**ASSEMBLY SUBSTITUTE AMENDMENT 2,
TO ASSEMBLY BILL 143**

April 14, 2015 - Offered by Representatives SUBECK, SARGENT, ZEPNICK, KAHL,
WACHS, SPREITZER, HEBL, C. TAYLOR and HINTZ.

1 **AN ACT** *to amend* 194.01 (1) and 194.01 (2); and *to create* 340.01 (23g) (b) 4.,
2 440.08 (2) (a) 69m. and subchapter IV of chapter 440 [precedes 440.40] of the
3 statutes; **relating to:** regulation of transportation network companies,
4 providing an exemption from emergency rule procedures, granting
5 rule-making authority, and providing a penalty.

*The people of the state of Wisconsin, represented in senate and assembly, do
enact as follows:*

6 **SECTION 1.** 194.01 (1) of the statutes is amended to read:
7 194.01 (1) “Common motor carrier” means any person who holds himself or
8 herself out to the public as willing to undertake for hire to transport passengers or
9 property by motor vehicle upon the public highways. The transportation of
10 passengers in taxicab service or in commuter car pool or van pool vehicles that are
11 designed to carry less than 8 passengers, including the driver, or in a school bus

1 under s. 120.13 (27) or in a motor vehicle being used to provide transportation
2 network services, as defined in s. 440.40 (7), is not transportation by a common motor
3 carrier.

4 **SECTION 2.** 194.01 (2) of the statutes is amended to read:

5 194.01 (2) “Contract motor carrier” means any person engaged in the
6 transportation by motor vehicle over a regular or irregular route upon the public
7 highways of property for hire, including the transportation of buildings, as defined
8 in s. 348.27 (12m) (a) 1. The transportation of property in a motor vehicle being used
9 subject to subch. IV of ch. 440 is not transportation by a contract motor carrier.

10 **SECTION 3.** 340.01 (23g) (b) 4. of the statutes is created to read:

11 340.01 (23g) (b) 4. A motor vehicle being used to provide transportation
12 network services, as defined in s. 440.40 (7).

13 **SECTION 4.** 440.08 (2) (a) 69m. of the statutes is created to read:

14 440.08 (2) (a) 69m. Transportation network company: March 1 of each
15 odd-numbered year.

16 **SECTION 5.** Subchapter IV of chapter 440 [precedes 440.40] of the statutes is
17 created to read:

18 **CHAPTER 440**

19 **SUBCHAPTER IV**

20 **TRANSPORTATION NETWORK COMPANIES**

21 **440.40 Definitions.** In this subchapter:

22 (1) “Digital network” means any Internet site or online-enabled application,
23 software, or system that permits the prearrangement of transportation network
24 services.

1 **(2)** “Licensed company” means a transportation network company that is
2 licensed under s. 440.415.

3 **(3)** “Participating driver” means an individual who does all of the following:

4 (a) Pays a fee to a transportation network company to be connected to a
5 passenger for the purpose of engaging in transportation network services.

6 (b) Uses a personal vehicle to engage in transportation network services for
7 compensation.

8 **(4)** “Passenger” means an individual who uses a transportation network
9 company’s digital network to connect to a participating driver for transportation
10 network services, and, unless the context requires otherwise, includes all other
11 persons in that individual’s party who accompany that individual in the
12 participating driver’s personal vehicle in connection with those transportation
13 network services.

14 **(5)** “Personal vehicle” means a motor vehicle that satisfies all of the following
15 conditions:

16 (a) A participating driver owns, leases, or is otherwise authorized to use the
17 motor vehicle.

18 (b) The motor vehicle is not a taxicab, limousine, shuttle, or other for-hire
19 vehicle.

20 **(6)** “Transportation network company” means a business that, for
21 compensation, uses a digital network to connect passengers to participating drivers
22 for the purpose of providing transportation network services to those passengers.

23 “Transportation network company” does not include a taxicab, limousine, shuttle, or
24 other for-hire vehicle service.

1 (7) “Transportation network services” means transportation provided to a
2 passenger in the participating driver’s personal vehicle. A participating driver is
3 considered to be engaged in transportation network services beginning when the
4 participating driver accepts a passenger’s request for transportation received
5 through a transportation network company’s digital network, continuing while the
6 participating driver transports that passenger in the participating driver’s personal
7 vehicle, and ending when that passenger, or the last person in that passenger’s party,
8 whichever occurs later, exits the participating driver’s personal vehicle.
9 “Transportation network services” does not include transportation in a taxicab,
10 limousine, shuttle, or other for-hire vehicle.

