SECTION 7. 632.855 (3) of the statutes is renumbered 632.855 (3) (am).

SECTION 8. 632.855 (3) (bm) of the statutes is created to read:

632.855 **(3)** (bm) A health care plan or a self–insured health plan may not deny coverage under par. (am) of an experimental treatment, procedure, drug, or device for an insured if the denial violates s. 632.87 (6).

SECTION 9. 632.87 (1) of the statutes is amended to read:

632.87 **(1)** No insurer may refuse to provide or pay for benefits for health care services provided by a licensed health care professional on the ground that the services were not rendered by a physician as defined in s. 990.01 (28), unless the contract clearly excludes services by such practitioners, but no contract or plan may exclude services in violation of sub. (2), (2m), (3), (4) ~~or,~~ (5)<u>, or (6)</u>.

SECTION 10. 632.87 (6) of the statutes is created to read:

632.87 **(6)** (a) 1. Except as provided in subd. 2., in this subsection, "routine patient care" means all of the following:

a. All health care services, items, and drugs for the treatment of cancer.

b. All health care services, items, and drugs that are typically provided in health care; including health care services, items, and drugs provided to a patient during the course of treatment in a cancer clinical trial for a condition or any of its complications; and that are consistent with the usual and customary standard of care, including the type and frequency of any diagnostic modality.

2. "Routine patient care" does not include the health care service, item, or investigational drug that is the subject of the cancer clinical trial; any health care service, item, or drug provided solely to satisfy data collection and analysis needs

that are not used in the direct clinical management of the patient; an investigational drug or device that has not been approved for market by the federal food and drug administration; transportation, lodging, food, or other expenses for the patient or a family member or companion of the patient that are associated with travel to or from a facility providing the cancer clinical trial; any services, items, or drugs provided by the cancer clinical trial sponsors free of charge for any patient; or any services, items, or drugs that are eligible for reimbursement by a person other than the insurer, including the sponsor of the cancer clinical trial.

(b) No policy, plan, or contract may exclude coverage for the cost of any routine patient care that is administered to an insured in a cancer clinical trial satisfying the criteria under par. (c) and that would be covered under the policy, plan, or contract if the insured were not enrolled in a cancer clinical trial.

(c) A cancer clinical trial under par. (b) must satisfy all of the following criteria:

1. A purpose of the trial is to test whether the intervention potentially improves the trial participant's health outcomes.

2. The treatment provided as part of the trial is given with the intention of improving the trial participant's health outcomes.

3. The trial has therapeutic intent and is not designed exclusively to test toxicity or disease pathophysiology.

4. The trial does one of the following:

a. Tests how to administer a health care service, item, or drug for the treatment of cancer.

b. Tests responses to a health care service, item, or drug for the treatment of cancer.

c. Compares the effectiveness of health care services, items, or drugs for the treatment of cancer with that of other health care services, items, or drugs for the treatment of cancer.

d. Studies new uses of health care services, items, or drugs for the treatment of cancer.

5. The trial is approved by one of the following:

a. A National Institute of Health, or one of its cooperative groups or centers, under the federal department of health and human services.

b. The federal food and drug administration.

c. The federal department of defense.

d. The federal department of veterans affairs.

(d) 1. The coverage that may not be excluded under this subsection shall apply to all phases of a cancer clinical trial.

2. The coverage that may not be excluded under this subsection is subject to all terms, conditions, restrictions, exclusions, and limitations that apply to any other coverage under the policy, plan, or contract, including the treatment under the policy, plan, or contract of services performed by participating and nonparticipating providers.

(e) 1. Nothing in the subsection requires a policy, plan, or contract to offer; or prohibits a policy, plan, or contract from offering; cancer clinical trial services by a participating provider.

2. Nothing in this subsection requires services that are performed in a cancer clinical trial by a nonparticipating provider of a policy, plan, or contract to be reimbursed at the same rate as a participating provider of the policy, plan, or contract.

SECTION 11. Initial applicability.

(1) This act first applies to all of the following:

(a) Except as provided in paragraphs (b) and (c), disability insurance policies that are issued or renewed, and self–insured health plans that are established, extended, modified, or renewed, on the effective date of this paragraph.

(b) Disability insurance policies covering employees who are affected by a collective bargaining agreement containing provisions inconsistent with this act that are issued or renewed on the earlier of the following:

1. The day on which the collective bargaining agreement expires.

2. The day on which the collective bargaining agreement is extended, modified, or renewed.

(c) Self–insured health plans covering employees who are affected by a collective bargaining agreement containing provisions inconsistent with this act that are established, extended, modified, or renewed on the earlier of the following:

1. The day on which the collective bargaining agreement expires.

2. The day on which the collective bargaining agreement is extended, modified, or renewed.

SECTION 12. Effective date.

(1) This act takes effect on the first day of the 7th month beginning after publication.
