

Chapter MPSW 10

DEFINITIONS FOR PRACTICE OF PROFESSIONAL COUNSELING

MPSW 10.01 Definitions.

Note: Chapter SFC 10 was created as an emergency rule effective April 26, 1993.

Note: Chapter SFC 10 was renumbered ch. MPSW 10 under s. 13.93 (2m) (b) 1., Stats., and corrections made under s. 13.93 (2m) (b) 7., Stats., Register October 2002 No. 562.

MPSW 10.01 Definitions. In chs. MPSW 10 to 14:

(1) “Client” means the individual, family, group, business, agency, school, organization, or association for whom the license holder provides professional services for which the license holder is usually and customarily compensated. The term “client” includes the term and concept of “patient.”

(1m) “DSM” refers to the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders.

(5) “Regionally accredited college or university” means a college or university which is accredited by any of the following bodies: the New England association of schools and colleges, the middle states association of colleges and schools, the north central association of colleges and schools, the northwest association of schools and colleges, the southern association of colleges and schools, the western association of schools and colleges. Applicants for licensure shall prove that the college or university at which the applicant completed course work on which the appli-

cant relies for licensure eligibility was regionally accredited at the time the applicant completed the course work.

(6) “Supervision” means the direction of professional counseling practice in face-to-face individual or group sessions lasting an average of at least one hour between the person whose practice is being supervised and the person who is providing the supervision of the practice, during each week that the person seeking licensure practices professional counseling.

Note: Sub. (6) is repealed and recreated effective 9-1-18 to read:

(6) “Supervision” is a means of transmitting the skills, knowledge, and attitudes of a particular profession to the next generation of that profession. The supervisory relationship is evaluative, extends over time, and enhances the professional functioning of the developing professional. The supervisor shall monitor the quality of services offered by the supervisee with the purpose of enhancing the quality of skills and services provided by the counselor-in-training. Furthermore, the supervisor shall monitor and provide clinical oversight of the professional services rendered by the counselor-in-training to ensure ethical delivery of services and protection of public health and welfare.
