19 ~~in s. 340.01 (5e); or a pedestrian way, as defined in s. 346.02 (8) (a).~~

20 **SECTION 4.** 27.05 (3) of the statutes is amended to read:

21 27.05 (3) Acquire, in the name of the county, by purchase, land contract, lease,
22 condemnation, or otherwise, with the approval and consent of the county board, such
23 tracts of land or public ways as it deems suitable for park purposes; including lands
24 in any other county not more than three-fourths of a mile from the county line; but
25 no land so acquired shall be disposed of by the county without the consent of said

1 commission, and all moneys received for any such lands, or any materials, so
2 disposed of, shall be paid into the county park fund hereinafter established. The
3 ~~power of condemnation may not be used for the purpose of establishing or extending~~

5 ~~defined in s. 340.01 (5e); or a pedestrian way, as defined in s. 346.02 (8) (a).~~

6 **SECTION 5.** 27.065 (1) (a) of the statutes is amended to read:

7 27.065 (1) (a) The county board of any county which shall have adopted a
8 county system of parks or a county system of streets and parkways, pursuant to s.
9 27.04, may acquire the lands necessary for carrying out all or part of such plan by
10 gift, purchase, condemnation or otherwise; provided, however, that no lands shall be
11 acquired by condemnation unless and until the common council of the city or the
12 board of trustees of the village or the board of supervisors of the town wherein such
13 land is situated shall consent thereto. ~~The power of condemnation may not be used~~
14 ~~for the purpose of establishing or extending a recreational trail; a bicycle way, as~~
15 ~~defined in s. 340.01 (5s); a bicycle lane, as defined in s. 340.01 (5e); or a pedestrian~~
16 ~~way, as defined in s. 346.02 (8) (a).~~ The cost of acquiring such lands by purchase or
17 condemnation may be paid in whole or in part by the county or by the property to be
18 benefited thereby, as the county board shall direct but in no case shall the amount
19 assessed to any parcel of real estate exceed the benefits accruing thereto; provided,
20 that no assessment for paying the cost of acquiring lands may be levied or collected
21 against the property to be benefited until the governing body of the city, village or
22 town where such lands are located has by resolution determined that the public
23 welfare will be promoted thereby. Title to all lands acquired hereunder shall be an
24 estate in fee simple.

25 **SECTION 6.** 27.08 (2) (b) of the statutes is amended to read:

1 27.08 (2) (b) To acquire in the name of the city for park, parkway, boulevard or
2 pleasure drive purposes by gift, devise, bequest or condemnation, either absolutely
3 or in trust, money, real or personal property, or any incorporeal right or privilege;
4 ~~except that no lands may be acquired by condemnation for the purpose of~~
5 ~~establishing or extending a recreational trail; a bicycle way, as defined in s. 340.01~~
6 ~~(5s); a bicycle lane, as defined in s. 340.01 (5e); or a pedestrian way, as defined in s.~~
7 ~~346.02 (8) (a).~~ Gifts to any city of money or other property, real or personal, either
8 absolutely or in trust, for park, parkway, boulevard or pleasure drive purposes shall
9 be accepted only after they shall have been recommended by the board to the common
10 council and approved by said council by resolution. Subject to the approval of the
11 common council the board may execute every trust imposed upon the use of property
12 or property rights by the deed, testament or other conveyance transferring the title
13 of such property to the city for park, parkway, boulevard or pleasure drive purposes.

14 **SECTION 7.** 27.08 (2) (c) of the statutes is amended to read:

15 27.08 (2) (c) Subject to the approval of the common council to buy or lease lands
16 in the name of the city for park, parkway, boulevard or pleasure drive purposes
17 within or without the city and, with the approval of the common council, to sell or
18 exchange property no longer required for its purposes. Every city is authorized, upon
19 recommendation of its officers, board or body having the control and management
20 of its public parks, to acquire by condemnation in the name of the city such lands
21 within or without its corporate boundaries as it may need for public parks, parkways,
22 boulevards and pleasure drives. ~~The power of condemnation may not be used for the~~
23 ~~purpose of establishing or extending a recreational trail; a bicycle way, as defined in~~
24 ~~s. 340.01 (5s); a bicycle lane, as defined in s. 340.01 (5e); or a pedestrian way, as~~
25 ~~defined in s. 346.02 (8) (a).~~

1 **SECTION 8.** 32.015 of the statutes is repealed.

2 **SECTION 9.** 32.51 (1) (intro.) of the statutes is amended to read:

3 32.51 (1) **PURPOSES.** (intro.) In addition to the powers granted under subch. I
4 and subject to the limitations under s. 32.015, any city may condemn or otherwise
5 acquire property under this subchapter for:

3 **SECTION 12.** 61.34 (3) (a) of the statutes is renumbered 61.34 (3) and amended
4 to read:

5 61.34 (3) ACQUISITION AND DISPOSAL OF PROPERTY. ~~Except as provided in par. (b),~~
6 ~~the~~ The village board may acquire property, real or personal, within or outside the
7 village, for parks, libraries, recreation, beautification, streets, water systems,
8 sewage or waste disposal, harbors, improvement of watercourses, public grounds,
9 vehicle parking areas, and for any other public purpose; may acquire real property
10 within or contiguous to the village, by means other than condemnation, for industrial
11 sites; may improve and beautify the same; may construct, own, lease and maintain
12 buildings on such property for instruction, recreation, amusement and other public
13 purposes; and may sell and convey such property. Condemnation shall be as
14 provided by ch. 32.

15 **SECTION 13.** 61.34 (3) (b) of the statutes is repealed.

16 **SECTION 14.** 62.22 (1) (a) of the statutes is renumbered 62.22 (1) and amended
17 to read:

18 62.22 (1) PURPOSES. ~~Except as provided in par. (b), the~~ The governing body of
19 any city may by gift, purchase or condemnation acquire property, real or personal,
20 within or outside the city, for parks, recreation, water systems, sewage or waste
21 disposal, airports or approaches thereto, cemeteries, vehicle parking areas, and for
22 any other public purpose; may acquire real property within or contiguous to the city,
23 by means other than condemnation, for industrial sites; may improve and beautify
24 the same; may construct, own, lease and maintain buildings on such property for

1 public purposes; and may sell and convey such property. The power of condemnation
2 for any such purpose shall be as provided by ch. 32.

3 **SECTION 15.** 62.22 (1) (b) of the statutes is repealed.

4 **SECTION 16.** 62.23 (17) (a) (intro.) of the statutes is amended to read:

5 62.23 (17) (a) (intro.) ~~Except as provided in par. (am), cities~~ Cities may acquire
6 by gift, lease, purchase, or condemnation any lands within its corporate limits for
7 establishing, laying out, widening, enlarging, extending, and maintaining memorial
8 grounds, streets, squares, parkways, boulevards, parks, playgrounds, sites for public
9 buildings, and reservations in and about and along and leading to any or all of the
10 same or any lands adjoining or near to such city for use, sublease, or sale for any of
11 the following purposes:

12 **SECTION 17.** 62.23 (17) (am) of the statutes is repealed.

