Note: Sections PW–CY 40.60 to 40.65 as they existed on March 31, 1983 were repealed and a new chapter HSS 56 was created effective April 1, 1983. Chapter HSS 56 as it existed on February 28, 2002, was repealed and a new chapter HFS 56 was created, Register February 2002 No. 554, effective March 1, 2002. Chapter HFS 56 was renumbered to chapter DCF 56 under s. 13.92 (4) (b) 1., Stats., Register November 2008 No. 635.

DCF 56.01 Authority and purpose. (1) This chapter is promulgated under the authority of ss. 48.62, 48.64 (4), and 48.67, Stats., to establish licensing requirements for foster homes and foster parents directed at protecting the health and safety and promoting the welfare of children placed in the homes; to establish a fair hearing procedure for foster parents; and to establish criteria for making supplemental and exceptional payments to foster parents.

(2) A license to operate a foster home does not entitle the holder to placements of children who need foster care since placement decisions are based on a variety of factors, including the compatibility of what a specific child needs with what a particular foster parent can offer.

Note: Public licensing agencies are required to provide a foster home license to any applicant who meets the requirements under this chapter. An agency is not, however, required to place children with a licensee simply by virtue of the fact that they have a foster home to license.

DCF 56.02 Applicability. (1) TO WHOM THE RULES APPLY. This chapter applies to all persons proposing to provide or who are providing foster care for children in a foster home or treatment foster home, and to the department, county agencies under s. 46.215, 46.22 or 46.23, Stats., and licensed child–placing agencies.

(2) EXCEPTION TO A REQUIREMENT. (a) Licensing agency authority. 1. A licensing agency may grant an exception to any requirement in this chapter if the licensing agency determines that the exception will not jeopardize the health, safety or welfare of the foster children, except that the licensing agency may not grant an exception to any of the following requirements: s. DCF 56.04 (1), (2), (4) (a) 1., 2., 5., 8., or 9. or (b) 2., (6), (7) or (8), 56.05 (1) (a), (b) 2., (c) 2., 3., 4., 5., 6., 7. or 9., (d), (f) or (3) (a), 56.07 (3) (a), (4) (b), (c), (e), (f), (g) or (h), (5) (a), (6) or (10) (a), 56.08 (1), (2), (3), (4), (5), (6) (c) 1., 2., 3. or 4. a., (7) (a) 3., (8) (a) 1. or 2., or (c), (10), or (10m), 56.09 (1), (1m), (2) (c), (3), (4) (c) or (d), (5), (9), (11) or (12) (a), (c) or (d), 56.11, 56.12, 56.13 (1), (2), (3), (4) (a) 1., 2., or (b), 56.14 (1), (2), (3), (4), (5), (6), (7), (8) (a) or (b) 3., or 56.15.

2. An applicant or licensee wanting an exception to a nonstatutory requirement in this chapter that the licensing agency has authority to grant shall submit a written request to the licensing agency stating the specific provision of this chapter for which an exception is requested, the justification for the requested exception and an explanation of any alternative provision planned to meet the intent of the requirement.

3. Any exception granted under subd. 2. or par. (b) shall be specifically cited on the license and shall be in effect only as long as the conditions under which the exception was granted remain

but no longer than 2 years from the date on which the exception is granted or the date the license terminates, whichever occurs first, by which time the licensing agency shall determine if there is continued justification for the exception. In addition, the licensing agency may impose conditions to be met within a specified period of time by the licensee as an alternative to compliance with the requirement for which an exception has been granted.

(b) Department exceptions panel. 1. An applicant or licensee wanting an exception to a nonstatutory requirement in this chapter that the licensing agency may not grant may ask the department exceptions panel to grant the exception, with the approval of the licensing agency. A request for an exception under this paragraph shall be in writing on a form prescribed by the department.

Note: Copies of the Department's request form, "Application to DCF Exceptions Panel for Exception to Ch. DCF 56 or Ch. DCF 38," can be obtained from the licensing agency or by visiting the Department's website at: <http://dcf.wisconsin.gov/children/foster/forms/formsINDX.htm>.

- c. The citation for the specific requirement for which an exception is requested.
- d. The rationale for the request.
- e. An explanation of any alternative provision planned to meet the intent of the requirement.
- f. The signature of the applicant or licensee and the date on which the applicant or licensee signed the request.

