

**ASSEMBLY SUBSTITUTE AMENDMENT 2,
TO 2003 ASSEMBLY BILL 26**

March 31, 2003 - Offered by Representative GUNDERSON.

1 **AN ACT to amend** 29.324 (1) (b) and 29.324 (2) (intro.) of the statutes; **relating**
2 **to:** qualifications for group deer hunting.

Analysis by the Legislative Reference Bureau

Under current law, a member of a group deer hunting party may kill a deer for another member of the party if the person who kills the deer is in contact with the person for whom the deer is killed and if the person for whom the deer is killed possesses a current unused deer carcass tag. Under current law, to qualify as a group deer hunting party, the party must consist of two or more persons hunting in a group, each of whom is using a firearm and each of whom holds a deer hunting license. This substitute amendment specifies that the members of the group must be hunting during the open season for hunting deer with a firearm instead of requiring that all of the members of the group be using a firearm to qualify as a group deer hunting party, as provided under current law.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
