CONTRIBUTIONS

Grp 11.01 Employee contributions Grp 11.02 Adjustments

Grp 11.01 Employee contributions. (1) The employe contributions for each \$1,000 of insurance shall be 50 cents per month until the March 1 that next follows attainment of age 40, and 60 cents per month from such date until attainment of age 65.

(2) Changes in employe contributions relating to an increase or decrease in the amount of insurance shall be made commencing with any pay covering services performed in February of each year.

(3) When a person becomes eligible for insurance either a double deduction shall be made from the pay check covering services for the first month he is eligible, one-half paying for insurance during such month and one-half paying in advance for insurance during the second month of eligibility, or the initial contribution shall be deducted from the pay check paid for services in the pay period immediately preceding the first month in which the person is eligible for the insurance.

(4) If a person resumes employment or active service for the municipality after a termination of employment for that municipality or a leave of absence for at least 3 consecutive months, and is then eligible for insurance, the first employe contribution shall be deducted from the first pay check due such employe. The insurance coverage shall begin as of the date of re-employment.

Grp 11.02 Adjustments. Whenever the proper employe contribution is not made by any insured employe in any month, any deficiency shall be deducted by the municipality upon the ensuing payroll after discovery thereof. If an excess deduction of employe contributions has been made for any employe such shall be adjusted by reducing subsequent contributions for that employe, or if there be no later payroll payment then a refund check shall be issued to the person making the overpayment.
