certification or registration which is issued for less than the full license, certification or registration period.

(4) (a) The fee for a petition for variance submitted for a rule relative to this chapter shall be \$200.00, except as provided in par. (b).

(b) The fee for a petition for variance submitted and requested by the submitter to be reviewed on a priority basis shall be \$400.00.

(5) A fee of \$15.00 shall be charged to replace a lost or destroyed license, certification or registration.

Comm 5.03 Petitions for variance. An individual may submit a petition for variance to any rule in this chapter in accordance with ch. Comm 3.

Note: Many of the rules relating to credentials reflect specific statutory requirements; in such cases the department is not able to grant a petition for variance if it would supersede a statutory requirement.

History: Cr. Register, October, 1996, No. 490, eff. 11–1–96.

Comm 5.04 Processing times. (1) An application for a license, certification or registration covered under this chapter shall be granted or denied by the department within 21 calendar days after the department receives all of the application materials necessary to obtain the license, certification or registration.

Note: Pursuant to s. 227.116, Stats., the failure by the department to make a determination on an application results in the department having to prepare and file a report with the permit information center of the department. The failure by the department to make a determination on an application does not relieve a person from the obligation to comply with the requirements or qualifications of the license, certification or registration or to secure the license, certification or registration.

(2) (a) If the license, certification or registration application information is insufficient, the department shall request additional information within 21 calendar days of receipt of the application.

(b) If an applicant does not respond to a request by the department for additional information within 3 months after the date of

the request, the department shall make a determination on the application based upon the information on hand.

Comm 5.07 Renewal. (1) (a) Except under s. Comm 5.96, a notice of renewal shall be mailed by the department to a license, certification or registration holder at least 30 calendar days prior to the expiration of the license, certification or registration.

(b) Failure to receive a notice for renewal of a license, certification or registration shall not be considered as an excuse or good cause for failure to renew a license, certification or registration prior to the expiration of the license, certification or registration.

(2) (a) Except as provided in par. (b), upon receipt of the renewal application from the department, a person may apply to renew his or her license, certification or registration provided an application, a license, certification or registration fee and evidence of all renewal obligations, if any, are submitted to the department prior to the expiration date of the license, certification or registration.

Note: Qualification obligations for renewal are specified under the appropriate license, certification or registration category sections.

(b) 1. A person may apply to renew his or her license, certification or registration in accordance with par. (a) no later than one term after expiration of the license, certification or registration as specified in Table 5.06 in accordance with all of the following conditions:

a. An application fee as specified in s. Comm 5.02, Table 5.02 shall accompany the renewal application.

b. Any continuing education credit obtained after the time frame specified under s. Comm 5.08 (3) (a), but prior to the one-term deadline for renewal as specified in Table 5.06, that is needed to fulfill the renewal obligations shall be documented and filed with the department on a form prescribed by the department.

Note: The form to document late continuing education credit may be obtained from the Safety and Buildings Division, P.O. Box 7082, Madison, Wisconsin 53707-7082, telephone 608/261-8500.

2. The submission of a form under subd. 1. b. to the department shall include a \$25.00 processing fee.

3. a. Subdivisions 1. and 2. and par. (c) do not apply to a license, certification or registration issued under s. Comm 5.68 or ss. Comm 5.82 to 5.88.

b. A person who files for renewal after the expiration date of a license, certification or registration issued under s. Comm 5.68 or ss. Comm 5.82 to 5.88 shall comply with this chapter's requirements for initially receiving that license, certification or registration.

c. A person who files for renewal of a license, certification or registration issued under s. Comm 5.68, 5.84 or 5.85, and who has not obtained all continuing education credit required for renewal shall comply with this chapter's requirements for initially receiving that license, certification or registration.

d. For a license, certification or registration issued under s. Comm 5.68, 5.84 or 5.85, the time period for obtaining continuing education credits shall extend from the beginning date to the expiration date of that license, certification or registration.

(c) A person who files for renewal more than one term after expiration of his or her license, certification or registration may be reinstated by filing with the department an administrative fee of \$200.00, an application, and the application fee and the license, certification or registration fee specified in s. Comm 5.02, Table 5.02. The department may also require demonstration of competence by various methods including, but not limited to, written or oral examination, documentation of relevant work experience in other jurisdictions, or documentation of education or experience in the field. Any education or examination required by the department may not be more extensive than the requirements in effect at the time of the request for reinstatement.

Comm 5.08 Continuing education. (1) PROGRAM SPECIFICATIONS. (a) Only courses, programs and seminars approved in writing by the department shall be used for credit to fulfill continuing education requirements.

(b) 1. Requests for a course, program or seminar to be recognized for approval shall be submitted in writing to the department.

2. Requests for approval shall include sufficient information to determine if the course, program or seminar complies with this subsection.

3. The department shall review and make a determination on a request for approval within 21 calendar days of receipt of the request and information necessary to complete the review.

(c) 1. Thirty minutes of attendance in an approved course, program or seminar shall be deemed equal to 0.5 hours of acceptable continuing education.

2. Continuing education credit for attendance in approved continuing education courses, programs or seminars in other than 30 minute increments shall be rounded down to the next half hour.

(d) Courses, programs and seminars to be considered for approval towards continuing education credit shall relate to the skills and knowledge of one or more license, certification or registration categories.

(e) 1. The department may impose specific conditions in approving a course, program or seminar for continuing education credit, including limiting credit to specific license, certification or registration categories.

2. a. Except as provided in subd. 2. c., the approval of a course, program or seminar for continuing education credit shall expire 5 years after the date of approval.

b. Approval of courses, programs or seminars for continuing education credit may be renewed. Renewal shall be in accordance with par. (b).

c. An approval of a course, program or seminar for continuing education credit under s. Comm 5.68 or subch. VIII shall expire either 3 years after the date of approval, or as otherwise specified in the approval.

3. The department may revoke the approval of a course, program or seminar for continuing education credit for any false statements, misrepresentation of facts or violation of the conditions on which the approval was based. The department may not revoke the approval of a course, program or seminar less than 30 calendar days prior to the course, program or seminar being held.

(f) 1. The individual or organization which had obtained the course, program or seminar approval shall maintain an attendance record of those individuals who have attended and completed the course, program or seminar.

2. The attendance record shall include all of the following:

a. The course name.

b. The course identification number assigned by the department.

c. The date or dates the course was held or completed.

d. The name of each attendee.

e. The name of each license, certification or registration held by the attendee for which the course applies.

f. The license, certification or registration number assigned by the department of each attendee.

3. A copy of the attendance record shall be forwarded by the person or organization which had obtained the course, program or seminar approval to the department within 14 calendar days after completion of the course or program.

(g) Any individual or organization that obtains a course, program, or seminar approval for continuing education credit under s. Comm 5.68 or subch. VIII shall notify the department of any material changes to the information submitted for that approval.

(h) Any individual or organization that obtains a course, program, or seminar approval for continuing education credit under s. Comm 5.68 or subch. VIII shall notify the department if the course, program, or seminar is discontinued before the end of its approval period.

(2) EVIDENCE OF COMPLIANCE. Each license, certification or registration holder shall retain evidence of compliance with continuing education requirements throughout the license, certification or registration period for which continuing education credit was required for renewal of the license, certification or registration.

(a) The department shall accept as evidence of compliance original or copies of documents, certified by the individual or organization providing the course, program or seminar, indicating attendance and completion of the continuing education credit.

(b) The department may require a license, certification or registration holder to submit evidence of compliance for the continuing education credit which was required to renew the license, certification or registration.

(3) CONTINUING EDUCATIONAL CYCLE. (a) Except as provided under s. Comm 5.07 (2) (b), for those license, certification or registration categories which require continuing educational credit for renewal, the license, certification or registration holder shall obtain the necessary amount of continuing educational credit at least 3 months prior to the expiration date of the license, certification or registration as specified in Table 5.06.

(b) Except as provided under s. Comm 5.07 (2) (b), the time period during which a license, certification or registration holder may obtain continuing education credit to fulfill the renewal obligations shall commence 3 months prior to the expiration date of the previous license, certification or registration term.

(c) The attendance of a continuing education course, program or seminar in order to fulfill late renewal obligations under s. Comm 5.07 (2) (b) may not be credited toward more than one renewal cycle for a specific license, certification or registration.

Note: The provisions under par. (c) do not limit an individual in attending or completing courses, programs or seminars multiple times on separate occasions for continuing education credit.

Comm 5.09 Examinations. (1) For those license, certification or registration categories which require examination, the department shall conduct at least 4 license, certification or registration examinations annually for each license, certification or registration category at times and locations specified by the department.

(2) An application and fee for a license, certification or registration that requires an examination shall be received by the department at least 30 calendar days prior to the day of the examination. The department may postpone the applicant's appearance to another examination date if any of the following occur:

(a) The applicant fails to have the application on file with the department within the required time.

(b) The application information or required qualifications are incomplete.

(c) The examination center is filled to capacity.

(3) Upon verification of the application and the required qualifications, the department shall notify an applicant in writing of the date, time and place of the examination.

(4) (a) An applicant for license, certification or registration examination shall provide a photo identification or other appropriate evidence to gain admittance to an examination.

(b) An applicant shall bring to a license, certification or registration examination all necessary materials as specified by the department.

(c) 1. Except as provided in subd. 2., an applicant who fails to appear at a scheduled license, certification or registration examination without giving notice to the department at least 24 hours before the examination shall be considered to have failed the examination and shall be required to submit a re-examination application and examination fee.

2. The department may waive the 24-hour notification requirement of subd. 1. due to inclement weather, if the applicant notifies the department the day of the examination.

(5) The examination for a license, certification or registration shall be based on a job analysis of the knowledge, skills and abilities associated with the license, certification or registration. The examination shall include all of the following subject matter:

(a) Regulations and standards governing the work or activities required or permitted under the license, certification or registration.

(b) Theories, principles, and practices associated with the activities required or permitted under the license, certification or registration.

(6) (a) A grade of 70% or greater in each part of a license, certification or registration examination shall be considered a passing grade.

(b) 1. Except as provided in subd. 2., an applicant failing a part of a multi-part license, certification or registration examination shall be required to retake only those parts failed.

2. An applicant who does not pass all required parts of a multi-part license, certification or registration examination within one year after the date of the initial examination shall apply, retake and pass all parts of the license, certification or registration examination.

(7) (a) The department shall inform an applicant of the results of an examination in writing within 21 calendar days from the examination date.

(b) Upon notification of failing a license, certification or registration examination, an applicant may request another examination in accordance with s. Comm 5.01.

(c) 1. An applicant who has successfully passed a license, certification or registration examination may submit an application and the license, certification or registration fee as specified under s. Comm 5.02, Table 5.02 for the appropriate license, certification or registration within 3 months after the date the department had mailed the results of the examination.

2. Failure to apply for a license, certification or registration in accordance with subd. 1., shall necessitate the applicant to apply, retake and pass another license, certification or registration examination in order to obtain the license, certification or registration.

(8) (a) An applicant may request and make an appointment with the department to review his or her examination.

(b) An applicant who has failed his or her examination may not review the examination less than 7 calendar days before the applicant is scheduled to retake the examination.

(c) The department shall retain license, certification or registration examinations at least 2 months after the date of the examination.

History: Cr. Register, October, 1996, No. 490, eff. 11-1-96; am. (1), (2) (intro.), (4) (a), (b), (c) 1., (5), (6), (7) (b), (c) and (8) (c), Register, April, 2000, No. 532, eff. 5-1-00.

Comm 5.10 Denial, suspension and revocation.

(1) Except as provided in sub. (2) pertaining to licenses or registrations for master plumbers, journeyman plumbers, cross connection control testers and utility contractors, the department may

deny, suspend or revoke a license, certification or registration under this chapter in accordance with this subsection.

(a) *Reasons.* The department may deny, suspend or revoke a license, certification or registration under this chapter if the department determines that an applicant or holder of the license, certification or registration is responsible for any of the following:

1. Fails to meet the qualifications for the license, certification or registration.
2. Has obtained the license, certification or registration through fraud or deceit.
3. Has demonstrated negligence or incompetence in fulfilling the responsibilities or obligations of the license, certification or registration.
4. Has a conflict of interest in fulfilling the responsibilities or obligations under the license, certification or registration.
5. Has demonstrated misconduct in fulfilling the responsibilities or obligations under the license, certification or registration.
6. Has been arrested or convicted for a crime substantially related to the license, certification or registration.
7. Has a physical or mental impairment which prevents the applicant or holder from fulfilling the responsibilities or obligations under the license, certification or registration.
8. Has violated state, federal or local laws or regulations relating to the conduct of the activities under the license, certification or registration.
9. Has been certified by the department of revenue under s. 73.0301, Stats., to be liable for taxes.
10. Has been delinquent in making court-ordered payments relating to the support of a child or former spouse pursuant to s. 101.02 (21) (a), (c) and (d), Stats.
11. Has failed to comply with a subpoena or warrant issued by the department of workforce development or a county child support agency relating to paternity or child support proceedings pursuant to s. 101.02 (21) (a), (c) and (d), Stats.
12. If registered or certified under ss. Comm 5.80 to 5.81, has performed any of the following:
 - a. Intentionally shifted costs, for the purpose of making ineligible costs appear to be eligible.
 - b. Intentionally billed for activities not undertaken at a specific cleanup site.
 - c. Rebated the deductible or structured a claim to provide a responsible party with a rebate or reimbursement of the deductible.
 - d. Intentionally submitted invoices or bills containing fraud, or submitted claims that were incomplete or contained fraud.
 - e. Conducted unnecessary, ineffective or incomplete remedial activities or services.
 - f. Attempted to defraud, including but not limited to false or double billing of clients for work conducted.
 - g. Charged a fee that the department determined was excessive, after written notice from the department that the fee was excessive and should not have been charged.
 - h. Exhibited a pattern of attempting and failing to complete remediations of PECFA sites.
 - i. Performed activities that result in both exceeding a cost cap established by the department, and submittal of a claim to the department for the cost in excess of that cost cap.
 - j. Failed to pay a financial penalty assessed under ch. Comm 47 for a grossly ineligible cost.
13. If registered or certified under s. Comm 5.68 or subch. VIII, has performed any of the following:
 - a. Failed to maintain required records.
 - b. Denied the department access to requested records.
 - c. Failed to submit a required notice or report to the department, within a required time period.