3. The applicant or licensee shall submit the completed request form to the licensing agency.

4. The licensing agency's authorized representative shall, in the space provided on the request form, indicate whether he or she supports or does not support the exception request or supports some alternative to the request, shall justify that position and shall sign and date the request form.

5. If the licensing agency approves the request or some alternative to the request, the licensing agency shall submit the completed request form to the department within 10 working days after the agency's receipt of the request form from the applicant or licensee. The licensing agency shall not submit to the department any request that it does not support.

6. The department exceptions panel shall, in writing, indicate its approval or disapproval of the request within 10 working days after the department receives the request form from the licensing agency and has all the information required to make its decision.

7. a. The department exceptions panel shall consist of at least 3 persons who collectively are knowledgeable about the foster care program, licensing practices and any special needs of children who may be served by the applicant for an exception.

b. The chairperson of the panel shall be designated by the director of the department's bureau of permanence and out-of-home care.

c. The panel chairperson shall designate the remaining members of the panel.

(c) *Non-safety-related waiver for relatives.* The licensing agency or the department exceptions panel may grant a waiver to the following non-safety-related requirements for the relative of a child without an alternative provision to meet the intent of the requirement:

1. The licensing agency may grant a waiver to any requirement in s. DCF 56.04 (4) (a) 7., 56.05 (4), 56.07 (2), (4) (a) 1. or 4., (d), (j), (k), (L), (7), or (8), or 56.09 (6), (7), (8), or (10) (b), (c), (d), (e), or (f).

A request for a waiver shall follow the same procedure as a request for an exception under par. (b), except an explanation of an alternative under par. (b) 2. e. is not required.

DCF 56.04 Applying for a license. (1) WHO MUST APPLY. (a) Any person proposing to provide foster care for children shall apply to a licensing agency for a foster home license.

(b) Application for a foster home license shall be made on a form provided by the licensing agency.

(2) **LICENSE PROHIBITION.** No licensing agency may issue a foster home license to one of its own employees within the same program area. A foster parent serving an agency only in the foster parent role and volunteers utilized by an agency are not considered employees for purposes of this prohibition.

Note: The intent of this requirement is to prevent possible conflicts of interest with respect to the terms of the rate paid to the foster parent, the situation that may result if an allegation of abuse or neglect is made against the foster parent, etc. The agency should consider such situations in granting a license to an employee of the agency.

(3) **REAPPLICATION FOLLOWING DENIAL OR REVOCATION.** No applicant or former licensee who, for a substantive reason, such as inappropriate discipline practices, inadequate mental health functioning or current abuse of alcohol or drugs, was denied a license or whose license was revoked may reapply for a license to any licensing agency within a period of 2 years following the effective date of license denial or revocation, unless both of the following conditions are met:

(a) The initial denial or revocation was based on the applicant’s or former licensee’s criminal conviction or governmental finding that required rehabilitation approval under ch. DHS 12 and the applicant or former licensee failed to prove rehabilitation under ch. DHS 12.

(b) The applicant or former licensee has reapplied for rehabilitation review under ch. DHS 12 and the rehabilitation review panel has determined that the applicant has been rehabilitated.

(4) **DOCUMENTS REQUIRED PRIOR TO LICENSING.** (a) *Initial license.* Before an applicant for an initial license may be issued a license, the applicant shall submit the following to the licensing agency:

1. An application form completed and signed by the applicant. Married persons living together shall both sign the application. Any household member who will act in the role of foster parent shall sign the application.

2. Verification of homeowner’s or renter’s insurance coverage required under s. DCF 56.05 (4) or a request for a waiver under s. DCF 56.05 (5), and verification of vehicle liability insurance required under s. DCF 56.05 (3) if the applicant plans to transport foster children in his or her own vehicle. Verification means that the licensing agency representative has personally seen the appropriate documentation. A licensing agency need not retain a copy of the documentation in its files.

Note: Section 344.62, Stats., requires motor vehicle liability insurance effective June 1, 2010. Foster parents who currently have a waiver of vehicle liability insurance may continue under this waiver through May 31, 2010.

3. A written statement from a physician, physician assistant, or nurse practitioner that indicates any physical or mental conditions of the applicant or any household members that would affect the ability of the family to provide care for a foster child or threaten the health or safety of a foster child. The statement shall be based upon a medical examination performed within the previous 6 months, except as provided in subd. 4.

