SPS 86.01 Standards.
SPS 86.02 Advertising.

SPS 86.03 Use of certificate number and title.

Note: Chapter RL 86 was renumbered chapter SPS 86 under s. 13.92 (4) (b) 1., Stats., Register November 2011 No. 671.

SPS 86.01 Standards. (1) Certified and licensed appraisers shall comply with the standards of practice established by ch. 458, Stats., chs. SPS 85–86 and the uniform standards of professional appraisal practice (USPAP). A violation of any provision in this chapter may result in disciplinary action under s.458.26, Stats.

(2) All appraisals performed in conjunction with federally related transactions and non–federally related transactions shall conform to the uniform standards of professional appraisal practice (USPAP) in effect at the time the appraisals are performed.

(2a) No certified or licensed appraiser may sign any written appraisal report which was not prepared by the appraiser or under his or her supervision.

(3) A certified residential appraiser shall not use the title “Wisconsin certified residential appraiser” or “WI certified residential appraiser” on any appraisal report or written appraisal agreement pertaining to commercial real estate having a transaction value of more than \$250,000.

(4) A licensed appraiser who is not certified under s. 458.06, Stats., shall not use the title “Wisconsin licensed appraiser” on any appraisal report or written agreement, except in conjunction with an appraisal performed within the scope of appraisal practice of a licensed appraiser as specified in s. SPS 85.500.

(5) Certified and licensed appraisers shall not knowingly omit, understate, misrepresent or conceal material facts in their appraisals.

(7) A certified or licensed appraiser shall avoid conflicts of interest. If a conflict arises, the certified or licensed appraiser shall immediately cease work on the appraisal and shall not continue work on the appraisal without the written consent of the party who authorized the appraisal.

(8) All certified and licensed appraisers shall maintain records as required in s. 458.18, Stats. Such records shall be made available to the department, board, or agents of the department or board upon request for purposes of investigation, review, or audit.

(9) A certified or licensed appraiser shall not solicit from or knowingly disclose to any person or entity the content of an examination for appraiser certification or licensure conducted under s. SPS 85.600.

(10) After a request for information made by the board, a certified or licensed appraiser shall cooperate in a timely manner with the board’s investigation of a complaint filed against the licensed or certified appraiser or of a complaint filed against an individual who practiced real estate appraising under the supervision of the licensed or certified appraiser. There is a rebuttable presumption that a licensed or certified appraiser who takes longer than 10 business days to respond to a request for information by the board has not acted in a timely manner under this subsection.

(11) All certified and licensed appraisers shall comply with Wisconsin and federal laws that substantially relate to the practice of real estate appraising including, but not limited to, the financial institutions reform, recovery, and enforcement act of 1989, and all appraisal related federal regulations promulgated by the federal

financial institution regulatory agencies, as defined in s. SPS 85.120 (12).

(12) No certified or licensed appraiser may violate, or aid and abet the violation of any law, the circumstances of which substantially relate to the practice of a real estate appraiser.

(13) No certified or licensed appraiser may engage in conduct which reflects adversely on his or her fitness to practice as a real estate appraiser, including engaging in any unprofessional or unethical conduct in the course of any real estate or appraisal transaction.

(14) A certified copy of any order, consent agreement, or similar document issued by the regulatory authority of another jurisdiction which finds a violation of any law or administrative rule administered by that regulatory authority by any person who is certified or licensed as an appraiser in this state shall constitute conduct reflecting adversely on the appraiser’s fitness to practice as a real estate appraiser in this state.