- d. Submitted false reports to the department.
- e. Exhibited a pattern of submitting substantially inadequate reports.

14. If registered under s. Comm 5.31 as a dwelling contractor, has done or has been any of the following:

- a. Failed to hold or to engage, as an employee, a person who holds a dwelling contractor qualifier certification under s. Comm 5.315 in obtaining a building permit.
- b. Engaged in the construction of a dwelling without a uniform building permit when required under s. Comm 20.08.
- c. Convicted of a crime related to the construction of a dwelling.
- d. Adjudged bankrupt on 2 or more occasions.

(b) *Notice of denial, suspension or revocation.* Except as provided under s. 101.654 (4), Stats., relative to a dwelling contractor certification, and par. (c), a notice of denial, suspension or revocation shall be sent to the applicant or the license, certification or registration holder. The notice shall include all of the following:

1. The basis for the denial, suspension or revocation, including the facts relied on by the department to make its decision and a citation of applicable statutes and administrative rules establishing the legal basis for the decision; and
2. A statement that the applicant or the license, certification or registration holder may file a request for an administrative hearing.

Note: See the appendix under A5.31 for a reprint of s. 101.654 (4), Stats.

(c) *Summary suspension.* Under s. 227.51 (3), Stats., the department may summarily suspend any license, certification or registration if the department finds that immediate action is necessary for public health, safety or welfare. The summary suspension of a license, certification or registration shall remain in effect until after a final decision is issued following a hearing.

(d) *Hearing.* 1. The request for an administrative hearing shall be received by the office of legal counsel of the department no later than 30 days following the date of mailing of the notice under par. (b), otherwise, the request for hearing shall be denied by the department.

Note: Requests for an administrative hearing may be mailed to the Office of Legal Counsel, P.O. Box 7970, Madison, WI 53707-7970, or faxed to (608) 266-3447. Facsimile requests received after 4:30 p.m. are considered filed on the next business day.

2. Hearings shall comply with the provisions of ch. 227, Stats.

(e) *Surrender of license, certification or registration.* A person whose license, certification or registration has been suspended or revoked shall surrender the license, certification or registration to the department upon request.

(f) *Reinstatement.* 1. Suspension. a. A person whose license, certification or registration has been suspended may apply to have the license, certification or registration reissued only after the time set for suspension by the department or hearing examiner has passed and by complying with the conditions set forth in the suspension order.

b. The request to the department to have a suspended license, certification or registration reissued shall be made in writing.

c. The department may require a person whose license, certification or registration has been suspended to apply for the license, certification or registration by complying with all of the requirements for a new applicant, including paying the application fees and successfully passing an examination.

d. The department may impose conditions on the reissued license, certification or registration to assure compliance with this chapter.

2. Revocation. A person whose license, certification or registration has been revoked may not apply to ever receive such a license, certification or registration.

(2) Pursuant to s. 145.10, Stats., the department may suspend or revoke the license or registration of any master plumber, jour-

neyman plumber, master plumber–restricted, journeyman plumber–restricted, utility contractor, or cross connection control tester in accordance with this subsection.

(a) *General.* The department may suspend or revoke a license or registration for any of the following reasons:

1. The practice of fraud or deceit in obtaining a license or registration.

2. Negligence, incompetence or misconduct in the practice or work allowed by the license or registration.

3. Failure to correct an installation for which the license or registration holder is responsible within the time prescribed by the department.

Note: Section 145.10 (1) (b), Stats., indicates that the correction of an installation must take place within 30 days following notification by the department of a violation.

4. Falsified information on an inspection form under s. 145.20 (5), Stats.

(b) *Investigations.* The department may conduct an investigation of any alleged violations of this chapter or chs. Comm 82 and 83. If it is determined that no further action is warranted, the department shall notify the persons affected. If the department determines that there is probable cause, it shall order a hearing and notify the persons affected.

(c) *Summary suspension.* Under s. 227.51 (3), Stats., the department may summarily suspend any license or registration if the department finds that immediate action is necessary for public health, safety or welfare. The summary suspension of a license or registration shall remain in effect until after a final decision is issued following a hearing.

(d) *Hearings.* The hearing for the suspension or revocation of a license or registration shall be conducted as a contested case hearing in accordance with ch. 227, Stats., and s. 145.10, Stats.

(e) *Findings.* The department may make findings and enter its order on the basis of the facts revealed by its investigation. Any findings as a result of petition or hearing shall be in writing and shall be binding unless appealed to the secretary.

1. *Suspension.* The period for suspension shall be determined by the hearing examiner or the department. The period for suspension may not exceed one year. A person whose license or registration has been suspended may apply to have the license or registration reinstated by filing a new application and payment of the appropriate fee specified in s. Comm 5.02.

2. *Revocation.* The period for revocation shall be determined by the hearing examiner or the department. The period for revocation shall not exceed one year. A person whose license or registration has been revoked shall be eligible for the license or registration only after the time set for revocation by department order has passed. A person whose license or registration has been revoked may apply to have the license or registration reinstated only after submitting a completed application for license or registration examination, if required, payment of the examination fee, passing of the examination and payment of the license or registration fee specified in s. Comm 5.02.

Comm 5.11 Responsibilities. (1) A person who holds a license, certification or registration under this chapter shall carry on his or her person the license, certification or registration issued by the department while performing or conducting the activity or activities permitted under the license, certification or registration.

(2) A person who holds a license, certification or registration under this chapter shall upon request of the department or its rep-

resentative present the license, certification or registration for identification.

(3) The requirements of this section apply to licenses, certifications or registrations issued to an individual and not to a business.

Comm 5.12 Penalties. (1) *GENERAL.* In addition to the forfeitures provided for in sub. (2), penalties for violations of the provisions of this chapter may be assessed in accordance with the respective penalty provisions in the statutes, depending upon the license, certification or registration category or activity involved.

(2) *PLUMBING FORFEITURES.* (a) Pursuant to s. 145.12 (5), Stats., the department may assess a forfeiture in the amount listed in pars. (a) to (i) to a violator of the licensing requirements under s. 145.06, Stats.

Note: A violation of each paragraph is considered separately when assessing a first, second or third violation. For example: violating paragraphs (a), (b) and (c) creates a first violation for each paragraph, not a first, second and third violation.

(b) The amount of forfeiture assessed against an individual who does not hold the appropriate type of plumbing license under subch. IX and who installs plumbing when a master plumber is not in charge of the plumbing installation shall be one of the following:

1. First offense – \$1,000.
2. Second offense – \$1,500.
3. Third and subsequent offense – \$2,000.

(c) The amount of forfeiture assessed against an individual who does not hold the appropriate type of plumbing license under subch. IX and who installs plumbing where a master plumber is in charge of the plumbing installation shall be one of the following:

1. First offense – \$100.
2. Second offense – \$500.
3. Third and subsequent offense – \$1,000.

(d) The amount of forfeiture assessed against a master plumber who allows the use of his or her master plumber license for the purpose of obtaining a plumbing permit without that master plumber assuming responsibility for the plumbing installation shall be one of the following:

1. First offense – \$1,000.
2. Second offense – \$1,500.
3. Third and subsequent offense – \$2,000.

(e) The amount of forfeiture assessed against a master plumber who allows another licensed plumber to install plumbing in the master plumber's name when that master plumber is not in charge of the plumbing installation shall be one of the following:

1. First violation offense – \$500.
2. Second violation offense – \$1,000.
3. Third and subsequent violation offense – \$2,000.

(f) The amount of forfeiture assessed against a master plumber who allows an individual who does not hold the appropriate license under subch. IX to install plumbing when that master plumber is in charge of the plumbing installation shall be one of the following:

1. First violation offense – \$1,500.
2. Second violation offense – \$1,750.
3. Third and subsequent violation offense – \$2,000.

(g) The amount of forfeiture assessed against an individual who does not hold an appropriate master plumber license under s. Comm 5.91 and who engages in the business or offers to engage in the business of superintending plumbing installations shall be one of the following:

1. First violation offense – \$1,000.
2. Second violation offense – \$1,500.
3. Third and subsequent violation offense – \$2,000.

(h) The amount of forfeiture assessed against an individual who does not hold a registration as a cross connection control tester under s. Comm 5.99 and who tests cross connection control devices to meet the requirements in s. Comm 82.22 (9) shall be one of the following:

1. First violation offense – \$500.
2. Second violation offense – \$1,000.
3. Third and subsequent violation offense – \$2,000.

Note: See section 145.06, Stats., for exemptions to the licensing requirements.

(i) When a violator creates an imminent health risk the forfeiture amounts under pars. (b) to (h) shall be doubled within the maximum statutory limit of \$2,000.

(3) FORFEITURE PROCESS. (a) The department shall assess an administrative forfeiture in writing.

(b) A notice of administrative forfeiture shall include the following:

1. The rule or rules violated.
2. A statement or explanation of how the violation was determined.
3. The amount of forfeiture.
4. A statement or explanation of how the amount of forfeiture was determined.
5. Information about how to contest the notice of administrative forfeiture.

(4) FORFEITURE PAYMENTS. (a) Except as provided in sub. (5), all forfeitures shall be paid to the department within 30 days after issuance of the notice.

(b) An interest penalty shall be imposed in accordance with s. 145.12 (5) (d), Stats., for a forfeiture not paid in accordance with par. (a).

Note: Section 145.12 (5) (d), Stats., reads: In the case of any failure in the payment of a forfeiture, the department shall impose an interest penalty of 12% per year from the time when the forfeiture should have been paid.

(c) The department may refer unpaid forfeitures to the attorney general.

Note: Section 145.12 (5) (e), Stats., reads: The attorney general may bring an action in the name of the state to collect any forfeiture imposed, or interest accrued, under this subsection if the forfeitures or interest has not been paid after the exhaustion of all administrative and judicial reviews.

(5) FORFEITURE APPEAL. (a) A person assessed an administrative forfeiture may request a review of the assessment of forfeiture issued under sub. (2) and the grounds for the assessment in accordance with all of the following procedures:

1. A request for review of an assessment of forfeiture under this subsection shall be on the basis to completely overturn the assessment.
2. A request for review of an assessment of forfeiture shall be made in writing to the administrator of the Safety and Buildings Division.

Note: Requests for a review by the administrator may be forwarded to Administrator, Safety and Buildings Division, P.O. Box 2599, Madison, WI 53707-2599.

3. A request for review of an assessment of forfeiture shall include a statement of the specific reasons why the person believes the administrative forfeiture and the grounds for the assessment should be overturned.

(b) A request for review of an assessment of an administrative forfeiture and the grounds for the assessment shall be denied if the request is received more than 30 days after issuance of the forfeiture notice.

(c) 1. The administrator shall make a decision on a request for review of an assessment of administrative forfeiture and the grounds for assessment within 15 days of receipt of the request.

2. If the administrator determines that insufficient reasons are provided in a request for review, the request may be denied.

3. A denial of a request for review shall be in writing and shall state the reasons for denial and information about the right to appeal the denial.

4. If the administrator determines that sufficient reasons are provided in a request for review, the request shall be granted.

5. If the administrator grants a request for review, the administrator shall notify the person making the request in writing of the date, time and location where the review will take place and who will conduct the review. The review shall be scheduled within 10 days after the request for review is granted, unless the person requesting the review asks for and is granted an extension.

6. If a review is granted, the person requesting the review shall be provided an opportunity to meet with the administrator or designee to present statements and documents regarding the contested notice of administrative forfeiture and the grounds for the assessment.

7. If a review is granted, the division shall provide technical expertise to represent the department's position.

(6) ADMINISTRATOR REVIEW. (a) The administrator shall issue a written decision within 30 days following a review under sub. (5) (c) 5.

(b) The written decision from the administrator shall include information about appeal rights and procedures if the decision is to deny overturning the assessment of administrative forfeiture and the grounds for assessment.

(7) SECRETARY REVIEW. (a) A person adversely affected by the decision of the administrator under sub. (6) may request a hearing by the secretary to review an assessment of administrative forfeiture and the grounds for assessment in accordance with all of the following procedures:

1. A request for a hearing shall be made in writing to the secretary.
2. A request for a hearing shall include a statement of the specific reasons why the person believes the forfeiture assessment and the grounds for assessment should be overturned.
3. A request for a hearing shall be denied if the request is received more than 30 days after issuance of the decision by the administrator under sub. (6).

(b) A hearing held by the secretary or designee to review the decision of the administrator on an administrative forfeiture shall be a contested case hearing. The hearing and the decision issued after the hearing shall be governed by the provisions under ch. 227, Stats.