4. If a member of the household of an applicant who is a relative of a foster child is not covered by health insurance or a medical examination would be a significant financial burden to the household member, the licensing agency may grant an exception to the requirement in subd. 3. If the licensing agency grants this exception, the household member shall submit a personally signed statement that indicates any physical or mental conditions he or she has that would affect the ability of the family to provide care for a foster child or threaten the health or safety of a foster child.

5. Documentation of fire safety inspection of the foster home, if required by the licensing agency.

5m. An applicant for a license to operate a treatment foster home shall submit at least 3 favorable reference letters written by persons unrelated to the applicant. A reference letter shall include a statement indicating how long the person giving the reference has known the applicant, under what circumstances he or she knows the applicant, and his or her knowledge of the applicant’s characteristics under s. DCF 56.05 (1) (b).

6. A private water supply test report for the foster home, if required by the licensing agency.

7. The employment history of the applicant. The history shall indicate the length of time the applicant was employed by each employer. The employment history shall document all employment for the 5-year period prior to submission of the application for a foster home license, unless the licensing agency has reasonable cause to request employment history for more than 5 years.

8. Notification of any previous licensure as a foster parent or any other type of caregiver for children, the name of the licensing agency and the period during which the license was held.

9. A signed statement indicating that the applicant has received the following information provided by the agency:

a. A brochure that explains the foster care reimbursement and rate structure, including the clothing allowance.

b. A brochure that explains the foster parent insurance program and information regarding how to file a claim with that program.

c. Notice that the licensing agency may contact the Wisconsin department of justice and any similar agency in another state, any federal or local law enforcement agency, any social services

agency or any other public or private agency to determine if there is any reason specified under s. 48.685, Stats., ch. DHS 12, s. DCF 56.05 (1) (a) 3. or any other part of this chapter for the applicant to not be granted a license.

10. Other documentation or authorizations required by the licensing agency for its review of the application.

1. An application form completed and signed by the applicant. Married persons living together shall both sign the application. Any household member who will act in the role of foster parent shall sign the application.

2. Verification of homeowner's or renter's insurance coverage required under s. DCF 56.05 (4) or a request for a waiver under s. DCF 56.05 (5), and verification of vehicle liability insurance required under s. DCF 56.05 (3) if the applicant plans to transport foster children in his or her own vehicle. Verification means that the licensing agency representative has personally seen the appropriate documentation. A licensing agency need not retain a copy of the documentation in its files.

3. Documentation of fire safety inspection of the foster home, if required by the licensing agency.

4. A private water supply test report for the foster home, if required by the licensing agency.

5. If required by the licensing agency, a written statement from a physician, physician assistant, or nurse practitioner that indicates any physical or mental conditions of any household member that would affect the ability of the family to provide care for a foster child or threaten the health or safety of a foster child. The statement shall be based upon a medical examination performed within the previous 6 months.

5m. If a member of the household of an applicant who is a relative of a foster child is not covered by health insurance or a medical examination would be a significant financial burden to the household member, the licensing agency may grant an exception to the requirement in subd. 3. If the licensing agency grants this exception, the household member shall submit a personally signed statement that indicates any physical or mental conditions he or she has that would affect the ability of the family to provide care for a foster child or threaten the health or safety of a foster child.

6. Other documentation or authorizations required by the licensing agency for its review of the application.

(c) *License modifications.* 1. A licensing agency may modify a foster home license. An applicant for a license may request modification of the license at the time of the initial licensure. A licensee may request modification of the license at any time during the effective period of the license.

2. An applicant for license modification shall obtain a license modification application form from the licensing agency and shall submit a completed and signed application form and other materials required by the licensing agency to that agency within the following time limits:

a. Before the date the licensee plans to change location from the location specified on the current license.

b. Before the date an applicant wishes to have one or more license conditions changed.

c. No later than 30 days before the date the marital status of the licensee changes.

d. Within 10 days after a household member leaves.

e. At least 30 days before someone enters the household when this is known that far in advance or otherwise as soon as possible before that person enters the household.

(5) **ACTION BY THE LICENSING AGENCY.** (a) Except as provided in par. (b) or (c), within 60 days after receiving a completed appli-

cation for a foster home license, for renewal of the foster home license or for a license modification, the licensing agency shall approve the application and issue the license, deny the application or approve the modification. Any delay that is the result of an act or omission on the part of the applicant shall not be considered in the 60-day time limit. If the application for a license, relicensure or license modification is denied, the licensing agency shall give the applicant reasons in writing for the denial and shall provide information on how an appeal may be requested under s. DCF 56.10.

