2 and 74.37 (5); and *to create* 70.47 (7) (c), 70.47 (8) (j), 70.47 (16) (c) and 74.37
3 (4) (d) of the statutes; **relating to:** objecting to property tax assessments.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 **SECTION 1.** 70.47 (7) (c) of the statutes is created to read:
5 70.47 (7) (c) The board of review shall grant a taxpayer a 60-day extension for
6 a hearing related to the taxpayer's objection submitted under this section, if the
7 taxation district enacts an ordinance authorizing such extensions and if the taxpayer
8 submits with the objection a request to the board for an extension and pays the
9 taxation district a \$100 fee. A request for an extension under this paragraph shall
10 not stop the accrual of interest, notwithstanding s. 70.511 (2) (b). The 60-day
11 extension period under this paragraph may be further extended, if the taxpayer
12 shows good cause. If a taxation district enacts an ordinance under this paragraph,

1 each taxpayer who submits an objection under this section, regardless of whether the
2 taxpayer requests an extension, and the assessor shall present to the board of review
3 all evidence, as specified in the manual under s. 73.03 (2a), on which they rely to
4 support their respective positions and any additional evidence that the taxpayer or
5 the assessor believes is relevant to determining the correct assessment. If the
6 taxpayer receives an extension under this paragraph, at least 10 days before the
7 scheduled board of review hearing, the taxpayer and the assessor shall
8 simultaneously exchange all reports, documents, and exhibits that the taxpayer and
9 assessor will present at the hearing. At least 60 days prior to the first day on which
10 the board of review hears objections, each taxation district that enacts an ordinance
11 under this paragraph shall publish on its Internet site the last day on which a
12 taxpayer may submit an objection under this section. At least 15 days prior to the
13 first day on which the board of review hears objections, each taxation district that
14 enacts an ordinance under this paragraph shall include with the notice under s.
15 70.365 information to inform the taxpayer of the last day on which a taxpayer may
16 submit an objection under this section.

17 **SECTION 2.** 70.47 (8) (d) of the statutes is amended to read:

18 70.47 (8) (d) It may and upon request of either the assessor or the objector shall
19 compel the attendance of witnesses for hearing, except objectors who may testify by
20 telephone, and the production of all books, inventories, appraisals, documents and
21 other data which may throw light upon the value of property, and, with regard to an
22 objection that is subject to sub. (7) (c) or (16) (c), may, on a showing of good cause,
23 compel the attendance of witnesses for depositions.

24 **SECTION 3.** 70.47 (8) (j) of the statutes is created to read:

1 70.47 (8) (j) The board shall allow a sufficient amount of time for a hearing
2 under this subsection to permit the taxpayer and assessor to present their evidence.

3 **SECTION 4.** 70.47 (13) of the statutes is amended to read:

4 70.47 (13) CERTIORARI REVIEW. Except as provided in this subsection and in s.
5 ss. 70.85 and 74.37, appeal from the determination of the board of review shall be by
6 an action for certiorari commenced within 90 days after the taxpayer receives the
7 notice under sub. (12). The action shall be given preference. If the court on the appeal
8 finds any error in the proceedings of the board which renders the assessment or the
9 proceedings void, or if the court determines that the board lacked good cause to deny
10 a request for a deposition subpoena, it shall remand the assessment to the board for
11 further proceedings in accordance with the court's determination and retain
12 jurisdiction of the matter until the board has determined an assessment in
13 accordance with the court's order. For this purpose, if final adjournment of the board
14 occurs prior to the court's decision on the appeal, the court may order the governing
15 body of the assessing authority to reconvene the board. If the appellant challenges
16 the value determination that the board made at a proceeding under sub. (7) (c), the
17 court shall presume that the board's valuation is correct, except that the
18 presumption may be rebutted by a sufficient showing by the appellant that the
19 valuation is incorrect. If the presumption is rebutted, the court shall determine the
20 assessment without deference to the board of review and based on the record before
21 the board of review, except that the court may consider evidence that was not
22 available at the time of the hearing before the board, that the board refused to
23 consider, or that the court otherwise determines should be considered in order to
24 determine the correct assessment. In the event that an objection to the previous
25 year's assessment has not been resolved, the parties may agree that the assessment

1 for the previous year shall also apply for the current year and shall be included in
2 the court's review of the prior year's assessment without an additional hearing by the
3 board.