- (b) An application fee and a certification fee in accordance with s. Comm 5.02, Table 5.02.
- (c) One of the following:

1. Evidence that the person has completed at least 12 hours in an approved course in dwelling construction within one year prior to the date of application. The course shall include instruction in at least the following subject matter and one or more tests on at least the following subject matter:

- a. Construction laws
- b. Construction codes.

c. Construction business practices.

2. a. A statement which may be verified by the department that the person at any time from April 11 to April 14, 2006 was the applicant for, was a person eligible to apply for, or was the contact person for a dwelling contractor financial responsibility certification or dwelling contractor financial responsibility – restricted certification.

b. This subdivision does not apply after September 1, 2009.

c. The eligibility provisions under this subd. 2. a. may be used only once to obtain a dwelling contractor qualifier certification.

Note: Under the administrative rules applicants for the dwelling contractor financial responsibility certifications are to be the business owners, partners, chairmen of the boards and chief executive offices. The Safety and Buildings Division has on file a record of who held a dwelling contractor financial responsibility certification or a dwelling contractor financial responsibility – restricted certification any time between April 11, 2006 and April 14, 2006.

(3) RENEWAL. (a) 1. A person may renew his or her certification as a dwelling contractor qualifier.

2. A dwelling contractor qualifier certification shall be renewed in accordance with s. Comm 5.07.

(b) 1. The renewal of a certification as a dwelling contractor qualifier shall be contingent upon the individual obtaining at least 12 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

2. A person who holds a certification as a dwelling contractor qualifier may apply to the department for waiver of the continuing education requirements under subd. 1. on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.

tion in (1) (a) made under s. 13.93 (2m) (b) 7., Stats., Register February 2006 No. 602; CR 06–071: renum. (3m) to be (3m) (a), cr. (3m) (b) Register November 2006 No. 611, eff. 12–1–06.

Comm 5.323 Manufactured home dealer. (1) GENERAL.

Under s. 101.951 (1), Stats., no person may engage in the business of selling manufactured homes to a consumer or to the retail market unless the person holds a license issued by the department as a licensed manufactured home dealer. A branch license shall also be obtained for each branch operated by the licensed manufactured home dealer to sell homes.

(2) APPLICATION FOR LICENSE. A person applying for a manufactured home dealer license shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and a license fee in accordance with s. Comm 5.02, Table 5.02.

(c) A license fee for each branch in accordance with s. Comm 5.02, Table 5.02.

(d) One of the following forms of security:

1. Surety bond. A surety bond shall be filed on form SBD–10679 and issued by a bonding company licensed by this state. The surety bond shall be payable for the benefit of any person sustaining a loss because of an act of the licensee constituting grounds for the suspension or revocation of a license under s. 101.951 (6), Stats.

2. Financial statement. A financial statement shall be filed on form SBD–10678 or the equivalent in accordance with generally accepted accounting principles and be dated not more than 90 days prior to the date of application. A small business, as defined in s. 227.114 (1), Stats., that does no interim financial reporting may submit a financial statement from the close of the business's most recent fiscal year. Financial statements anticipating some future event shall not be accepted.

(3) QUALIFICATIONS. (a) *Minimum net worth or bond.* The minimum level of net worth or surety bond of an applicant shall be determined in accordance with Table 5.323–1 for a non–broker or Table 5.323–2 for a broker. The department shall deny the license of any applicant who fails to meet the net worth or surety bond criteria specified in the tables.

**Table 5.323–1
Minimum Net Worth or Bond for a Non–Broker**

Number of Manufactured Homes Sold Per Year	Amount
New Dealer	\$50,000
2–50	\$50,000
51–up	\$100,000

**Table 5.323–2
Minimum Net Worth or Bond for a Broker**

Number of Manufactured Homes Sold Per Year	Amount
New Dealer	\$25,000
2–50	\$25,000
51–up	\$50,000

(b) *Person applying.* The person applying for a manufactured home dealer license shall be the owner of the business, a partner in the business applying on behalf of a partnership, or the chairperson of the board or chief executive officer applying on behalf of the corporation.

(4) *Responsibilities.* A person who holds a manufactured home dealer license shall post the license at the main business office and shall comply with the trade practices, facilities and records requirements specified in subs. (5) to (9).

(5) ADVERTISING AND SALES REPRESENTATIONS. (a) *Truthful.* The use of false, deceptive or misleading advertising or represen-

tations by any licensee to induce the purchase of a manufactured home is prohibited.

(b) *Factual*. Any licensee, making a statement of fact to the public in an advertisement, written statement or representation concerning the manufactured home offered for sale, the services provided or any other aspects of business operation, shall, upon request of the department, furnish evidence of the validity and accuracy of the statement of fact at the time it was made.

(c) *Disclosures required when advertising price*. When the price of a manufactured home is advertised by a licensee, the advertised price shall include all charges that shall be paid by the retail purchaser to acquire ownership of the advertised home with the exception of sales tax, title registration fees, government required permits, and charges from lenders or other entities.

(d) *Name*. Advertisements for manufactured home sales shall include the licensed business name.

(e) *New or used*. When advertising a manufactured home, a licensee shall state the model year of the home or whether the home is a new manufactured home or a used manufactured home. If the manufactured homes in an advertisement are either all new or all used, one reference in the advertisement designating that they are new or used is sufficient.

(f) *Expiration terms of sales or promotions*. Whenever a sale or promotion offering gifts, merchandise, equipment, accessories, service, discounts, price reductions or cash is advertised, the advertisement shall specifically disclose the expiration terms or date of the sale or promotion.

(g) *Relocations*. Whenever a licensee advertises a manufactured home on a rental lot site that may have to be moved as a condition of the sale, that fact shall be stated in the advertisement.

Note: See Department of Agricultural, Trade and Consumer Protection rules under section ATCP 125.02 regarding tie-in sales; separate or discriminatory charges.

(6) PURCHASE CONTRACT. (a) *Usage*. 1. A licensee shall furnish retail purchasers with a manufactured home purchase contract that clearly states that the retail purchaser is making an offer to purchase a manufactured home. An exact copy of the purchase contract shall be provided to the retail purchaser at the time the retail purchaser signs the offer and again after the offer is accepted by the manufactured home dealer if accepted at a different time than accepted by the retail purchaser. Any changes in the purchase contract after signing by the retail purchaser or subsequent to acceptance by the manufactured home dealer shall be initialed by all the parties on all copies.

2. A manufactured home purchase contract shall be executed whenever the licensee accepts a down payment, deposit, or title for a trade-in unit from a prospective retail purchaser.

(b) *Contract requirements*. A manufactured home purchase contract shall be completed on form SBD-10807.

(c) *Termination of offer to purchase*. 1. Unless otherwise specified in the contract, the offer to purchase is automatically voided if the licensee fails to accept or reject the offer by the close of the manufactured home dealer's next business day.

2. The licensee shall not sell the manufactured home to any other person until the offer is rejected by the licensee or the offer is voided in accordance with this subsection, or the retail purchaser cancels the contract in accordance with par. (d).

3. Any down payment, deposit or title shall be returned to the prospective retail purchaser within 2 working hours of the time the offer to purchase is rejected by the licensee. If the prospective retail purchaser is not present or available during the 2 hour period, those items shall be returned in person or mailed by the close of the manufactured home dealer's next business day.

(d) *Cancellation of agreements*. 1. The purchase contract shall clearly state that cancellation of a manufactured home contract within one business day of acceptance by a manufactured home dealer may subject the retail purchaser to a penalty of up to 1% of the cash price of the manufactured home and that cancellation

after the close of the next business day may subject the retail purchaser to a penalty not to exceed the penalty amount specified in the contract. Modification of the purchase contract shall not extend the cancellation period. Documented proof of notification of cancellation is required regardless of the method of notification.

2. The title and any down payment or deposit which is not retained by the manufactured home dealer as a penalty in accordance with subd. 1. shall be returned to the retail purchaser by the close of the manufactured home dealer's next business day following receipt of the retail purchaser's notice of cancellation.

3. Whenever a manufactured home is sold away from the licensed place of business, the manufactured home dealer shall furnish the customer with a written notice of the 3-day consumer cancellation rights in accordance with s. 423.202, Stats.

(e) *Price changes*. Any increase in price to a retail purchaser after the manufactured home dealer has accepted an offer is prohibited except when the price increase is due to any of the items in subds. 1. to 3.

1. The addition of new equipment required by local, state or federal law.

2. Local, state or federal tax changes.

3. The reappraisal of a trade-in unit that has suffered damage or is missing furnishings, appliances or accessories that were part of the trade-in unit at the time the purchase contract was executed. Reappraisal by the licensee shall be limited to an amount equal to the retail repair costs of the damage incurred, or to the value of furnishings, appliances or accessories removed.

4. The purchase contract shall include information regarding possible price increases due to any of the items in subds. 1. to 3.

(f) *Warranties*. Warranties and disclosures shall be provided in accordance with s. 101.953, Stats.

Note: See appendix for a reprint of section 101.953, Stats.

(g) *Name of prior owner*. The purchase contract shall include the name and address of the current titled owner if the manufactured home is consigned to or listed by the licensee. The name and address of the previous owner shall be kept on file at the manufactured home dealer's main business office if the manufactured home is owned and offered for sale by the licensee.

(h) *On-site sales*. If the manufactured home is displayed for sale on a rental lot site or if a licensee represents that a manufactured home may occupy a site in a specified manufactured home community, the manufactured home dealer shall:

1. Clearly state on the purchase contract whether or not the manufactured home may have to be moved from the site.

2. Clearly state on the purchase contract that the contract is voidable by the retail purchaser if the retail purchaser is rejected by, or the purchaser's manufactured home is not permitted in, the manufactured home community.

3. If the manufactured home may remain on site, inform the prospective retail purchaser in writing prior to the execution of the contract that a copy of the current manufactured home community lease and rules may be obtained from the current manufactured home owner or manufactured home community operator.

(i) *Service fees*. A licensee shall not assess a retail purchaser an additional service charge or fee for completing any sales-related home inspection forms that are required by law or rule.

(j) *Waiver*. The use of a manufactured home purchase contract that requires the retail purchaser to waive any claims the retail purchaser may have for breach of contract by the licensee is prohibited.

(7) CONSIGNMENT AND LISTING AGREEMENTS. (a) *Usage and contents*. 1. Form SBD-10808 shall be used whenever a manufactured home dealer lists or offers to sell a used manufactured home on consignment.

2. Form SBD-10807 shall be used whenever a manufactured home dealer sells a listed or consigned used manufactured home.

(b) *On-site sales on rental sites.* Manufactured homes selling agreements for units offered for sale on-site on rental sites shall comply with sub. (6) (h).

(c) *Net sales prohibited.* Licensees shall not obtain, negotiate, or attempt to negotiate any manufactured home selling agreement providing for a stipulated net price to the owner with the excess over the stipulated net price to be received by the licensee as commission.

(8) DISCLOSURE OF THE CONDITIONS OF THE MANUFACTURED HOME. (a) *Model year designation.* Changing the model year of a manufactured home is prohibited. If no model year is designated, the year of manufacture applies.

(b) *New manufactured home disclosure.* The licensee shall, on the face of the new manufactured home purchase contract, disclose all manufactured home dealer installed options or accessories and whether or not the options or accessories are warranted.

(c) *Used manufactured home general condition disclosure.* 1. Before the execution of a purchase contract for a used manufactured home owned by a licensee, the licensee shall inform a prospective retail purchaser of all significant structural or mechanical defects or damage on form SBD-10809. If the licensee is unable to determine whether specific damage or defects exist, that fact shall be noted on the disclosure form. Disclosure of information shall include that which the licensee discovers as a result of a reasonably competent and diligent inspection which shall consist of, but is not limited to, a walk-around and interior inspection, an under-home inspection, roof inspection and inspection of the appliances. A reasonably competent and diligent inspection is not required to cover every possible technical detail. The licensee is not required to dismantle any part of the manufactured home during the inspection process.

2. The seller of a listed or consigned used manufactured home shall provide a completed form SBD-10809 to the licensee. The licensee shall provide the completed disclosure statement to the prospective retail purchaser.

3. Unless otherwise agreed to in the purchase contract, the inspection disclosures shall not create any warranties, expressed or implied, or affect warranty coverage provided for in the purchase contract.

(9) FACILITIES AND RECORDS. (a) *Business facilities.* Manufactured home dealers shall provide and maintain business facilities that comply with all of the following:

1. A main business office that maintains books, records and files necessary to conduct business. The required business office may be established within a residence if the office is accessible to an outside entrance and is used primarily for conducting the manufactured home business.

2. A display lot within the same block or directly across the street from the main business office, if a display lot is provided.

3. A repair shop, or a service agreement with a nearby repair shop, where there are repair tools, repair equipment and personnel to perform the services provided for in a warranty applicable to a manufactured home sold by the manufactured home dealer. Any service agreement shall be on form SBD-10685.

(b) *Relocation.* A main business office may not be relocated without notice to the department.

(c) *Sign.* Manufactured home dealers who carry and display inventory shall provide an exterior business sign in compliance with s. 100.18 (5), Stats.

(d) *Temporary sales locations.* 1. Manufactured home dealers shall be permitted to display and sell manufactured homes at a temporary site other than the licensed place of business.

2. A temporary sales location may not be used for longer than 30 days.

3. A consigned, listed or model manufactured home shall not be considered a temporary sales location.

Note: There may be zoning, building code and permit requirements relating to business locations that are enforced by local municipalities.

