13 who acts as a marijuana producer and a marijuana processor shall obtain a separate
14 permit for each activity. A permit issued under this section is not transferable from
15 one person to another or from one premises to another. A separate permit is required
16 for each place in this state where the operations of a marijuana producer or
17 marijuana processor occur. A person is not required to obtain a permit under this
18 section if the person produces or processes only industrial hemp and holds a valid

17 with that section; a violation of a law of a federally recognized American Indian tribe
18 or band in this state in conformity with s. 346.63; or a violation of the law of another
19 jurisdiction, as defined in s. 340.01 (41m), that prohibits use of a motor vehicle while
20 intoxicated, while under the influence of a controlled substance, a controlled
21 substance analog, or a combination thereof, with an excess or specified range of

2 convicted of 2 or more gambling offenses.

3 6. The person has been convicted of crimes relating to prostitution.

7 9. The person has not been a resident of this state continuously for at least 90
8 days prior to the application date.

9 (cm) An applicant with 20 or more employees may not receive a permit under
10 this section unless the applicant certifies to the department that the applicant has
11 entered into a labor peace agreement and will abide by the terms of the agreement
12 as a condition of maintaining a valid permit under this section. The applicant shall
13 submit to the department a copy of the page of the labor peace agreement that
14 contains the signatures of the labor organization representative and the applicant.

15 (cn) The department shall use a competitive scoring system to determine which
16 applicants are eligible to receive a permit under this section. The department shall
17 issue permits to the highest scoring applicants that it determines will best protect
18 the environment; provide stable, family-supporting jobs to local residents; ensure
19 worker and consumer safety; operate secure facilities; and uphold the laws of the
20 jurisdictions in which they operate. The department may deny a permit to an
21 applicant with a low score as determined under this paragraph. The department

7 municipality's request, the department may extend the period for filing objections.

8 2. A written objection filed under subd. 1. shall provide all the facts on which
9 the objection is based. In determining whether to grant or deny a permit for which
10 an objection has been filed under this paragraph, the department shall give
11 substantial weight to objections from a municipality based on chronic illegal activity
12 associated with the premises for which the applicant seeks a permit or the premises
13 of any other operation in this state for which the applicant holds or has held a valid
14 permit or license, the conduct of the applicant's patrons inside or outside the
15 premises of any other operation in this state for which the applicant holds or has held
16 a valid permit or license, and local zoning ordinances. In this subdivision, "chronic
17 illegal activity" means a pervasive pattern of activity that threatens the public
18 health, safety, and welfare of the municipality, including any crime or ordinance
19 violation, and that is documented in crime statistics, police reports, emergency
20 medical response data, calls for service, field data, or similar law enforcement agency
21 records.

22 (e) After denying a permit, the department shall immediately notify the
23 applicant in writing of the denial and the reasons for the denial. After making a
24 decision to grant or deny a permit for which a municipality has filed an objection

1 under par. (d), the department shall immediately notify the governing body of the
2 municipality in writing of its decision and the reasons for the decision.

3 (f) 1. The department's denial of a permit under this section is subject to judicial
4 review under ch. 227.

5 2. The department's decision to grant a permit under this section regardless of
6 an objection filed under par. (d) is subject to judicial review under ch. 227.

7 (g) The department shall not issue a permit under this section to any person
8 who does not hold a valid certificate under s. 73.03 (50).

9 **(3) FEES; TERM.** (a) Each person who applies for a permit under this section
10 shall submit with the application a \$250 fee. A permit issued under this section is
11 valid for one year and may be renewed, except that the department may revoke or
12 suspend a permit prior to its expiration. A person is not entitled to a refund of the
13 fees paid under this subsection if the person's permit is denied, revoked, or
14 suspended.

15 (b) A permittee shall annually pay to the department a fee for as long as the
16 person holds a valid permit under this section. The annual fee for a marijuana
17 processor permittee is \$2,000. The annual fee for a marijuana producer permittee
18 is one of the following, unless the department, by rule, establishes a higher amount:

19 1. If the permittee plants, grows, cultivates, or harvests not more than 1,800
20 marijuana plants, \$1,800.

21 2. If the permittee plants, grows, cultivates, or harvests more than 1,800 but
22 not more than 3,600 marijuana plants, \$2,900.

23 3. If the permittee plants, grows, cultivates, or harvests more than 3,600 but
24 not more than 6,000 marijuana plants, \$3,600.

1 4. If the permittee plants, grows, cultivates, or harvests more than 6,000 but
2 not more than 10,200 marijuana plants, \$5,100.

3 5. If the permittee plants, grows, cultivates, or harvests more than 10,200
4 marijuana plants, \$7,100 plus \$800 for every 3,600 marijuana plants over 10,200.

5 **(4) SCHOOLS.** The department may not issue a permit under this section to
6 operate any premises that are within 500 feet of the perimeter of the grounds of any
7 elementary or secondary school, playground, recreation facility, child care facility,
8 public park, public transit facility, or library.

9 **(5) EDUCATION AND AWARENESS CAMPAIGN.** The department shall develop and
10 make available training programs for marijuana producers on how to safely and
11 efficiently plant, grow, cultivate, harvest, and otherwise handle marijuana, and for
12 marijuana processors on how to safely and efficiently produce and handle marijuana
13 products and test marijuana for contaminants. The department shall conduct an
14 awareness campaign to inform potential marijuana producers and marijuana
15 processors of the availability and viability of marijuana as a crop or product in this
16 state.

17 **(6) RULES.** The department shall promulgate rules necessary to administer and
18 enforce this section, including rules relating to the inspection of the plants, facilities,
19 and products of permittees; training requirements for employees of permittees; and
20 the competitive scoring system for determining which applicants are eligible to
21 receive a permit under this section.

22 **(7) PENALTIES.** (a) Unless another penalty is prescribed for the violation, any
23 person who violates sub. (2), fails to pay the required fee under sub. (3), or violates
24 any of the requirements established by the rules promulgated under sub. (6) shall

1 be fined not less than \$100 nor more than \$500 or imprisoned not more than 6 months
2 or both.