4 **SECTION 5.** 70.47 (16) (a) of the statutes is amended to read:

5 70.47 (16) (a) In 1st class cities all objections to the amount or valuation of real
6 or personal property shall be first made in writing and filed with the commissioner
7 of assessments on or before the 3rd Monday in May. No person may, in any action
8 or proceeding, question the amount or valuation of real or personal property in the
9 assessment rolls of the city unless objections have been so filed. The board may not
10 waive the requirement that objections be in writing. Persons who own land and
11 improvements to that land may object to the aggregate valuation of that land and
12 improvements to that land, but no person who owns land and improvements to that
13 land may object only to the valuation of that land or only to the valuation of
14 improvements to that land. If the objections have been investigated by a committee
15 of the board of assessors under s. 70.07 (6), the board of review may adopt the
16 recommendation of the committee unless the objector requests or the board orders
17 a hearing. At least 2 days' notice of the time fixed for the hearing shall be given to
18 the objector appellant or attorney and to the city attorney of the city. The provisions
19 of the statutes relating to boards of review not inconsistent with this subsection
20 apply to proceedings before the boards of review of 1st class cities, except that the
21 board need not adjourn until the assessment roll is completed by the commissioner
22 of assessments, as required in s. 70.07 (6), but may immediately hold hearings on
23 objections filed with the commissioner of assessments, and the changes, corrections
24 and determinations made by the board acting within its powers shall be prima facie
25 correct. Appeal from the determination shall be by an action ~~for certiorari~~ under s.

1 70.47 (13) commenced within 90 days after the taxpayer receives the notice under
2 sub. (12). The action shall be given preference. If the court on the appeal finds any
3 error in the proceedings of the board that renders the assessment or the proceedings
4 void or, with regard to an objection that is subject to par. (c), if the court determines
5 that the board lacked good cause to deny a request for a deposition subpoena, it shall
6 remand the assessment to the board for further proceedings in accordance with the
7 court's determination and retain jurisdiction of the matter until the board has
8 determined an assessment in accordance with the court's order. If the appellant
9 challenges the value determination that the board made at a proceeding under sub.
10 (16) (c), the court shall presume that the board's valuation is correct, except that the
11 presumption may be rebutted by a sufficient showing by the appellant that the
12 valuation is incorrect. If the presumption is rebutted, the court shall determine the
13 assessment without deference to the board of review and based on the record before
14 the board of review, except that the court may consider evidence that was not
15 available at the time of the hearing before the board or that the board refused to
16 consider, or that the court otherwise determines should be considered in order to
17 determine the correct assessment. In the event that an objection to the previous
18 year's assessment has not been resolved, the parties may agree that the assessment
19 for the previous year shall also apply for the current year and shall be included in
20 the court's review of the prior year's assessment without an additional hearing by the
21 board.

22 **SECTION 6.** 70.47 (16) (c) of the statutes is created to read:

23 70.47 (16) (c) The board of review shall grant a taxpayer a 60-day extension
24 for a hearing related to the taxpayer's objection submitted under this section, if the
25 1st class city enacts an ordinance authorizing such extensions and if the taxpayer

