6           as large a coverage area as possible and shall automatically provide instantaneous  
7           or nearly instantaneous information regarding the whereabouts of a person who is  
8           being monitored, including information regarding the person's presence in an  
9           exclusion zone established under par. (c) or absence from an inclusion zone  
10          established under par. (c).

11          2. Use land line communications equipment to transmit information regarding

24          the department shall focus on areas where children congregate, with perimeters of  
25          100 to 250 feet, and on areas where the person has been prohibited from going as a

2 supervised release. In creating inclusion zones for a person on supervised release,  
3 the department shall consider s. 980.08 (7).

4 (d) If a person who is on supervised release or conditional release is being

20 person under par. (a) 2.

21 (c) The department of health and family services shall pay for the cost of  
22 tracking a person to whom sub. (2) (a) 4. or 5. or (b) applies while the person is on  
23 conditional release or supervised release to the extent that the cost is not covered by  
24 payments made by the person under par. (b).

1 (d) In determining how much of the costs the person is able to pay, the  
2 department may consider the following:

- 3 1. The person's financial resources.
- 4 2. The present and future earning ability of the person.
- 5 3. The needs and earning ability of the person's dependents.

9 **(5) EXCEPTION TO LIFETIME TRACKING REQUIREMENT; UNDERAGE SEXUAL ACTIVITY.**

10 (a) A person described in sub. (2) (a) is not subject to tracking under this section if  
11 all of the following apply:

12 1. The serious child sex offense described in sub. (2) (a) did not involve sexual  
13 intercourse, as defined in s. 948.01 (6), by the use or threat of force or violence and  
14 did not involve sexual intercourse with a victim under the age of 12 years.

15 2. At the time of the serious child sex offense, the person had not attained the  
16 age of 19 years, was not more than 4 years older than the child, and was not more  
17 than 4 years younger than the child.

18 3. It is not necessary, in the interest of public protection, to subject the person  
19 to global positioning system tracking.

20 (b) If a person believes that he or she is not subject to global positioning system  
21 tracking under par. (a), the person may move a court to make a determination of  
22 whether the person satisfies those criteria. A motion made under this paragraph  
23 shall be filed with the circuit court for the county in which the person was convicted  
24 or found not guilty or not responsible by reason of mental disease or defect.

1           (c) A person who files a motion under par. (b) shall send a copy of the motion  
2 to the district attorney for the county in which the motion is filed. The district  
3 attorney shall make a reasonable attempt to contact the victim of the crime that is  
4 the subject of the person's motion to inform the victim of his or her right to make or  
5 provide a statement under par. (e).

6           (d) A court shall hold a hearing on a motion made by a person under par. (b).  
7 The district attorney who receives a copy of a motion under par. (c) may appear at  
8 the hearing.

9           (e) Before deciding a motion filed under par. (b), the court shall allow the victim  
10 of the serious child sex offense described in sub. (2) (a) to make a statement in court  
11 at the hearing under par. (d) or to submit a written statement to the court. A  
12 statement under this paragraph must be relevant to whether the person satisfies the  
13 criteria specified in par. (a).

14           (f) 1. Before deciding a motion filed by a person under par. (b), a court may  
15 request the person to be examined by a physician or a psychologist licensed under  
16 ch. 445 and who is approved by the court. If the person refuses to undergo an  
17 examination requested by the court under this subdivision, the court shall deny the  
18 person's motion without prejudice.

19           2. If a person is examined by a physician or a psychologist under subd. 1., the  
20 physician or psychologist shall file a report of his or her examination with the court,  
21 and the court shall provide copies of the report to the person and, if he or she requests  
22 a copy, to the district attorney. The contents of the report shall be confidential until  
23 the physician or psychologist has testified at the hearing held under par. (d). The  
24 report shall contain an opinion regarding whether it would be in the interest of public

1 protection to have the person subject to global positioning system tracking and the  
2 basis for that opinion.

3 3. A person who is examined by a physician or psychologist under subd. 1. is  
4 responsible for paying the cost of the services provided by the physician or  
5 psychologist, except that if the person is indigent the cost of the services provided by  
6 the physician or psychologist shall be paid by the county. If the person claims or  
7 appears to be indigent, the court shall refer the person to the authority for indigency  
8 determinations under s. 977.07 (1), except that the person shall be considered  
9 indigent without another determination under s. 977.07 (1) if the person is  
10 represented by the state public defender or by a private attorney appointed under  
11 s. 977.08.

12 (g) At the hearing held under par. (d), the person who filed the motion under  
13 par. (b) has the burden of proving by clear and convincing evidence that he or she  
14 satisfies the criteria specified in par. (a). In deciding whether the person has satisfied  
15 the criterion specified in par. (a) 3., the court may consider any of the following:

16 1. The ages, at the time of the violation, of the person and of the child with whom  
17 the person had sexual contact or sexual intercourse.

18 2. The relationship between the person and the child with whom the person had  
19 sexual contact or sexual intercourse.

20 3. Whether the violation resulted in bodily harm, as defined in s. 939.22 (4), to  
21 the child with whom the person had sexual contact or sexual intercourse.

22 4. Whether the child with whom the person had sexual contact or sexual  
23 intercourse suffered from a mental illness or mental deficiency that rendered the  
24 child temporarily or permanently incapable of understanding or evaluating the  
25 consequences of his or her actions.

1           5. The probability that the person will commit other violations in the future.

2           6. The report of the examination conducted under par. (f).

3           7. Any other factor that the court determines may be relevant to the particular  
4 case.