13 **SECTION 18.** 85.09 (2) (a) of the statutes is amended to read:

14 85.09 (2) (a) The department of transportation shall have the first right to
15 acquire, for present or future transportational or recreational purposes, any
16 property used in operating a railroad or railway, including land and rails, ties,
17 switches, trestles, bridges, and the like located on that property, that has been
18 abandoned. The department of transportation may, in connection with abandoned
19 rail property, assign this right to a state agency, the board of regents of the University
20 of Wisconsin System, any county or municipality, or any transit commission.
21 Acquisition by the department of transportation may be by gift, purchase, or
22 condemnation in accordance with the procedure under s. 32.05, ~~except that the power~~
23 ~~of condemnation may not be used to acquire property for the purpose of establishing~~
24 ~~or extending a recreational trail; a bicycle way, as defined in s. 340.01 (5s); a bicycle~~
25 ~~lane, as defined in s. 340.01 (5e); or a pedestrian way, as defined in s. 346.02 (8) (a).~~

1 In addition to its property management authority under s. 85.15, the department of
2 transportation may, subject to any prior action under s. 13.48 (14) (am) or 16.848 (1),
3 lease and collect rents and fees for any use of rail property pending discharge of the
4 department's duty to convey property that is not necessary for a public purpose. No
5 person owning abandoned rail property, including any person to whom ownership
6 reverts upon abandonment, may convey or dispose of any abandoned rail property
7 without first obtaining a written release from the department of transportation
8 indicating that the first right of acquisition under this subsection will not be
9 exercised or assigned. No railroad or railway may convey any rail property prior to
10 abandonment if the rail property is part of a rail line shown on the railroad's system
11 map as in the process of abandonment, expected to be abandoned, or under study for
12 possible abandonment unless the conveyance or disposal is for the purpose of
13 providing continued rail service under another company or agency. Any conveyance
14 made without obtaining such release is void. The first right of acquisition of the
15 department of transportation under this subsection does not apply to any rail
16 property declared by the department to be abandoned before January 1, 1977. The
17 department of transportation may acquire any abandoned rail property under this
18 section regardless of the date of its abandonment.

19 **SECTION 19.** 990.01 (2) of the statutes is amended to read:

20 990.01 (2) ACQUIRE. "Acquire," when used in connection with a grant of power
21 to any person, includes the acquisition by purchase, grant, gift or bequest. It includes
22 the power to condemn ~~only~~ in the cases specified in s. 32.02 ~~and subject to the~~
23 ~~limitations under s. 32.015.~~

7 **SECTION 29.** 16.035 of the statutes is created to read:

8 **16.035 Office of environmental justice.** The office of environmental justice
9 shall do all of the following:

10 (1) Develop a statewide climate risk assessment and resiliency plan.

11 (2) Assist state agencies, local governments, and federally recognized tribal
12 governing bodies in this state with the development of climate risk assessment and
13 resiliency plans.

14 (3) Administer a climate risk assessment and resiliency plan technical
15 assistance grant program.

16 (4) Collaborate with state agencies and entities that serve vulnerable
17 communities to address the impact of climate change on vulnerable communities.

18 (5) Analyze grant opportunities and enforcement of environmental laws and
19 regulations and, based on those analyses and input from residents of this state,
20 advise and provide guidance to state entities on environmental justice and related
21 community issues to address environmental issues and concerns that affect
22 primarily low income and minority communities.

23 (6) Based on the analyses required under sub. (5), create an annual report on
24 issues, concerns, and problems related to environmental justice, including

1 addressing areas of this state that have environmental justice issues that require
2 immediate attention.

3 **SECTION 30.** 16.954 of the statutes is created to read:

4 **16.954 Office of sustainability and clean energy. (1) DEFINITIONS.** In this
5 section:

6 (a) “Office” means the office of sustainability and clean energy.

7 (b) “Public utility” has the meaning given in s. 196.01 (5).

8 **(2) INITIATIVES.** The office shall work on initiatives that have the following
9 goals:

10 (a) Promoting the development and use of clean and renewable energy across
11 this state.

12 (b) Advancing innovative sustainability solutions in ways that improve this
13 state’s economy and environment, including energy initiatives that reduce carbon
14 emissions, accelerate economic growth, and lower customer energy costs.

15 (c) Diversifying the resources used to reliably meet the energy needs of
16 consumers in this state and generate family-supporting jobs through the expansion
17 of this state’s clean energy economy.

18 **(3) OTHER DUTIES.** The office shall do all of the following:

19 (a) Provide advice and support to state agencies in developing or retrofitting
20 sustainable infrastructure to reduce energy use and lessen negative impacts on this
21 state’s air and water quality.

22 (b) Study and report on the status of existing clean and renewable energy
23 efforts by the state, including economic development initiatives, and develop future
24 energy policy opportunities for consideration by the governor and state agencies.

1 (c) Serve as a single point of contact to assist businesses, local units of
2 government, and nongovernmental organizations that are pursuing clean energy
3 opportunities.

4 (d) Identify and share information about clean energy funding and
5 employment opportunities for private and state and local governmental entities.

6 (e) Take other steps necessary to facilitate the implementation of the initiatives
7 specified in sub. (2) and to identify and address barriers to the implementation of
8 those initiatives.

9 **(4) CLEAN ENERGY GRANTS.** The office shall establish a program for making
10 grants from the appropriation under s. 20.505 (4) (cm) to fund research in support
11 of clean energy production.

12 **(5) TECHNICAL ASSISTANCE.** (a) The office may provide technical assistance to
13 local governmental units and private entities to assist in the planning and
14 implementation of energy efficiency and renewable resources and may charge for
15 those services. The office may request technical and staff assistance from other state
16 agencies in providing technical assistance to those units of government and private
17 entities.

18 (b) The office may require a public utility to provide energy billing and use data
19 regarding public schools, if the office determines that the data are necessary to
20 provide technical assistance under par. (a) in public schools, including those with the
21 highest energy costs.

22 (c) The office shall consult with the public service commission in implementing
23 this subsection.

24 **SECTION 31.** 16.955 of the statutes is created to read:

1 **16.955 Clean energy small business incubator. (1) INCUBATOR.** The office
2 of sustainability and clean energy in the department shall operate a small business
3 incubator.

4 **(2) DUTIES.** The incubator operated under sub. (1) shall provide business
5 development, mentorship, and expertise to small businesses with their primary
6 place of business in this state that operates in the clean energy sector.

7 **(3) GRANTS.** From the appropriation under s. 20.505 (4) (cn), the incubator shall
8 award grants to small business start-up companies with their primary place of
9 business in this state that operate in the clean energy sector. The office of
10 sustainability and clean energy shall establish requirements for grant recipients

9 **16.293 Water utility assistance for low-income households. (1)**

10 DEFINITIONS. In this section:

11 (a) “County department” means a county department under s. 46.215 or 46.22.

12 (b) “Crisis assistance” means a benefit that is given to a household experiencing
13 or at risk of experiencing a water utility–related emergency.

14 (c) “Household” means any individual or group of individuals who are living
15 together as one economic unit for whom residential water is customarily purchased
16 in common or who make undesignated payments for water in the form of rent.

17 (d) “Utility allowance” means the amount of utility costs paid by those
18 individuals in subsidized housing who pay their own utility bills, as averaged from
19 total utility costs for the housing unit by the housing authority.

20 (e) “Water utility assistance” means a benefit that is given to a household to
21 assist in meeting the cost of water utility.

