6 application. The term includes, but is not restricted to, utility facilities,
7 government-owned facilities, facilities transporting hazardous materials,
8 communications and data facilities, drainage and water facilities and sewer systems.
9 The term does not include ~~any of the following:~~ culverts.

10 **SECTION 31.** 182.0175 (1) (c) 1. of the statutes is repealed.

11 **SECTION 32.** 182.0175 (1) (c) 2. of the statutes is repealed.

12 **SECTION 33.** 182.0175 (1m) (a) of the statutes is amended to read:

13 182.0175 (1m) (a) *Statewide system.* ~~Transmission facilities owners~~ Owners
14 of transmission facilities, other than private transmission facilities, shall establish
15 or designate a nonprofit organization governed by a board of directors as the operator
16 of a one-call system and shall be members of the system. The one-call system shall
17 be a statewide communication system in which a single operational center receives
18 excavation notices and transmits notice information to affected-member
19 transmission facilities owners. Owners of private transmission facilities may be
20 members.

21 **SECTION 34.** 182.0175 (1m) (b) of the statutes is repealed.

22 **SECTION 35.** 182.0175 (1m) (bm) of the statutes is amended to read:

23 182.0175 (1m) (bm) *Membership fees.* ~~Members~~ A member may be assessed
24 an initial start-up fee equal to the system’s costs in adding the member to the
25 one-call system, except that any initial start-up fee may not exceed \$100 for a

1 member whose transmission facilities serve less than 5,000 customers. For purposes
2 of assessing the initial start-up fee, affiliated transmission facilities owners shall be
3 considered a single member. Under this paragraph, a transmission facilities owner
4 is affiliated with another transmission facilities owner if the transmission facilities
5 owner, directly, or indirectly through one or more intermediaries, controls, is
6 controlled by, or is under common control with, the other transmission facilities
7 owner. Members shall also be assessed a fee per notice of intended excavation
8 activity. Membership in the one-call system ceases if a fee assessed under this
9 paragraph is more than 90 days past due. A transmission facilities owner may be
10 reinstated as a member upon payment of the amount past due.

15 182.0175 **(1m)** (d) 5. Inform the person providing notice of the names of
16 affected-member transmission facilities owners who will receive the notice
17 information.

18 **SECTION 38.** 182.0175 (1m) (e) of the statutes is created to read:

19 182.0175 **(1m)** (e) *Information system.* 1. The operator of the one-call system
20 shall ensure, through information distributed to the public by phone, Internet, or
21 printed materials, that a person providing notice on intended excavation activity is
22 informed that private transmission facilities are not subject to the one-call system
23 and that the person providing notice is referred to other entities to be contacted by
24 the person for determining the location of private transmission facilities. In
25 providing this information, the operator shall specifically use the term “propane” in

1 describing the type of private transmission facilities that are not subject to the
2 one-call system.

3 2. The department of commerce may promulgate a rule that requires retail
4 suppliers, as defined in s. 101.16 (1) (d), of propane to inform their customers each
5 year of the obligation of owners of transmission facilities under this section.

6 **SECTION 39.** 182.0175 (2) (am) 3. of the statutes is amended to read:

7 182.0175 (2) (am) 3. Maintain an estimated minimum clearance of 18 inches
8 between a marking for an unexposed underground transmission facility marked that
9 is marked under sub. (2m) and the cutting edge or point of any power-operated
10 excavating or earth moving equipment. If, except as is necessary at the beginning
11 of the excavation process to penetrate and remove pavement, rock, or other hard
12 materials. Once the underground transmission facility is becomes exposed or if the
13 transmission facility is already exposed, the excavator may reduce the clearance to
14 2 times the known limit of control of the cutting edge or point of the equipment or 12
15 inches, whichever is greater.

17 182.0175 (2m) (bm) (title) *Local governmental units.*

18 **SECTION 41.** 182.0175 (2m) (br) of the statutes is created to read:

19 182.0175 (2m) (br) *Private transmission facilities.* Paragraphs (a) to (bm) do
20 not apply to owners of private transmission facilities.

21 **SECTION 42. Nonstatutory provisions.**

22 (1) SUBMISSION OF PROPOSED RULES. No later than the first day of the 6th month
23 beginning after the effective date of this subsection, the department of commerce
24 shall submit in proposed form the rules being promulgated under section 101.16 (2)
25 of the statutes, as created by this act, to the legislative council staff under section

1 227.15 (1) of the statutes. Notwithstanding section 227.137 (2) of the statutes, the
2 secretary of administration may not require the department of commerce to prepare
3 an economic impact report for these rules.

4 **SECTION 43. Effective dates.** This act takes effect on the day after publication,
5 except as follows:

6 (1) The renumbering and amendment of section 101.16 (4) of the statutes and
