20          obtain from reliable sources the necessary information under s. 6.33 (1) that is  
21          required to complete the individual's registration. If a municipality has changed the  
22          status of an elector from eligible to ineligible under s. 6.50 (1) and the elector's

15 an exclusion or deletion request under this subsection is excluded from the  
16 registration list or, if the individual's name appears on the list, is removed from the  
17 registration list and is not added to the list at any subsequent time unless the  
18 individual files a revocation of his or her request under this subsection.

19           **(8)** If the commission removes from the registration list the name of an elector  
20 who does not request that his or her name be deleted, other than to correct an entry