3 (b) In addition to the penalties imposed under par. (a), the department shall
4 revoke the permit of any person convicted of any violation described under par. (a)
5 and not issue another permit to that person for a period of 2 years following the
6 revocation. The department may suspend or revoke the permit of any permittee who
7 violates s. 100.30, any provision of this section, or any rules promulgated under sub.
8 (6). The department shall revoke the permit of any permittee who violates s. 100.30
9 3 or more times within a 5-year period.

10 **SECTION 31.** 94.57 of the statutes is created to read:

11 **94.57 Testing laboratories.** The department shall register entities as
12 tetrahydrocannabinols testing laboratories. The laboratories may possess or
13 manufacture tetrahydrocannabinols or drug paraphernalia and shall perform the
14 following services:

16 potency and for mold, fungus, pesticides, and other contaminants.

17 (2) Collect information on research findings and conduct research related to
18 the medical use of tetrahydrocannabinols, including research that identifies

6 of any other operation in this state for which the applicant holds or has held a valid
7 permit or license, the conduct of the applicant's patrons inside or outside the
8 premises of any other operation in this state for which the applicant holds or has held

15 (e) After denying a permit, the department shall immediately notify the
16 applicant in writing of the denial and the reasons for the denial. After making a

3 shall annually pay to the department a \$2,000 fee for as long as the person holds a
4 valid permit under this section. A permit issued under this section is valid for one
5 year and may be renewed, except that the department may revoke or suspend a
6 permit prior to its expiration. A person is not entitled to a refund of the fees paid
7 under this subsection if the person's permit is denied, revoked, or suspended.

8 **(3)** The department may not issue a permit under this section to operate any
9 premises which are within 500 feet of the perimeter of the grounds of any elementary
10 or secondary school, playground, recreation facility, child care facility, public park,

11 samples of the marijuana and usable marijuana produced or processed by the
12 marijuana producer, marijuana processor, or microbusiness to a testing laboratory
13 registered under s. 94.57 for testing marijuana and usable marijuana in order to

2 orders the property to be sold, all liens, if any, may be transferred from the property
3 to the sale proceeds. Neither the property seized nor the proceeds from the sale shall
4 be turned over to any claimant of lien or ownership unless the claimant first
5 establishes that the property was not used in connection with any violation under
6 this subchapter or that, if so used, it was done without the claimant's knowledge or
7 consent and without the claimant's knowledge of facts that should have given the
8 claimant reason to believe it would be put to such use. If no claim of lien or ownership

12 20.455 (1) (hn) *Payments to relators.* All moneys received by the department
13 that are owed to a relator, to provide payments owed to a relator.

14 **SECTION 168.** 20.9315 of the statutes is created to read:

15 **20.9315 False claims; actions by or on behalf of state. (1)** In this section:

16 (a) 1. “Claim” means any request or demand, whether under a contract or
17 otherwise, for money or property, whether the state has title to the money or property,
18 that is any of the following:

19 a. Presented to an officer, employee, agent, or other representative of the state.

20 b. Made to a contractor, grantee, or other person if the money or property is to
21 be spent or used on the state’s behalf or to advance a state program or interest and
22 if the state provides any portion of the money or property that is requested or
23 demanded or will reimburse directly or indirectly the contractor, grantee, or other
24 person for any portion of the money or property that is requested or demanded.

1 2. “Claim” includes a request or demand for services from a state agency or as
2 part of a state program.

3 3. “Claim” does not include requests or demands for money or property that the

5 subsidy with no restriction on that individual’s use of the money or property.

6 (b) “Knowingly” means, with respect to information, having actual knowledge
7 of the information, acting in deliberate ignorance of the truth or falsity of the
8 information, or acting in reckless disregard of the truth or falsity of the information.
9 “Knowingly” does not mean specifically intending to defraud.

10 (c) “Material” means having a natural tendency to influence, or be capable of
11 influencing, the payment or receipt of money or property or the receipt of services.

12 (d) “Medical assistance” has the meaning given under s. 49.43 (8).

13 (e) “Obligation” has the meaning given in 31 USC 3729 (b) (3).

14 (f) “Original source” has the meaning given in 31 USC 3730 (e) (4) (B).

15 (g) “Proceeds” includes damages, civil penalties, surcharges, payments for
16 costs of compliance, and any other economic benefit realized by this state as a result
17 of an action or settlement of a claim.

18 **(2)** Except as provided in sub. (3), any person who does any of the following is
19 liable to this state for 3 times the amount of the damages that were sustained by the
20 state or would have been sustained by the state, whichever is greater, because of the
21 actions of the person and shall forfeit, for each violation, an amount within the range
22 specified under 31 USC 3729 (a):

23 (a) Knowingly presents or causes to be presented a false or fraudulent claim
24 to a state agency, including a false or fraudulent claim for medical assistance.

1 (b) Knowingly makes, uses, or causes to be made or used a false record or
2 statement material to a false or fraudulent claim to a state agency, including a false
3 or fraudulent claim for medical assistance.

4 (c) Knowingly makes, uses, or causes to be made or used a false record or
5 statement material to an obligation to pay or transmit money or property to the
6 Medical Assistance program, or knowingly conceals or knowingly and improperly
7 avoids or decreases an obligation to pay or transmit money or property to the Medical
8 Assistance program.

9 (d) Knowingly makes, uses, or causes to be made or used a false record or
10 statement material to an obligation to pay or transmit money or property to a state
11 agency or knowingly conceals or knowingly and improperly avoids or decreases an
12 obligation to pay or transmit money or property to a state agency.

13 (e) Conspires to commit a violation under par. (a), (b), (c), or (d).

14 **(3)** The court may assess against a person who violates sub. (2) not less than
15 2 nor more than 3 times the amount of the damages sustained by the state because
16 of the acts of the person, and shall not assess any forfeiture, if the court finds all of
17 the following:

18 (a) The person who commits the acts furnished the attorney general with all
19 information known to the person about the acts within 30 days after the date on
20 which the person obtained the information.

21 (b) The person fully cooperated with any investigation by this state of the acts.

22 (c) At the time that the person furnished the attorney general with information
23 concerning the acts, no criminal prosecution or civil or administrative enforcement
24 action had been commenced with respect to any such act, and the person did not have
25 actual knowledge of the existence of any investigation into any such act.

