7 (e) *Temporary borrowings.* The total amount of temporary borrowings of any
8 local governmental unit maturing within one year after the date of issue may not

10 longer-term general obligation borrowings of a single local governmental unit may
11 be considered separately in determining compliance with this subsection.

12 **(5) OBLIGATIONS OF CERTAIN INTERNATIONAL ORGANIZATIONS; OTHER FOREIGN BONDS.**

13 A universal bank may purchase bonds offered for sale by the International Bank for
14 Reconstruction and Development and the Inter-American Development Bank or

3 capital adequacy, asset quality, earnings quantity, earnings quality, adequacy of
4 liquidity, and sensitivity to market risk and the ability of the universal bank's
5 management.

6 **(10) EXERCISE OF LOAN POWERS; PROHIBITED CONSIDERATIONS.** In determining
7 whether to make a loan or extension of credit, no universal bank may consider any
8 health information obtained from the records of an affiliate of the universal bank
9 that is engaged in the business of insurance, unless the person to whom the health
10 information relates consents.

11 **222.0405 Investment powers. (1) INVESTMENT SECURITIES.** Except as
12 provided in subs. (3) to (8), a universal bank may purchase, sell, underwrite, and hold
13 investment securities, consistent with safe and sound banking practices, up to 100%
14 of the universal bank's capital. A universal bank may not invest greater than 20%
15 of the universal bank's capital in the investment securities of one obligor or issuer.

6 that is wholly owned by one or more financial institutions. The total investment in
7 any one project may not exceed 15% of the universal bank's capital, nor may the
8 aggregate investment under this subsection exceed 50% of capital. A universal bank
9 may not make an investment under this subsection unless it is in compliance with
10 the capital requirements set by the division under s. 222.0305 (1) and with the capital
11 maintenance requirements of its deposit insurance corporation.

12 (4) PROFIT-PARTICIPATION PROJECTS. A universal bank may take equity positions
13 in profit-participation projects, including projects funded through loans from the
14 universal bank, in an aggregate amount not to exceed 20% of capital. The division
15 may suspend the investment authority under this subsection. If the division
16 suspends the investment authority under this subsection, the division may specify
17 how outstanding investments under this subsection shall be treated by the universal
18 bank or its subsidiary. Among the factors that the division may consider in
19 suspending authority under this subsection are the universal bank's capital
20 adequacy, asset quality, earnings quantity, earnings quality, adequacy of liquidity,

13 (c) *Certain bank insurance companies.* An equity interest in an insurance
14 company or an insurance holding company organized to provide insurance for
15 universal banks and for persons affiliated with universal banks, solely to the extent
16 that this ownership is a prerequisite to obtaining directors' and officers' insurance
17 or blanket bond insurance for the universal bank through the company.

18 (d) *Certain remote service unit corporations.* Shares of stock, whether
19 purchased or otherwise acquired, in a corporation acquiring, placing, and operating

23 a universal bank may invest in other financial institutions.

24 **(9)** INVESTMENTS THROUGH SUBSIDIARIES. A universal bank may make
25 investments under this section, directly or indirectly through a subsidiary, unless

2 appropriate safeguards to limit the risk exposure of the universal bank.

3 **222.0407 Universal bank purchase of its own stock. (1)** IN GENERAL. A
4 universal bank may hold or purchase not more than 10% of its capital stock, notes,

6 **(2)** DIVISION APPROVAL. A universal bank may hold or purchase more than 10%
7 of its capital stock, notes, or debentures, if approved by the division.

8 **(3)** ADDITIONAL AUTHORITY. A universal bank may hold or purchase more than

10 loss upon a debt previously contracted in good faith. Stock, notes, or debentures held
11 or purchased under this subsection may not be held by the universal bank for more
12 than 6 months if the stock, notes, or debentures can be sold for the amount of the
13 claim of the universal bank against the holder of the debt previously contracted. The
14 universal bank shall either sell the stock, notes, or debentures within 12 months of
15 acquisition under this subsection or shall cancel the stock, notes, or debentures.
16 Cancellation of the stock, notes, or debentures reduces the amount of the universal
17 bank's capital stock, notes, or debentures. If the reduction reduces the universal
18 bank's capital below the minimum level required by the division, the universal bank
19 shall increase its capital to the amount required by the division.