(e) *Records kept.* The books, records and files required to be kept and maintained at the main business office by a manufactured home dealer shall include all of the following:

1. A written verification that the manufactured home dealer has in place a dealership arrangement or an established relationship with a manufacturer to sell and advertise the manufacturer's new manufactured homes.

2. The title or other evidence of ownership for each used manufactured home owned and offered for sale and the manufacturer's statement of origin information for each new manufactured home owned and offered for sale. The manufactured home dealer shall also have a factory invoice, a completed manufactured home dealer reassignment form or a purchase contract evidencing trade-in or purchase when a manufacturer or lending institution is holding the title or manufacturer's statement of origin of the manufactured home.

3. A written selling agreement between the owner and the manufactured home dealer for each manufactured home owned by an individual and offered for sale or listed by the manufactured home dealer.

4. The original or a copy of all manufactured home purchase contracts, purchase orders and invoices. The records shall also include a copy of form SBD-10687 as additional evidence of the sale as well as information regarding collection of sales tax and Wisconsin title and registration fees, if applicable.

5. A record of every manufactured home bought, sold, exchanged, consigned, or listed that includes the following information: date acquired, acquired from name and address, new or used, year, model and identification number, date sold or disposed of, disposed of or sold to name and address.

(f) *Maintenance of records.* The records under par. (e) shall be maintained for 5 years. The records shall be open to inspection and copying by the department during reasonable business hours.

(10) RENEWAL. (a) 1. A person may renew his or her manufactured home dealer license.

2. A manufactured home dealer license shall be renewed in accordance with s. Comm 5.07.

(b) The renewal of a license as a manufactured home dealer shall be contingent upon the applicant providing the information required under sub. (2) (d).

Comm 5.325 Manufactured home salesperson.

(1) GENERAL. (a) Under s. 101.952 (1), Stats., no person may engage in the business of selling manufactured homes to a consumer or to the retail market unless the person holds a license issued by the department as a licensed manufactured home salesperson. A manufactured home dealer who acts as a manufactured home salesperson shall secure a manufactured home salesperson license in addition to the manufactured home dealer license.

(b) A manufactured home salesperson shall obtain a manufactured home salesperson license for each manufactured home dealer employing the manufactured home salesperson.

(2) APPLICATION FOR LICENSE. A person applying for a manufactured home salesperson license shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and a license fee in accordance with s. Comm 5.02, Table 5.02.

(3) QUALIFICATIONS FOR LICENSE. A person applying for a manufactured home salesperson license shall hold a manufactured home dealer license issued by the department or shall be

employed by a person who holds a manufactured home dealer license issued by the department.

(4) RESPONSIBILITIES. (a) A person who holds a manufactured home salesperson license shall comply with the responsibilities under ss. 101.952 (3), and 101.953, Stats.

Note: Section 101.952 (3), Stats., indicates that every licensee shall carry his or her license when engaged in his or her business and display the same upon request. The license shall name his or her employer, and, in case of a change of employer, the manufactured home salesperson shall immediately mail his or her license to the department, which shall endorse that change on the license without charge.

Note: See appendix for a reprint of section 101.953, Stats.

(b) A person who holds a manufactured home salesperson license shall comply with the provisions under s. Comm 5.323 that apply to a licensee.

(5) INVALID LICENSE. (a) A manufactured home salesperson license shall remain valid until one of the following conditions occur:

1. The manufactured home dealer license held by the manufactured home salesperson's current employer expires.
2. The manufactured home salesperson ceases employment with a licensed manufactured home dealer.
3. The manufactured home salesperson's employer goes out of business.
4. The department suspends or revokes the manufactured home salesperson's license.

(b) A person whose manufactured home salesperson license is invalidated by ceasing employment with a licensed manufactured home dealer may request the department to transfer their manufactured home salesperson license to a new employer without charge, as long as the department receives the application before the new employer's manufactured home dealer license expires.

(6) RENEWAL. (a) A person may renew his or her manufactured home salesperson license.

(b) A manufactured home salesperson license shall be renewed in accordance with s. Comm 5.07.

Comm 5.327 Manufactured home installer. (1) GENERAL. (a) Except as provided in par. (b), beginning on January 1, 2007, pursuant to s. 101.96, Stats., no person may install a manufactured home onto a foundation or other support system unless the person complies with one of the following conditions:

1. The person holds a license issued by the department as a licensed manufactured home installer.
2. The person is under the general supervision of another person who holds a license issued by the department as a licensed manufactured home installer.

(b) 1. The owner of a manufactured home who will reside in the home may install his or her own manufactured home without holding a license as a licensed manufactured home installer. This exemption does not apply to the owner who contracts for or otherwise arranges for the installation.

2. A person is not required to hold a license as a licensed manufactured home installer for electrical, plumbing or HVAC work associated with the installation of a manufactured home.

Note: There may be other state or local licensing requirements involved in the installation of manufactured homes.

(2) QUALIFICATIONS FOR LICENSE. A person applying for a manufactured home installer license shall comply with all of the following conditions:

- (a) The person is at least 18 years old.
- (b) The person has not been found responsible in any judicial or administrative forum for any violation of s. 101.96, Stats., during the 2 years before the date on which the person's license application is submitted.

Note: See appendix for a reprint of section 101.96, Stats.

(c) The person has not been found responsible in any judicial or administrative forum during the 2 years before the date on which the person's license application is submitted for any failure to perform an installation of a manufactured home as required under contract or for defrauding any person with regard to the provision of installation services.

(3) APPLICATION FOR LICENSE. (a) A person may apply for a license as a licensed manufactured home installer by submitting an application, an application fee and the license fee in accordance with ss. Comm 5.01 and 5.02 and one of the following:

1. Evidence that the person holds a manufactured home installer license issued by the federal department of housing and urban development.
2. Evidence that the person holds a manufactured home installer license issued by a state administrative agency (SAA) that has an installer licensing program that is equivalent to the rules under this section.
3. Evidence that the person has completed at least 12 hours in an approved course or courses in the installation of manufactured homes within one year prior to the date of application. The course or courses shall include instruction in at least the following subject matter and one or more tests on the subject matter:

- a. Soil mechanics.
- b. Site preparation.
- c. Structural support, stabilization and anchorage.
- d. Setting.
- e. Ventilation of crawl spaces.
- f. Connections, plumbing, electrical, HVAC.
- g. Joining of home sections.

(b) 1. A person may apply for a license as a licensed manufactured home installer by submitting an application, an application fee and the license fee in accordance with ss. Comm 5.01 and 5.02 and evidence that the person has actively participated in the installation of at least 10 manufactured homes.

2. This paragraph does not apply after June 1, 2007.

(4) RESPONSIBILITIES. A person who installs or supervises the installation of manufactured homes as a licensed manufactured home installer shall be responsible for compliance with the installation requirements in ch. Comm 21.

(5) RENEWAL. (a) 1. A person may renew his or her license as a manufactured home installer.

2. A manufactured home installer license shall be renewed in accordance with s. Comm 5.07.

(b) 1. The renewal of a license as a manufactured home installer shall be contingent upon the manufactured home installer obtaining at least 12 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

2. A person who holds a license as a manufactured home installer may apply to the department for waiver of the continuing education requirements under subd. 1. on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.

(c) The renewal of a license as a manufactured home installer shall be contingent upon all of the following conditions:

1. The person has not been found responsible in any judicial or administrative forum for any violation of s. 101.96, Stats., during the previous 2 years.
2. The person has not been found responsible in any judicial or administrative forum during the previous 2 years for any failure to perform an installation of a manufactured home as required

under contract or for defrauding any person with regard to the provision of installation services.

Comm 5.33 Soil testers. (1) GENERAL. Pursuant to s. 145.045, Stats., no person may conduct soil evaluations relative to the discharge or disposal of liquid domestic wastes into the soil unless the person holds a certification issued by the department as a certified soil tester.

(2) APPLICATION FOR EXAMINATION. A person applying to take a soil tester certification examination shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and examination fee specified in s. Comm 5.02, Table 5.02.

(3) QUALIFICATIONS FOR EXAMINATION. A person applying to take a soil tester certification examination shall be at least 18 years old.

(4) EXAMINATION. A person seeking to obtain a soil tester certification shall take and pass an examination in accordance with s. Comm 5.09.

(5) APPLICATION FOR CERTIFICATION. Upon notification of the successful passage of the examination for soil tester certification, a person may obtain the certification by submitting an application and a certification fee in accordance with ss. Comm 5.01 and 5.09 (7) (c).

(6) RESPONSIBILITIES. A certified soil tester who, as either an employee of a local governmental unit or under contract to a local governmental unit, is responsible for administering regulations governing privately owned wastewater treatment systems may not provide soil evaluations relative to the design, installation or maintenance of private sewage systems within the boundaries of the local governmental unit.

(7) RENEWAL. (a) 1. A person may renew his or her certification as a soil tester.

2. A soil tester certification shall be renewed in accordance with s. Comm 5.07.

(b) 1. a. The renewal of a certification as a certified soil tester which has an expiration date on or before June 30, 2006 shall be contingent upon the soil tester obtaining at least 6 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

b. The renewal of a certification as a certified soil tester which has an expiration date after June 30, 2006 shall be contingent upon the soil tester obtaining at least 12 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

2. A person who holds a certification as a certified soil tester may apply to the department for waiver of the continuing education requirements under subd. 1. on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.

Subchapter IV — Electrical

Comm 5.40 Electricians. (1) A person who holds a certification issued by the department as a certified electrical contractor, certified electrical contractor—restricted, certified master electrician, certified journeyman electrician or certified beginning electrician may perform electrical construction work in a municipality which requires licensure to perform electrical work pursuant to s. 101.87 (2) to (4), Stats., and in accordance with local ordinances.

Note: Section 101.87 (2) to (4), Stats., was repealed by 2007 Wis. Act 63.

Note: See the appendix for a reprint of s. 101.87 (2) and (4), Stats., relating to municipal requirements for electrical contractors.

Note: This subchapter establishes a statewide certification of electricians in various classes, master, journeyman and beginning, recognizing their knowledge and abilities. When an electrician certification is required and what category of certification is needed are determined by individual municipalities.

Comm 5.41 Electrical contractors. (1) APPLICATION FOR CERTIFICATION. (a) A person applying for an electrical contractor certification shall submit all of the following:

1. An application in accordance with s. Comm 5.01.
2. An application fee and a certification fee in accordance with s. Comm 5.02, Table 5.02.

(b) Pursuant to s. 101.87 (1), Stats., a person applying for an electrical contractor certification shall provide all of the following:

1. Their social security number.
2. Their worker's compensation number.
3. Their unemployment insurance account number.
4. Their state tax identification number.
5. Their federal tax identification number.
6. The name and address of each partner or member if they are partnerships or limited liability companies, of the owner if they are individual proprietorships and of the officers if the companies are corporations.

(2) QUALIFICATIONS FOR CERTIFICATION. The person applying for an electrical contractor certification shall be the owner of the contracting business, a partner in the contracting business applying on behalf of the partnership, or the chairman of the board or chief executive officer applying on behalf of the contracting corporation.

(3) RESPONSIBILITIES. (a) Pursuant to s. 101.87 (1), Stats., a person who holds an electrical contractor certification shall be a certified master electrician or employ one or more certified master electricians.

(b) For any electrical installation that requires a uniform building permit under s. Comm 20.08, a person who holds an electrical contractor certification may not commence installation of electrical wiring until a permit is issued for the installation.

Note: Chs. Comm 20 to 25 apply to one- and 2-family dwellings and manufactured dwellings. The department's uniform building permit is issued either by the municipality in which the dwelling is located or by a UDC inspection agency where the municipality does not administer the Uniform Dwelling Code.

(4) RENEWAL. (a) 1. A person may renew his or her certification as an electrical contractor.

2. An electrical contractor certification shall be renewed in accordance with s. Comm 5.07.

(b) The renewal of an electrical contractor certification shall be contingent upon the applicant providing the information required under sub. (1) (b).

Comm 5.43 Master electricians. (1) APPLICATION FOR EXAMINATION. A person applying to take a master electrician certification examination shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and examination fee in accordance with s. Comm 5.02, Table 5.02.

(2) QUALIFICATIONS FOR EXAMINATION. (a) Except as provided in par. (b), a person applying for a master electrician certification examination shall have at least 1,000 hours per year of experience for at least 7 years in electrical construction work.

(b) Relative to the experience required under par. (a), each semester spent full-time in a school of electrical engineering or other accredited college, university, technical or vocational school in an electrical-related program shall be considered equivalent to 500 hours of experience, with no more than 3,000 hours and 3 years of experience through education being credited toward the required experience.

(3) EXAMINATION. A person seeking to obtain a master electrician certification shall take and pass an examination in accordance with s. Comm 5.09.

(4) APPLICATION FOR CERTIFICATION. Upon notification of the successful passage of the examination for a master electrician certification, a person may obtain the certification by submitting an application and the certification fee in accordance with ss. Comm 5.01 and 5.09 (7) (c).

(5) RESPONSIBILITIES. For any electrical installation that requires a uniform building permit under s. Comm 20.08, a person who holds a master electrician certification may not commence installation of electrical wiring until a permit is issued for the installation.

Note: Chs. Comm 20 to 25 apply to one- and 2-family dwellings and manufactured dwellings. The department's uniform building permit is issued either by the municipality in which the dwelling is located or by a UDC inspection agency where the municipality does not administer the Uniform Dwelling Code.