1 **(5)** (a) Except as provided in subs. (10) and (12), any person may bring a civil
2 action as a qui tam plaintiff against a person who commits an act in violation of sub.
3 (2) for the person and the state in the name of the state.

4 (b) The plaintiff under par. (a) shall serve upon the attorney general a copy of
5 the complaint and documents disclosing substantially all material evidence and
6 information that the plaintiff possesses. The plaintiff shall file a copy of the
7 complaint with the court for inspection in camera. Except as provided in par. (c), the
8 complaint shall remain under seal for a period of 60 days from the date of filing and
9 shall not be served upon the defendant until the court so orders. Within 60 days from
10 the date of service upon the attorney general of the complaint, evidence, and
11 information under this paragraph, the attorney general may intervene in the action.

12 (bm) Any complaint filed by the state in intervention, whether filed separately
13 or as an amendment to the qui tam plaintiff's complaint, shall relate back to the filing
14 date of the qui tam plaintiff's complaint to the extent that the state's claim arises out
15 of the conduct, transactions, or occurrences set forth, or attempted to be set forth, in
16 the qui tam plaintiff's complaint.

17 (c) The attorney general may, for good cause shown, move the court for one or
18 more extensions of the period during which a complaint in an action under this
19 subsection remains under seal.

20 (d) Before the expiration of the period during which the complaint remains
21 under seal, the attorney general shall do one of the following:

22 1. Proceed with the action or an alternate remedy under sub. (10), in which case
23 the action or proceeding under sub. (10) shall be prosecuted by the state.

24 2. Notify the court that he or she declines to proceed with the action, in which
25 case the person bringing the action may proceed with the action.

1 (e) If a person brings a valid action under this subsection, no person other than
2 the state may intervene or bring a related action based upon the same facts
3 underlying the original action while the original action is pending.

4 (f) In any action brought under this subsection or other proceeding under sub.
5 (10), the plaintiff is required to prove all essential elements of the cause of action or
6 complaint, including damages, by a preponderance of the evidence.

7 **(6)** If the state proceeds with an action under sub. (5) or an alternate remedy
8 under sub. (10), the state has primary responsibility for prosecuting the action under
9 sub. (5) or proceeding under sub. (10). The state is not bound by any act of the person
10 bringing the action, but that person has the right to continue as a party to the action.

11 **(7)** (b) With the approval of the governor, the attorney general may compromise
12 and settle an action under sub. (5) or an administrative proceeding under sub. (10)
13 to which the state is a party, notwithstanding objection of the person bringing the
14 action, if the court determines, after affording to the person bringing the action the
15 right to a hearing at which the person is afforded the opportunity to present evidence
16 in opposition to the proposed settlement, that the proposed settlement is fair,
17 adequate, and reasonable considering the relevant circumstances pertaining to the
18 violation.

19 (c) Upon a showing by the state that unrestricted participation in the
20 prosecution of an action under sub. (5) or an alternate proceeding under sub. (10) to
21 which the state is a party by the person bringing the action would interfere with or
22 unduly delay the prosecution of the action or proceeding, or would result in
23 consideration of repetitious or irrelevant evidence or evidence presented for
24 purposes of harassment, the court may limit the person's participation in the
25 prosecution, such as:

- 1 1. Limiting the number of witnesses that the person may call.
- 2 2. Limiting the length of the testimony of the witnesses.
- 3 3. Limiting the cross-examination of witnesses by the person.
- 4 4. Otherwise limiting the participation by the person in the prosecution of the
- 5 action or proceeding.

6 (d) Upon a showing by a defendant that unrestricted participation in the
7 prosecution of an action under sub. (5) or alternate proceeding under sub. (10) to
8 which the state is a party by the person bringing the action would result in
9 harassment or would cause the defendant undue burden or unnecessary expense, the
10 court may limit the person's participation in the prosecution.

11 **(8)** Except as provided in sub. (7), if the state elects not to participate in an
12 action filed under sub. (5), the person bringing the action may prosecute the action.
13 If the attorney general so requests, the attorney general shall, at the state's expense,
14 be served with copies of all pleadings and deposition transcripts in the action. If the
15 person bringing the action initiates prosecution of the action, the court, without
16 limiting the status and rights of that person, may permit the state to intervene at a
17 later date upon a showing by the state of good cause for the proposed intervention.

18 **(9)** Whether or not the state participates in an action under sub. (5), upon a
19 showing in camera by the attorney general that discovery by the person bringing the
20 action would interfere with the state's ongoing investigation or prosecution of a
21 criminal or civil matter arising out of the same facts as the facts upon which the
22 action is based, the court may stay such discovery in whole or in part for a period of
23 not more than 60 days. The court may extend the period of any such stay upon a
24 further showing in camera by the attorney general that the state has pursued the
25 criminal or civil investigation of the matter with reasonable diligence and the

1 proposed discovery in the action brought under sub. (5) will interfere with the
2 ongoing criminal or civil investigation or prosecution.

3 (10) The attorney general may pursue a claim relating to an alleged violation
4 of sub. (2) through an alternate remedy available to the state or any state agency,
5 including an administrative proceeding to assess a civil forfeiture. If the attorney
6 general elects any such alternate remedy, the attorney general shall serve timely
7 notice of his or her election upon the person bringing the action under sub. (5), and
8 that person has the same rights in the alternate venue as the person would have had
9 if the action had continued under sub. (5). Any finding of fact or conclusion of law
10 made by a court or by a state agency in the alternate venue that has become final is
11 conclusive upon all parties named in an action under sub. (5). For purposes of this
12 subsection, a finding or conclusion is final if it has been finally determined on appeal,
13 if all time for filing an appeal or petition for review with respect to the finding or
14 conclusion has expired, or if the finding or conclusion is not subject to judicial review.

15 (11) (a) Except as provided in pars. (b) and (e), if the state proceeds with an
16 action brought by a person under sub. (5) or the state pursues an alternate remedy
17 relating to the same acts under sub. (10), the person who brings the action shall
18 receive at least 15 percent but not more than 25 percent of the proceeds of the action
19 or settlement of the claim, depending upon the extent to which the person
20 contributed to the prosecution of the action or claim.

