## Analysis by the Legislative Reference Bureau

This bill creates an income and franchise tax credit for businesses that purchase advertising in local media outlets. The credit equals 50 percent of the advertising expenditures, limited to a maximum credit of \$5,000. The credit may be claimed only by businesses with fewer than 100 full-time employees and less than \$10,000,000 in gross receipts. The bill defines "local media outlet" to mean a newspaper in Wisconsin, a broadcast radio or television station that is licensed by the Federal Communications Commission to serve a local community in Wisconsin, or a Wisconsin-based Internet site that is meant to inform users of news and events in a local community in Wisconsin. The bill provides that the credit may be claimed

only for taxable years beginning after December 31, 2021, and before January 1, 2027.
