1	At the locations indicated, amend the substitute amendment as follows:
2	1. Page 4, line 4: after that line insert:
3	"SECTION 4m. Nonstatutory provisions.
4	(1) COMMITTEE. (a) In this subsection, "cellulosic biomass ethanol" means
5	ethanol derived from any lignocellulosic matter that is available on a renewable or
6	recurring basis including dedicated energy crops and trees, wood and wood residues,
7	plants, grasses, agricultural residues, fibers, animal waste and other waste
8	materials, and municipal solid waste. "Cellulosic biomass ethanol" includes any
9	ethanol produced in facilities where animal wastes or other waste materials are
10	digested or otherwise used to displace 90 percent or more of the fossil fuel normally
11	used in the production of ethanol.

(b) The secretary of the department of commerce shall appoint a committee to 1 $\mathbf{2}$ study the use of cellulosic biomass ethanol and to recommend a plan under which this 3 state, by the year 2020, would be capable of producing ethanol of which 20 percent 4 is cellulosic biomass ethanol. The secretary of the department of commerce shall $\mathbf{5}$ appoint the committee no later than the first day of the 6th month beginning after 6 the effective date of this paragraph. The committee shall include at least one ethanol 7 producer, at least one member of an environmental group, one representative from 8 the department of commerce, one representative from the department of agriculture 9 trade and consumer protection, one representative from the department of natural 10 resources, and one representative from the University of Wisconsin System. Not 11 later than one year after the date on which the secretary of the department appoints 12the committee under this paragraph, the committee shall submit its plan to the 13department of commerce, the department of agriculture, trade and consumer 14 protection, the department of natural resources, the University of Wisconsin System, 15the governor, and the legislature.".