22 **(2) ADMINISTRATION.** (a) The department shall administer a water utility
23 assistance program for low-income households to assist eligible households to meet
24 home water utility costs and shall establish a payments schedule for the program.

1 (b) The department may contract with a county department, another local
2 governmental agency, or a private nonprofit organization to process applications and
3 make payments under the water utility assistance program for low-income
4 households.

5 **(3) APPLICATION PROCEDURE.** (a) A household may apply for water utility
6 assistance from the department under the water utility assistance program for
7 low-income households. A household shall apply on a form prescribed by the
8 department.

9 (b) If by February 1 of any year the number of households applying for
10 assistance under par. (a) substantially exceeds the number anticipated to apply, the
11 department may reduce the assistance payments under sub. (5) made after that date.
12 The department may also suspend the processing of additional applications until the
13 department adjusts assistance amounts payable.

14 **(4) ELIGIBILITY.** (a) Subject to sub. (3) (b), all of the following households are
15 eligible to receive water utility assistance under this section:

16 1. A household with income that is not more than 60 percent of the statewide
17 median household income.

18 2. A household entirely composed of persons receiving food stamps under 7
19 USC 2011 to 2036 or supplemental security income or state supplemental payments
20 under 42 USC 1381 to 1383c or s. 49.77.

21 3. A household with income within the limits specified under par. (b) that
22 resides in housing that is subsidized or administered by a municipality, a county, the
23 state, or the federal government for which a utility allowance is applied to determine
24 the amount of rent or the amount of the subsidy.

1 (b) The department may establish additional eligibility requirements and
2 other program guidelines for the program.

3 (5) ASSISTANCE PAYMENTS. Subject to moneys appropriated under s. 20.505 (7)
4 (ee), water utility assistance shall be paid according to the payments schedule
5 established under sub. (2) (a).

6 (6) INDIVIDUALS IN STATE PRISONS OR SECURED JUVENILE FACILITIES. No assistance
7 payment under sub. (5) may be made to an individual who is imprisoned in a state
8 prison under s. 302.01 or to an individual placed at a juvenile correctional facility,
9 as defined in s. 938.02 (10p), or a secured residential care center for children and
10 youth, as defined in s. 938.02 (15g).

11 (7) CRISIS ASSISTANCE PROGRAM. A household eligible for water utility assistance
12 under sub. (4) may also be eligible for a crisis assistance payment. The department
13 shall define the circumstances constituting a crisis for which an assistance payment
14 may be made and shall establish the amount of payment to an eligible household.
15 The department may delegate a portion of its responsibility under this subsection to
16 a county department, another local governmental agency, or a private nonprofit
17 organization.

18 **SECTION 2.** 20.005 (3) (schedule) of the statutes: at the appropriate place, insert

25 **SECTION 57.** 196.491 (3g) (a) of the statutes is amended to read:

1 196.491 (3g) (a) A person who receives a certificate of public convenience and
2 necessity for a high-voltage transmission line that is designed for operation at a
3 nominal voltage of 345 kilovolts or more under sub. (3) shall pay the department of
4 administration commission an annual impact fee as specified in the rules
5 promulgated by the department of administration commission under s. 16.969
6 196.492 (2) (a) and shall pay the department of administration commission a
7 one-time environmental impact fee as specified in the rules promulgated by the
8 department of administration commission under s. 16.969 196.492 (2) (b).

9 **SECTION 9101. Nonstatutory provisions; Administration.**

10 (1) TRANSFER OF HIGH-VOLTAGE TRANSMISSION LINE FEES.

11 (a) *Definition.* In this subsection, “fees” means the annual impact and onetime
12 environmental impact fees required to be paid under the rules promulgated under
13 s. 16.969 (2) (a), 2021 stats., and s. 16.969 (2) (b), 2021 stats.

14 (b) *Assets and liabilities.* On the effective date of this paragraph, the assets and
15 liabilities of the department of administration primarily relating to the fees, as
16 determined by the secretary of administration, become the assets and liabilities of
17 the public service commission.

18 (c) *Employee transfers.* On the effective date of this paragraph, all positions,
19 and the incumbent employees holding those positions, in the department of
20 administration primarily related to the fees, as determined by the secretary of
21 administration, are transferred to the public service commission.

22 (d) *Employee status.* Employees transferred under par. (c) have all the rights
23 and the same status under ch. 230 in the public service commission that they enjoyed
24 in the department of administration immediately before the transfer.

1 Notwithstanding s. 230.28 (4), no employee so transferred who has attained
2 permanent status in class is required to serve a probationary period.

3 (e) *Tangible personal property.* On the effective date of this paragraph, all
4 tangible personal property, including records, of the department of administration
5 primarily relating to the fees, as determined by the secretary of administration, is
6 transferred to the public service commission.

7 (f) *Contracts.* All contracts entered into by the department of administration
8 primarily relating to the fees, as determined by the secretary of administration, in
9 effect on the effective date of this paragraph remain in effect and are transferred to
10 the public service commission. The public service commission shall carry out any
11 obligations under those contracts unless modified or rescinded to the extent allowed
12 under the contract.

13 (g) *Rules and orders.* All rules promulgated by the department of
14 administration in effect on the effective date of this paragraph that are primarily
15 related to the fees remain in effect until their specified expiration dates or until
16 amended or repealed by the public service commission. All orders issued by the
17 department of administration in effect on the effective date of this paragraph that
18 are primarily related to the fees remain in effect until their specified expiration dates
19 or until modified or rescinded by the public service commission.

20 (h) *Pending matters.* Any matter pending with the department of
21 administration on the effective date of this paragraph that is primarily related to the
22 fees, as determined by the secretary of administration, is transferred to the public
23 service commission. All materials submitted to or actions taken by the department
24 of administration with respect to the pending matter are considered as having been
25 submitted to or taken by the public service commission.”.

3 20.370 (1) (ed) *Parks - admission receipt fee waivers.* From the general fund,
4 a sum sufficient equal to the amount of the annual vehicle admission receipt fees
5 waived under s. 27.01 (9) (bg), for the operation of state parks.

6 **SECTION 59.** 27.01 (9) (bg) of the statutes is created to read:

7 27.01 (9) (bg) *Annual 4th grade pass.* 1. In this paragraph:

8 a. “Fourth grade pupil” means a child receiving a 4th grade level of instruction
9 in a school or a home-based private educational program, as defined in s. 115.001
10 (3g).

11 b. “Guardian” has the meaning given in s. 48.02 (8).

12 c. “Parent” has the meaning given in s. 48.02 (13).

13 2. The parent or guardian of a child may apply for an annual vehicle admission
14 receipt fee waiver by submitting an application to the department. An application
15 may not be submitted to a regional office of the department or to a person who is
16 subject to an appointment or a contract as authorized under s. 29.024 (6) (a) 2. to 4.
17 but must be submitted directly to the main office of the department. An application
18 shall be submitted on a form provided by the department and shall include all of the
19 following information:

20 a. The child’s name.

21 b. The child’s date of birth.

22 c. The name of the school the child is or will be attending or a certification that
23 the child is in a home-based private educational program, as defined in s. 115.001
24 (3g).

1 d. A certification that the child is, was, or will be a 4th grade pupil on the first
2 day of January of the calendar year for which the waiver is issued. This certification
3 may be satisfied with dated report cards, dated and signed enrollment forms, a dated
4 letter from the child's school on official letterhead, or any other proof deemed
5 acceptable by the department.