5           **(6) OFFENDER'S PETITION TO TERMINATE LIFETIME TRACKING.** (a) Subject to par. (b),  
6 a person who is subject to lifetime tracking may file a petition requesting that  
7 lifetime tracking be terminated. A person shall file a petition requesting termination  
8 of lifetime tracking with the circuit court for the county in which the person was  
9 convicted or found not guilty or not responsible by reason of mental disease or defect.

10           (b) 1. A person may not file a petition requesting termination of lifetime  
11 tracking if he or she has been convicted of a crime that was committed during the  
12 period of lifetime tracking.

13           2. A person may not file a petition requesting termination of lifetime tracking  
14 earlier than 20 years after the date on which the period of lifetime tracking began.  
15 If a person files a petition requesting termination of lifetime tracking at any time  
16 earlier than 20 years after the date on which the period of lifetime tracking began,  
17 the court shall deny the petition without a hearing.

18           3. A person described in sub. (2) (b) may not file a petition requesting  
19 termination of lifetime tracking.

20           (c) Upon receiving a petition requesting termination of lifetime tracking, the  
21 court shall send a copy of the petition to the district attorney responsible for  
22 prosecuting the serious sex offense that was the basis for the order of lifetime  
23 tracking. Upon receiving the copy of the petition, the district attorney shall conduct  
24 a criminal history record search to determine whether the person has been convicted  
25 of a criminal offense that was committed during the period of lifetime tracking. No

1 later than 30 days after the date on which he or she receives the copy of the petition,  
2 the district attorney shall report the results of the criminal history record search to  
3 the court and may provide a written response to the petition.

4 (d) After reviewing a report submitted under par. (c) concerning the results of  
5 a criminal history record search, the court shall do whichever of the following is  
6 applicable:

7 1. If the report indicates that the person filing the petition has been convicted  
8 of a criminal offense that was committed during the period of lifetime tracking, the  
9 court shall deny the person's petition without a hearing.

10 2. If the report indicates that the person filing the petition has not been  
11 convicted of a criminal offense that was committed during the period of lifetime  
12 tracking, the court shall order the person to be examined under par. (e), shall notify  
13 the department that it may submit a report under par. (f) and shall schedule a  
14 hearing on the petition to be conducted as provided under par. (g).

15 (e) A person filing a petition requesting termination of lifetime tracking who  
16 is entitled to a hearing under par. (d) 2. shall be examined by a person who is either  
17 a physician or a psychologist licensed under ch. 455 and who is approved by the court.  
18 The physician or psychologist who conducts an examination under this paragraph  
19 shall prepare a report of his or her examination that includes his or her opinion of  
20 whether the person petitioning for termination of lifetime tracking is a danger to the  
21 public. The physician or psychologist shall file the report of his or her examination  
22 with the court within 60 days after completing the examination, and the court shall  
23 provide copies of the report to the person filing the petition and the district attorney.  
24 The contents of the report shall be confidential until the physician or psychologist

1 testifies at a hearing under par. (g). The person petitioning for termination of  
2 lifetime tracking shall pay the cost of an examination required under this paragraph.

3 (f) After it receives notification from the court under par. (d) 2., the department  
4 may prepare and submit to the court a report concerning a person who has filed a  
5 petition requesting termination of lifetime tracking. If the department prepares and  
6 submits a report under this paragraph, the report shall include information  
7 concerning the person's conduct while on lifetime tracking and an opinion as to  
8 whether lifetime tracking of the person is still necessary to protect the public. When  
9 a report prepared under this paragraph has been received by the court, the court  
10 shall, before the hearing under par. (g), disclose the contents of the report to the  
11 attorney for the person who filed the petition and to the district attorney. When the  
12 person who filed the petition is not represented by an attorney, the contents shall be  
13 disclosed to the person.

14 (g) A hearing on a petition requesting termination of lifetime tracking may not  
15 be conducted until the person filing the petition has been examined and a report of  
16 the examination has been filed as provided under par. (e). At the hearing, the court  
17 shall take evidence it considers relevant to determining whether lifetime tracking  
18 should be continued because the person who filed the petition is a danger to the  
19 public. The person who filed the petition and the district attorney may offer evidence  
20 relevant to the issue of the person's dangerousness and the continued need for  
21 lifetime tracking.

22 (h) The court may grant a petition requesting termination of lifetime tracking  
23 if it determines after a hearing under par. (g) that lifetime tracking is no longer  
24 necessary to protect the public.

1 (i) If a petition requesting termination of lifetime tracking is denied after a  
2 hearing under par. (g), the person may not file a subsequent petition requesting  
3 termination of lifetime tracking until at least 5 years have elapsed since the most  
4 recent petition was denied.

5 **(7) DEPARTMENT'S PETITION TO TERMINATE LIFETIME TRACKING.** (a) The department  
6 may file a petition requesting that a person's lifetime tracking be terminated if the  
7 person is permanently physically incapacitated. The petition shall include affidavits  
8 from 2 physicians that explain the nature of the person's permanent physical  
9 incapacitation.

10 (b) 1. The department shall file a petition under par. (a) with the circuit court  
11 for the county in which the person was convicted or found not guilty or not  
12 responsible by reason of mental disease or defect or, in the case of a person described  
13 in sub. (2) (b), the circuit court for the county in which the person was found to be a  
14 sexually violent person.

15 2. The department shall send a copy of a petition filed under subd. 1. to the  
16 district attorney responsible for prosecuting the serious sex offense that was the  
17 basis for the order of lifetime tracking or, in the case of a person described in sub. (2)
