(3) The exemption is consistent with the purpose of this subchapter.

**History:** Cr. Register, February, 2000, No. 530, eff. 3-1-00; CR 05-059; renum. from Ins 9.31 and am. (intro.) Register February 2006 No. 602, eff. 3-1-06; CR 06-083; am. (intro.) Register December 2006 No. 612, eff. 1-1-07.

**Ins 9.21 Limited exemptions.** (1) SILENT DISCOUNT. An insurer, with respect to a defined network plan:

(a) Is exempt from meeting the requirements under ss. 609.22, 609.24, 609.32, 609.34, 609.36 and 632.83, Stats., and ss. Ins 9.31, 9.32 (1), 9.35, 9.37, 9.38, 9.39, 9.40 (1) to (7), 9.42 (1) to (7), if the only owned, employed, or participating provider providing services covered under the plan is a silent provider network.

(b) Is exempt from meeting the requirements under ss. 609.22, 609.24, 609.32, 609.34, and 609.36, Stats., and ss. Ins 9.32 (1), 9.35, 9.37, 9.38, 9.39, 9.40 (1) to (7), and 9.42 (1) to (7), solely with respect to services provided by the silent provider network, if the plan also covers services by providers that the insurer owns or employs, or another participating provider. An insurer is not exempt from those provisions with respect to a provider that is not a silent provider network.

(2) DE MINIMUS LIMITED EXCEPTION. Insurers offering a defined network plan are exempt from meeting the requirements under ss. 609.22 (1) to (4) and (8), 609.32 and 609.34, Stats., ss. Ins 9.32 (1), 9.40 (1) to (7), and 9.42 (6) and (7), with respect to a defined network plan, if the insurer meets all of the following requirements.

(a) The insurer offering a defined network plan provides comprehensive benefits to insureds of at least 80% coverage for in-plan providers.

(b) The insurer's only financial incentive to the insureds to utilize participating providers is a co-insurance differential of not more than 10% between in-plan versus off-plan providers. Except for the co-insurance differential of no greater than 10%, all benefits, deductibles and co-payments must be the same regardless of whether the insured obtains benefits, services or supplies from in-plan or off-plan providers.

(c) The insurer makes no representation regarding quality of care.

(d) The insurer makes no representation that the defined network plan is a preferred provider plan or that the defined network plan directs or is responsible for the quality of health care services. Nothing in this paragraph prevents an insurer from describing the availability or limits on availability of participating providers or the extent or limits of coverage under the defined network plan if participating or non-participating providers are utilized by an insured.

(e) The insurer, at the time an application is solicited, does all of the following.

1. Discloses to a potential applicant, and allows the applicant a reasonable opportunity to review, a directory which reasonably and clearly discloses the availability and location of providers:

a. Within reasonable travel distance from the principle location of the place of employment of employees likely to enroll under the plan, if the applicant is an employer; or

b. Within reasonable travel distance from the residence of the proposed insured, for any other application.

2. Obtains on the application, or on an addendum to the application, the applicant's signed acknowledgement that the applicant:

- a. Has reviewed the disclosure under subd. 1.;
  - b. Understands that participating providers may or may not be available to provide services and that the insurer is not required to make participating providers available; and
  - c. Understands that the plan will provide reduced benefits if the insured uses a non-participating provider.
3. Provides to each applicant a copy of the provider directory at the time the policy is issued.
4. The insurer provides access to translation services for the purpose of providing information concerning benefits, to the greatest extent possible, if a significant number of enrollees of the plan customarily use languages other than English.

**Ins 9.25 Preferred provider plan same service provisions.** For purposes of s. 609.35, Stats., an insurer offering a preferred provider plan covers the same services when performed by a nonparticipating provider that it covers when those services are performed by a participating provider only if the insurer complies with all of the following:

(1) The insurer offering a preferred provider plan provides coverage that complies with either of the following:

(a) Provides coverage for services performed by nonparticipating providers with the insurer paying at a coinsurance rate of not less than 60% and the enrollee paying at a coinsurance rate of not more than 40%.

(b) Provides coverage for services performed by nonparticipating providers with the insurer paying at a coinsurance rate not less than 50% and the enrollee paying at a coinsurance rate of not more than 50% and the insurer provides the enrollee with the disclosure notice that is compliant with sub. (5).

(2) The insurer offering a preferred provider plan equally applies material exclusions regardless if the services are performed by either participating or nonparticipating providers. The insurer may exceed the coinsurance differential in s. Ins 9.27 (1), or the deductible differential in s. Ins 9.27 (2), or the co-payment differential in s. Ins 9.27 (3) to the extent the insurer reasonably determines the cost sharing is necessary to encourage enrollees to use participating providers or centers of excellence for transplant or other unique disease treatment services or preventive health care services limited to immunizations pursuant to s. 632.895 (14), Stats., and the services as covered benefits greater than the minimum required for specific mandated benefits under ss. 632.895 and 632.89, Stats., when the insurer at the time of solicitation and within the policy, does either or both, as applicable, of the following:

(a) Provides a disclosure to enrollees that identify the centers of excellence and the specific covered benefits that are covered at a different rate if provided by a health care provider that is recognized and identified as a center of excellence.