6 3. Subject to subd. 4., the department shall provide to an individual whose
7 application submitted under subd. 2. is approved an annual vehicle admission
8 receipt fee waiver that is valid for the calendar year in which the waiver is issued.

9 4. A parent or guardian may receive only one fee waiver under this paragraph
10 in his or her lifetime. If a parent or guardian receives a fee waiver under this
11 paragraph, the department may not issue a fee waiver under this paragraph for any
12 other member of the parent's or guardian's household.

13 5. The department shall waive the fee, including the issuing fee, imposed under
14 sub. (7) for an annual vehicle admission receipt for a single vehicle, except a motor
15 bus, that has Wisconsin registration plates and that is operated by a person who
16 holds a valid fee waiver issued under this paragraph.

16 “**SECTION 63.** 160.07 (4) (f) of the statutes is created to read:

17 160.07 (4) (f) In recommending an enforcement standard for a perfluoroalkyl
18 or polyfluoroalkyl substance, the department of health services may recommend an
19 individual standard for a substance, a standard for a class of substances, a standard
20 for a group of substances, or any combination of individual, class, or group standards
21 for substances or class or group of substances.

22 **SECTION 64.** 160.07 (7) of the statutes is created to read:

1 160.07 (7) If the department of health services recommends an enforcement
2 standard for a perfluoroalkyl or polyfluoroalkyl substance or a group or class of such
3 substances under this section, the department shall apply the standard as an interim
4 enforcement standard for that substance, including through sampling, monitoring,
5 and testing, and any other actions required by rules promulgated by the department,
6 unless emergency or permanent rules that establish an enforcement standard for
7 that substance are in effect.

8 **SECTION 65.** 160.15 (4) of the statutes is created to read:

9 160.15 (4) Notwithstanding sub. (1), if an interim enforcement standard for a
10 perfluoroalkyl or polyfluoroalkyl substance is applied under s. 160.07 (7), the
11 department shall apply an interim preventive action limit for that substance of 20
12 percent of the concentration established as the interim enforcement standard,
13 unless emergency or permanent rules that establish a preventive action limit for that
14 substance are in effect.

15 **SECTION 66.** 281.17 (8) (c) of the statutes is created to read:

16 281.17 (8) (c) If the department of health services recommends an enforcement
17 standard for a perfluoroalkyl or polyfluoroalkyl substance or a group or class of such
18 substances under s. 160.07, the department shall apply the standard as an interim
19 maximum contaminant level for public water systems, water suppliers, and
20 laboratories certified to analyze drinking water, in accordance with rules
21 promulgated by the department, unless emergency or permanent rules that
22 establish maximum contaminant levels for that substance are in effect.

23 **SECTION 67.** 285.27 (2) (bm) of the statutes is created to read:

24 285.27 (2) (bm) *Standards for PFAS.* Emission standards for known
25 perfluoroalkyl or polyfluoroalkyl substances are needed to provide adequate

1 protection for public health and welfare under par. (b). The department shall
2 promulgate emission standards for any known perfluoroalkyl or polyfluoroalkyl
3 substances to provide adequate protection for public health and welfare, taking into
4 account energy, economic, and environmental impacts and other costs related to the
5 emission source.

6 **SECTION 68.** 299.15 (2m) of the statutes is created to read:

7 299.15 (2m) The department shall consider all known perfluoroalkyl or
8 polyfluoroalkyl substances to be air contaminants for purposes of sub. (2) (a) 2. The
9 reporting level for these substances is zero pounds per year.

10 **SECTION 9132. Nonstatutory provisions; Natural Resources.**

11 (1u) EMERGENCY RULES FOR PFAS IN DRINKING WATER, GROUNDWATER, SURFACE
12 WATER, SOLID WASTE, BEDS OF NAVIGABLE WATERS, AND CONTAMINATED SOIL AND SEDIMENT.

13 (a) The department of natural resources shall promulgate emergency rules
14 under s. 227.24 establishing acceptable levels and standards, performance
15 standards, monitoring requirements, and required response actions for any
16 perfluoroalkyl or polyfluoroalkyl substance or group or class of such substances that
17 the department determines may be harmful to human health or the environment in
18 the following:

19 1. Drinking water under s. 281.17 (8).

20 2. Groundwater under ss. 160.07 (5) and 160.15.

21 3. Surface water from point sources under ss. 283.11 (4) and 283.21 and from
22 nonpoint sources under s. 281.16.

23 4. Air under s. 285.27 (2) (bm), if the standards are needed to provide adequate
24 protection for public health or welfare.

25 5. Solid waste and solid waste facilities under chs. 289 and 291.

1 6. Beds of navigable waters under s. 30.20.

2 7. Soil and sediment under chs. 289 and 292.

3 (b) The department of natural resources shall promulgate emergency rules
4 under s. 227.24 to do all of the following:

5 1. Add any perfluoroalkyl or polyfluoroalkyl substance or group or class of such
6 substances that the department determines may be harmful to human health or the
7 environment to the list of toxic pollutants under s. 283.21 (1) (a) for purposes of
8 setting toxic effluent standards or prohibitions under s. 283.11 (4).

9 2. Add to the list of hazardous constituents under s. 291.05 (4) any
10 perfluoroalkyl or polyfluoroalkyl substance or group or class of such substances for
11 which the department determines that the listing is necessary to protect public
12 health, safety, or welfare.

13 3. Administer and enforce ch. 292 in relation to remedial actions involving
14 perfluoroalkyl or polyfluoroalkyl substances or a group or class of such substances.

15 (c) Notwithstanding any finding required under par. (a) or (b), emergency rules
16 promulgated under pars. (a) and (b) shall include, at a minimum, perfluorooctane
17 sulfonic acid, perfluorooctanoic acid, perfluorohexane sulfonic acid,
18 perfluorononanoic acid, and perfluorobutane sulfonic acid and shall include
19 provisions for enforcing these standards, including requiring sampling, monitoring,
20 testing, and response actions.

21 (d) Notwithstanding s. 227.24 (1) (c) and (2), emergency rules promulgated
22 under pars. (a) and (b) remain in effect until July 1, 2024, or the date on which
23 permanent rules take effect, whichever is sooner. Notwithstanding s. 227.24 (1) (a)
24 and (3), the department of natural resources is not required to provide evidence that
25 promulgating a rule under this subsection as an emergency rule is necessary for the

1 preservation of public peace, health, safety, or welfare and is not required to provide
2 a finding of emergency for a rule promulgated under this subsection.

3 (2u) WATER QUALITY STANDARDS FOR PFAS. The department of natural resources
4 shall promulgate, under s. 281.15, water quality standards for perfluorooctane
5 sulfonic acid, perfluorooctanoic acid, perfluorohexane sulfonic acid,
6 perfluorononanoic acid, and perfluorobutane sulfonic acid and any other
7 perfluoroalkyl or polyfluoroalkyl substance or group or class of such substances that
8 the department determines may be harmful to human health and necessary to
9 protect a water's designated use.

10 (3u) LIST OF GROUNDWATER CONTAMINANTS. The department of natural resources
11 shall add to the list of groundwater contaminants under s. 160.05 any perfluoroalkyl
12 and polyfluoroalkyl substance or group or class of such substances that is shown to
13 involve public health concerns and that has a reasonable probability of entering the
14 groundwater and shall categorize and rank those substances according to the
15 provisions of s. 160.05.