20 **(4)** LOANS SECURED BY CAPITAL, SURPLUS, OR DEPOSITS. A universal bank may not
21 loan any part of its capital, surplus, or deposits on its own capital stock, notes, or
22 debentures as collateral security, except that a universal bank may make a loan
23 secured by its own capital stock, notes, or debentures to the same extent that the
24 universal bank may make a loan secured by the capital stock, notes, and debentures
25 of a holding company for the universal bank.

1 **222.0409 Stock in bank-owned banks.** With the approval of the division,
2 a universal bank may acquire and hold stock in one or more banks chartered under
3 s. 221.1202 or national banks chartered under 12 USC 27 (b) or in one or more

7 set eligibility requirements for, and establish the types and terms of, deposits that
8 the universal bank solicits and accepts. The terms set under this subsection may
9 include minimum and maximum amounts that the universal bank may accept and
10 the frequency and computation method of paying interest.

11 **(2) PLEDGE OF SECURITY FOR DEPOSITS.** Subject to the limitations of s. 221.0324
12 that are applicable to banks, a universal bank may pledge its assets as security for
13 deposits.

14 **(3) SECURITIZATION OF ASSETS.** With the approval of the division, a universal

21 be agreed upon. A universal bank has a lien for its charges on any property taken
22 or received by it for safekeeping. If the lien is not paid within 2 years from the date
23 the lien accrues, or if property is not called for by the person depositing the property,
24 or by his or her representative or assignee, within 2 years from the date the lien
25 accrues, the universal bank may sell the property at public auction. A universal bank

1 shall provide the same notice for a sale under this subsection that is required by law
2 for sales of personal property on execution. After retaining from the proceeds of the
3 sale all of the liens and charges due the bank and the reasonable expenses of the sale,
4 the universal bank shall pay the balance to the person depositing the property, or to
5 his or her representative or assignee.

13 issued by the International Organization for Standardization or determined by the
14 department to be a functionally equivalent environmental management system.

15 b. Determined by the department to be appropriate to the nature, scale, and
16 environmental impacts of the applicant's operations related to to each covered
17 facility or activity.

18 2. Commit itself to having an outside environmental auditor approved by the
19 department conduct an annual environmental management system audit and to
20 submitting an annual report on the environmental management system audit to the
21 department in compliance with sub. (6m) (a).

22 3. Commit itself to annually conducting, or having another person conduct, an
23 audit of compliance with environmental requirements that are applicable to the
24 covered facilities and to reporting the results of the audit to the department in
25 compliance with sub. (6m) (a).

1 (d) *Superior environmental performance.* To be eligible to participate in tier II
2 of the program, an applicant shall demonstrate a record of superior environmental
3 performance and shall describe the measures that it proposes to take to maintain and
4 improve its superior environmental performance.

7 addition to providing information necessary to show that the applicant satisfies the
8 requirements in sub. (5), the applicant shall do all of the following in the letter of
9 intent:

10 1. Describe the involvement of interested persons in developing the proposal
11 for maintaining and improving the applicant's superior environmental performance,

13 the applicant's participation in the program.

14 2. Outline the provisions that it proposes to include in the participation
15 contract.

16 3. Explain how the measures that the applicant proposes to take to maintain
17 and improve its superior environmental performance are proportional to the
18 incentives that it proposes to receive under the participation contract.

19 (b) *Limitation.* The department may limit the number of letters of intent that
20 it processes based on the staff resources available.

21 (c) *Notice.* If the department decides to process a letter of intent, within 90 days
22 of receiving the letter of intent the department shall provide public notice about the
23 letter of intent in the area in which each covered facility or activity is located or
24 performed.