11 **440.41 License required.** (1) No person may operate a transportation
12 network company in this state unless the transportation network company is a
13 licensed company.

14 (2) No person may engage in transportation network services in this state
15 unless the person is a participating driver for a licensed company. A licensed
16 company is not considered to control, direct, or manage a participating driver or that
17 participating driver’s personal vehicle used for engaging in transportation network
18 services, except as provided in this subchapter or in a written agreement between the
19 licensed company and the participating driver.

20 **440.415 Licensure of transportation network companies.** (1) INITIAL
21 LICENSE. The department shall grant a license to operate a transportation network
22 company in this state to an applicant for licensure if the department determines that
23 all of the following requirements are met:

24 (a) The applicant submits an application to the department on a form
25 prescribed by the department. The application shall include the applicant’s name,

1 address, tax identification number, and any other information required by the
2 department by rule.

3 (b) The applicant is a transportation network company.

4 (c) The applicant demonstrates to the satisfaction of the department that it
5 satisfies all applicable requirements under ss. 440.42, 440.44, 440.45, and 440.48.

6 (d) Notwithstanding s. 440.03 (9) (a), the applicant pays an initial licensure fee
7 of \$5,000.

8 **(2) RENEWAL.** (a) The renewal date for a license granted under sub. (1) is
9 specified in s. 440.08 (2) (a) 69m. A renewal application shall be submitted to the
10 department on a form prescribed by the department and shall include any
11 information required by the department by rule.

12 (b) The renewal application for a licensed company shall include a renewal fee
13 of \$5,000 or the renewal fee determined by the department under s. 440.03 (9) (a),
14 if any, whichever is less.

15 **440.42 Agent.** Each licensed company shall maintain an agent for service of
16 process in this state.

17 **440.425 Fare disclosures.** Each licensed company shall do all of the
18 following:

19 **(1)** Disclose its fare calculation method on its Internet site.

20 **(2)** Inform each prospective passenger or the prospective passenger's
21 authorized representative of all applicable fare rates.

22 **(3)** Give each prospective passenger or the prospective passenger's authorized
23 representative the option to receive an estimated fare before the passenger enters
24 a participating driver's personal vehicle for transportation network services.

1 **440.427 Establishment of base rate; ban on surge pricing.** (1) Each
2 licensed company shall establish a base fare rate for each geographic region within
3 this state in which the licensed company operates.

4 (2) A licensed company may not establish a base fare rate under sub. (1) more
5 than once every 3 months.

6 (3) A licensed company may not at any time charge a passenger a fare rate that
7 exceeds the base fare rate established under sub. (1).

8 **440.43 Identification of participating drivers.** Each licensed company
9 shall make available to each prospective passenger or the prospective passenger's
10 authorized representative, on the licensed company's digital network, a photograph
11 of the participating driver and the license plate number of the participating driver's
12 personal vehicle before the passenger enters the participating driver's personal
13 vehicle for transportation network services.

14 **440.435 Electronic receipt.** Within a reasonable time after transportation
15 network services have been provided, the licensed company facilitating the services
16 shall transmit an electronic receipt for the services to the passenger or the
17 passenger's authorized representative that contains all of the following:

18 (1) The origin and destination of the trip.

19 (2) The total time and distance of the trip.

20 (3) An itemization of the total fare paid, if any.

21 **440.44 Zero tolerance for use of drugs or alcohol.** (1) **POLICY.** Each
22 licensed company shall develop, implement, and make available on its Internet site
23 a policy prohibiting any participating driver from using alcohol, or any other
24 intoxicant that may render the participating driver incapable of safely driving, while

1 the participating driver is engaged in transportation network services for the
2 licensed company or is logged on to the licensed company's digital network.

3 (2) COMPLAINTS. (a) Each licensed company shall develop, implement, and
4 make available on its Internet site, complaint procedures for reports of suspected
5 violations of the policy under sub. (1).