21 (1) TESTING LABORATORIES; EMERGENCY RULES.

22 (a) The department of natural resources shall promulgate emergency rules
23 under s. 227.24 establishing criteria for certifying laboratories to test for any
24 perfluoroalkyl or polyfluoroalkyl substances, including the standards and methods

1 for such testing, and shall certify laboratories that meet these criteria.
2 Notwithstanding s. 227.24 (1) (c) and (2), emergency rules promulgated under this
3 subsection remain in effect until July 1, 2024, or the date on which permanent rules
4 take effect, whichever is sooner. Notwithstanding s. 227.24 (1) (a) and (3), the
5 department of natural resources is not required to provide evidence that
6 promulgating a rule under this subsection as an emergency rule is necessary for the
7 preservation of public peace, health, safety, or welfare and is not required to provide
8 a finding of emergency for a rule promulgated under this subsection.

9 (b) Before emergency rules are promulgated under par. (a), the department of
10 natural resources may require testing for a perfluoroalkyl or polyfluoroalkyl
11 substance to be done according to any nationally recognized procedures.”.

21 **SECTION 71.** 91.10 (7) of the statutes is created to read:

22 91.10 (7) (a) From the appropriation under s. 20.115 (7) (tm), the department
23 may award implementation grants to counties for implementing a county’s certified
24 farmland preservation plan.

1 (b) The department shall enter into a contract with a county to which it awards
2 a planning grant under par. (a) before the department distributes any grant funds
3 to the county. In the contract, the department shall identify the costs that are eligible
4 for reimbursement through the grant.

5 (c) The department may distribute grant funds under this subsection only after
6 the county shows that it has incurred costs that are eligible for reimbursement under
7 par. (b).”.

10 92.14 (3) BASIC ALLOCATIONS TO COUNTIES. (intro.) To help counties fund their
11 land and water conservation activities, the department shall award an annual grant
12 from the appropriation under s. 20.115 (7) (c), (qe), or (qf) or s. 20.866 (2) (we) to any
13 county land conservation committee that has a land and water resource
14 management plan approved by the department under s. 92.10 (4) (d), and that, by
15 county board action, has resolved to provide any matching funds required under sub.
16 (5g) unless the county is seeking a grant under sub. (3) (h). The county may use the
17 grant for land and water resource management planning and for any of the following
18 purposes, consistent with the approved land and water resource management plan:

19 **SECTION 73.** 92.14 (3) (a) 6. of the statutes is created to read:

20 92.14 (3) (a) 6. Long-range planning and erosion control mitigation.

21 **SECTION 74.** 92.14 (3) (h) of the statutes is created to read:

22 92.14 (3) (h) A grant to a county that assists the county in meeting a matching
23 funds requirement under sub. (5g) for a 2nd or 3rd staff person, as provided under
24 sub. (6) (b).

1 **SECTION 75.** 92.14 (5g) (a) of the statutes is amended to read:

2 92.14 **(5g)** (a) Except as provided in par. (b), if a grant under sub. (3) (a) to (g)
3 provides funding for salary and fringe benefits for more than one county staff person,
4 a county shall provide matching funds, as determined by the department by rule,
5 equal to 30 percent of the cost of salary and fringe benefits for the 2nd staff person
6 and 50 percent of the cost of salary and fringe benefits for ~~any additional staff persons~~
7 the 3rd staff person for whom the grant provides funding.

8 **SECTION 76.** 92.14 (6) (b) of the statutes is amended to read:

9 92.14 **(6)** (b) The department and the department of natural resources shall
10 prepare an annual grant allocation plan identifying the amounts to be provided to
11 counties under this section and ss. 281.65 and 281.66. In the allocation plan, the
12 departments shall attempt to provide funding under this section for an average of
13 3 staff persons per county with full funding for the first staff person, 70 percent
14 funding for the 2nd staff person and 50 percent funding for ~~any additional staff~~
15 ~~persons~~ the 3rd staff person and to provide an average of \$100,000 per county for
16 cost-sharing grants under sub. (3) (a) to (g). If after meeting these goals there are
17 additional funds available, the departments may provide funding in the allocation
18 plan to counties for a 4th or subsequent staff person with a matching requirement
19 to be determined by the departments and for assistance under sub (3) (h). The
20 department shall submit that plan to the board.”

21 **292.66 Revitalize Wisconsin program.** **(1) DEFINITIONS.** In this section:

22 (a) “Brownfield” means a property that is abandoned, idle, or underused, the
23 expansion or redevelopment of which is adversely affected by actual or perceived
24 discharge or environmental pollution.

25 (b) “Discharge” has the meaning given in s. 292.01 (3).

1 (c) “Innocent landowner” means any of the following:

2 1. A property owner that acquired the property prior to November 1, 2006, has
3 continuously owned the property since the date of acquisition, and can demonstrate,
4 through documentation, that the discharge or environmental pollution on the
5 property was caused by another person and that the property owner did not know
6 and had no reason to know of the discharge or environmental pollution when the
7 owner acquired the property.

8 2. A property owner that acquired the property on or after November 1, 2006,
9 has continuously owned the property since the date of acquisition, and can
10 demonstrate, through documentation, that the property owner conducted all
11 appropriate inquiries in compliance with 40 CFR part 312 prior to acquisition, that
12 the discharge or environmental pollution on the property was caused by another
13 person, and that the property owner did not know and had no reason to know of the
14 discharge or environmental pollution when the owner acquired the property.

15 (d) “Interim action” means a response action that is taken to contain or stabilize
16 a discharge or environmental pollution at a site or facility, in order to minimize any
17 threats to public health, safety, or welfare or to the environment, while other
18 response actions are being taken or planned for the site or facility.

3 4. An innocent landowner.

4 (g) "Remedial action" has the meaning given in s. 292.12 (1) (d).

5 **(2) POWERS AND DUTIES OF THE DEPARTMENT.** (a) The department shall
6 administer a program to award aids from the appropriation under s. 20.370 (6) (et)
7 to eligible entities under sub. (5).

8 (b) The department may not award aid to an entity under this section if that
9 entity caused the discharge or environmental pollution at the site or facility for which
10 aid is awarded, except to eligible entities for sites or facilities under sub. (4) (a).

11 (c) The department may award aid to eligible entities in the form of grants or
12 direct services or, for sites or facilities under sub. (4) (a), in the form of
13 reimbursements.

14 (d) The department may require a match from an eligible entity for an awarded
15 aid in the form of cash or in-kind services, except from an eligible entity for a site or
16 facility for which funds are designated under sub. (3) (a).

17 **(3) ALLOCATION OF FUNDS.** (a) In any fiscal year, if there remain any sites or
18 facilities under sub. (4) (a) for which a claim for reimbursement was submitted before
19 the effective date of this paragraph [LRB inserts date], but for which the claim has
20 not been paid, the department shall designate \$1,000,000 of the funds appropriated
21 under s. 20.370 (6) (et), or the total amount of such unpaid claims, whichever is less,
22 to the payment of those claims.