1 (d) *Public meeting.* After providing public notice under par. (c) about a letter
2 of intent, the department may hold a public informational meeting on the letter of
3 intent.

4 (e) *Request to participate.* Within 30 days after the public notice under par. (c),
5 interested persons may request the department to grant them authorization to
6 participate in the negotiations under par. (f). A person who makes a request under
7 this paragraph shall describe the person's interests in the issues raised by the letter
8 of intent. The department shall determine whether a person who makes a request
9 under this paragraph may participate in the negotiations under par. (f) based on
10 whether the person has demonstrated sufficient interest in the issues raised by the
11 letter of intent to warrant that participation.

12 (f) *Negotiations.* If the department determines that an applicant satisfies the
13 requirements in sub. (5), the department may begin negotiations concerning a
14 participation contract with the applicant and with any persons to whom the
15 department granted permission under par. (e). The department may begin the
16 negotiations no sooner than 30 days after providing public notice under par. (c) about
17 the applicant's letter of intent.

18 (g) *Termination of negotiations.* The department may terminate negotiations
19 with an applicant concerning a participation contract and the decision to terminate
20 negotiations is not subject to review under ch. 227. The department shall conclude
21 negotiations within 12 months of beginning negotiations unless the applicant and
22 the department agree to an extension.

23 (h) *Notice of proposed contract.* If negotiations under par. (f) result in a
24 proposed participation contract, the department shall provide public notice about

1 the proposed participation contract in the area in which each covered facility or
2 activity is located or performed.

3 (i) *Meeting on proposed contract.* After providing public notice under par. (h)
4 about a proposed participation contract, the department may hold a public
5 informational meeting on the proposed participation contract.

6 (j) *Participation contract.* Within 30 days after providing notice under par. (h)
7 or, if the department holds a public informational meeting under par. (i), within 30
8 days after that meeting, the department shall decide whether to enter into a
9 participation contract with an applicant, unless the applicant and the department
10 agree to an extension beyond 30 days. In a participation contract, the department
11 shall require that the participant maintain the environmental management system
12 described in sub. (5) (c) 1. and abide by the commitments in sub. (5) (c) 2. and 3. The
13 department may not reduce the frequency of required inspections or monitoring as
14 an incentive in a participation contract if the audit under sub. (5) (c) 3. is conducted
15 by a person other than an outside environmental auditor. The department shall
16 ensure that the incentives provided under a participation contract are proportional
17 to the environmental benefits that will be provided by the participant under the
18 participation contract. The department shall include in a participation contract
19 remedies that apply if a party fails to comply with the participation contract. The
20 term of a participation contract may not be less than 3 years or more than 10 years,
21 with opportunity for renewal for additional terms of the same length as the original
22 term upon agreement of the parties. The term of a participation contract may not
23 exceed 5 years if the participation contract incorporates, modifies, or otherwise
24 affects the terms or conditions of a permit issued under s. 283.31, 283.33, or 285.62,
25 unless federal and state law authorize a longer term for the permit.

1 (k) *Review of decision.* Notwithstanding s. 227.42, there is no right to an
2 administrative hearing on the department's decision to enter into a participation
3 contract under par. (j), but the decision is subject to judicial review.

4 **(6m)** COMPLIANCE REPORTS AND DEFERRED CIVIL ENFORCEMENT. (a) *Compliance*
5 *reports.* If an audit under sub. (3) (d) 4. or (5) (c) 2. or 3. reveals any violations of

7 report of the results of the audit:

8 1. A description of all of the violations.

9 2. A description of the actions taken or proposed to be taken to correct the
10 violations identified in subd. 1.

11 3. A commitment to correct the violations identified in subd. 1. within 90 days
12 of submitting the report or according to a compliance schedule approved by the
13 department.