21 (b) Except as provided in par. (e), if an action or claim is one that the court or
22 other adjudicator finds to be based primarily upon disclosures of specific information
23 not provided by the person who brings the action or claim under sub. (5) relating to
24 allegations or transactions specifically disclosed in a criminal, civil, or
25 administrative hearing; legislative or administrative report, hearing, audit, or

1 investigation; or report made by the news media, the court or other adjudicator may
2 award an amount to the person as it considers appropriate, but not more than 10
3 percent of the proceeds of the action or settlement of the claim, depending upon the
4 significance of the information and the role of the person bringing the action in
5 advancing the prosecution of the action or claim.

6 (c) Except as provided in par. (e), in addition to any amount received under par.
7 (a) or (b), a person bringing an action under sub. (5) shall be awarded his or her
8 reasonable expenses necessarily incurred in bringing the action together with the
9 person's costs and reasonable actual attorney fees. The court or other adjudicator
10 shall assess any award under this paragraph against the defendant.

11 (d) Except as provided in par. (e), if the state does not proceed with an action
12 under sub. (5) or an alternate proceeding under sub. (10), the person bringing the
13 action shall receive an amount that the court decides is reasonable for collection of
14 the civil penalty and damages. The amount shall be not less than 25 percent and not
15 more than 30 percent of the proceeds of the action and shall be paid from the
16 proceeds. In addition, the person shall be paid his or her expenses, costs, and fees
17 under par. (c).

18 (e) Whether or not the state proceeds with an action under sub. (5) or an
19 alternate proceeding under sub. (10), if the court or other adjudicator finds that an
20 action under sub. (5) was brought by a person who planned or initiated the violation
21 upon which the action or proceeding is based, then the court may, to the extent that
22 the court considers appropriate, reduce the share of the proceeds of the action that
23 the person would otherwise receive under par. (a), (b), or (d), taking into account the
24 role of that person in advancing the prosecution of the action or claim and any other
25 relevant circumstance pertaining to the violation, except that if the person bringing

1 the action is convicted of criminal conduct arising from his or her role in a violation
2 of sub. (2), the court or other adjudicator shall dismiss the person as a party and the
3 person shall not receive any share of the proceeds of the action or claim or any
4 expenses, costs, or fees under par. (c).

5 (12) Except if the action is brought by the attorney general or the person
6 bringing the action is an original source of the information, the court shall dismiss
7 an action or claim under this section, unless opposed by the state, if substantially the
8 same allegations or transactions as alleged in the action or claim were publicly
9 disclosed in any of the following ways:

10 (a) In a federal criminal, civil, or administrative hearing in which the state or
11 its agent is a party.

12 (b) In a congressional, government accountability office, or other federal report,
13 hearing, audit, or investigation.

14 (c) From the news media.

15 (13) The state is not liable for any expenses incurred by a private person in
16 bringing an action under sub. (5).

17 (14) Any employee, contractor, or agent who is discharged, demoted,
18 suspended, threatened, harassed, or in any other manner discriminated against in
19 the terms and conditions of employment because of lawful actions taken by the
20 employee, contractor, or agent or by others in furtherance of an action or claim filed
21 under this section or on behalf of the employee, contractor, or agent, including
22 investigation for, initiation of, testimony for, or assistance in an action or claim filed
23 or to be filed under sub. (5), is entitled to all necessary relief to make the employee,
24 contractor, or agent whole. Such relief shall in each case include reinstatement with
25 the same seniority status that the employee, contractor, or agent would have had but

1 for the discrimination, 2 times the amount of back pay, interest on the back pay at
2 the legal rate, and compensation for any special damages sustained as a result of the
3 discrimination, including costs and reasonable attorney fees. An employee,
4 contractor, or agent may bring an action to obtain the relief to which the employee,
5 contractor, or agent is entitled under this subsection within 3 years after the date the
6 retaliation occurred.

7 **(15)** A civil action may be brought under sub. (5) based upon acts occurring
8 prior to the effective date of this subsection [LRB inserts date], if the action is
9 brought within the period specified in s. 893.9815.

10 **(16)** A judgment of guilty entered against a defendant in a criminal action in
11 which the defendant is charged with fraud or making false statements estops the
12 defendant from denying the essential elements of the offense in any action under sub.
13 (5) that involves the same elements as in the criminal action.

14 **(17)** The remedies provided for under this section are in addition to any other
15 remedies provided for under any other law or available under the common law.

16 **(18)** This section shall be liberally construed and applied to promote the public
17 interest and to effect the congressional intent in enacting 31 USC 3729 to 3733, as
18 reflected in the federal False Claims Act and the legislative history of the act.

19 **SECTION 169.** 49.485 of the statutes is renumbered 20.9315 (19) and amended
20 to read:

21 ~~20.9315 (19) Whoever knowingly presents or causes to be presented to any~~
22 ~~officer, employee, or agent of this state a false claim for medical assistance shall~~
23 ~~forfeit not less than \$5,000 nor more than \$10,000, plus 3 times the amount of the~~
24 ~~damages that were sustained by the state or would have been sustained by the state,~~

1 ~~whichever is greater, as a result of the false claim.~~ The attorney general may bring
2 an action on behalf of the state to recover any forfeiture incurred under this section.

3 **SECTION 170.** 165.25 (11m) of the statutes is created to read:

4 165.25 (11m) FALSE CLAIMS. Diligently investigate possible violations of s.
5 20.9315 and, if the department determines that a person has committed an act that
6 is punishable under s. 20.9315, may bring a civil action against that person.

7 **SECTION 171.** 801.02 (1) of the statutes is amended to read:

8 801.02 (1) ~~A~~ Except as provided in s. 20.9315 (5) (b), a civil action in which a

11 of an authenticated copy of the summons and of the complaint is made upon the
12 defendant under this chapter within 90 days after filing.

13 **SECTION 172.** 803.09 (1) of the statutes is amended to read:

14 803.09 (1) ~~Upon~~ Except as provided in s. 20.9315, upon timely motion anyone
15 shall be permitted to intervene in an action when the movant claims an interest
16 relating to the property or transaction which is the subject of the action and the
17 movant is so situated that the disposition of the action may as a practical matter
18 impair or impede the movant's ability to protect that interest, unless the movant's
19 interest is adequately represented by existing parties.