(6) RENEWAL. (a) 1. A person may renew his or her certification as a master electrician.

2. A master electrician certification shall be renewed in accordance with s. Comm 5.07.

(b) 1. a. The renewal of a certification as a certified master electrician which has an expiration date on or before June 30, 2007 shall be contingent upon the master electrician obtaining at least 18 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

b. The renewal of a certification as a certified master electrician which has an expiration date after June 30, 2007 shall be contingent upon the master electrician obtaining at least 24 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

2. A person who holds a certification as a certified master electrician may apply to the department for waiver of the continuing education requirements under subd. 1. on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.

Comm 5.44 Journeyman electricians. (1) GENERAL.

A person may obtain a certification as a certified journeyman electrician by either one of the following:

(a) Taking and passing the journeyman electrician certification examination.

(b) Completing an electrical construction apprenticeship.

(2) APPLICATION FOR EXAMINATION. A person applying to take a journeyman electrician certification examination shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and examination fee in accordance with s. Comm 5.02, Table 5.02.

(3) QUALIFICATIONS FOR EXAMINATION. (a) Except as provided in par. (b), a person applying for a journeyman electrician certification examination shall have at least 1,000 hours per year of experience for at least 5 years in electrical construction work.

(b) Relative to the experience required under par. (a), each semester spent full-time in a school of electrical engineering or other accredited college, university, technical or vocational

school in an electrical-related program shall be considered equivalent to 500 hours of experience, with no more than 2,000 hours and 2 years of experience through education being credited toward the required experience.

(4) **EXAMINATION.** Except as provided in sub. (1) (b), a person seeking to obtain a journeyman electrician certification shall take and pass an examination in accordance with s. Comm 5.09.

(5) **APPLICATION FOR CERTIFICATION.** (a) Upon notification of the successful passage of the examination for a journeyman electrician certification, a person may obtain the certification by submitting an application and the certification fee in accordance with ss. Comm 5.01 and 5.09 (7) (c).

(b) A person may apply for a certification as a certified journeyman electrician by submitting all of the following:

1. An application, application fee and a certification fee in accordance with ss. Comm 5.01 and 5.02, Table 5.02.

2. Evidence of completing an electrical construction apprenticeship program and the program has been recognized by the department under ch. 106, Stats., and the federal department of labor.

(6) **RENEWAL.** (a) 1. A person may renew his or her certification as a journeyman electrician.

2. A journeyman electrician certification shall be renewed in accordance with s. Comm 5.07.

(b) 1. a. The renewal of a certification as a certified journeyman electrician which has an expiration date on or before June 30, 2007 shall be contingent upon the journeyman electrician obtaining at least 18 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

b. The renewal of a certification as a certified journeyman electrician which has an expiration date after June 30, 2007 shall be contingent upon the journeyman electrician obtaining at least 24 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

2. A person who holds a certification as a certified journeyman electrician may apply to the department for waiver of the continuing education requirements under subd. 1. on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.

3. A person who initially obtained his or her journeyman electrician certification by completing an electrical construction apprenticeship and whose request to renew his or her certification is denied because of the failure to fulfill the continuing education requirements of subd. 1., shall be required to take and pass the journeyman electrician certification examination in order to reacquire the journeyman electrician certification.

Comm 5.51 Sprinkler contractors. (1) GENERAL. Except as provided in s. Comm 5.54, a person licensed as an automatic fire sprinkler contractor shall be responsible for each installation of an automatic fire sprinkler system.

(2) **APPLICATION FOR EXAMINATION.** A person applying to take an automatic fire sprinkler contractor license examination shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and examination fee in accordance with s. Comm 5.02, Table 5.02.

(2m) **QUALIFICATIONS FOR EXAMINATION.** A person applying for an automatic fire sprinkler contractor license examination shall have one of the following qualifications relating to the engineering principles and skills associated with the design, installation and maintenance of automatic fire sprinkler systems:

(a) At least 1000 hours of experience per year for at least 3 consecutive years as a licensed journeyman automatic fire sprinkler fitter.

(b) Graduated from an accredited 4-year university or college with a degree in civil engineering, mechanical engineering or other approved engineering curriculum related to automatic fire sprinklers.

(c) At least 1000 hours of experience per year for at least 7 years in automatic fire sprinkler design or installation. Each semester spent full-time in a school of civil or mechanical engineering or other accredited college, university, technical or vocational school in an automatic fire sprinkler-related program shall be considered equivalent to 500 hours of experience, with no more than 3,000 hours and 3 years of experience through education being credited toward the 7 years of experience.

(d) A level III certification in fire protection/automatic fire sprinkler system layout from the national institute for certification in engineering technologies.

(3) **EXAMINATION.** A person seeking to obtain an automatic fire sprinkler contractor license shall take and pass an examination in accordance with s. Comm 5.09.

(4) **APPLICATION FOR LICENSE.** Upon notification of the successful passage of the examination for an automatic fire sprinkler system contractor license, a person may obtain the license by sub-

mitting an application and the license fee in accordance with ss. Comm 5.01 and 5.09 (7) (c).

(5) RESPONSIBILITIES. (a) A person who installs, inspects, tests or maintains an automatic fire sprinkler system as a licensed automatic fire sprinkler contractor shall utilize the appropriately licensed or registered persons to install, inspect, test or maintain automatic fire sprinkler systems.

(b) For any construction project that requires a uniform building permit under s. Comm 20.08, a person who holds a sprinkler contractor certification may not commence installation of fire sprinklers until a general construction permit is issued for the installation.

Note: Chs. Comm 20 to 25 apply to one- and 2-family dwellings and manufactured dwellings. The department's uniform building permit is issued either by the municipality in which the dwelling is located or by a UDC inspection agency where the municipality does not administer the Uniform Dwelling Code.

(6) RENEWAL. (a) A person may renew his or her license as an automatic fire sprinkler contractor.

(b) An automatic fire sprinkler contractor license shall be renewed in accordance with s. Comm 5.07.

(c) 1. a. The renewal of a license as an automatic fire sprinkler contractor which has an expiration date on or before June 30, 2010 shall be contingent upon the automatic fire sprinkler contractor obtaining at least 12 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

b. The renewal of a license as an automatic fire sprinkler contractor which has an expiration date after June 30, 2010 shall be contingent upon the automatic fire sprinkler contractor obtaining at least 24 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

2. A person who holds a license as an automatic fire sprinkler contractor may apply to the department for waiver of the continuing education requirements under subd. 1. on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.

(1) GENERAL. No person may inspect, as required under ch. Comm 41, a boiler or pressure vessel for the purpose of determining compliance with ch. Comm 41 or submit an inspection report to the department documenting compliance or noncompliance with ch. Comm 41 unless the person holds a certification issued by the department as a:

(a) Certified boiler–pressure vessel inspector; or

(b) Certified in–service field inspector working under the general supervision of a certified boiler–pressure vessel inspector who has assumed responsibility for the inspection or the report.

(2) APPLICATION FOR CERTIFICATION. A person applying for a boiler–pressure vessel inspector certification or an in–service field inspector certification shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and a certification fee in accordance with s. Comm 5.02, Table 5.02.

(3) QUALIFICATIONS FOR CERTIFICATION. (a) A person applying for a boiler–pressure vessel inspector certification shall have:

1. Passed the competency examination by the national board of boiler and pressure vessel inspectors; and

Note: See ch. Comm 2 for the fee for the competency examination.

2. a. A degree in engineering from an accredited college or university and at least 1,000 hours in one year of experience in the design, construction, operation or inspection of boilers or pressure vessels;

b. An associate degree in mechanical technology from an accredited college or school and at least 1,000 hours per year for at least 2 years of experience in the design, construction, operation or inspection of boilers or pressure vessels; or

c. At least 1,000 hours per year for at least 3 years of experience in the design, construction, operation, or inspection of boilers or pressure vessels.

(b) A person applying for an in–service field inspector certification shall have:

1. Passed the competency examination by the national board of boiler and pressure vessel inspectors; and

2. a. A degree in engineering from an accredited college or university;

b. An associate degree in mechanical technology from an accredited college or school and at least 1,000 hours in one year of experience in the design, construction, operation or inspection of boilers or pressure vessels; or

c. At least 1,000 hours per year for at least 2 years of experience in the design, construction, operation or inspection of boilers or pressure vessels.

(4) RESPONSIBILITIES. A person who inspects boilers and pressure vessels as a certified boiler–pressure vessel inspector or a certified in–service field inspector shall:

(a) Maintain a record of the inspections made including the dates and the findings of the inspections;

(b) Provide a copy of the inspection report to the property owner or his or her agent; and

(c) Make available to the department upon request or as required under ch. Comm 41, his or her inspection records.

(5) RENEWAL. (a) A person may renew his or her certification as a boiler–pressure vessel inspector or an in–service field inspector.

(b) A boiler–pressure vessel inspector certification and an in–service field inspector certification shall be renewed in accordance with s. Comm 5.07.

(c) 1. The renewal of a certification as a certified boiler–pressure vessel inspector or certified in–service field inspector which has an expiration after December 31, 2008, shall be contingent upon the boiler–pressure vessel inspector or in–service field inspector obtaining at least 24 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

2. A person who holds a certification as a certified boiler–pressure vessel inspector or certified in–service field inspector may apply to the department for waiver of the continuing education requirements under subd. 1. on the grounds of prolonged illness or disability or similar circumstances. The department shall consider each application for waiver individually on its merits.

3. A person who initially obtained his or her boiler–pressure vessel inspector certification or in–service field inspector certification by providing evidence of having passed the competency examination by the national board and whose request to renew his or her certification is denied because of the failure to fulfill the continuing education requirements of subd. 1., shall be required to take and pass the competency examination in order to reacquire the boiler–pressure vessel inspector certification or the in–service field inspector certification.

Comm 5.625 Commercial plumbing inspectors.

(1) GENERAL. (a) Pursuant to s. 145.05 (1), Stats., a city of the first, second or third class shall supervise the installation, alteration and repair of plumbing within its jurisdiction in accordance with one of the following approaches:

1. The city shall utilize at least one supervisor to oversee all plumbing inspections and all plumbing plan reviews who shall hold a certification as a commercial plumbing inspector issued under this section and who shall hold a license as a master plumber issued under s. Comm 5.91 or a license as a journeyman plumber issued under s. Comm 5.93.

2. The city shall utilize at least one individual to conduct all plumbing inspections and all plumbing plan reviews who shall hold a certification as a commercial plumbing inspector issued under this section and who shall hold a license as a master plumber issued under s. Comm 5.91 or a license as a journeyman plumber issued under s. Comm 5.93.

Note: Utilizing the approach under subd. 2. does not prevent the employment of individuals to organizationally supervise the plumbing inspectors and plumbing plan reviewers. In such cases, where the individuals are providing administrative supervision, the supervisors are not required to be certified as commercial plumbing inspectors or to be licensed plumbers.

Note: The requirements for review of plumbing plans by agent municipalities are contained in s. Comm 82.20 (2).

(b) 1. Under par. (a) 1., individuals who, under a supervisor, conduct plumbing inspections and plumbing plan reviews shall hold a certification as a commercial plumbing inspector, except as provided in subd. 2.

2. Individuals who, under a supervisor, conduct plumbing inspections and plumbing plan reviews for the purpose of administering and enforcing ch. Comm 25 shall hold a certification as a commercial plumbing inspector issued under this section or as a UDC-plumbing inspector issued under s. Comm 5.63.

(2) APPLICATION FOR EXAMINATION. A person applying to take a commercial plumbing inspector certification examination shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and examination fee in accordance with s. Comm 5.02, Table 5.02.

(3) EXAMINATION. Except as provided in sub. (4) (b), a person seeking to obtain a commercial plumbing inspector certification shall take and pass an examination in accordance with s. Comm 5.09.

(4) APPLICATION FOR CERTIFICATION. (a) Upon notification of the successful passage of the examination for a commercial plumbing inspector certification, a person may obtain the certification by submitting an application and the certification fee in accordance with ss. Comm 5.01 and 5.09 (7) (c).

(b) A person may apply for certification as a certified commercial plumbing inspector by submitting an application, an applica-

tion fee and the certification fee in accordance with ss. Comm 5.01 and 5.02 and one of the following:

1. Evidence that the person holds a license as a master plumber issued under s. Comm 5.91.

2. Evidence that the person holds a license as a journeyman plumber issued under s. Comm 5.93.

(5) RESPONSIBILITIES. A person who inspects plumbing as a certified commercial plumbing inspector shall:

(a) Maintain a record of the inspections made including the dates and the findings of the inspections;

(b) Provide a copy of the inspection report to the property owner or his or her agent; and

(c) Make his or her inspection records available to the department upon request.

(6) RENEWAL. (a) A person may renew his or her certification as a commercial plumbing inspector. A commercial plumbing inspector certification shall be renewed in accordance with s. Comm 5.07.

(b) 1. The renewal of a certification as a certified commercial plumbing inspector shall be contingent upon the commercial plumbing inspector obtaining at least 24 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

2. A person who holds a certification as a certified commercial plumbing inspector may apply to the department for waiver of the continuing education requirements under subd. 1. on the grounds of prolonged illness or disability or similar circumstances. The department shall consider each application for waiver individually on its merits.