14 4. If the participant proposes to take more than 90 days after submitting the
15 report to correct the violations identified in subd. 1., a proposed compliance schedule
16 that contains the shortest reasonable periods for correcting the violations, a
17 statement that justifies the proposed compliance schedule, a description of measures
18 that the participant will take to minimize the effects of the violations during the
19 period of the compliance schedule, and proposed stipulated penalties to be imposed
20 if the participant violates the proposed compliance schedule.

21 5. A description of the measures that the participant has taken or will take to
22 prevent future violations.

23 (b) *Compliance schedules.* 1. If the department receives a report under par. (a)
24 that contains a proposed compliance schedule under par. (a) 4., the department shall
25 review the proposed compliance schedule. The department may approve the

1 compliance schedule as submitted or propose a different compliance schedule. If the
2 participant does not agree to implement a compliance schedule proposed by the
3 department, the department shall schedule a meeting with the participant to
4 attempt to reach an agreement on a compliance schedule. If the department and the
5 participant do not reach an agreement on a compliance schedule, the department
6 shall terminate the participation of the participant in the program. If the parties
7 agree to a compliance schedule, the participant shall incorporate the compliance
8 schedule into its environmental management system.

9 2. The department may not approve a compliance schedule that extends longer
10 than 12 months beyond the date of approval of the compliance schedule. The
11 department shall consider the following factors in determining whether to approve
12 a compliance schedule:

13 a. The environmental and public health consequences of the violations.

14 b. The time needed to implement a change in raw materials or method of
15 production if that change is an available alternative to other methods of correcting
16 the violations.

17 c. The time needed to purchase any equipment or supplies that are needed to
18 correct the violations.

19 (c) *Stipulated penalties.* 1. If the department receives proposed stipulated
20 penalties under par. (a) 4., the department shall review the proposed stipulated
21 penalties. The department may approve the stipulated penalties as submitted or
22 propose different stipulated penalties. If the participant does not agree to stipulated
23 penalties proposed by the department, the department shall schedule a meeting with
24 the participant to attempt to reach an agreement on stipulated penalties. If no

1 agreement is reached, there are no stipulated penalties for violations of the
2 compliance schedule.

3 (d) *Deferred civil enforcement.* 1. a. If a participant in the program corrects
4 violations that are disclosed in a report that meets the requirements of par. (a) within
5 90 days after the department receives the report, this state may not bring a civil
6 action to collect forfeitures for the violations.

7 b. This state may not begin a civil action to collect forfeitures for violations
8 covered by a compliance schedule that is approved under par. (b) during the period
9 of the compliance schedule if the participant is not violating the compliance schedule.
10 If the participant violates the compliance schedule and there are stipulated
11 penalties, the department may collect any stipulated penalties or may terminate
12 participation in the program. If the participant violates the compliance schedule and
13 there are no stipulated penalties, the department may terminate participation in the
14 program. After the department terminates participation in the program, this state
15 may begin a civil action to collect forfeitures for the violations.

16 c. If the department approves a compliance schedule under par. (b) and the
17 participant corrects the violations according to the compliance schedule, this state
18 may not bring a civil action to collect forfeitures for the violations.

19 2. Notwithstanding subd. 1., this state may at any time begin a civil action to
20 collect forfeitures for violations if any of the following apply:

21 a. The violations present an imminent threat to public health or the
22 environment or may cause serious harm to public health or the environment.

23 b. The department discovers the violations before submission of a report that
24 meets the requirement of par. (a).

1 **(7) SUSPENSION OR TERMINATION OF PARTICIPATION.** (a) The department may
2 suspend or terminate the participation of a participant in the program at the request
3 of the participant.

4 (b) The department may terminate the participation of a participant in the
5 program if a judgment is entered against the participant, any managing operator of
6 the participant, or any person with a 25% or more ownership interest in the
7 participant for a criminal or civil violation involving a covered facility or activity that
8 resulted in substantial harm to public health or the environment or that presented
9 an imminent threat to public health or the environment.