6 (b) Upon receipt of a complaint concerning a violation of a licensed company's
7 policy under sub. (1), the licensed company shall immediately suspend the
8 participating driver and investigate the complaint. The suspension shall continue
9 until the complaint is resolved.

10 (c) Each licensed company shall maintain all records of each investigation
11 under par. (b), including the results of that investigation and any action taken based
12 on that investigation, for at least 2 years after the date the complaint was received
13 by the licensed company.

14 **440.445 Certain requirements for participating drivers and their**
15 **personal vehicles.** (1) APPLICATION. Before a licensed company allows an
16 individual to be a participating driver for the licensed company, the licensed
17 company shall do all of the following:

18 (a) Require the individual to submit an application to the licensed company
19 that includes at least all of the following:

20 1. The individual's name, address, and age.

21 2. A copy of the individual's driver's license.

22 3. The individual's driving history.

23 4. Proof of motor vehicle registration for each personal vehicle the individual
24 will use to engage in transportation network services through the licensed company.

1 5. A copy of the individual's automobile liability insurance policy for each
2 personal vehicle the individual will use to provide transportation network services
3 through the licensed company.

4 (b) Biennially, conduct, or have a 3rd party conduct, a local and national
5 criminal background check for the individual that includes all of the following:

6 1. A multistate and multijurisdictional criminal records locator or other similar
7 commercial nationwide database with validation.

8 2. A national sex offender registry database.

9 (c) Biennially, obtain and review a driving history research report for the
10 individual.

11 (d) Notwithstanding s. 440.455 (2), each licensed company shall maintain at
12 all times and make available for inspection by the department all records of each
13 criminal background check conducted under par. (b) and each driving history
14 research report obtained and reviewed under par. (c).

15 **(2) WHO MAY NOT BE A PARTICIPATING DRIVER.** (a) A licensed company may not
16 allow any of the following individuals to be a participating driver for the licensed
17 company:

18 1. An individual who has had more than 3 moving violations, as defined in s.
19 343.01 (2) (cg), in the past 3 years, or one major violation in the past 3 years, including
20 fleeing or attempting to elude an officer under s. 346.04 (3), reckless driving under
21 s. 346.62, or driving with a suspended or revoked license under s. 343.44 (1) (a) or (b).

22 2. An individual who has been convicted in the last 7 years of driving under the
23 influence of an intoxicant or other drug in violation of s. 346.63, of a sex offense, as
24 defined in s. 301.45 (1d) (b), or of any crime involving fraud, theft, damage to

1 property, violence, acts of terror, or the use of a motor vehicle in the commission of
2 a felony.

3 3. An individual whose information is contained in the sex offender registry
4 under s. 301.45 or on the National Sex Offender Public Website.

5 4. An individual who does not possess a valid driver's license.

6 5. An individual who does not possess proof of motor vehicle registration for
7 each personal vehicle the individual intends to use to engage in transportation
8 network services.

9 6. An individual who does not possess proof of automobile liability insurance
10 for each personal vehicle the individual intends to use to engage in transportation
11 network services.

12 7. An individual who is not at least 19 years of age.

13 (b) A participating driver who is convicted of any moving violation or of any
14 felony or misdemeanor anywhere shall immediately notify the licensed company for
15 which the participating driver engages in transportation network services of the
16 conviction.

17 **(3) VEHICLE SAFETY AND EMISSIONS.** (a) Each licensed company shall ensure that
18 each motor vehicle a participating driver uses to provide transportation network
19 services for the licensed company is a personal vehicle that satisfies all state vehicle
20 safety and emissions standards for private motor vehicles.

21 (b) Each licensed company shall ensure that each motor vehicle a participating
22 driver uses to engage in transportation network services undergoes a 19-point
23 inspection by a mechanic approved by the department prior to first being used for
24 transportation network services and at least annually after that. That inspection

1 shall certify in writing that the following items are mechanically sound and fit for
2 driving:

3 1. Foot brakes. At 20 miles per hour, each personal vehicle shall be capable of
4 stopping within 25 feet.

5 2. Emergency brakes.

6 3. Steering mechanism.

7 4. Windshield, which shall have no cracks or chips larger than one inch.

8 5. Rear window and other glass, which shall have no cracks or chips larger than
9 one inch.

10 6. Windshield wipers.

11 7. Headlights.

12 8. Tail lights.

13 9. Turn indicator lights.