Comm 5.70 HVAC contractors. (1) GENERAL. (a) Pursuant to ss. 101.177 (2) and (3) (a) and 101.178 (2), Stats., no person, entity or business may engage or offer to engage in the following activities, unless the person, entity or business holds a registration issued by the department as a registered HVAC contractor, except as provided in par. (b):

1. Installing or servicing heating, ventilating or air conditioning equipment.

2. Installing or servicing refrigeration or air conditioning equipment that would release or may release ozone-depleting refrigerant.

3. Selling for reuse used ozone-depleting refrigerant from refrigeration or air conditioning equipment.

(b) 1. A person, entity or business is not required to hold a registration as a registered HVAC contractor to service existing heating, ventilating, air conditioning, or refrigeration equipment within facilities or properties owned by the person, entity or business provided the air conditioning or refrigeration equipment does not involve ozone-depleting refrigerants.

2. A person, entity or business is not required to hold a registration as a registered HVAC contractor to install or service heating, ventilating, air conditioning, or refrigeration equipment within a dwelling owned by the person, entity or business and in which the person, entity or business resides or will reside provided the air conditioning or refrigeration equipment does not involve ozone-depleting refrigerants.

3. A person, entity or business is not required to hold a registration as a registered HVAC contractor for electrical or plumbing work associated with the installation or servicing of the HVAC equipment or systems.

(2) APPLICATION FOR REGISTRATION. A person applying for an HVAC contractor registration shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and a registration fee in accordance with s. Comm 5.02, Table 5.02.

(3) QUALIFICATIONS FOR REGISTRATION. The person applying for an HVAC contractor registration shall be the owner of the contracting business, a partner in the contracting business applying on behalf of a partnership, or the chairman of the board or chief executive officer applying on behalf of the contracting corporation.

(4) RESPONSIBILITIES. For any HVAC equipment installation that requires a uniform building permit under s. Comm 20.08, a person, entity or business which holds an HVAC contractor registration may not commence installation of HVAC equipment until a permit is issued for the installation.

Note: Chs. Comm 20 to 25 apply to one- and 2-family dwellings and manufactured dwellings. The department's uniform building permit is issued either by the municipality in which the dwelling is located or by a UDC inspection agency where the municipality does not administer the Uniform Dwelling Code.

Note: Section 101.16 (4) (a), Stats., provides that: The person performing the work of installing equipment utilizing liquefied petroleum gas for fuel purposes shall furnish the user of the equipment a statement, the form of which shall be prescribed by the department showing the design, construction, location, and installation of the equipment conforms with the rules promulgated by the department under this section.

(5) RENEWAL. (a) 1. A person may renew his or her registration as an HVAC contractor.

2. An HVAC contractor registration shall be renewed in accordance with s. Comm 5.07.

(b) A person, entity or business upon expiration of their registration to handle ozone-depleting refrigerants may renew the registration as an HVAC contractor in accordance with s. Comm 5.07.

Comm 5.73 Liquefied gas suppliers. (1) GENERAL.

(a) Pursuant to s. 101.16 (3g) (a), Stats., as of August 1, 2009, no person may engage in the business of filling containers with liquefied petroleum gas that is intended to be used directly from the containers as fuel, unless the person holds a license issued by the department as a licensed liquefied gas supplier or liquefied gas supplier - restricted, except as provided under either of the following conditions:

1. The business is engaged in only filling containers that have a water capacity of less than 4 pounds.

2. The filling of the containers with liquefied petroleum gas is for the person's or the entity's own use.

(b) A person who holds a license as a licensed liquefied gas supplier - restricted shall be limited to filling only department of transportation cylinders with liquefied petroleum gas.

Note: Under s. 101.16 (1) (c), Stats., a "department of transportation cylinder" means a container that holds liquefied petroleum gas and that meets the specifications established by the federal department of transportation.

(2) APPLICATION FOR LICENSE. A person applying for a liquefied gas supplier or a liquefied gas supplier - restricted license shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and a license fee in accordance with s. Comm 5.02, Table 5.02.

(3) QUALIFICATIONS FOR LICENSE. (a) A person applying for either a liquefied gas supplier or a liquefied gas supplier - restricted license shall provide proof of financial responsibility as required under s. 101.16 (3r) (c), Stats.

Note: Section 101.16 (3r) (c), Stats., requires any one of the following to prove financial responsibility:

1. A surety bond that is issued by a surety company that is listed as an acceptable surety for federal bonds on the date that the surety bond is obtained in the most recently published U.S. department of the treasury's circular 570.

2. An irrevocable letter of credit that is issued by a financial institution that is authorized to do business in this state or that is federally chartered. The letter of credit shall be for an initial period of at least one year.

3. Commercial general liability insurance as an endorsement to an existing policy or as a separate policy from an insurer, or a risk retention group, that is licensed to transact the business of insurance in this state or that is eligible to provide insurance as a surplus lines insurer in one or more states.

(b) The person applying for either a liquefied gas supplier or a liquefied gas supplier - restricted license shall be the owner of the contracting business, a partner in the contracting business applying on behalf of a partnership, or the chairman of the board or chief executive officer applying on behalf of the contracting corporation.

(4) RESPONSIBILITIES. (a) A person who holds either a liquefied gas supplier or a liquefied gas supplier - restricted license shall maintain proof of financial responsibility in accordance with s. 101.16 (3r) (a) or (b), Stats.

Note: Section 101.16 (3r) (a) and (b), Stats., reads as follows:

(a) Except as provided in par. (b), a retail supplier (a licensed liquefied gas supplier or a liquefied gas supplier - restricted) shall maintain proof of financial responsibility in the amount of \$1,000,000 per occurrence with an annual aggregate of \$2,000,000 for compensating 3rd parties for bodily injury and property damages for incidents associated with the release of liquefied petroleum gas.

(b) A retail supplier (a licensed liquefied gas supplier or a liquefied gas supplier - restricted) who only fills department of transportation cylinders or who only fills containers for engine and recreational vehicle fueling systems shall maintain proof of financial responsibility in the amount of \$500,000 per occurrence with an annual aggregate of \$1,000,000 for compensating 3rd parties for bodily injury and property damages for incidents associated with the release of liquefied petroleum gas.

(b) Pursuant to s. 101.16 (3r) (g), Stats., a person who holds either a liquefied gas supplier or a liquefied gas supplier – restricted license shall notify the department at least 60 days before cancelling or failing to renew a surety bond, letter of credit or general liability insurance as proof of financial responsibility.

Note: Section 101.16 (3r) (f), Stats., requires a 3rd party that issues a surety bond, letter of credit, or general liability insurance to a retail supplier for purposes of this subsection shall provide written notice to the retail supplier and to the department at least 60 days before canceling, revoking, suspending, or failing to renew the bond, letter or insurance.

(c) Pursuant to s. 101.16 (4) (c), Stats., a person who holds either a liquefied gas supplier or a liquefied gas supplier – restricted license and fills a container that is part of a propane gas system shall provide written information notices to customers in accordance with s. 101.16 (4) (c), Stats.

Note: Section 101.16 (4) (c), Stats., reads: Each retail supplier filling a container that is part of a propane gas system shall provide written notice to each custom subject to par. (b) of the customer’s duty under par. (b) before the retail supplier’s first delivery of propane gas to that customer and shall provide subsequent notices on an annual basis. The notice shall include all of the following information concerning the duty to notify under par. (b):

1. The name, address, and telephone number of the retail supplier.
2. The purpose of giving the notification to the retail supplier.
3. A description of the type of propane gas system that is subject to the notification requirement.
4. A description of the types of activities that constitute a replacement, modification, repair, or servicing of a propane system.
5. A copy of the provisions under s. 101.16 (4) (b).

Note: Section 101.16 (4) (a), Stats., The person performing the work of installing equipment utilizing liquefied petroleum gas for fuel purposes shall furnish the user of the equipment a statement, the form of which shall be prescribed by the department showing the design, construction, location, and installation of the equipment conforms with the rules promulgated by the department under this section.

(5) RENEWAL. (a) A person may renew his or her liquefied gas supplier or liquefied gas supplier – restricted license.

(b) A liquefied gas supplier or a liquefied gas supplier – restricted license shall be renewed in accordance with s. Comm 5.07.

Subchapter VIII — Storage Tanks

Comm 5.80 PECFA consulting firms. (1) GENERAL.

(a) A corporation, partnership, sole proprietor or independent contractor that performs or provides professional level engineering or hydrogeological services related to a claim submitted for reimbursement under the PECFA program, ch. Comm 47, shall hold a registration issued by the department as a registered PECFA consulting firm.

Note: See chs. 443 and 470, Stats., for additional requirements relating to the practice of professional engineering; and the practices of professional geology, professional hydrology, and professional soil science, respectively.

(b) The services referred to in par. (a) include but are not limited to:

1. Conducting site investigations;
2. Preparing remedial action plans and alternatives;
3. Designing and supervising the installation of remedial systems; and
4. Planning for passive bio–remediation with long term monitoring.
5. Preparing and submitting bids in the competitive public bidding process prescribed in ch. Comm 47.

(2) APPLICATION FOR REGISTRATION. An entity applying for a PECFA consulting firm registration shall submit all of the following:

- (a) An application in accordance with s. Comm 5.01.
- (b) An application fee and a registration fee in accordance with s. Comm 5.02, Table 5.02.
- (c) Proof of employing at least one Wisconsin–registered PECFA consultant.
- (d) Proof of being registered by the department of regulation and licensing to engage in the practice of professional engineering, geology, hydrology, or soil science.

(e) Proof of the liability coverage specified in sub. (4) (a) 3. or (b), and (c).

(3) QUALIFICATIONS FOR REGISTRATION. The person applying for a PECFA consulting firm registration shall be the owner of the consulting business, a partner in the consulting business applying on behalf of a partnership, or the chairman of the board or chief executive officer applying on behalf of the consulting corporation.

(4) RESPONSIBILITIES. (a) An entity that performs or provides professional level engineering, geological, hydrological, or soil science services related to a claim submitted for reimbursement under the PECFA program, ch. Comm 47, as a registered PECFA consulting firm shall do all of the following:

1. Ensure that only Wisconsin–registered professional engineers, professional geologists, professional hydrologists, or professional soil scientists perform professional–level engineering, geological, hydrological, or soil science services related to the PECFA program, unless those services are under the supervision of those professionals.

2. Ensure that only PECFA consultants who are so registered under this chapter perform the services referenced in s. Comm 5.81.

3. Hold errors and omissions professional liability coverage, including pollution impairment liability, of no less than \$1,000,000 per claim, \$1,000,000 annual aggregate and with a deductible of no more than \$100,000 per claim, except as provided in par. (b).

(b) A consulting firm may request the department’s approval of an alternate mechanism for meeting the requirement of the maximum deductible in par. (a) 3. The department shall review the request and determine whether it meets the requirement of the rule.

(c) The insurance coverage required under this subsection shall be obtained from a firm that has an A.M. Best rating of at least “A–.”

(5) RENEWAL. (a) An entity may renew their registration as a PECFA consulting firm.

(b) A PECFA consulting firm registration shall be renewed in accordance with s. Comm 5.07.

(c) The renewal of a registration as a PECFA consulting firm shall be contingent upon all of the following:

1. Employing at least one Wisconsin–registered PECFA consultant.
2. Being registered by the department of regulation and licensing to engage in the practice of professional engineering, geology, hydrology, or soil science.
3. Holding the liability coverage specified in sub. (4) (a) 3. or (b), and (c).

Comm 5.81 PECFA consultants. (1) GENERAL.

(a) A person who performs or provides professional level investigation, interpretation, design or technical project management services related to a claim submitted for reimbursement under the PECFA program, ch. Comm 47, shall hold a registration issued by the department as a registered PECFA consultant.

Note: See chs. 443 and 470, Stats., for additional requirements relating to the practice of professional engineering; and the practices of professional geology, professional hydrology, and professional soil science, respectively.

(b) The services referred to in par. (a) include but are not limited to:

1. Conducting site investigations;
2. Preparing remedial action plans and alternatives; or

3. Interpretation of data for passive or active bio-remediation systems.

(2) APPLICATION FOR REGISTRATION. A person applying for a PECFA consultant registration shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and a registration fee in accordance with s. Comm 5.02, Table 5.02

(c) Proof of being registered by the department of regulation and licensing as a professional engineer, professional geologist, professional hydrologist, or professional soil scientist, or proof of being supervised by a person who is so registered.

(d) Proof of the liability coverage specified in sub. (3).

(3) RESPONSIBILITIES. A person who performs or provides professional level investigation, interpretation, design or technical project management services related to a claim submitted for reimbursement under the PECFA program, ch. Comm 47, as a registered PECFA consultant shall either hold or be covered by errors and omissions professional liability coverage, including pollution impairment liability, of no less than \$1,000,000 per claim, \$1,000,000 annual aggregate and with a deductible of no more than \$100,000 per claim.

(4) RENEWAL. (a) A person may renew his or her registration as a PECFA consultant.

(b) A PECFA consultant registration shall be renewed in accordance with s. Comm 5.07.

(c) The renewal of a registration as a PECFA consultant shall be contingent upon both of the following:

1. Being registered by the department of regulation and licensing as a professional engineer, professional geologist, professional hydrologist, or professional soil scientist, or proof of being supervised by a person who is so registered.

2. Holding or being covered by the liability coverage specified in sub. (3).

Comm 5.82 Tank specialty firms. (1) GENERAL. A corporation, partnership, sole proprietor or independent contractor that provides or offers to provide installation, removal, testing, lining, cleaning or assessments for a tank system which is regulated under ch. Comm 10 shall hold both of the following:

(a) A registration issued by the department as a registered specialty tank firm.