10 (c) The department may suspend the participation of a participant in the
11 program if the department determines that the participant, any managing operator
12 of the participant, or any person with a 25% or more ownership interest in the
13 participant committed a criminal or civil violation involving a covered facility or
14 activity that resulted in substantial harm to public health or the environment or that
15 presented an imminent threat to public health or the environment and the
16 department refers the matter to the department of justice for prosecution.

17 (d) The department may suspend or terminate the participation of a
18 participant in tier I of the program if the participant does not implement, or fails to
19 maintain, the environmental management system described in sub. (3) (d) 1., fails
20 to conduct annual audits described in sub. (3) (d) 4., or fails to submit annual reports
21 described in sub. (3) (d) 5.

22 (e) The department may, after an opportunity for a hearing, terminate a
23 participation contract if the department determines that the participant is in
24 substantial noncompliance with the participation contract.

1 (f) A person who is not a party to a participation contract, but who believes that
2 a participant is in substantial noncompliance with a participation contract, may ask
3 the department to terminate a participation contract under par. (e).

4 **(7e) CHARTERS.** (a) The department may issue an environmental results
5 charter to an association of entities to assist the entities to participate in tier I or tier
6 II of the program and to achieve superior environmental performance. An
7 association to which a charter is issued may consist of private entities, public
8 entities, or a combination of private and public entities. An association to which a
9 charter is issued may be organized on any basis that helps to achieve superior
10 environmental performance.

11 (b) In a charter the entities in the association shall describe the goals of the
12 association, the responsibilities of the entities, and the activities that the entities will
13 engage in to accomplish their goals. The term of a charter may not be less than 3
14 years or more than 10 years, with the opportunity for renewal for additional terms
15 of the same length upon the agreement of the entities and the department.

16 (c) The department may not issue a charter unless the department determines
17 that the entities in the association have the resources to carry out the charter. Before
18 issuing a proposed charter, the department shall provide public notice of the
19 proposed charter in the areas in which the activities under the charter will be
20 engaged in. After providing public notice and before issuing a proposed charter, the
21 department shall hold a public informational hearing on the proposed charter. A
22 decision by the department to issue a charter is not subject to review under ch. 227.

23 (d) An association to which a charter has been issued shall report annually to
24 the department on the activities that have been engaged in under the charter.

1 (e) The department may, after an opportunity for a hearing, terminate a charter
2 if the department determines that the entities in the chartered association are in
3 substantial noncompliance with the charter. Any person who has evidence that the
4 entities in a chartered association are not in compliance with a charter may ask the
5 department to terminate the charter.

6 **(7m) ENVIRONMENTAL AUDITORS.** The department may not approve an outside
7 environmental auditor for the purposes of sub. (3) (d) 4. or (5) (c) 2. unless the outside
8 environmental auditor is certified by the Registrar Accreditation Board of the
9 American National Standards Institute or meets criteria concerning education,
10 training, experience, and performance that are equal to the criteria in International
11 Organization for Standardization standard 14012.

12 **(7s) ACCESS TO RECORDS.** (a) Except as provided in par. (c), the department shall
13 make any record, report, or other information obtained in the administration of this
14 section available to the public.

15 (c) The department shall keep confidential any part of a record, report, or other
16 information obtained in the administration of this section, other than emission data
17 or discharge data, upon receiving an application for confidential status by any person
18 containing a showing satisfactory to the department that the part of a record, report,
19 or other information would, if made public, divulge a method or process that is
20 entitled to protection as a trade secret, as defined in s. 134.90 (1) (c), of that person.

21 (d) If the department refuses to release information on the grounds that it is
22 confidential under par. (c) and a person challenges that refusal, the department shall
23 inform the affected participant of that challenge. Unless the participant authorizes
24 the department to release the information, the participant shall pay the reasonable
25 costs incurred by this state to defend the refusal to release the information.

1 (e) Paragraph (c) does not prevent the disclosure of any information to a
2 representative of the department for the purpose of administering this section or to
3 an officer, employee, or authorized representative of the federal government for the
4 purpose of administering federal law. When the department provides information
5 that is confidential under par. (c) to the federal government, the department shall
6 also provide a copy of the application for confidential status.