14 10. Stop lights.

15 11. Front seat adjustment mechanism.

16 12. Doors, including the opening, closing, and locking mechanisms.

17 13. Horn.

18 14. Speedometer.

19 15. Bumpers.

20 16. Muffler and exhaust system.

21 17. Condition of tires, including tread depth.

22 18. Interior and exterior rear view mirrors.

23 19. Safety belts and air bags for the driver and passengers.

1 **(4) NO STREET HAILS.** A participating driver may not solicit or accept street hails
2 or otherwise provide rides for compensation that are not prearranged through a
3 transportation network company on the company's digital network.

4 **(5) NO CASH TRIPS.** (a) A participating driver may not solicit or accept any cash
5 payment to engage in transportation network services.

6 (b) All passenger payments for transportation network services shall be made
7 electronically using the transportation network company's digital network.

8 **(6) HOTLINE.** Each licensed company shall maintain a toll-free telephone
9 number staffed 24 hours a day for passengers to make complaints concerning the
10 conduct of participating drivers, report lost or stolen items, and ask questions
11 concerning the licensed company and the transportation network services its
12 participating drivers provide. Each participating driver shall prominently display
13 that number in the participating driver's personal vehicle at all times the
14 participating driver is engaged in transportation network services. The licensed
15 company shall make the number available upon request, on its digital network, and
16 on all electronic receipts for transportation network services transmitted to
17 passengers.

18 **440.45 Nondiscrimination; accessibility. (1) NONDISCRIMINATION POLICY.**
19 Each licensed company shall adopt a policy of nondiscrimination on the basis of trip
20 origin or destination, race, color, national origin, religious belief or affiliation, sex,
21 disability, age, sexual orientation, or gender identity with respect to passengers and
22 prospective passengers and notify all of its participating drivers of the
23 nondiscrimination policy.

24 **(2)** A participating driver may not discriminate against any passenger or
25 prospective passenger on the basis of destination, race, color, national origin,

1 religious belief or affiliation, sex, disability, age, sexual orientation, or gender
2 identity.

3 (3) Each participating driver shall permit service animals to accompany
4 passengers in connection with transportation network services.

5 (4) A licensed company may not impose additional charges for providing
6 transportation network services to persons with disabilities because of those
7 disabilities.

8 (5) Each licensed company shall provide each prospective passenger an
9 opportunity to indicate whether the passenger requires a wheelchair-accessible
10 vehicle. If a licensed company cannot arrange wheelchair-accessible transportation
11 network services for a prospective passenger who requires wheelchair-accessible
12 services, the licensed company shall refer the prospective passenger to an alternate
13 provider of wheelchair-accessible transportation, if available.

14 (6) Annually, each licensed company shall submit a report to the department
15 and the division of equal rights that includes all of the following:

16 (a) The total number of passenger trips that were provided by participating
17 drivers for the licensed company in each zip code within this state, based on the point
18 of origin for each trip.

19 (b) The total number of requests for transportation that did not result in
20 transportation network services in each zip code within this state, based on the
21 requested point of origin for the transportation, and an explanation of the reasons
22 each request for transportation did not result in transportation network services.

23 (c) The total number of passenger trips that were provided by participating
24 drivers for the licensed company in each zip code within this state, based on the
25 destination point for each trip.

1 (d) The total number of requests for transportation that did not result in
2 transportation network services in each zip code within this state, based on the
3 requested destination point for the transportation, and an explanation of the reasons
4 each request for transportation did not result in transportation network services.

5 **440.455 Records.** Each licensed company shall do all of the following:

6 (1) Maintain passenger trip records for at least one year from the date of each
7 trip.

8 (2) Maintain all records concerning each participating driver for at least one
9 year after the date on which the participating driver ceases to engage in
10 transportation network services for the licensed company.

11 **440.46 Personally identifiable information.** A licensed company may not
12 disclose a passenger's or prospective passenger's personally identifiable information
13 to any other person, unless any of the following is true:

14 (1) The passenger or prospective passenger consents to the disclosure.

15 (2) The disclosure is required by law.

16 (3) The disclosure is necessary to protect or defend the terms of use of the
17 licensed company's transportation network services or to investigate a violation of
18 those terms.