(b) Contractor liability coverage, including pollution impairment liability, of no less than \$1,000,000 per claim and \$1,000,000 annual aggregate and with a deductible of no more than \$100,000 per claim.

(2) APPLICATION FOR REGISTRATION. An entity applying for a specialty tank firm registration shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and a registration fee in accordance with s. Comm 5.02, Table 5.02.

(c) Proof of the liability coverage specified in sub. (1) (b).

(3) QUALIFICATIONS FOR REGISTRATION. The person applying for a specialty tank firm registration shall be the owner of the business, a partner in the business applying on behalf of a partnership, or the chairman of the board or chief executive officer applying on behalf of the corporation.

(4) RESPONSIBILITIES. An entity that provides storage tank system installation, removal, testing, lining, cleaning or site assessments as a registered specialty tank firm shall utilize the appropriate credentialed persons to install, remove, test, line, or clean storage tanks; to design or install a cathodic protection system for a tank system; or to provide tank-system site assessments.

(5) RENEWAL. (a) A person may renew his or her registration as a specialty tank firm.

(b) A specialty tank firm registration shall be renewed in accordance with s. Comm 5.07.

(c) An application for a renewal under this section shall include proof of the liability coverage specified in sub. (1) (b).

History: Cr. Register, October, 1996, No. 490, eff. 11-1-96; am. (5) (a) 2., Register, March, 1998, No. 507, eff. 4-1-98; am. (5) (b), Register September 2007 No. 621, eff. 10-1-07.

Comm 5.83 Tank-system site assessors. (1) GENERAL. (a) No person may conduct a tank-system site assessment required under ch. Comm 10 unless the person holds a certification issued by the department as a certified tank-system site assessor.

(b) Each tank-system site assessment shall be performed by a person who has no personal or monetary interest in the facility and whose employer has no personal or monetary interest in the facility.

(2) APPLICATION FOR EXAMINATION. A person applying to take a tank-system site assessor certification examination shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and examination fee in accordance with s. Comm 5.02, Table 5.02.

(3) EXAMINATION. A person seeking to obtain a tank-system site assessor certification shall take and pass an examination in accordance with s. Comm 5.09.

(4) APPLICATION FOR CERTIFICATION. Upon notification of successfully passing the examination for a tank-system site assessor certification, a person may obtain the certification by submitting an application and the certification fee in accordance with ss. Comm 5.01 and 5.09 (7) (c).

(5) RENEWAL. (a) A person may renew his or her certification as a tank-system site assessor,

(b) A tank-system site assessor certification shall be renewed in accordance with s. Comm 5.07.

History: Cr. Register, October, 1996, No. 490, eff. 11-1-96; am. (1) and (4), Register, April, 2000, No. 532, eff. 5-1-00; CR 06-127: am. (title), (1), (2) (intro.), (3), and (4), renum. (5) (a) 1. and 2. to be (5) (a) and (b) and am., r. (5) (b), Register September 2007 No. 621, eff. 10-1-07.

Comm 5.84 Aboveground tank system installers. (1) GENERAL. Except as provided in sub. (7), no person may install an aboveground tank system that is regulated under ch. Comm 10 unless:

(a) The person holds a certification issued by the department as a certified aboveground tank system installer; or

(b) The person is under the direct supervision of another person who holds a certification issued by the department as a certified aboveground tank installer.

(2) APPLICATION FOR EXAMINATION. A person applying to take an aboveground tank system installer certification examination shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and examination fee in accordance with s. Comm 5.02, Table 5.02.

(3) EXAMINATION. A person seeking to obtain an aboveground tank system installer certification shall take and pass an examination in accordance with s. Comm 5.09.

(4) APPLICATION FOR CERTIFICATION. Upon notification of successfully passing the examination for an aboveground tank system installer certification, a person may obtain the certification by submitting an application and the certification fee in accordance with ss. Comm 5.01 and 5.09 (7) (c).

(5) RESPONSIBILITIES. A person who installs or supervises the installation of tank systems as a certified aboveground tank sys-

tem installer shall be present at the job site for at least all of the following activities:

- (a) Preinstallation tank system testing.
 - (b) Inspection and repair of coatings.
 - (c) Placement of tanks.
 - (d) Installation and testing of all connections and tank-related piping including vapor recovery, vents and supply pipes.
 - (e) Installation of monitoring or leak detection devices.
 - (f) Installation of pumps.
 - (g) Installation of any underground piping.
- (6) RENEWAL.** (a) 1. A person may renew his or her certification as an aboveground tank system installer.
2. An aboveground tank system installer certification shall be renewed in accordance with s. Comm 5.07.

(b) 1. The renewal of a certification as an aboveground tank system installer which has an expiration date after December 31, 1999 shall be contingent upon the installer obtaining at least 12 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

2. A person who holds a certification as an aboveground tank system installer may apply to the department for waiver of the continuing education requirements under subd. 1. on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.

(7) EXCLUSION. This section does not apply to field-constructed aboveground tanks.

History: Cr. Register, October, 1996, No. 490, eff. 11-1-96; am. (1) (a), (b) and (4), Register, April, 2000, No. 532, eff. 5-1-00; CR 06-127: am. (1) (intro.) and (5) (e) and (f), cr. (5) (g) and (7), Register September 2007 No. 621, eff. 10-1-07.

Comm 5.85 Underground tank system installers.

(1) GENERAL. No person may install an underground tank system that is regulated under ch. Comm 10 unless:

- (a) The person holds a certification issued by the department as a certified underground tank system installer; or
- (b) The person is under the direct supervision of another person who holds a certification issued by the department as a certified underground tank system installer.

(2) APPLICATION FOR EXAMINATION. A person applying to take an underground tank system installer certification examination shall submit all of the following:

- (a) An application in accordance with s. Comm 5.01.
- (b) An application fee and examination fee in accordance with s. Comm 5.02, Table 5.02.

(3) EXAMINATION. A person seeking to obtain an underground tank system installer certification shall take and pass an examination in accordance with s. Comm 5.09.

(4) APPLICATION FOR CERTIFICATION. Upon notification of successfully passing the examination for an underground tank system installer certification, a person may obtain the certification by submitting an application and the certification fee in accordance with ss. Comm 5.01 and 5.09 (7) (c).

(5) RESPONSIBILITIES. A person who installs or supervises the installation of tanks as a certified underground tank system installer shall be present at the job site for at least all of the following activities:

- (a) Preinstallation tank system testing.
- (b) Inspection and repair of coatings.
- (c) Placing of bedding material and the setting and bedding of tanks.
- (d) Backfilling operations and compacting of backfill around tanks and piping.
- (e) Installation or activation of department-accepted, factory-supplied cathodic protection systems.

Note: The Department has accepted factory-supplied cathodic protection systems that comply with the sti-P3[®] specifications from the Steel Tank Institute, and may accept other systems of this type without a rule change.

(f) Installation and testing of all connections and tank-related piping including vapor recovery, vents and supply pipes.

(g) Installation of leak detection devices and any monitoring wells.

(h) Testing of tanks and piping both prior to and after backfilling.

(i) Installation of pumps.

(6) RENEWAL. (a) 1. A person may renew his or her certification as an underground tank system installer.

2. An underground tank system installer certification shall be renewed in accordance with s. Comm 5.07.

(b) 1. The renewal of a certification as an underground tank system installer which has an expiration date after December 31, 1999 shall be contingent upon the installer obtaining at least 12 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

2. A person who holds a certification as an underground tank system installer may apply to the department for waiver of the continuing education requirements under subd. 1. on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.

Comm 5.86 Underground tank system liners.

(1) GENERAL. No person may line or reline an underground tank system that has held or will hold flammable or combustible liquids which are regulated under ch. Comm 10 unless:

- (a) The person holds a certification issued by the department as a certified tank system liner; or
- (b) The person is under the direct supervision of another person who holds a certification issued by the department as a certified tank system liner.

(2) APPLICATION FOR EXAMINATION. A person applying to take a tank system liner certification examination shall submit all of the following:

- (a) An application in accordance with s. Comm 5.01.
- (b) An application fee and examination fee in accordance with s. Comm 5.02, Table 5.02.

(3) EXAMINATION. A person seeking to obtain a tank system liner certification shall take and pass an examination in accordance with s. Comm 5.09.

(4) APPLICATION FOR CERTIFICATION. Upon notification of successfully passing the examination for a tank system liner certification, a person may obtain the certification by submitting an application and the certification fee in accordance with ss. Comm 5.01 and 5.09 (7) (c).

(5) RESPONSIBILITIES. A person who lines or supervises the lining of underground tanks as a certified tank system liner shall be present at the job site for at least all of the following activities:

(a) Removal of product from the tanks and making the atmosphere of the tanks inert or vapor-free.

Note: Chapter Comm 10 requires plan submittal and approval prior to lining a tank.

- (b) Cutting of openings in tanks.
- (c) Removal and handling of sludge and other wastes from tanks.
- (d) Sand blasting of the tank interior.
- (e) Inspection for holes and wall thickness.
- (f) Notifying the owner if an internal tank assessment determines that a tank system assessment under ch. Comm 10 is required.

- (g) Repair of holes.
- (h) Notifying and arranging for a certified tank system inspector to visit the site and authorize the lining, prior to applying the lining to the tank.
- (i) Coating of tanks.
- (j) Testing for holidays.
- (k) Testing for coating hardness.
- (L) Resealing of tanks.
- (m) Completing an API 1631 inspection form B, as required by ch. Comm 10, and submitting it to the owner, inspector and department.

(6) RENEWAL. (a) A person may renew his or her certification as a tank system liner.

(b) A tank system liner certification shall be renewed in accordance with s. Comm 5.07.

History: Cr. Register, October, 1996, No. 490, eff. 11-1-96; am. (1) (a), (b) and (4), Register, April, 2000, No. 532, eff. 5-1-00; CR 06-127: am. (1) (intro.), and (5) (intro.), renum. Comm 5.87 Tank system removers and cleaners.

(1) GENERAL. (a) Except as provided in sub. (7), no person may remove or clean a tank system that is regulated under ch. Comm 10 unless the conditions in either par. (b) or (c) are met, and the conditions in par. (d) are met.

(b) The person holds a certification issued by the department as a certified tank system remover-cleaner.

(c) The person is under the direct supervision of another person who holds a certification issued by the department as a certified tank system remover-cleaner.

(d) The person, or the person's supervisor under par. (c), holds contractor liability coverage, including pollution impairment liability, of no less than \$1,000,000 per claim and \$1,000,000 annual aggregate and with a deductible of no more than \$100,000 per claim.

(2) APPLICATION FOR EXAMINATION. A person applying to take a tank system remover-cleaner certification examination shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and examination fee in accordance with s. Comm 5.02, Table 5.02.

(c) Proof of the liability coverage specified in sub. (1) (d).

(3) EXAMINATION. A person seeking to obtain a tank system remover-cleaner certification shall take and pass an examination in accordance with s. Comm 5.09.

(4) APPLICATION FOR CERTIFICATION. Upon notification of successfully passing the examination for a tank system remover-cleaner certification, a person may obtain the certification by submitting an application and the certification fee in accordance with ss. Comm 5.01 and 5.09 (7) (c).

(5) RESPONSIBILITIES. A person who removes or cleans or supervises the removing or cleaning of tanks as a certified tank system remover-cleaner shall be present at the job site for at least all of the following activities:

- (a) Disconnecting and draining of piping.
- (b) Capping of piping.
- (c) Vapor freeing or inerting of tanks.
- (d) Cleaning of tanks and handling of sludge and other wastes.
- (e) Removal of tank systems from the ground and loading them for transport or filling the tank systems with an inert material.
- (f) Visual inspection of the soils around the excavation or tank system location.

(6) RENEWAL. (a) A person may renew his or her certification as a tank system remover-cleaner.

(b) A tank system remover-cleaner certification shall be renewed in accordance with s. Comm 5.07.

(c) An application for a renewal under this section shall include proof of the liability coverage specified in sub. (1) (d).

(7) EXCLUSIONS. This section does not apply to any of the following:

(a) Field-constructed aboveground tanks.

(b) Heating fuel tanks located aboveground or in basements of 1- or 2-family dwellings.

History: Cr. Register, October, 1996, No. 490, eff. 11-1-96; am. (1) (b), (6) (a) 2., Register, March, 1998, No. 507, eff. 4-1-98; am. (1) (d), (2) (c), (6) (c) and (7), renum. (6) (a) 1. and 2. to be (6) (a) and (b), r. (6) (b), Register September 2007 No. 621, eff. 10-1-07.

Comm 5.88 Tank system tightness testers. (1) GENERAL.

(a) No person may conduct the tightness testing specified in ch. Comm 10 for a tank system unless the person holds a certification issued by the department as a certified tank system tightness tester.

(b) Tank system tightness testing shall be performed by a person with no personal or monetary interest in the facility and whose employer has no personal or monetary interest in the facility.

(2) APPLICATION FOR CERTIFICATION. A person applying for a tank system tightness tester certification shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and a certification fee in accordance with s. Comm 5.02, Table 5.02.

(3) QUALIFICATIONS FOR CERTIFICATION. (a) A person applying for a tank system tightness tester certification shall have completed training in 1 or more tightness test methods that have been approved under ch. Comm 10, within the 2 years immediately preceding the application.

