(f) Water containers, non-disposable food containers and non-disposable utensils shall be cleaned with an appropriate detergent, rinsed, and sanitized with an appropriate sanitizer as often as necessary but at least once a week to keep them free of accumulated dirt, debris, and disease hazards.

(2) ANIMAL HEALTH AND VETERINARY CARE. (a) Each dog shall be handled as carefully as practicable and in a humane manner that does not cause physical harm or unnecessary injury.

(b) The responsible caretaker on the premises, or an individual implementing a caretaker's oral or written instructions, shall perform daily body, mobility, and behavior checks on each dog.
