

State of Misconsin 2023 - 2024 LEGISLATURE

LRBs0349/1 MPG:emw&cjs

ASSEMBLY SUBSTITUTE AMENDMENT 1, TO SENATE BILL 688

February 20, 2024 - Offered by Representative McGuire.

AN ACT to renumber and amend 16.754 (2); to amend 16.754 (3) (intro.) and
(a) and 66.0901 (1m) (b); and to create 16.754 (2) (b) and 66.0901 (10) of the
statutes; relating to: preference in state and local government contracts and
procurement for materials manufactured in the United States.

Analysis by the Legislative Reference Bureau

Current law generally authorizes the Department of Administration to purchase, or delegate the authority to purchase, all necessary materials and contractual services for all state agencies. With some exceptions, orders or contracts must be awarded to the lowest bidder. One such exception requires the purchasing agent, if all other factors are substantially equal, to purchase materials that are mined, produced, manufactured, fabricated, or assembled to the greatest extent in the United States.

Under this bill, with limited exceptions, the state must purchase materials that are manufactured in the United States to the greatest extent, regardless of whether all other factors are substantially equal. The bill also requires, with limited exceptions, that a state contract for a public works or public improvement project contain a provision requiring the contractor to use materials that are manufactured in the United States.

Generally, under current law, if a city, village, town, county, school district, sewer district, technical college district, or other local unit of government wishes to

let a public contract involving the construction or repair of any public work or building, or the furnishing of supplies or materials, there are a number of bidding requirements that apply. Under the bill, these public contracts must also contain a provision that the contractor will use materials that are manufactured in the United States in the performance of the contract.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 16.754 (2) of the statutes is renumbered 16.754 (2) (a) and amended to read:

16.754 (2) (a) Notwithstanding s. 16.75 (1) (a) 2., (2), (2m), and (6), when all other factors are substantially equal making purchases, the state shall purchase materials which that are manufactured in the United States to the greatest extent in the United States, unless prohibited by federal law or a treaty or other international agreement.

Section 2. 16.754 (2) (b) of the statutes is created to read:

16.754 (2) (b) Each contract entered into by the state for the construction, repair, or modification of a public works or public improvement project shall contain a provision requiring the contractor to use materials that are manufactured in the United States in the performance of the contract, unless prohibited by federal law or a treaty or other international agreement.

Section 3. 16.754 (3) (intro.) and (a) of the statutes are amended to read:

16.754 (3) EXEMPTIONS. (intro.) Subsection (2) (a) does not apply if the materials are purchased for the purpose of commercial resale or for the purpose of use in the production of goods for commercial sale. Subsection (2) (a) does not apply to the purchase of stationery and printing materials. Subsection (2) does not apply if the department determines, under s. 16.75 (1) (a) 2., that the foreign nation or

subdivision thereof in which the vendor is domiciled does not give preference to
vendors domiciled in that nation or subdivision in making governmental purchases.
Subsection (2) (a) does not apply if the department or other person having
contracting authority in respect to the purchase determines that any of the following:
(a) The materials are not manufactured in the United States in sufficient or
reasonably available quantities; or.
Section 4. 66.0901 (1m) (b) of the statutes is amended to read:
66.0901 (1m) (b) Except when necessary to secure federal aid and except as
provided in sub. (10), a political subdivision may not use a bidding method that gives
preference based on the geographic location of the bidder or that uses criteria other
than the lowest responsible bidder in awarding a contract.
Section 5. 66.0901 (10) of the statutes is created to read:
66.0901 (10) Materials manufactured in the United States. Each public
contract entered into by a municipality shall contain a provision that the contractor
will use materials that are manufactured in the United States, as defined in s. 16.754
(1) (b), in the performance of the contract, unless prohibited by federal law or a treaty
or other international agreement.