(b) The test methodology training qualifying for certification shall have been provided by the person or entity that obtained the approval under ch. Comm 10 for the methodology.

(4) RESPONSIBILITIES. A person who conducts tightness tests for tank systems as a certified tank system tightness tester shall:

(a) Conduct tightness tests in accordance with the material approval under ch. Comm 10 and any additional manufacturer's instructions.

(b) Employ only those test methodologies for which training has been obtained.

(5) RENEWAL. (a) A person may renew his or her certification as a tank system tightness tester.

(b) A tank system tightness tester certification shall be renewed in accordance with s. Comm 5.07.

History: Cr. Register, October, 1996, No. 490, eff. 11-1-96; am. (5) (b), Register, March, 1998, No. 507, eff. 4-1-98; am. Comm 5.89 Cathodic protection specialties.

(1) GENERAL. (a) *Cathodic protection tester.* No person may conduct cathodic protection testing of a tank system that is regulated under ch. Comm 10 unless the person holds a certification issued by the department as a certified cathodic protection tester.

(b) *Corrosion expert.* 1. No person may design or install a cathodic protection system for a tank system that is regulated under ch. Comm 10 unless the person holds a certification issued by the department as a certified corrosion expert.

2. This paragraph does not apply to department-accepted, factory-supplied cathodic protection systems.

Note: The Department has accepted factory-supplied cathodic protection systems that comply with the sti-P3[®] specifications from the Steel Tank Institute, and may accept other systems of this type without a rule change.

(c) Cathodic protection activities covered under this section shall be performed by a person with no personal or monetary inter-

est in the facility and whose employer has no personal or monetary interest in the facility.

(2) APPLICATION FOR CERTIFICATION. A person applying for certification as a cathodic protection tester or a corrosion expert shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.
 (b) An application fee and certification fee in accordance with s. Comm 5.02, Table 5.02.

(c) Documentation showing formal education relating to soil resistivity, stray current, structure-to-soil potential, component electrical isolation measurements of buried metal piping and tank systems, and corrosion control.

(d) Documentation from a cathodic protection certification entity recognized by the department, showing the applicant has successfully completed a certification examination that corresponds to the cathodic protection specialty addressed in the application.

Note: The department will accept the following certifications as demonstrating compliance with pars. (c) and (d), for a cathodic protection tester:

NACE certification as a CP1, CP2 or CP3 cathodic protection technician.

NACE certification as a senior corrosion technologist.

NACE certification as a corrosion technologist.

NACE certification as a corrosion technician.

STI certification in UST system cathodic protection monitoring.

Note: The department will accept the following certifications as demonstrating compliance with pars. (c) and (d), for a corrosion expert:

NACE certification as a corrosion specialist.

NACE certification as a CP4 cathodic protection specialist.

Note: NACE, formerly known as the National Association of Corrosion Engineers, can be contacted at NACE International, P.O. Box 218340, Houston, TX 77218. STI can be contacted at Steel Tank Institute, 570 Oakwood Road, Lake Zurich, IL 60047.

(3) RESPONSIBILITIES. A person who conducts cathodic protection tests or who designs or installs cathodic protection systems shall do all of the following:

(a) Conduct all cathodic protection tests in accordance with ch. Comm 10 and any manufacturer's instructions.

(b) Employ only those methodologies for which training has been obtained and documented.

Note: Although several different levels of expertise may qualify for the same certification, this section is intended to prohibit performing cathodic protection activities unless the specific expertise for that activity has been attained and documented.

(4) RENEWAL. (a) A person may renew his or her certification as a cathodic protection tester or corrosion expert.

(b) A certification for a cathodic protection tester or corrosion expert shall be renewed in accordance with s. Comm 5.07.

Subchapter IX — Plumbing

Comm 5.90 Plumbing. (1) (a) Except as provided under s. 145.06 (4), Stats., and pursuant to s. 145.06, Stats., no person may install plumbing unless the person holds a license or registration issued by the department as a licensed master plumber, licensed master plumber-restricted, licensed journeyman plumber, licensed journeyman plumber-restricted, registered plumbing apprentice, registered plumbing learner-restricted, registered utility contractor or registered pipelayer.

(b) 1. Pursuant to s. 145.14, Stats., the plumbing activities that may be undertaken by a person who holds a license or registration as a licensed master plumber-restricted service, licensed journeyman plumber-restricted service or a registered plumbing learner-restricted service shall be limited to the installation or modification of all of the following:

a. Privately owned wastewater treatment systems and components as defined in ch. Comm 81.

b. Building sewers and private interceptor main sewers as defined in ch. Comm 81.

c. Water services and private water mains as defined in ch. Comm 81.

d. That portion of the drain system or water supply system that connects a building sewer or water service to the connection provided by the manufactured/mobile home manufacturer.

2. a. The plumbing activities that may be undertaken by a person who holds a license as a licensed master plumber-restricted service type 2 or licensed journeyman plumber-restricted service type 2 shall be limited to the installation or modification of underground drain and vent piping and plumbing delineated under subd. 1.

b. The plumbing activities that may be undertaken by a person who holds a license as a licensed master plumber-restricted service type 3 or licensed journeyman plumber-restricted service type 3 shall be limited to the modification of existing water distribution systems and plumbing delineated under subd. 1.

c. The plumbing activities that may be undertaken by a person who holds a license as a licensed master plumber-restricted service type 4 or licensed journeyman plumber-restricted service type 4 shall be limited to the installation or modification of drain and vent piping to existing drain stacks and vent stacks for the conversion from a private sewage system to municipal sewers and plumbing delineated under subd. 1.

Note: Prior to November 1, 1996, plumber-restricted service licenses were referred to as plumber-restricted-sewer licenses and those licenses formerly referred to as plumber-restricted sewer type 1 are now titled plumber-restricted service. Restricted service plumbing licenses types 2 to 4 are no longer available to new applicants. Individuals who currently hold these types of licenses are permitted to renew the licenses and continue to perform the activities under subd. 2. Individuals who hold a journeyman plumber-restricted service type 2 to 4 may seek to obtain the appropriate type of master plumber-restricted service license in accordance with s. Comm 5.92.

3. Pursuant to s. 145.14, Stats., the plumbing activities that may be undertaken by a person who holds a license or registration as a licensed master plumber-restricted appliance, licensed journeyman plumber-restricted appliance, or registered plumbing learner-restricted appliance shall be limited to the installation and modification of water heaters, water softeners, water treatment devices and other items in connection with an existing water supply system which do not require direct connection to the drain system.

4. The plumbing activities that may be undertaken by a person who holds a license or registration as a licensed utility contractor or registered pipelayer shall be limited to the installation or modification of water services, private water mains, sanitary building sewers, storm building sewers and private interceptor main sewers.

(2) Pursuant to s. 145.06 (3m), Stats., no person may perform the required testing of cross connection control devices unless the person holds a registration issued by the department as a cross-connection control tester.

(3) A business engaged in the installation of plumbing that utilizes plumbing learners shall maintain a ratio of at least one journeyman plumber or journeyman plumber-restricted for each plumbing learner. For this purpose, a master plumber or master plumber-restricted may act as a journeyman plumber or journeyman plumber-restricted, respectively.

(4) Pursuant to s. 145.09, Stats., a person may be accepted for examination for the appropriate classification of license upon submittal of all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) Graduated from an accredited engineering university or college with a degree in civil engineering, mechanical engineering or other approved engineering curriculum related to plumbing.

(4) EXAMINATION. Except as provided in sub. (1) (b), a person seeking to obtain a master plumber license shall take and pass an examination in accordance with s. Comm 5.09.

Note: After December 31, 2001, the examination for a master plumber license will include questions relative to the design and installation of multipurpose piping systems.

(5) APPLICATION FOR LICENSE. (a) Upon notification of the successful passage of the examination for a master plumber license, a person may obtain the license by submitting an application and the license fee in accordance with ss. Comm 5.01 and 5.09 (7) (c).

(b) A person may apply for a license as a licensed master plumber by submitting:

1. An application, application fee and a license fee in accordance with ss. Comm 5.01 and 5.02, Table 5.02; and

2. Evidence of possessing a master plumber license—retiree.

(6) RESPONSIBILITIES. (a) A person who as a licensed master plumber is responsible for the installation or modification of plumbing shall utilize the appropriately licensed or registered persons to install or modify plumbing.

(b) 1. A person who has obtained his or her master plumber license prior to January 1, 2002 and who is responsible for the installation or modification of a multipurpose piping system shall have completed an approved course in the engineering principles and skills associated with the design, installation and maintenance of multipurpose piping systems prior to installing such a system.

2. A course to fulfill the obligation under subd. 1. shall be approved and conducted in accordance with s. Comm 5.08.

(c) For any plumbing installation that requires a uniform building permit under s. Comm 20.08, a person who holds a master plumber license may not commence installation of plumbing until a permit is issued for the installation.

Note: Chs. Comm 20 to 25 apply to one- and 2-family dwellings and manufactured dwellings. The department's uniform building permit is issued either by the municipality in which the dwelling is located or by a UDC inspection agency where the municipality does not administer the Uniform Dwelling Code.

(d) For any construction that involves installation or modification of a private onsite wastewater treatment system, a person who holds a master plumber license may not commence installation of plumbing until a sanitary permit is issued for the installation in accordance with s. Comm 83.21.

Note: Section 101.16 (4) (a), Stats., provides that: The person performing the work of installing equipment utilizing liquefied petroleum gas for fuel purposes shall furnish the user of the equipment a statement, the form of which shall be prescribed by the department showing the design, construction, location, and installation of the equipment conforms with the rules promulgated by the department under this section.

(7) EXCHANGES. (a) A person who holds a master plumber license may, upon application to the department, exchange his or her master plumber license for a journeyman plumber license.

(b) A person who has exchanged his or her master plumber license for a journeyman plumber license may, upon application to the department, exchange his or her journeyman plumber license for a master plumber license provided:

1. The person holds a valid journeyman plumber license;

2. The person submits with the application a copy of his or her former master plumber license; and

3. The license fee for a master plumber specified in s. Comm 5.02, Table 5.02 is submitted.

(8) RENEWAL. (a) 1. A person may renew his or her license as a master plumber.

2. A master plumber license shall be renewed in accordance with s. Comm 5.07.

(b) 1. a. The renewal of a license as a master plumber which has an expiration date on or before March 31, 2010 shall be contingent upon the master plumber obtaining at least 12 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

b. The renewal of a license as a master plumber which has an expiration date after March 31, 2010 shall be contingent upon the master plumber obtaining at least 24 hours of acceptable continuing education within the time period specified in s. Comm 5.08 and Table 5.06, except as provided in subd. 2.

2. A person who holds a license as a master plumber may apply to the department for waiver of the continuing education requirements under subd. 1. on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.

(a) Pursuant to s. 101.984 (1), Stats., no person or entity, as of June 1, 2008, may engage in the business or offer to engage in the business of constructing, installing, altering, servicing, replacing or maintaining conveyances unless the person or entity holds a license issued by the department as a licensed elevator contractor, except as provided under par. (b).

(b) A person, entity or business is not required to hold a license as a licensed elevator contractor to service or maintain existing conveyances within facilities or properties owned by the person, entity or business.

(2) APPLICATION FOR LICENSE. A person applying for an elevator contractor license shall submit all of the following:

(a) An application in accordance with s. Comm 5.01.

(b) An application fee and a license fee in accordance with s. Comm 5.02, Table 5.02.

(3) QUALIFICATIONS FOR LICENSE. (a) A person applying for an elevator contractor license shall provide all of the following:

1. A statement certifying that the person complies with the worker's compensation requirements under ch. 102, Stats.

2. Evidence of compliance with the liability insurance requirements as specified under s. 101.985 (1), Stats.

Note: Section 101.985 (1), Stats. reads: "Except as otherwise provided in this subsection, the department shall issue an elevator contractor's license to each person who demonstrates to the satisfaction of the department that the person is adequately qualified and able to engage in business as elevator contractor. The department may summarily issue an elevator contractor's license to a person who is licensed as an elevator contractor under the laws of another state, if, in the opinion of the department, that state's regulation of elevator contractors is substantially the same as this state's. Every person who applies for a license under this subsection shall provide the department with a certificate of insurance issued by one or more insurers authorized to do business in this state, indicating that the person is insured in the amount of at least \$1,000,000 per occurrence because of bodily injury to or death of others, is insured in the amount of at least \$500,000 per occurrence because of damage to the property of others, and is insured to the extent required under ch. 102. A person who is issued a license under this subsection shall notify the department in writing of any material change in these insurance coverages at least 10 days before the change takes effect."

(b) The person applying for an elevator contractor license shall be the owner of the contracting business, a partner in the contracting business applying on behalf of a partnership, or the chairman of the board or chief executive officer applying on behalf of the contracting corporation.

(4) RESPONSIBILITIES. (a) A licensed elevator contractor shall be responsible for the contractor's work on conveyances with respect to compliance to ch. Comm 18.

(b) A licensed elevator contractor shall utilize the appropriately licensed or registered individuals to construct, install, alter, service, replace or maintain conveyances.

(c) For any construction, installation, alteration, repair or replacement of a conveyance or conveyance component that requires a permit under s. Comm 18.1007, a licensed elevator contractor may not commence the work until a permit is issued for the project.

(d) A licensed elevator contractor shall maintain their liability insurance as specified under s. 101.985 (1), Stats.

Note: See "note" under s. Comm 5.9905 (3) (a) 2. for reprint of s. 101.985 (1), Stats.