7 **(8) POWERS AND DUTIES OF THE DEPARTMENT.** (a) To facilitate the process under
8 sub. (6), the department shall develop model terms that may be used in participation
9 contracts.

10 (b) After consultations with interested persons, the department shall annually
11 establish a list identifying aspects of superior environmental performance that the
12 department will use to identify which letters of intent it will process under sub. (6)
13 in the following year and the order in which it will process the letters of intent.

14 (c) The department may promulgate rules for the administration of the
15 program. In the rules, the department may specify incentives, that are consistent
16 with federal laws and other state laws, that the department may provide to
17 participants in tier II of the program.

18 (d) The department shall encourage small businesses, agricultural
19 organizations, entities that are not subject to environmental requirements, local
20 governments, and other entities to form groups to work cooperatively on projects to
21 achieve superior environmental performance.

25 program.

1 (f) The department and the department of commerce shall jointly provide
2 information about participation contracts and environmental management systems
3 to potential participants in the program and to other interested persons. The
4 department shall consult with the department of commerce about the
5 administration of the program.

6 (g) The department shall collect, process, evaluate, and disseminate data and
7 information about environmentally beneficial and innovative practices submitted by
8 participants in the program. The department may conduct or direct studies,
9 experiments, or research related to the program in cooperation with participants and
10 other interested persons. The department may enter into agreements with the
11 Robert M. La Follette institute of public affairs at the University of
12 Wisconsin-Madison to assist in the promotion, administration, or evaluation of the
13 program.

14 (h) The department shall submit a progress report on the program to the
15 legislature, in the manner provided in s. 13.172 (2), no later than the first day of the
16 36th month beginning after the effective date of this paragraph [revisor inserts
17 date], and every 2 years after it submits the first report.

18 **(9) ENVIRONMENTAL RESULTS COUNCIL.** The environmental results council shall
19 advise the department about all of the following:

20 (a) The implementation of the program, including the setting of goals for the
21 program.

22 (b) Evaluating the costs of applying for the program and of entering into a
23 participation contract or a charter and the administrative costs of participating in
24 the program.

1 (c) Assessing whether incentives provided under a participation contract are
2 proportional to the environmental benefits committed to under a participation
3 contract.

4 (d) Procedures for evaluating the program.

5 (e) Changes that should be made in the program.

6 **(10) PENALTY.** Any person who intentionally makes a false statement in
7 material submitted under this section shall be fined not less than \$10 nor more than

13 (a) The regulated entity conducts an environmental compliance audit of the
14 facility.

15 (b) The regulated entity notified the department in writing, no fewer than 30
16 days before beginning the environmental compliance audit, of the date on which the
17 environmental compliance audit would begin, the site or facility or the operations or

24 department or a local governmental unit has not, within 2 years, issued a citation

1 to enforce an environmental requirement, because of a violation of an environmental
2 requirement involving the facility.

3 (3) AUDIT REPORT. To participate in the environmental improvement program
4 with respect to a facility, the regulated entity that owns or operates the facility shall
5 submit a report to the department within 45 days after the date of the final written

25 contains the shortest reasonable periods for correcting the violations of

1 environmental requirements, a statement that justifies the proposed compliance
2 schedule, and a description of measures that the regulated entity will take to
3 minimize the effects of the violations of environmental requirements during the
4 period of the compliance schedule.

5 (em) If the regulated entity proposes to take more than 90 days to correct the
6 violations of environmental requirements, the proposed stipulated penalties to be
7 imposed if the regulated entity violates the compliance schedule under par. (e).

8 (f) A description of the measures that the regulated entity has taken or will take
9 to prevent future violations of environmental requirements and a timetable for

15 until after the end of the comment period.