20 **SECTION 173.** 803.09 (2) of the statutes is amended to read:

21 803.09 (2) ~~Upon~~ Except as provided in s. 20.9315, upon timely motion anyone
22 may be permitted to intervene in an action when a movant's claim or defense and the
23 main action have a question of law or fact in common. When a party to an action
24 relies for ground of claim or defense upon any statute or executive order or rule
25 administered by a federal or state governmental officer or agency or upon any

1 regulation, order, rule, requirement or agreement issued or made pursuant to the
2 statute or executive order, the officer or agency upon timely motion may be permitted
3 to intervene in the action. In exercising its discretion the court shall consider

14 pleading or motion or by the filing of a stipulation of dismissal signed by all parties
15 who have appeared in the action. Unless otherwise stated in the notice of dismissal
16 or stipulation, the dismissal is not on the merits, except that a notice of dismissal
17 operates as an adjudication on the merits when filed by a plaintiff who has once
18 dismissed in any court an action based on or including the same claim.

19 **SECTION 176.** 805.04 (2p) of the statutes is created to read:

8 (b) The department shall form an advisory group to assist with development

17 for proposal for the complex patient pilot program that includes eligibility
18 requirements. For purposes of the pilot program under this subsection, only

5 2. Develop a methodology to evaluate the complex patient pilot program,
6 including a recommendation on whether the department should contract with an
7 independent organization to evaluate the complex patient pilot program. The

17 partnership groups to be designated as participating sites in the complex patient
18 pilot program and provide its recommendations to the secretary of health services.

19 2. No later than 150 days after the effective date of this subdivision, the
20 advisory group shall review all applications submitted in response to the request for
21 proposal and select up to 4 partnership groups to recommend to the secretary of
22 health services for designation as participating sites for the complex patient pilot
23 program under this subsection.

24 3. Between 6 months and 18 months after the effective date of this subdivision,
25 the partnership groups designated by the department as participating sites in the

1 complex patient pilot program shall implement the pilot program and meet quarterly

15 **(2) AFFORDABILITY REVIEW.** (a) After identifying prescription drug products
16 under sub. (1), the board shall determine whether to conduct an affordability review
17 for each identified prescription drug product by seeking stakeholder input about the
18 prescription drug product and considering the average patient cost share of the
19 prescription drug product.

20 (b) The information used to conduct an affordability review under par. (a) may
21 include any document and research related to the manufacturer's selection of the
22 introductory price or price increase of the prescription drug product, including life
23 cycle management, net average price in this state, market competition and context,
24 projected revenue, and the estimated value or cost-effectiveness of the prescription
25 drug product.

1 (c) The failure of a manufacturer to provide the board with information for an
2 affordability review under par. (b) does not affect the authority of the board to
3 conduct the review.

4 **(3) AFFORDABILITY CHALLENGE.** When conducting an affordability review of a
5 prescription drug product under sub. (2), the board shall determine whether use of
6 the prescription drug product that is fully consistent with the labeling approved by
7 the federal food and drug administration or standard medical practice has led or will
8 lead to an affordability challenge for the health care system in this state, including
9 high out-of-pocket costs for patients. To the extent practicable, in determining
10 whether a prescription drug product has led or will lead to an affordability challenge,
11 the board shall consider all of the following factors:

12 (a) The wholesale acquisition cost for the prescription drug product sold in this
13 state.

14 (b) The average monetary price concession, discount, or rebate the

19 manufacturer provides to each pharmacy benefit manager for the prescription drug
20 product under review, as reported by the manufacturer and pharmacy benefit
21 manager and expressed as a percent of the wholesale acquisition cost.

22 (d) The price at which therapeutic alternatives to the prescription drug product
23 have been sold in this state.

1 (e) The average monetary concession, discount, or rebate the manufacturer
2 provides or is expected to provide to health plan payors and pharmacy benefit
3 managers in this state for therapeutic alternatives to the prescription drug product.

8 product relative to insurance benefit design.

9 (h) The current or expected dollar value of drug-specific patient access
10 programs that are supported by the manufacturer.

12 can be quantified and compared to baseline effects of existing therapeutic
13 alternatives to the prescription drug product.

15 product in this state.

16 (k) Any information a manufacturer chooses to provide.

17 (L) Any other factors as determined by the board by rule.

18 **(4) UPPER PAYMENT LIMIT.** (a) If the board determines under sub. (3) that use
19 of a prescription drug product has led or will lead to an affordability challenge, the
20 board shall establish an upper payment limit for the prescription drug product after
21 considering all of the following:

22 1. The cost of administering the drug.

23 2. The cost of delivering the drug to consumers.

24 3. Other relevant administrative costs related to the drug.

1 (b) For a prescription drug product identified in sub. (1) (b) or (d) 2., the board
2 shall solicit information from the manufacturer regarding the price increase. To the
3 extent that the price increase is not a result of the need for increased manufacturing
4 capacity or other effort to improve patient access during a public health emergency,
5 the board shall establish an upper payment limit under par. (a) that is equal to the
6 cost to consumers prior to the price increase.

7 (c) 1. The upper payment limit established under this subsection shall apply
8 to all purchases and payor reimbursements of the prescription drug product
9 dispensed or administered to individuals in this state in person, by mail, or by other
10 means.

11 2. Notwithstanding subd. 1., while state-sponsored and state-regulated
12 health plans and health programs shall limit drug reimbursements and drug
13 payment to no more than the upper payment limit established under this subsection,
14 a plan subject to the Employee Retirement Income Security Act of 1974 or Part D of
15 Medicare under 42 USC 1395w-101 et seq. may choose to reimburse more than the
16 upper payment limit. A provider who dispenses and administers a prescription drug
17 product in this state to an individual in this state may not bill a payor more than the
18 upper payment limit to the patient regardless of whether a plan subject to the
19 Employee Retirement Income Security Act of 1974 or Part D of Medicare under 42
20 USC 1395w-101 et seq. chooses to reimburse the provider above the upper payment
21 limit.