23 (b) In any fiscal year, if there remain any sites or facilities under sub. (4) (a) for
24 which an application for eligibility was submitted before the effective date of this
25 paragraph [LRB inserts date], but for which a claim has not been made to the

1 department, the department shall designate \$450,000 of the funds appropriated
2 under s. 20.370 (6) (et) to the payment of claims for such sites or facilities, until all
3 such sites or facilities have received a case closure letter under s. 292.12.

4 (c) The department shall designate 15 percent of the funds appropriated under
5 s. 20.370 (6) (et) to provide aid in small or disadvantaged communities.

6 (d) The department may not provide more than one award of aid for a site or
7 facility in a single fiscal year, except for sites or facilities under sub. (4) (a).

8 **(4) ELIGIBLE SITES AND FACILITIES.** An eligible applicant under sub. (5) may
9 receive aid under this section for any the following sites or facilities:

10 (a) Sites or facilities for which an application for eligibility was submitted
11 under the dry cleaner environmental response program under s. 292.65, 2021 stats.,
12 and that were deemed eligible for that program before the effective date of this
13 paragraph [LRB inserts date].

14 (b) Brownfields.

15 (c) Sites or facilities regulated under s. 292.11 that are owned by entities that
16 are exempt from s. 292.11 (3), (4), and (7) (b) and (c) as provided under s. 292.11 (9)
17 (e), 292.13, or 292.21.

18 (d) Sites or facilities regulated under s. 292.11 that are owned by private
19 parties.

20 **(5) ELIGIBLE ENTITIES.** The following entities are eligible for an award under
21 this section.

22 (a) Local governmental units that did not cause the discharge or environmental
23 pollution.

24 (b) Owners or operators of dry cleaning facilities that own or operate an eligible
25 site or facility under sub. (4) (a).

1 (c) Private parties, other than a dry cleaning facility under par. (b), that did not
2 cause the discharge or environmental pollution and can demonstrate that the party's
3 property was fairly acquired through an arm's-length transaction.

4 (6) ELIGIBLE ACTIVITIES; INELIGIBLE COSTS. (a) All activities for which aid is
5 provided under this section shall comply with all state and federal laws and rules
6 promulgated by the department, unless otherwise provided under this section or
7 rules promulgated under this section.

8 (b) The department may award aid under this section to cover the costs of any
9 of the following activities:

10 1. Assessment and investigation of a discharge or environmental pollution.

11 2. Interim and remedial actions to remove hazardous substances from
12 contaminated media.

13 3. Treatment and disposal of contaminated media.

14 4. Vapor intrusion assessment and mitigation.

15 5. Removal of abandoned containers, as defined in s. 292.41 (1).

16 6. Asbestos abatement activities, as defined in s. 254.11 (2), conducted as part
17 of redevelopment activities.

18 7. Environmental monitoring.

19 8. Restoration or replacement of a private potable water supply, if eligible for
20 temporary emergency water supplies under rules promulgated by the department.

21 9. The removal of underground hazardous substance or petroleum product
22 storage tanks.

23 10. Preparation of documentation to apply for case closure under s. 292.11.

1 11. Other costs identified by the department as reasonable and necessary for
2 proper investigation, analysis of remedial action options, remedial action planning,
3 and remedial action to meet the requirements of s. 292.11.

4 (c) The department may not award aid under this section to cover any of the
5 following costs:

6 1. The cost of activities conducted prior to the award of aid under this section,
7 except for activities conducted at a site or facility under sub. (4) (a).

8 2. The cost of activities that the department determines are not integral to the
9 investigation and remediation of a discharge or environmental pollution.

10 3. Legal fees.

11 4. The cost of investigations or remedial action conducted outside this state.

12 5. Costs for financing eligible activities.

13 **(7) APPLICATION FOR AID.** Eligible applicants shall submit an application on a
14 form prescribed by the department and shall include any information the
15 department finds necessary to evaluate the eligibility of the project and amount of
16 aid to be awarded.

17 **(8) RULES; RECORDS.** The department shall promulgate rules to administer the
18 program under this section, including rules prescribing the criteria for determining
19 the amount of aid to be awarded, the records that must be maintained by an
20 applicant, and the periods for which those records must be retained. The department
21 may inspect any document in the possession of an applicant or any other person if
22 the document is relevant to an application for aid under this section.

23 **SECTION 9232. Fiscal changes; Natural Resources.**

1 (1) DRY CLEANER ENVIRONMENTAL RESPONSE FUND TRANSFER. The unencumbered
2 balance in the dry cleaner environmental response fund under s. 25.48, 2021 stats.,

23 **283.90 Notification of violations.** Whenever, on the basis of any information
24 available to it, the department finds that a permit holder has violated any limitation

1 in a permit that is based on a groundwater protection standard under ch. 160, the
2 department shall notify the county health department and county land and
3 conservation department in the county in which the permit holder is located and the
4 county health department and county land and conservation department in any
5 adjacent county that the department determines may be negatively affected as a
6 result of the violation. The department shall provide this notice within 7 business
7 days after confirming that a violation has occurred. The department shall create and
8 maintain a notification system for notifying county health departments, county land
9 and conservation departments, and interested parties of the violations described in
10 this section. The department may establish, by rule, procedures for providing notice
11 under this section. The notification system under this section shall ensure that
12 county health departments and county land and conservation departments are
13 notified at least 24 hours prior to notifying any other interested parties.

14 **SECTION 9132. Nonstatutory provisions; Natural Resources.**

15 (1) EMERGENCY RULES FOR NOTIFICATION OF WATER PERMIT VIOLATIONS. The
16 department of natural resources may use the procedure under s. 227.24, to
17 promulgate rules under s. 283.90. Notwithstanding s. 227.24 (1) (c) and (2),
18 emergency rules promulgated under this subsection remain in effect until July 1,
19 2025, or the date on which permanent rules take effect, whichever is sooner.
20 Notwithstanding s. 227.24 (1) (a) and (3), the department is not required to provide
21 evidence that promulgating a rule under this subsection as an emergency rule is
22 necessary for the preservation of the public peace, health, safety, or welfare and is
23 not required to provide a finding of emergency for a rule promulgated under this
24 subsection. Notwithstanding s. 227.24 (1) (e) 1d. and 1g., the department is not
25 required to prepare a statement of scope of the rules promulgated under this

1 subsection and is not required to present the rules promulgated under this
2 subsection to the governor for approval.

10 91.10 (7) (a) From the appropriation under s. 20.115 (7) (tm), the department
11 may award implementation grants to counties for implementing a county’s certified
12 farmland preservation plan.

13 (b) The department shall enter into a contract with a county to which it awards
14 a planning grant under par. (a) before the department distributes any grant funds
15 to the county. In the contract, the department shall identify the costs that are eligible
16 for reimbursement through the grant.

17 (c) The department may distribute grant funds under this subsection only after
18 the county shows that it has incurred costs that are eligible for reimbursement under
19 par. (b).”.

1 **(2) FINANCIAL ASSISTANCE.** The department shall administer a program to
2 provide grants from the appropriations under s. 20.370 (6) (ed) and (es) to
3 municipalities that meet the requirements under sub. (3) for the purpose of
4 conducting any of the eligible activities under sub. (4).

5 **(3) ELIGIBILITY PREREQUISITES.** A grant may be awarded under sub. (2) only if
6 one of the following has occurred:

7 (a) The municipality tested or trained with a class B fire fighting foam that
8 contained intentionally added PFAS in accordance with applicable state and federal
9 law, or a 3rd party tested or trained with a class B fire fighting foam that contained
10 intentionally added PFAS within the area controlled by the municipality.