(b) A licensing agency shall be allowed one 30-day extension of the time limit under par. (a) if the extension is needed to allow the agency to collect information necessary to make an informed decision, such as to obtain a criminal records check or responses from references. The agency shall notify the applicant or licensee if an extension is necessary.

(c) If the foster home license application is for a pre-adoptive placement, the licensing agency shall either approve the application and issue the license or deny the application within 6 calendar months after receipt of the completed application. If the application for a license is denied, the licensing agency shall give the applicant reasons, in writing, for the denial and shall provide information on how an appeal may be requested under s. DCF 56.10.

(6) **DISCRIMINATION.** A licensing agency may not discriminate against an applicant for a foster home license or a foster parent applying for renewal of a foster home license on the basis of age, sex, race, color, creed, sexual orientation, national origin or handicap.

(7) **EFFECTIVE PERIOD OF A LICENSE.** A foster home license shall be effective for a period not to exceed 2 years and may be renewed upon successful completion of relicensure requirements.

(8) **NOTIFICATION OF APPLICATION FOR OR ISSUANCE OF ADDITIONAL LICENSES.** A licensee who applies to any licensing authority for or is issued any other license in addition to the foster home license shall notify the agency that issued the foster home license. No licensee may hold any other license to provide foster care under this chapter, group foster care under ch. DCF 57 or treatment foster care for children under ch. DCF 38.

(e) *Health.* 1. The applicant for an initial license to operate a foster home and all members of the household shall be free of physical or mental conditions that would interfere with the ability of the family to provide care for a foster child or threaten the health or safety of a foster child.

3. If, at any time, the licensing agency suspects or has reason to believe that the physical or mental health of an applicant, licensee or other household member may pose a threat to the health, safety or welfare of children in care, the licensing agency may require an alcohol or other drug abuse assessment or a physical health or mental health evaluation of the person as a condition for issuing or continuing the license.

(f) *Background.* 1. The applicant shall provide all of the following:

a. Before a foster home license is issued or renewed, the applicant and any non-client resident of that person's home who is age 12 or older shall complete the background information disclosure form and shall provide written authorization for the licensing agency to make follow-up contact with the Wisconsin department of justice and any other agency to determine if there is any reason under subd. 3. why the applicant should not be granted a license or have an existing license renewed.

Note: To obtain a master copy of the Background Information Disclosure Form, either download the form at <http://dhs.wisconsin.gov/forms/F8/F82064.pdf> or request a copy of the form from the Division of Safety and Permanence Forms Center at Forms Manager, P.O. Box 8916, Madison, WI 53708–8916.

b. Before an initial foster home license is issued or a license is renewed after a break in licensure, the applicant shall provide the licensing agency or its designated agent with a set of fingerprints sufficiently clear to submit to the Wisconsin department of justice or other law enforcement agency for submission to the national crime information database as provided in s. 48.685 (2) (c) 1., Stats.

c. Before an initial foster home license is issued or a license is renewed after a break in licensure, the applicant and any adult residing in the applicant's home shall provide the licensing agency or its designated agent with information on their places of residence during the 5-year period prior to submission of the license application.

2. The licensing agency shall do all of the following:

e. Before an initial foster home license is issued or a license is renewed, the licensing agency shall conduct a reverse search by address of the Wisconsin sex offender registry.

Note: A reverse search by address can be done by entering the entity or placement address at <http://wisconsin.doc.familywatchdog.us/>. The Registry and Family Watchdog information does not contain information on all convicted sex offenders. The information is limited by the effective date of the applicable law and to those offenders who have been arrested and convicted, adjudicated or committed for a crime specified under the law and who meet registration and publication requirements. For example, certain sex offenses by juveniles or other persons may not meet registration or publication requirements. Please consider these limitations when obtaining information from the Registry or Family Watchdog.

3. Pursuant to s. 48.685, Stats., and ch. DHS 12, an applicant or licensee is unqualified to hold a license if the applicant or any other nonclient resident living in the household meets any of the following conditions:

a. Is the subject of a pending state or federal criminal charge if the circumstances of the charge substantially relate to caring for children or operating a foster home.

b. Has been convicted of a felony, misdemeanor, or other state or federal offense, the circumstances of which substantially relate to caring for children or operating a foster home or who is otherwise prohibited from licensure by statute or ch. DHS 12, including any governmental finding that the person misappropriated a client's property.