19 (4) The disclosure is to the participating driver, is limited to the passenger's
20 name and telephone number, and is for the sole purpose of facilitating the
21 participating driver's transportation network services for that passenger.

22 **440.465 Limitations on other regulation.** (1) The requirements under chs.
23 340 to 349 applicable specifically to commercial vehicles or for-hire vehicles do not
24 apply to personal vehicles used by participating drivers engaged in transportation
25 network services.

1 (2) The requirements under ss. 342.06 (1) (h) and (3), 342.10 (3) (a), and 342.33
2 do not apply to personal vehicles used by participating drivers engaged in
3 transportation network services.

4 (3) A city, village, town, or county may do any of the following:

5 (a) To the extent necessary to comply with assurances under 49 USC 47107,
6 impose fees or charges under s. 114.14 (1) for the use of an airport by participating
7 drivers engaged in transportation network services. Any such fees or charges shall
8 be imposed on transportation network companies and may not exceed fees or charges
9 imposed under s. 114.14 (1) for the use of an airport by taxicabs, limousines, shuttles,
10 or other for-hire vehicles.

11 (b) Require a transportation network company to comply with a permit
12 developed by an airport and issued to the transportation network company
13 regarding the manner of operation on airport property by participating drivers
14 engaged in transportation network services. A single permit under this paragraph
15 shall be issued to each transportation network company and shall apply to all of the
16 participating drivers for the company.

17 **440.48 Insurance. (1) DRIVER REQUIREMENTS.** (a) A participating driver, or
18 a transportation network company on the driver's behalf, shall maintain primary
19 automobile insurance that does all of the following:

20 1. Recognizes that the driver is a participating driver, or otherwise uses a motor
21 vehicle to transport passengers for compensation.

22 2. Covers the participating driver at any of the following times:

23 a. While the driver is logged on to the transportation network company's digital
24 network.

25 b. While the driver is engaged in transportation network services.

1 (b) The following automobile insurance requirements apply while a
2 participating driver is logged on to the transportation network company's digital
3 network and is available to receive transportation requests but is not engaged in
4 transportation network services:

5 1. The insurance is primary automobile liability insurance in the amount of at
6 least \$50,000 for death and bodily injury per person, \$100,000 for death and bodily
7 injury per incident, and \$25,000 for property damage.

8 2. The insurance provides primary uninsured motorist coverage in accordance
9 with the requirements under s. 632.32 (4) (a) 1.

10 3. The coverage requirements under this paragraph may be satisfied by any of
11 the following:

12 a. Automobile insurance maintained by the participating driver.

13 b. Automobile insurance maintained by the transportation network company.

14 c. Any combination of insurance specified in subd. 3. a. and b.

15 (c) The following automobile insurance requirements apply while a
16 participating driver is engaged in transportation network services:

17 1. The insurance is primary automobile liability insurance in the amount of at
18 least \$1,000,000 for death, bodily injury, and property damage.

19 2. The insurance provides primary uninsured motorist coverage in accordance
20 with the requirements under s. 632.32 (4) (a) 1.

21 3. The coverage requirements under this paragraph may be satisfied by any of
22 the following:

23 a. Automobile insurance maintained by the participating driver.

24 b. Automobile insurance maintained by the transportation network company.

25 c. Any combination of insurance specified in subd. 3. a. and b.

1 (d) If insurance maintained by the participating driver under par. (b) or (c) has
2 lapsed or does not provide the required coverage, insurance maintained by a
3 transportation network company shall provide the coverage required under this
4 subsection beginning with the first dollar of a claim and have the duty to defend the
5 claim.

6 (e) Coverage under an automobile insurance policy maintained by the
7 transportation network company shall not be dependent on a personal automobile
8 insurer first denying a claim nor shall a personal automobile insurance policy be
9 required to first deny a claim.

10 (f) Insurance required under this subsection may be placed with an insurer
11 authorized to do business in this state or with a surplus lines insurer.

12 (g) Insurance satisfying the requirements of this subsection shall be deemed
13 to satisfy the financial responsibility requirement for a motor vehicle under ch. 344.