11 (b) The municipality applied biosolids to land under a permit issued by DNR
12 under s. 283.31.

13 (c) PFAS are impacting the municipality's drinking water supply or surface
14 water or groundwater within the area controlled by the municipality and the
15 responsible party is unknown or is unwilling or unable to take the necessary
16 response actions.

17 **(4) ELIGIBLE ACTIVITIES.** The department may award a grant under sub. (2) for
18 any of the following activities:

19 (a) Investigating potential PFAS impacts to the air, land, or water at a site or
20 facility for the purpose of reducing or eliminating environmental contamination.

21 (b) Treating or disposing of PFAS-containing fire fighting foam containers from
22 a municipal site or facility.

23 (c) Sampling a private water supply within 3 miles of a site or facility known
24 to contain PFAS or to have caused a PFAS discharge.

1 (d) Providing a temporary emergency water supply, a water treatment system,
2 or bulk water to replace water contaminated with PFAS.

3 (e) Conducting emergency, interim, or remedial actions to mitigate, treat,
4 dispose of, or remove PFAS contamination to the air, land, or waters of the state.

5 (f) Removing or treating PFAS in a public water system using the most
6 cost-effective method to provide safe drinking water in areas where PFAS levels
7 exceed the maximum contaminant level for PFAS under ch. 281 or an enforcement
8 standard for PFAS under ch. 160 or where the state has issued a health advisory for
9 PFAS.

10 (g) Sampling and testing water for PFAS contamination in a public, private, or
11 tribal elementary or secondary school, a child care center that is licensed under s.
12 48.65, a child care program that is established or contracted for under s. 120.13 (14),
13 or a child care provider that is certified under s. 48.651.

14 **(5) APPLICATION.** A municipality shall apply for a grant on a form prescribed
15 by the department and shall include any information that the department finds
16 necessary to determine the eligibility of the project, identify the funding requested,
17 determine the priority of the project, and calculate the amount of a grant.

18 **(6) EVALUATION CRITERIA.** The department, in awarding grants under this
19 section, shall consider all of the following criteria:

20 (a) The municipality's demonstrated commitment to performing and
21 completing eligible activities, including the municipality's financial commitment
22 and ability to successfully administer grants.

23 (b) The degree to which the project will have a positive impact on public health
24 and the environment.

1 (c) Other criteria that the department finds necessary to prioritize the funds
2 available for awarding grants.

3 (7) MATCHING FUNDS. The department may not distribute a grant under this
4 section unless the applicant contributes matching funds equal to at least 20 percent
5 of the amount of the grant. Matching funds may be in the form of cash, in-kind
6 contributions, or both.

7 SECTION 9132. Nonstatutory provisions; Natural Resources

8 (1) EMERGENCY RULES FOR PFAS MUNICIPAL GRANT PROGRAM. The department of
9 natural resources may use the procedure under s. 227.24 to promulgate emergency
10 rules relating to the municipal grant program under s. 292.67. Notwithstanding s.
11 227.24 (1) (a) and (3), the department is not required to provide evidence that
12 promulgating a rule under this subsection as an emergency rule is necessary for the
13 preservation of the public peace, health, safety, or welfare and is not required to
14 provide a finding of emergency for a rule promulgated under this subsection.
15 Notwithstanding s. 227.24 (1) (e) 1d. and 1g., for emergency rules promulgated under
16 this subsection, the department is not required to prepare a statement of scope of the
17 rules or to submit the proposed rules in final draft form to the governor for approval.”.

13 281.75 (1) (b) (intro.) “Contaminated well” or “contaminated private water
14 supply” means a well or private water supply ~~which~~ that does any of the following:

15 1. Produces water containing one or more substances of public health concern
16 in excess of a primary maximum contaminant level promulgated in the national
17 drinking water standards in 40 CFR 141 and 143;

18 2. Produces water containing one or more substances of public health concern
19 in excess of an enforcement standard under ch. 160; ~~or,~~

20 3. Is subject to a written advisory opinion, issued by the department or the
21 department of health services, containing a specific descriptive reference to the well
22 or private water supply and recommending that the well or private water supply not
23 be used because of potential human health risks.

24 **SECTION 122.** 281.75 (1) (b) 4. of the statutes is created to read:

1 281.75 (1) (b) 4. Produces water containing at least 10 parts per billion of
2 arsenic or at least 10 parts per million of nitrate nitrogen.

3 **SECTION 123.** 281.75 (1) (b) 5. of the statutes is created to read:

4 281.75 (1) (b) 5. Produces water containing levels of a perfluoroalkyl or
5 polyfluoroalkyl substance in excess of the maximum level set out in any applicable
6 federal or state health advisory for that substance, if no primary maximum
7 contaminant level under 40 CFR 141 and 143 or enforcement standard under ch. 160
8 for that substance has been promulgated.

9 **SECTION 124.** 281.75 (1) (f) of the statutes is amended to read:

10 281.75 (1) (f) “Private water supply” means a residential water supply or, a

5 department shall allocate money for the payment of a claim which is conditionally
6 approved as soon as funds become available.

7 **SECTION 128.** 281.75 (5) (g) of the statutes is created to read:

8 281.75 (5) (g) If the appropriations under s. 20.370 (6) (cf) or (cr) are insufficient
9 to pay claims, the department may, for claims based on nitrate levels, allocate money
10 for the payment of those claims in the following order of priority:

11 1. Claims based on water containing more than 40 parts per million of nitrate
12 nitrogen.

13 2. Claims based on water containing more than 30 but not more than 40 parts
14 per million of nitrate nitrogen.

15 3. Claims based on water containing more than 25 but not more than 30 parts
16 per million of nitrate nitrogen.

17 4. Claims based on water containing more than 20 but not more than 25 parts
18 per million of nitrate nitrogen.

19 5. Claims based on water containing more than 10 but not more than 20 parts
20 per million of nitrate nitrogen.

21 **SECTION 129.** 281.75 (6) (a) of the statutes is amended to read:

22 281.75 (6) (a) Contamination of a private water supply, as defined under sub.

11 196.491 (2) (title) STRATEGIC ENERGY ASSESSMENT AND INTEGRATED RESOURCE
12 PLANS.

13 **SECTION 141.** 196.491 (2) (a) 3s. of the statutes is created to read:

14 196.491 (2) (a) 3s. Review the integrated resource plans submitted by electric
15 utilities under par. (h) to help inform the strategic energy assessment.

16 **SECTION 142.** 196.491 (2) (h) of the statutes is created to read:

17 196.491 (2) (h) 1. Each electric utility shall prepare and file an integrated
18 resource plan with the commission. The commission shall by order establish
19 integrated resource plan content and filing requirements, including filing deadlines.
20 An integrated resource plan shall include a set of resource options that an electric
21 utility could use to meet the service needs of its customers over the next 5-year,
22 10-years, and 15-year periods, including an explanation of the supply-and-demand
23 circumstances under which, and the extent to which, each resource option would be
24 used to meet those service needs. Resource options that could be used to meet service

1 needs include using, refurbishing, and constructing electric generating plants and
2 equipment; buying electricity generated by other entities; controlling customer
3 loads; and implementing customer energy conservation. The commission shall
4 approve, reject, or modify an electric utility's integrated resource plan consistent
5 with the public interest. The commission's acceptance of an integrated resource plan
6 under this paragraph does not constitute issuance of a certificate under s. 196.49 or
7 issuance of a certificate of public convenience and necessity under s. 196.491 (3).