4. An applicant or licensee shall immediately notify the licensing agency of any arrests or convictions, any allegations or determinations specified under subd. 3. b., or investigations of maltreatment of a child under s. 48.981, Stats., relating to the applicant or licensee or any member of the applicant's or licensee's household. This information shall be used by the licensing agency in making a determination to issue or deny a license, to renew or not renew a license, or to revoke a license.

(2) **FINANCES.** A foster parent shall have a stable income sufficient to meet the foster family's obligations without reliance on the basic maintenance payments received for the care of foster children placed in the foster home. (4) **HOMEOWNER'S OR RENTER'S LIABILITY INSURANCE.** (a) Except as provided under sub. (5), before a foster home license is issued or renewed, the applicant for an initial license or the foster parent applying for renewal of a license shall furnish proof to the

licensing agency of having homeowner's or renter's liability insurance as required under s. 48.627 (2) (a), Stats.

(b) A licensing agency shall have on file verification that each foster parent licensed by that agency has insurance coverage required under par. (a) and s. 48.627 (2) (a), Stats., or shall have on file documentation that the foster parent has been granted a waiver from that requirement in accordance with sub. (5), or has been issued a license for a period not to exceed 90 days to allow the foster parent to obtain necessary documentation to request a waiver in accordance with sub. (5).

(5) **WAIVER OF HOMEOWNER'S OR RENTER'S LIABILITY INSURANCE REQUIREMENT.** (a) In this subsection, "Wisconsin insurance plan" means the mandatory risk-sharing insurance plan established under s. 619.01, Stats., and s. Ins 4.10.

(b) A foster parent or an applicant for a foster home license may request a waiver of the requirement under sub. (4) (a) if he or she is unable to obtain the required insurance, the insurance policy that he or she had was canceled or payment of the premium for the required insurance would cause undue financial hardship.

(c) A request for a waiver shall be sent directly to the licensing agency and shall include one of the following:

1. A written denial of homeowner's liability insurance by an insurance company for a reason other than the poor condition of the property and a written denial of the same insurance coverage from the Wisconsin insurance plan.

2. A written cancellation of homeowner's liability insurance by an insurance company for reasons other than nonpayment of premiums and a written denial of the same coverage from the Wisconsin insurance plan.

3. A written denial of renter's liability insurance from 2 insurance companies.

4. A written cancellation of renter's liability insurance by an insurance company for reasons other than non-payment of premiums and, in addition, a written denial of the same insurance coverage from one other insurance company.

5. Documentation that payment of the insurance premium would cause undue financial hardship for the foster parent or applicant as evidenced by any of the following:

a. The foster family or applicant is a participant in the Wisconsin Works program under ss. 49.141 to 49.161, Stats.

b. The foster parent or applicant is receiving supplemental security income under 42 USC 1381 to 1383d.

c. The foster family's or applicant's income is at or below the minimum family budget determined by the department for purposes of administering the uniform fee system under ch. DHS 1.

Note: A foster parent has limited liability under s. 895.485, Stats. This does not mean that he or she has no liability. In the event that a foster parent is sued, the foster parent may be liable for any judgment and attorney's fees. As such, a waiver of the insurance requirement should be made only in rare circumstances.

(d) Within 30 days after receipt of a request that is accompanied by the documentation required under par. (c), the licensing agency shall either waive the requirement or deny the request for a waiver, and shall notify the applicant or foster parent in writing of its decision and the reasons for the decision.

Note: The Wisconsin Insurance Plan is property insurance of the last resort. A foster parent and an applicant for a foster home license should consider the Wisconsin Insurance Plan only if they cannot obtain conventional insurance from an insurance company. For information on the Wisconsin Insurance Plan, contact any insurance agency or the Wisconsin Insurance Plan, 700 W. Michigan Street, Milwaukee, WI 53233; phone 414-291-5353.

(b) 1. The licensee shall review the fire safety evacuation plan with all household members at least once every 3 months and immediately following placement of a new foster child in the licensee's home.

2. The fire safety evacuation plan shall be posted in the home and its location made known to all household members.

(c) At least once every 2 years the licensing agency shall review the fire safety evacuation plan with the licensee and the licensee shall revise the plan if the licensing agency determines it is necessary.
