(b) "Iron mining company" means a person that holds a permit under s. 295.58.

(2) An iron mining company shall do all of the following with respect to each

LRBa0212/1 RCT:kjf:jm

position in the company that is related to an iron mine and is to be filled in this state: (a) Notify the department and the local workforce development board established under 29 USC 2832 serving the area where the position is located about the position and post the position on the department's job center Internet site for at least 30 days. (b) Post notice of the position for at least 14 days in a location at the work site where the position will be located in one or more conspicuous places where notices to employees are customarily posted. (c) Place an advertisement in an appropriate newspaper at least once a week for 2 consecutive weeks that, at a minimum, includes a description of the position and how a person may apply for the position, the name of the employer, and the location of the work site. (d) Provide notice of the position to each technical college and institution within the University of Wisconsin System that is located within 250 miles of where the position is located. (3) An iron mining company may not do any of the following with respect to a position in the company that is related to an iron mine and is to be filled in this state before it has complied with sub. (2): (a) Post notice of the position on a trade association Internet site or in a trade association publication. (b) Post notice of the position on any Internet job search site, except as provided in sub. (2) (a). (c) Recruit applicants for the position at any job fair located outside this state.

2013 – 2014 Legislature

- (d) Recruit applicants for the position at any institution of higher education
   outside this state.
- 3 (e) Advertise the position in any newspaper or on any radio or television station
  4 located outside this state.

5 (f) Use any employment agency to recruit applicants from outside this state for6 the position.

7 (4) (a) The department shall, upon complaint by any person or on its own
8 motion, investigate any allegation that an iron mining company has violated sub. (2)
9 or (3) if the complaint is filed with the department no more than 300 days after the
10 alleged violation occurred.

(b) If after investigation under par. (a) the department finds probable cause to
believe that an iron mining company has violated sub. (2) or (3), the department shall
notify the iron mining company of the department's finding of probable cause, of the
actions specified under par. (d) that the department proposes to take, and of the iron
mining company's right to request a hearing regarding the alleged violation of sub.
(2) or (3).

(c) An iron mining company that receives a notice under par. (b) may, within
30 days after the date of the notice, request a contested case hearing under s. 227.42.
If the department does not receive a request for a contested case hearing under s.
227.42 within 30 days after the date of the notice under par. (b), the department shall
issue a final decision that the company has violated sub. (2) or (3) and take the actions
specified under par. (d).

(d) If the department receives a request under par. (c) for a hearing, the
department shall hold a hearing as provided under s. 227.44. If, after the hearing,
the department finds that an iron mining company has violated sub. (2) or (3), the

- 3 -

department shall issue a final decision under s. 227.47 that the company has violated
sub. (2) or (3) and shall order the iron mining company to take any remedial action
that the department considers appropriate based on the severity of the
noncompliance with sub. (2) or (3).".