8 2. An integrated resource plan under this paragraph shall include all of the
9 following:

10 a. A long-term forecast of the electric utility's sales and peak demand under
11 various reasonable scenarios.

12 b. Details regarding the amount of peak demand reduction the electric utility
13 expects to achieve and the electric utility's proposals for achieving the reduction in
14 peak demand, including through load management and demand response.

15 c. If the plan identifies constructing a generation facility as a resource option,
16 the type of generation technology proposed for the generation facility, the proposed
17 capacity of the generation facility, and the projected fuel costs for the proposed
18 generation facility under various reasonable scenarios.

19 d. Projected electricity purchased or produced by the electric utility that is
20 generated from a renewable energy resource. If the electricity utility projects the
21 total level of electricity purchased or produced from a renewable energy resource to
22 decrease over the periods described in subd. 1. a., the electric utility shall explain
23 why the decrease is in the best interests of ratepayers.

24 e. Details regarding the impacts of energy efficiency programs on the electric
25 utility's electricity sales and peak demand under various reasonable scenarios,

1 including the total amount of customer energy savings and the associated costs of the
2 energy efficiency programs.

3 f. Projected energy and capacity purchased or produced by the electric utility
4 from a cogeneration resource.

5 g. An analysis of potential new or upgraded electricity transmission options for
6 the electric utility.

7 h. Data regarding the electric utility's current generation portfolio, including
8 the age, capacity factor, licensing status, and estimated remaining operating time for
9 each electric generating facility in the portfolio.

10 i. Plans for meeting current and future capacity needs, including cost estimates
11 for any power purchase agreements, any proposed construction or major
12 investments, and any transmission or distribution infrastructure necessary to
13 support proposed construction or major investments.

14 j. An analysis of the cost, capacity factor, and viability of all reasonable options
15 available to meet projected energy and capacity needs, including existing electric
16 generating facilities in this state.

17 k. Projected total costs for each scenario reviewed.

18 L. If applicable, projected long-term natural gas transportation contracts or
19 natural gas storage that the electric utility will hold to provide an adequate supply
20 of natural gas to new electric generating facilities.

21 m. Any other information required by the commission by order.

22 3. This paragraph does not apply to cooperative associations.”.

16 cost of carbon” means a measure of the economic harms and other impacts expressed
17 in dollars that result from emitting one ton of carbon dioxide into the atmosphere.

18 (b) In consultation with the department of natural resources, the commission
19 shall evaluate and set the social cost of carbon and shall evaluate and adjust as
20 necessary that dollar amount every 2 years. The evaluations shall use integrated
21 assessment models and consider appropriate discount rates. Any adjustment shall
22 be consistent with the international consensus on the social cost of carbon.

23 (c) No later than December 31, 2023, and no later than December 31 every
24 odd-numbered year thereafter, the commission shall submit to the appropriate

1 standing committees of the legislature under s. 13.172 (3) a report that describes the

SECTION 193. 20.115 (4) (at) of the statutes is created to read:

20.115 (4) (at) *Farm to fork program.* Biennially, the amounts in the schedule for the farm to fork program under s. 93.62.

SECTION 194. 20.115 (4) (au) of the statutes is created to read:

20.115 (4) (au) *Value-added agricultural practices.* Biennially, the amounts in the schedule for the value-added agricultural practices program under s. 93.65.

SECTION 195. 93.62 of the statutes is created to read:

93.62 Farm to fork program. (1) DEFINITION. In this section, “farm to fork program” means a program to connect entities that are not school districts and that have cafeterias to nearby farms to provide locally produced fresh fruits and vegetables, dairy products, and other nutritious, locally produced foods in meals and snacks; to help the public develop healthy eating habits; to provide nutritional and agricultural education; and to improve farmers’ incomes and direct access to markets.

(2) GRANTS. (a) The department may award grants from the appropriation under s. 20.115 (4) (f) to businesses, universities, hospitals, and other entities that are not school districts and that have cafeterias for the creation and expansion of

1 farm to fork programs. The department shall give preference to proposals that are
2 innovative or that provide models that other entities can adopt.

3 (b) In awarding grants under this section, the department shall promote
4 agricultural development and farm profitability by supporting the development and
5 adoption of practices and agribusiness opportunities that involve the production of
6 value-added agricultural products, as defined under s. 93.65 (1).

7 (c) The department may award grants under this subsection for projects that
8 do any of the following:

9 1. Create, expand, diversify, or promote production, processing, marketing, and
10 distribution of food produced in this state for sale to entities in this state other than
11 school districts.

12 2. Create, expand, or renovate facilities, including purchases of equipment for
13 the facilities, that would ensure the use of food produced in this state in locations in
14 this state other than schools.

15 3. Provide, expand, or promote training for food service personnel, farmers, and
16 distributors.

17 4. Provide, expand, or promote nutritional and agricultural education.

18 (d) The department shall consult with interested persons to establish grant
19 priorities for each fiscal year.

20 **(3) REPORTS.** At least annually, the department shall report to the legislature
21 under s. 13.172 (2) and to the secretary on the needs and opportunities for farm to
22 fork programs.

23 **(4) RULES.** The department may promulgate rules to administer this section.

24 **SECTION 196.** 93.65 of the statutes is created to read:

1 **93.65 Value-added agricultural practices. (1) DEFINITION.** In this section,
2 “value-added agricultural product” means a farm product that satisfies any of the
3 following:

4 (a) The product has undergone a change in physical state.

5 (b) The product is produced in a manner that enhances its value.

6 (c) The product is physically segregated in a manner that enhances its value.

7 (d) The product is a source of farm-based or ranch-based renewable energy.

8 (e) The product is aggregated and marketed as a locally produced farm product.

9 **(2) VALUE-ADDED PRODUCTS.** The department may provide education and
10 technical assistance related to promoting and implementing agricultural practices
11 that produce value-added agricultural products, including by doing all of the
12 following:

13 (a) *Assistance for organic farming practices.* Providing education and technical
14 assistance related to organic farming practices, including business and market
15 development assistance; collaborating with organic producers, industry
16 participants, and local organizations that coordinate organic farming; and
17 stimulating interest and investment in organic production. The department may
18 award grants from the appropriation under s. 20.115 (4) (f) to organic producers,
19 industry participants, and local organizations that coordinate organic farming. The
20 department may award a grant to an organic producer, industry participant, or local
21 organization under this paragraph for any of the following purposes:

22 1. Providing education and technical assistance related to implementing
23 organic farming practices.

24 2. Helping to create organic farming plans.

25 3. Assisting farmers to transition to organic farming.

1 (b) *Grazing grants.* Awarding grants from the appropriation under s. 20.115
2 (4) (f) to appropriate entities to provide education and training to farmers about best
3 practices related to grazing.

4 (c) *Promotion.* Helping producers market value-added agricultural products,
5 including products produced through the use of a practice described in s. 93.67.

6 (3) RULES. The department may promulgate rules to administer this section.”.