22 (5) PUBLIC INSPECTION. Information submitted to the board under this section
23 shall be open to public inspection only as provided under ss. 19.31 to 19.39.

24 (6) NO PROHIBITION ON MARKETING. Nothing in this section may be construed to
25 prevent a manufacturer from marketing a prescription drug product approved by the

1 federal food and drug administration while the prescription drug product is under
2 review by the board.

3 (7) APPEALS. A person aggrieved by a decision of the board may request an
4 appeal of the decision no later than 30 days after the board makes the determination.
5 The board shall hear the appeal and make a final decision no later than 60 days after
6 the appeal is requested. A person aggrieved by a final decision of the board may
7 petition for judicial review in a court of competent jurisdiction.

- 14 covered under a typical disability insurance policy offered by an employer to its
- 15 employees.
- 16 3. Ensure that essential health benefits reflect a balance among the categories
- 17 described in subd. 1. such that benefits are not unduly weighted toward one category.
- 18 4. Ensure that essential health benefit coverage is provided with no or limited
- 19 cost-sharing requirements.
- 20 5. Require that disability insurance policies and self-insured health plans do

5 not subject to a coverage denial based on an insured's or plan participant's age,
6 expected length of life, present or predicted disability, degree of dependency on
7 medical care, or quality of life.

8 8. Require that disability insurance policies and self-insured health plans
9 cover emergency department services that are essential health benefits without
10 imposing any requirement to obtain prior authorization for those services and

16 emergency department services that are essential health benefits provided by an
17 emergency department provider that is not in the provider network of the policy or

19 are provided by a provider that is in the provider network of the policy or plan.

20 (d) The commissioner shall periodically update, by rule, the essential health
21 benefits under this subsection to address any gaps in access to coverage.

22 (e) If an essential health benefit is also subject to mandated coverage elsewhere
23 under this section and the coverage requirements are not identical, the disability
24 insurance policy or self-insured health plan shall provide coverage under whichever

1 subsection provides the insured or plan participant with more comprehensive
2 coverage of the medical condition, item, or service.

3 (f) Nothing in this subsection or rules promulgated under this subsection
4 prohibits a disability insurance policy or a self-insured health plan from providing
5 benefits in excess of the essential health benefit coverage required under this
6 subsection.

7 (g) This subsection does not apply to any disability insurance policy that is
8 described in s. 632.745 (11) (b) 1. to 12.

9 **SECTION 252.** 632.895 (16m) (b) of the statutes is amended to read:

10 632.895 (**16m**) (b) The coverage required under this subsection may be subject
11 to any limitations, or exclusions,~~or cost-sharing provisions~~ that apply generally
12 under the disability insurance policy or self-insured health plan. The coverage
13 required under this subsection may not be subject to any deductibles, copayments,
14 or coinsurance.

21 **SECTION 254.** 632.895 (17) (c) of the statutes is amended to read:

22 632.895 (**17**) (c) Coverage under par. (b) may be subject only to the exclusions,

24 outpatient health care services, preventive treatments and services, or prescription
25 drugs and devices that is provided under the policy or self-insured health plan. A

1 disability insurance policy or self-insured health plan may not apply a deductible or
2 impose a copayment or coinsurance to at least one of each type of contraceptive
3 method approved by the federal food and drug administration for which coverage is
4 required under this subsection. The disability insurance policy or self-insured
5 health plan may apply reasonable medical management to a method of contraception
6 to limit coverage under this subsection that is provided without being subject to a
7 deductible, copayment, or coinsurance to prescription drugs without a brand name.
8 The disability insurance policy or self-insured health plan may apply a deductible
9 or impose a copayment or coinsurance for coverage of a contraceptive that is
10 prescribed for a medical need if the services for the medical need would otherwise be

11 **609.045 Balance billing; emergency medical services. (1) DEFINITIONS.**

12 In this section:

13 (a) “Emergency medical condition” means all of the following:

14 1. A medical condition, including a mental health condition or substance use
15 disorder condition, manifesting itself by acute symptoms of sufficient severity,
16 including severe pain, such that the absence of immediate medical attention could
17 reasonably be expected to result in any of the following:

18 a. Placing the health of the individual or, with respect to a pregnant woman,
19 the health of the woman or her unborn child, in serious jeopardy.

20 b. Serious impairment of bodily function.

21 c. Serious dysfunction of any bodily organ or part.

22 2. With respect to a pregnant woman who is having contractions, a medical
23 condition for which there is inadequate time to safely transfer the pregnant woman

1 to another hospital before delivery or for which the transfer may pose a threat to the
2 health or safety of the pregnant woman or the unborn child.

3 (b) “Emergency medical services,” with respect to an emergency medical
4 condition, has the meaning given for “emergency services” in 42 USC 300gg-111 (a)
5 (3) (C).

6 (c) “Independent freestanding emergency department” has the meaning given
7 in 42 USC 300gg-111 (a) (3) (D).

8 (d) “Out-of-network rate” has the meaning given by the commissioner by rule
9 or, in the absence of such rule, the meaning given in 42 USC 300gg-111 (a) (3) (K).

10 (e) “Preferred provider plan,” notwithstanding s. 609.01 (4), includes only any
11 preferred provider plan, as defined in s. 609.01 (4), that has a network of
12 participating providers and imposes on enrollees different requirements for using
13 providers that are not participating providers.

14 (f) “Recognized amount” has the meaning given by the commissioner by rule
15 or, in the absence of such rule, the meaning given in 42 USC 300gg-111 (a) (3) (H).

16 (g) “Self-insured governmental plan” means a self-insured health plan of the
17 state or a county, city, village, town, or school district that has a network of
18 participating providers and imposes on enrollees in the self-insured health plan
19 different requirements for using providers that are not participating providers.

20 (h) “Terminated” means the expiration or nonrenewal of a contract.
21 “Terminated” does not include a termination of a contract for failure to meet
22 applicable quality standards or for fraud.

23 **(2) EMERGENCY MEDICAL SERVICES.** A defined network plan, preferred provider
24 plan, or self-insured governmental plan that covers any benefits or services provided
25 in an emergency department of a hospital or emergency medical services provided

1 in an independent freestanding emergency department shall cover emergency
2 medical services in accordance with all of the following:

3 (a) The plan may not require a prior authorization determination.