16 (b) Before the start of the public comment period under par. (a), the department
17 shall provide public notice of the proposed compliance schedule and stipulated
18 penalties that does all of the following:

19 1. Identifies the regulated entity that submitted the report under sub. (3) and
20 the facility at which the violation occurred, describes the environmental
21 requirement that was violated, and indicates whether the violation related to
22 reporting or another administrative requirement and whether the violation related
23 to air, water, solid waste, hazardous waste, or another, specified, aspect of
24 environmental regulation.

1 2. Describes the proposed compliance schedule and the proposed stipulated

9 **(4) ENVIRONMENTAL COMPLIANCE AUDIT.** A regulated entity does not qualify for
10 participation in the environmental improvement program unless the final written
11 report of findings of the environmental compliance audit is labeled “environmental
12 compliance audit report,” is dated, and, if the environmental compliance audit
13 identifies violations of environmental requirements, includes a plan for corrective
14 action. A regulated entity may use a form developed by the regulated entity, by a
15 consultant, or by the department for the final written report of findings of the
16 environmental compliance audit.

17 **(6) COMPLIANCE SCHEDULES.** (a) If the department receives a report under sub.
18 (3) that contains a proposed compliance schedule under sub. (3) (e), the department
19 shall review the proposed compliance schedule. The department may approve the
20 compliance schedule as submitted or propose a different compliance schedule. If the
21 regulated entity does not agree to implement a compliance schedule proposed by the
22 department, the department shall schedule a meeting with the regulated entity to
23 attempt to reach an agreement on a compliance schedule. If the department and the
24 regulated entity do not reach an agreement on a compliance schedule, the

2 subsection is subject to review under ch. 227.

3 (b) The department may not approve or issue a compliance schedule that
4 extends longer than 12 months beyond the date of approval of the compliance
5 schedule. The department shall consider the following factors in determining
6 whether to approve a compliance schedule:

7 1. The environmental and public health consequences of the violations.

8 2. The time needed to implement a change in raw materials or method of
9 production if that change is an available alternative to other methods of correcting
10 the violations.

11 3. The time needed to purchase any equipment or supplies that are needed to
12 correct the violations.

13 **(6m)** STIPULATED PENALTIES. (a) If the department receives proposed stipulated

17 stipulated penalties proposed by the department, the department shall schedule a
18 meeting with the regulated entity to attempt to reach an agreement on stipulated
19 penalties. If no agreement is reached, there are no stipulated penalties for violations
20 of the compliance schedule.

21 (b) Stipulated penalties approved under par. (a) shall specify a period, not
22 longer than 6 months beyond the end of the compliance schedule, during which the

24 **(7)** DEFERRED CIVIL ENFORCEMENT. (a) 1. For at least 90 days after the
25 department receives a report that meets the requirements in sub. (3), this state may

1 not begin a civil action to collect forfeitures for violations of environmental
2 requirements that are disclosed in the report by a regulated entity that qualifies
3 under sub. (2) for participation in the environmental improvement program.

4 2. If the regulated entity corrects violations that are disclosed by a regulated
5 entity that qualifies under sub. (2) for participation in the environmental
6 improvement program in a report that meets the requirements of sub. (3) within 90
7 days after the department receives a report that meets the requirements of sub. (3),
8 this state may not bring a civil action to collect forfeitures for the violations.

9 3. This state may not begin a civil action to collect forfeitures for violations
10 covered by a compliance schedule that is approved under sub. (6) during the period
11 of the compliance schedule if the regulated entity is not violating the compliance
12 schedule. If the regulated entity violates the compliance schedule, the department
13 may collect any stipulated penalties during the period in which the stipulated
14 penalties apply. This state may begin civil action to collect forfeitures for violations
15 of environmental requirements that are not corrected by the end of the period in
16 which the stipulated penalties apply. If the regulated entity violates the compliance
17 schedule and there are no stipulated penalties, this state may begin a civil action to
18 collect forfeitures for the violations.

19 4. If the department approves a compliance schedule under sub. (6) and the
20 regulated entity corrects the violations according to the compliance schedule, this
21 state may not bring a civil action to collect forfeitures for the violations.