(b) Clearly and prominently discloses that either immunizations or expanded benefits above mandated minimum coverage, or both, are covered when performed by participating providers or with greater disparity than permitted in s. Ins 9.27 (1) through (3).

(3) The insurer offering a preferred provider plan provides coverage of services without use of any financial incentives other than maximum limits, out-of-pocket limits and those incentives described in this section and s. Ins 9.27 to encourage the use of participating providers.

(4) The insurer offering a preferred provider plan may use utilization management, including preauthorization or similar methods, for denying access to or coverage of services of nonparticipating providers with just cause and without such frequency as to indicate a general business practice.

(5) An insurer required to provide a disclosure notice under sub. (1) shall provide the disclosure notice to the applicant at the time of solicitation, and shall include in a prominent location within the certificate of coverage issued under a group policy and in a prominent location in an individual policy, the following form and in not less than 11-point bold font:

**“NOTICE: LIMITED BENEFITS WILL BE PAID WHEN NONPARTICIPATING PROVIDERS ARE USED. You should be aware that when you elect to utilize the services of a nonparticipating provider for a covered service, benefit payments to such non-participating provider are not based upon the amount billed. The basis of your benefit payment will be determined according to your policy’s fee schedule, usual and customary charge (which is determined by comparing charges for similar services adjusted to the geographical area where the services are performed), or other method as defined by the policy. YOU RISK PAYING MORE THAN THE COINSURANCE, DEDUCTIBLE AND CO-PAYMENT AMOUNT DEFINED IN THE POLICY AFTER THE PLAN HAS PAID ITS REQUIRED PORTION. Nonparticipating providers may bill enrollees for any amount up to the billed charge after the plan has paid its portion of the bill. Participating providers have agreed to accept discounted payment for covered services with no additional billing to the enrollee other than co-payment, coinsurance and deductible amounts. You may obtain further information about the participating status of professional providers and information on out-of-pocket expenses by calling [the toll free telephone] number on your identification card [or visiting [the company’s] website].**

(6) The insurer files a report with the commissioner certifying compliance with this section on a form prescribed by the commissioner and signed by an officer of the company.

(7) The insurer does not require a referral to obtain coverage for care from either a participating or nonparticipating provider and complies with ss. Ins 9.27 and 9.32 (2).

(8) This section first applies to an insurer offering a preferred provider plan beginning on January 1, 2007. This section does not apply to an insurer with respect to a preferred provider plan issued prior to January 1, 2007 and periodically renewed after December 31, 2006.

Ins 9.25 (5).

(3) Except as provided in s. Ins 9.25 (2), insurers offering a preferred provider plan that apply a co-payment when the services are performed by nonparticipating providers in a different amount than the co-payment that is applied when the services are performed by participating providers shall offer plans that have either of the following:

**Ins 9.30 Group and blanket health insurers compliance.** The commissioner finds that the circumstances of offering a group or blanket health insurance policy require that the insurer offering the policy otherwise exempt from chs. 600 to 646, Stats., under s. 600.01 (1) (b) 3., Stats., comply with s. Ins 9.32 (2) and s. 609.22 (2), Stats., in order to provide adequate protection to Wisconsin enrollees and the public. An insurer that covers 100 or more residents of this state under a policy otherwise exempt under s. 600.01 (1) (b) 3., Stats., shall comply with s. Ins 9.32 (2) and s. 609.22 (2), Stats.

(2) An insurer offering a preferred provider plan shall do all of the following:

The insurer shall cover the treatment of the emergency medical condition rendered by a nonparticipating provider as though the services were rendered by a participating provider if the insurer provides coverage for emergency medical services and the enrollee cannot reasonably reach a participating provider or, as a result of the emergency, is admitted for inpatient care. The

**Ins 9.33 Enrollee election of nonparticipating provider reimbursement.** Nothing in s. Ins 9.32 changes the reimbursement payable or the amounts due, including co-payments, coinsurance, deductibles and other cost-sharing provisions from an enrollee when the enrollee of a preferred provider plan that is not a defined network plan elects to utilize the services of a nonparticipating provider when a participating provider is available in accordance with s. Ins 9.32 (2) (a) and (b) and the requirements of s. Ins 9.32 (2) (d), are provided to the enrollee.

