

## Chapter SPS 175

### APPLICATION FOR REGISTRATION

SPS 175.02 Application for registration.  
SPS 175.025 Required education and work experience.

SPS 175.05 Application review.  
SPS 175.06 Reciprocal licensure and certification.

**Note:** Chapter RL 175 was renumbered chapter SPS 175 under s. 13.92 (4) (b) 1., Stats., Register November 2011 No. 671.

**SPS 175.02 Application for registration.** An applicant for registration as a sanitarian shall submit all of the following:

(1) A completed application on the form supplied by the department.

(2) The required fee under s. 440.03 (9) (a), Stats.

(3) Evidence of passage of the examination required under ch. SPS 176.

(4) An original official transcript evidencing completion of the education requirement in s. SPS 175.025. The transcript must be sent by the educational institution to the department.

(5) Verification of the work experience requirement in s. SPS 175.025, which shall include a detailed description of the position held, length of employment, duties of the position, and number of hours worked per year in the field of environmental health. This verification shall be submitted by the applicant's work supervisor for each position used to meet the work experience requirement.

**History:** CR 06–125: cr. Register July 2007 No. 619, eff. 8–1–07; CR 19–065: r. and recr. Register March 2020 No. 771, eff. 4–1–20; correction in (2) made under s. 35.17, Stats., Register March 2020 No. 771.

**SPS 175.025 Required education and work experience.** An applicant for registration must have completed one of the following combinations of education and work experience:

(1) A baccalaureate or higher degree in environmental health from an accredited college or university with at least 30 semester or 45 quarter hour academic credits in environmental, physical, biological, chemical, or environmental health areas and one year of full–time equivalent employment in the field of environmental health.

(2) A baccalaureate or higher degree in physical or biological sciences from an accredited college or university with at least 30 semester or 45 quarter hour academic credits in environmental, physical, biological, chemical, or environmental health areas and 2 years of full–time equivalent employment in the field of environmental health.

(3) A baccalaureate or higher degree from an accredited college or university and 4 years of full–time equivalent employment in the field of environmental health.

(4) An associate degree from an accredited college, community college or technical institute in environmental, physical, biological or chemical sciences, and 5 years of full–time equivalent employment in the field of environmental health.

(5) An associate degree from an accredited college, community college or technical institute and 8 years of full–time equivalent employment in the field of environmental health.

**History:** CR 19–065: cr. Register March 2020 No. 771, eff. 4–1–20.

**SPS 175.05 Application review.** (1) An applicant shall submit a completed application for registration and application fee to the department.

(2) The department shall make an investigation as it deems necessary to determine if the applicant shall receive a certificate of registration and may request additional documentation prior to approving an application.

(3) The applicant shall be notified in writing of the department's decision regarding their application. An applicant may appeal the application review decision of the department in accordance with ch. SPS 1 procedures.

**History:** CR 06–125: cr. Register July 2007 No. 619, eff. 8–1–07; correction in (1), (3) made under s. 13.92 (4) (b) 7., Stats., Register November 2011 No. 671; CR 19–065: am. (1), (2) Register March 2020 No. 771, eff. 4–1–20.

**SPS 175.06 Reciprocal licensure and certification.**

Upon application and payment of the appropriate application fee, an applicant who holds a certificate of registration or license as a sanitarian in good standing issued by the proper authority of any state, territory, or possession of the United States, any foreign country, or any other organization that registers or certifies sanitarians, may receive a certificate in this state provided that the requirements for the registration in the other jurisdiction are comparable to the qualifications for registration in this chapter. The successful passage of a recognized professional examination of any state, territory or possession of the United States, any foreign country or any other organization may be construed as tantamount to passing the required examination recognized by the department, provided that the scope of the examination and the applicant's passing score are comparable to the examination and passing score administered under this chapter.

**History:** CR 06–125: cr. Register July 2007 No. 619, eff. 8–1–07.