4 (b) The plan may not deny coverage on the basis of whether or not the health
5 care provider providing the services is a participating provider or participating
6 emergency facility.

7 (c) If the emergency medical services are provided to an enrollee by a provider
8 or in a facility that is not a participating provider or participating facility, the plan
9 complies with all of the following:

10 1. The emergency medical services are covered without imposing on an enrollee
11 a requirement for prior authorization or any coverage limitation that is more
12 restrictive than requirements or limitations that apply to emergency medical
13 services provided by participating providers or in participating facilities.

14 2. Any cost-sharing requirement imposed on an enrollee for the emergency
15 medical services is no greater than the requirements that would apply if the
16 emergency medical services were provided by a participating provider or in a
17 participating facility.

18 3. Any cost-sharing amount imposed on an enrollee for the emergency medical
19 services is calculated as if the total amount that would have been charged for the
20 emergency medical services if provided by a participating provider or in a
21 participating facility is equal to the recognized amount for such services, plan or
22 coverage, and year.

23 4. The plan does all of the following:

1 a. No later than 30 days after the participating provider or participating facility
2 transmits to the plan the bill for emergency medical services, sends to the provider
3 or facility an initial payment or a notice of denial of payment.

4 b. Pays to the participating provider or participating facility a total amount
5 that, incorporating any initial payment under subd. 4. a., is equal to the amount by
6 which the out-of-network rate exceeds the cost-sharing amount.

7 5. The plan counts any cost-sharing payment made by the enrollee for the
8 emergency medical services toward any in-network deductible or out-of-pocket
9 maximum applied by the plan in the same manner as if the cost-sharing payment
10 was made for emergency medical services provided by a participating provider or in
11 a participating facility.

12 **(3) NONPARTICIPATING PROVIDER IN PARTICIPATING FACILITY.** For items or services
13 other than emergency medical services that are provided to an enrollee of a defined
14 network plan, preferred provider plan, or self-insured governmental plan by a
15 provider who is not a participating provider but who is providing services at a
16 participating facility, the plan shall provide coverage for the item or service in
17 accordance with all of the following:

18 (a) The plan may not impose on an enrollee a cost-sharing requirement for the
19 item or service that is greater than the cost-sharing requirement that would have
20 been imposed if the item or service was provided by a participating provider.

21 (b) Any cost-sharing amount imposed on an enrollee for the item or service is
22 calculated as if the total amount that would have been charged for the item or service
23 if provided by a participating provider is equal to the recognized amount for such
24 item or service, plan or coverage, and year.

1 (c) No later than 30 days after the provider transmits the bill for services, the
2 plan shall send to the provider an initial payment or a notice of denial of payment.

3 (d) The plan shall make a total payment directly to the provider who provided
4 the item or service to the enrollee that, added to any initial payment described under
5 par. (c), is equal to the amount by which the out-of-network rate for the item or
6 service exceeds the cost-sharing amount.

7 (e) The plan counts any cost-sharing payment made by the enrollee for the item
8 or service toward any in-network deductible or out-of-pocket maximum applied by
9 the plan in the same manner as if the cost-sharing payment was made for the item
10 or service when provided by a participating provider.

11 **(4) CHARGING FOR SERVICES BY NONPARTICIPATING PROVIDER; NOTICE AND CONSENT.**

12 (a) Except as provided in par. (c), a provider of an item or service who is entitled to
13 payment under sub. (3) may not bill or hold liable an enrollee for any amount for the
14 item or service that is more than the cost-sharing amount calculated under sub. (3)

15 (b) for the item or service unless the nonparticipating provider provides notice and
16 obtains consent in accordance with all of the following:

17 1. The notice states that the provider is not a participating provider in the
18 enrollee's defined network plan, preferred provider plan, or self-insured
19 governmental plan.

20 2. The notice provides a good faith estimate of the amount that the
21 nonparticipating provider may charge the enrollee for the item or service involved,
22 including notification that the estimate does not constitute a contract with respect
23 to the charges estimated for the item or service.

1 3. The notice includes a list of the participating providers at the participating
2 facility who would be able to provide the item or service and notification that the
3 enrollee may be referred to one of those participating providers.

4 4. The notice includes information about whether or not prior authorization or
5 other care management limitations may be required before receiving an item or
6 service at the participating facility.

7 5. The notice clearly states that consent is optional and that the patient may
8 elect to seek care from an in-network provider.

9 6. The notice is worded in plain language.

10 7. The notice is available in languages other than English. The commissioner
11 shall identify languages for which the notice should be available.

12 8. The enrollee provides consent to the nonparticipating provider to be treated
13 by the nonparticipating provider, and the consent acknowledges that the enrollee
14 has been informed that the charge paid by the enrollee may not meet a limitation that
15 the enrollee's defined network plan, preferred provider plan, or self-insured
16 governmental plan places on cost sharing, such as an in-network deductible.

17 9. A signed copy of the consent described under subd. 8. is provided to the
18 enrollee.

19 (b) To be considered adequate, the notice and consent under par. (a) shall meet
20 one of the following requirements, as applicable:

21 1. If the enrollee makes an appointment for the item or service at least 72 hours
22 before the day on which the item or service is to be provided, any notice under par.
23 (a) shall be provided to the enrollee at least 72 hours before the day of the
24 appointment at which the item or service is to be provided.

1 2. If the enrollee makes an appointment for the item or service less than 72
2 hours before the day on which the item or service is to be provided, any notice under
3 par. (a) shall be provided to the enrollee on the day that the appointment is made.

4 (c) A provider of an item or service who is entitled to payment under sub. (3)
5 may not bill or hold liable an enrollee for any amount for an ancillary item or service
6 that is more than the cost-sharing amount calculated under sub. (3) (b) for the item
7 or service, whether or not provided by a physician or non-physician practitioner,
8 unless the commissioner specifies by rule that the provider may balance bill for the
9 ancillary item or service, if the item or service is any of the following:

10 1. Related to an emergency medical service.

11 2. Anesthesiology.

12 3. Pathology.