In addition, the insurer shall comply with all of the following as appropriate:

1. If the terminating provider is a primary care provider and the insurer offering a defined network plan requires enrollees to designate a primary care provider, the insurer shall notify each enrollee who designated the terminating provider of the termination no later than 30 days prior to the termination or 15 days following the date the insurer received the provider's termination notice, whichever is later, and shall describe each enrollee's options for receiving continued care from the terminated provider.

2. If the terminating provider is a specialist and the insurer offering a defined network plan requires a referral, the insurer shall notify each enrollee authorized by referral to receive care from the specialist of the termination no later than 30 days prior to the termination or 15 days following the date the insurer received the provider's termination notice, whichever is later, and describe each enrollee's options for receiving continued care from the terminated provider.

3. If the terminating provider is a specialist and the insurer offering a defined network plan does not require a referral, the provider's contract with the insurer shall comply with the requirements of s. 609.24, Stats., and require the provider to post a notification of termination with the plan in the provider's office no later than 30 days prior to the termination or 15 days following the date the insurer received the provider's termination notice, whichever is later.

(b) 1. Upon termination of a provider from a defined network plan, the insurer offering a defined network plan shall notify all affected enrollees of the termination and each enrollee's options for receiving continued care from the terminated provider not later than 30 days prior to the termination, or upon notice by the provider if the insurer receives less than 30 days notice. The insurer offering a defined network plan shall provide information on substitute providers to all affected enrollees.

2. If the provider is a primary care provider and the insurer offering a defined network plan requires enrollees to designate a primary care provider, the insurer shall notify all enrollees who designated the terminating provider.

enrollees' rights under s. 609.24, Stats., if the provider's participation terminates for reasons other than provided in sub. (2) (a) or (b). The participating provider contracted with the insurer shall post a notification of termination with the plan no later than 30 days prior to the termination or 15 days following the date the insurer received the provider's termination notice, whichever is later, and describe each enrollee's options for receiving continued care from the terminated provider. The insurer offering a preferred provider plan shall enforce the contract and ensure that enrollees are informed of a participating provider's termination.

**Ins 9.36 Gag clauses.** (1) No contract between an insurer offering a defined network plan and a participating provider may limit the provider's ability to disclose information, to or on behalf of an enrollee, about the enrollee's medical condition.

**(2)** A participating provider may discuss, with or on behalf of an enrollee, all treatment options and any other information that the provider determines to be in the best interest of the enrollee and within the scope of the provider's professional license. An insurer offering a defined network plan may not penalize the participating provider nor terminate the contract of a participating provider because the provider makes referrals to other participating providers or discusses medically necessary or appropriate care with or on behalf of an enrollee. An insurer offering a defined network plan may not retaliate against a provider for advising an enrollee of treatment options that are not covered benefits under the plan.

**History:** Cr. Register, February, 2000, No. 530, eff. 3-1-00; CR 05-059: am. Register February 2006 No. 602, eff. 3-1-06.

**(3) OBSTETRICIANS AND GYNECOLOGISTS.** Insurers offering a defined network plan that permits obstetricians or gynecologists to serve as primary care providers shall clearly so state in enrollment materials. **(4) STANDING REFERRAL CRITERIA.** Insurers offering a defined network plan other than a preferred provider plan shall make information available to their enrollees describing the criteria for obtaining a standing referral to a specialist, including under what circumstances and for what services a standing referral is available, how to request a standing referral, and how to appeal a stand-

ing referral determination. For purposes of s. 609.22 (4), Stats., and this subsection, referral includes prior authorization for services if the insurer uses this or similar methods for denying standing referrals to specialists without just cause and with such frequency to indicate a general business practice, as determined by the commissioner.

(b) Provide a description of the procedure for any enrollee to obtain a second opinion from a participating plan provider consistent with s. 609.22 (5), Stats.

(c) Consistent with s. 609.22 (6), Stats., and s. Ins 9.32 (1) (d), an insurer offering a defined network plan may require enrollees to notify the insurer of emergency room usage, but in no case may the insurer offering a defined network plan require notification less than 48 hours after receiving services or before it is medically feasible for the enrollee to provide the notice, whichever is later. (2) **ENROLLEE DISENROLLMENT CRITERIA.** Except as provided in s. 632.897, Stats., the health maintenance organization or lim-

(4) **ALTERNATIVE COVERAGE FOR DISENROLLED ENROLLEES.** An insurer offering a health maintenance organization plan or limited service health organization plan that has disenrolled an enrollee for any reason except failure to pay required premiums shall make arrangements to provide similar alternate insurance coverage to the enrollee. In the case of group certificate holders, the insurance coverage shall be continued until the affected enrollee finds his or her own coverage or until the next opportunity to change insurers, whichever comes first. In the case of an enrollee covered on an individual basis, coverage shall be continued until the anniversary date of the policy or for one year, whichever is earlier.
