1           At the locations indicated, amend the substitute amendment as follows:

2           **1.** Page 14, line 19: delete lines 19 to 23 and substitute:

3           “d. With regard to any type of construction, building, collocation, or

4           encroachment permit required by a political subdivision that relates to a small

5           wireless facility, if the state or a political subdivision fails to approve or deny a permit

6           application under this section not later than 90 days after its receipt, the applicant

7           may consider its permit application approved, provided, however, that if applicants

8           collectively have submitted applications for 100 or more small wireless facilities that

9           are pending review by the political subdivision at any one time, the political

10          subdivision may take not more than 120 days to review newly submitted applications

11          which are in excess of the 100 or more small wireless facilities under review at the

1 time of submission, and the political subdivision shall notify the applicant of the  
2 extended review period at the time of submission.”.