13 4. Radiology.

14 5. Neonatology.

15 6. An item or service provided by an assistant surgeon, hospitalist, or
16 intensivist.

17 7. A diagnostic service, including a radiology or laboratory service.

18 8. An item or service provided by a specialty practitioner that the commissioner
19 specifies by rule.

20 9. An item or service provided by a nonparticipating provider when there is no
21 participating provider who can furnish the item or service at the participating
22 facility.

23 (d) Any notice and consent provided under par. (a) may not extend to items or
24 services furnished as a result of unforeseen, urgent medical needs that arise at the
25 time the item or service is provided.

1 (e) Any consent provided under par. (a) shall be retained by the provider for no
2 less than 7 years.

3 **(5) NOTICE BY PROVIDER OR FACILITY.** Beginning no later than January 1, 2024,
4 a health care provider or health care facility shall make available, including posting
5 on a website, to enrollees in defined network plans, preferred provider plans, and
6 self-insured governmental plans notice of the requirements on a provider or facility
7 under sub. (4), of any other applicable state law requirements on the provider or
8 facility with respect to charging an enrollee for an item or service if the provider or
9 facility does not have a contractual relationship with the plan, and of information on
10 contacting appropriate state or federal agencies in the event the enrollee believes the
11 provider or facility violates any of the requirements under this section or other
12 applicable law.

13 **(6) NEGOTIATION; DISPUTE RESOLUTION.** A provider or facility that is entitled to
14 receive an initial payment or notice of denial under sub. (2) (c) 4. a. or (3) (c) may
15 initiate, within 30 days of receiving the initial payment or notice of denial, open
16 negotiations with the defined network plan, preferred provider plan, or self-insured
17 governmental plan to determine a payment amount for an emergency medical
18 service or other item or service for a period that terminates 30 days after initiating
19 open negotiations. If the open negotiation period under this subsection terminates
20 without determination of a payment amount, the provider, facility, defined network
21 plan, preferred provider plan, or self-insured governmental plan may initiate,
22 within the 4 days beginning on the day after the open negotiation period ends, the
23 independent dispute resolution process as specified by the commissioner. If the
24 independent dispute resolution decision-maker determines the payment amount,
25 the party to the independent dispute resolution process whose amount was not

1 selected shall pay the fees for the independent dispute resolution. If the parties to
2 the independent dispute resolution reach a settlement on the payment amount, the
3 parties to the independent dispute resolution shall equally divide the payment for
4 the fees for the independent dispute resolution.

5 (7) CONTINUITY OF CARE. (a) In this subsection:

6 1. "Continuing care patient" means an individual who is any of the following:

7 a. Undergoing a course of treatment for a serious and complex condition from
8 a provider or facility.

9 b. Undergoing a course of institutional or inpatient care from a provider or
10 facility.

11 c. Scheduled to undergo nonelective surgery, including receipt of postoperative
12 care, from a provider or facility.

13 d. Pregnant and undergoing a course of treatment for the pregnancy from a
14 provider or facility.

15 e. Terminally ill and receiving treatment for the illness from a provider or
16 facility.

17 2. "Serious and complex condition" means any of the following:

18 a. In the case of an acute illness, a condition that is serious enough to require
19 specialized medical treatment to avoid the reasonable possibility of death or
20 permanent harm.

21 b. In the case of a chronic illness or condition, a condition that is
22 life-threatening, degenerative, potentially disabling, or congenital and requires
23 specialized medical care over a prolonged period.

24 (b) If an enrollee is a continuing care patient and is obtaining items or services
25 from a participating provider or participating facility and the contract between the

1 defined network plan, preferred provider plan, or self-insured governmental plan
2 and the provider or facility is terminated because of a change in the terms of the
3 participation of the provider or facility in the plan or the contract between the defined
4 network plan, preferred provider plan, or self-insured governmental plan and the
5 provider or facility is terminated, resulting in a loss of benefits provided under the
6 plan, the plan shall do all of the following:

7 1. Notify each enrollee of the termination of the contract or benefits and of the
8 right for the enrollee to elect to continue transitional care from the participating
9 provider or participating facility under this subsection.

10 2. Provide the enrollee an opportunity to notify the plan of the need for
11 transitional care.

12 3. Allow the enrollee to elect to continue to have the benefits provided under
13 the plan under the same terms and conditions as would have applied to the item or
14 service if the termination had not occurred for the course of treatment related to the
15 enrollee's status as a continuing care patient beginning on the date on which the
16 notice under subd. 1. is provided and ending 90 days after the date on which the
17 notice under subd. 1. is provided or the date on which the enrollee is no longer a
18 continuing care patient, whichever is earlier.

19 (c) The provisions of s. 609.24 apply to a continuing care patient to the extent
20 that s. 609.24 does not conflict with this subsection so as to limit the enrollee's rights
21 under this subsection.

22 **(8) RULE MAKING.** The commissioner may promulgate any rules necessary to
23 implement this section, including specifying the independent dispute resolution
24 process under sub. (6). The commissioner may promulgate rules to modify the list
25 of those items and services for which a provider may not balance bill under sub. (4)

1 (c). In promulgating rules under this subsection, the commissioner may consider any
2 rules promulgated by the federal department of health and human services pursuant
3 to the federal No Surprises Act, 42 USC 300gg-111, et seq.

4 **SECTION 258.** 609.24 (5) of the statutes is created to read:

5 609.24 (5) If an enrollee is a continuing care patient, as defined in s. 609.045
6 (7) (a), and if any of the situations described under s. 609.045 (7) (b) (intro.) applies,
7 all of the following apply to the enrollee's defined network plan:

8 (a) Subsection (1) (c) shall apply to any of the participating providers providing
9 the enrollee's course of treatment under s. 609.045 (7), including the enrollee's
10 primary care physician.

11 (b) Subsection (1) (c) shall apply to lengthen the period in which benefits are
12 provided under s. 609.045 (7) (b) 3., but shall not be applied to shorten the period in
13 which benefits are provided under s. 609.045 (7) (b) 3.

14 (c) Subsection (1) (d) shall not be applied in a manner that limits the enrollee's
15 rights under s. 609.045 (7) (b) 3.