1 submits with the objection a request to the board for an extension and pays the city
2 a \$100 fee. A request for an extension under this paragraph shall not stop the accrual
3 of interest, notwithstanding s. 70.511 (2) (b). The 60–day extension period under this
4 paragraph may be further extended, if the taxpayer shows good cause. If a 1st class
5 city enacts an ordinance under this paragraph, each taxpayer who submits an
6 objection under this section, regardless of whether the taxpayer requests an
7 extension, and the assessor shall present to the board of review all evidence, as
8 specified in the manual under s. 73.03 (2a), on which they rely to support their
9 respective positions and any additional evidence that the taxpayer or the assessor
10 believes is relevant to determining the correct assessment. If the taxpayer receives
11 an extension under this paragraph, at least 10 days before the scheduled board of
12 review hearing, the taxpayer and the assessor shall simultaneously exchange all
13 reports, documents, and exhibits that the taxpayer and assessor will present at the
14 hearing. At least 60 days prior to the first day on which the board of review hears
15 objections, each 1st class city that enacts an ordinance under this paragraph shall
16 publish on its Internet site the last day on which a taxpayer may submit an objection
17 under this section. At least 15 days prior to the first day on which the board of review
18 hears objections, each 1st class city that enacts an ordinance under this paragraph
19 shall include with the notice under s. 70.365 information to inform the taxpayer of
20 the last day on which a taxpayer may submit an objection under this section.

21 **SECTION 7.** 73.03 (2a) of the statutes, as affected by 2007 Wisconsin Act 20, is
22 amended to read:

23 **73.03 (2a)** To prepare and publish, in electronic form and on the Internet,
24 assessment manuals. The manual shall discuss and illustrate accepted assessment
25 methods, techniques and practices with a view to more nearly uniform and more

1 consistent assessments of property at the local level. The manual shall be amended
2 by the department from time to time to reflect advances in the science of assessment,
3 court decisions concerning assessment practices, costs, and statistical and other
4 information considered valuable to local assessors by the department. The manual
5 shall incorporate standards for the assessment of all types of renewable energy
6 resource systems used in this state as soon as such systems are used in sufficient
7 numbers and sufficient data exists to allow the formulation of valid guidelines. The
8 manual shall incorporate standards, which the department of revenue and the state
9 historical society of Wisconsin shall develop, for the assessment of nonhistoric
10 property in historic districts and for the assessment of historic property, including
11 but not limited to property that is being preserved or restored; property that is
12 subject to a protective easement, covenant or other restriction for historic
13 preservation purposes; property that is listed in the national register of historic
14 places in Wisconsin or in this state's register of historic places and property that is
15 designated as a historic landmark and is subject to restrictions imposed by a
16 municipality or by a landmarks commission. The manual shall incorporate general
17 guidelines about ways to determine whether property is taxable in part under s.
18 70.1105 and examples of the ways that s. 70.1105 applies in specific situations. The
19 manual shall state that assessors are required to comply with s. 70.32 (1g) and shall
20 suggest procedures for doing so. The manual or a supplement to it shall specify per
21 acre value guidelines for each municipality for various categories of agricultural land
22 based on the income that could be generated from its estimated rental for
23 agricultural use, as defined by rule, and capitalization rates established by rule. The
24 manual shall include guidelines for classifying land as agricultural land, as defined
25 in s. 70.32 (2) (c) 1g., and guidelines for distinguishing between land and

1 improvements to land. The manual shall specify the evidence to be exchanged under
2 s. 70.47 (7) (c) and (16) (d). The cost of the development, preparation, and Internet
3 publication of the manual and of revisions and amendments to it shall be paid from
4 the appropriation under s. 20.566 (2) (b).

5 **SECTION 8.** 74.37 (4) (c) of the statutes is amended to read:

6 74.37 (4) (c) No claim or action for an excessive assessment may be brought or
7 maintained under this section if the assessment of the property for the same year is
8 contested under s. 70.47 (7) (c), (13), or (16) (c) or 70.85. No assessment may be
9 contested under s. 70.47 (7) (c), (13), or (16) (c) or 70.85 if a claim is brought and

14 enacts an ordinance under s. 70.47 (7) (c) or if the 1st class city in which the property
15 is located enacts an ordinance under s. 70.47 (16) (c), except that this paragraph does
16 not apply if the taxation district or the 1st class city did not comply with s. 70.365.

17 **SECTION 10.** 74.37 (5) of the statutes is amended to read:

23 due and the date that the claim was paid.

24 **SECTION 11. Initial applicability.**