14 (h) A participating driver shall carry proof of coverage satisfying pars. (b) and
15 (c) with him or her at all times during his or her use of a vehicle in connection with
16 a transportation network company's digital network. In the event of an accident, a
17 participating driver shall provide this insurance coverage information to the directly
18 interested parties, automobile insurers, and investigating police officers, upon
19 request in accordance with s. 344.62. Upon request, a participating driver shall also
20 disclose to directly interested parties, automobile insurers, and investigating police
21 officers whether he or she was logged on to the transportation network company's
22 digital network or engaged in transportation network services at the time of the
23 accident.

24 **(2) DISCLOSURES REQUIRED REGARDING INSURANCE COVERAGE.** A transportation
25 network company shall disclose in writing to participating drivers all of the following

1 before they are allowed to accept a request for transportation network services on the
2 transportation network company's digital network:

3 (a) The insurance coverage, including the types of coverage and the limits for
4 each coverage, that the transportation network company provides while the
5 participating driver uses a personal vehicle in connection with a transportation
6 network company's digital network.

7 (b) That the participating driver's own automobile insurance policy might not
8 provide any coverage while the participating driver is logged on to the transportation
9 network company's digital network and is available to receive transportation
10 requests or is engaged in transportation network services depending on its terms.

11 **(3) INSURER PROVISIONS.** (a) Notwithstanding any coverage requirements under
12 s. 632.32, an insurer that writes automobile insurance in this state may exclude any
13 and all coverage afforded under a policy owner's insurance policy for any loss or
14 injury that occurs while a participating driver is logged on to a transportation
15 network company's digital network or is engaged in transportation network services.
16 This right to exclude all coverage may apply to any coverage included in a motor
17 vehicle insurance policy, including all of the following:

- 18 1. Liability coverage for bodily injury and property damage.
- 19 2. Uninsured and underinsured motorist coverage.
- 20 3. Medical payments coverage.
- 21 4. Comprehensive physical damage coverage.
- 22 5. Collision physical damage coverage.

23 (b) 1. Exclusions under par. (a) shall apply notwithstanding any requirement
24 under ch. 344. Nothing in this subsection implies or requires that a personal
25 automobile insurance policy provide coverage while the driver is logged on to the

1 transportation network company's digital network, while the driver is engaged in
2 transportation network services, or while the driver otherwise uses a vehicle to
3 transport passengers for compensation.

4 2. Nothing shall be deemed to preclude an insurer from providing coverage for
5 the participating driver's vehicle, if the insurer so chooses to do so by contract or
6 endorsement.

7 (c) 1. Automobile insurers that exclude coverage as permitted in this subsection
8 shall have no duty to defend or indemnify any claim expressly excluded. Nothing in
9 this section shall be deemed to invalidate or limit an exclusion contained in a policy,
10 including any policy in use, or approved for use, in this state before the effective date
11 of this subdivision [LRB inserts date], that excludes coverage for vehicles used to
12 carry persons or property for a charge or available for hire by the public.

13 2. An automobile insurer that defends or indemnifies a claim against a
14 participating driver that is excluded under the terms of its policy as permitted in this
15 subsection shall have a right of contribution against other insurers that provide
16 automobile insurance to the same driver in satisfaction of the coverage requirements
17 of sub. (1) at the time of loss.

18 (d) In a claims coverage investigation, transportation network companies and
19 any insurer potentially providing coverage under sub. (1) shall cooperate to facilitate
20 the exchange of relevant information with directly involved parties and any insurer
21 of the participating driver if applicable, including the precise times that a
22 participating driver logged on and off the transportation network company's digital
23 network in the 12-hour period immediately preceding, and in the 12-hour period
24 immediately following, the accident, and disclose to one another a clear description

1 of the coverage, exclusions, and limits provided under any automobile insurance
2 maintained under sub (1).

3 **440.49 Disciplinary proceedings and actions. (1)** INVESTIGATIONS AND
4 HEARINGS. Subject to the rules promulgated under s. 440.03 (1), the department may
5 conduct investigations and hold hearings to determine whether a violation of this
6 subchapter or any rule promulgated under this subchapter or a violation of any other
7 law that substantially relates to the operation of a transportation network company
8 or to transportation network services has occurred.

9 **(2) DISCIPLINE.** Subject to the rules promulgated under s. 440.03 (1), the
10 department may reprimand a licensed company or deny, limit, suspend, or revoke a
11 license granted under s. 440.415 if the department finds that an applicant for
12 licensure or a licensed company has done any of the following:
