7 employees may not receive a permit under this section unless the applicant certifies
8 to the department that the applicant has entered into a labor peace agreement and
9 will abide by the terms of the agreement as a condition of maintaining a valid
10 permit under this section. The applicant shall submit to the department a copy of
11 the page of the labor peace agreement that contains the signatures of the labor

17 subdivision, "chronic illegal activity" means a pervasive pattern of activity that
18 threatens the public health, safety, and welfare of the municipality, including any

21 marijuana plants, \$1,800.

6 that the applicant has entered into a labor peace agreement, as defined in s. 94.56
7 (1) (a), and will abide by the terms of the agreement as a condition of maintaining a
8 valid permit under this section. The applicant shall submit to the department a
9 copy of the page of the labor peace agreement that contains the signatures of the
10 labor organization representative and the applicant.

11 (cn) The department shall use a competitive scoring system to determine
12 which applicants for a permit to operate as a marijuana retailer are eligible to
13 receive that permit under this section. The department shall issue permits to the
14 highest scoring applicants that it determines will best protect the environment;
15 provide stable, family-supporting jobs to local residents; ensure worker and
16 consumer safety; operate secure facilities; and uphold the laws of the jurisdictions

20 retail establishment. The department may deny a permit to an applicant with a
21 low score as determined under this paragraph. The department may request that
22 the applicant provide any information or documentation that the department
23 deems necessary for purposes of making a determination under this paragraph.

8 municipality's request, the department may extend the period for filing objections.

9 2. A written objection filed under subd. 1. shall provide all the facts on which
10 the objection is based. In determining whether to grant or deny a permit for which
11 an objection has been filed under this paragraph, the department shall give
12 substantial weight to objections from a municipality based on chronic illegal
13 activity associated with the premises for which the applicant seeks a permit or the
14 premises of any other operation in this state for which the applicant holds or has
15 held a valid permit or license, the conduct of the applicant's patrons inside or
16 outside the premises of any other operation in this state for which the applicant
17 holds or has held a valid permit or license, and local zoning ordinances. In this
18 subdivision, "chronic illegal activity" means a pervasive pattern of activity that
19 threatens the public health, safety, and welfare of the municipality, including any
20 crime or ordinance violation, and that is documented in crime statistics, police
21 reports, emergency medical response data, calls for service, field data, or similar
22 law enforcement agency records.

23 (e) After denying a permit, the department shall immediately notify the

1 applicant in writing of the denial and the reasons for the denial. After making a
2 decision to grant or deny a permit for which a municipality has filed an objection
3 under par. (d), the department shall immediately notify the governing body of the
4 municipality in writing of its decision and the reasons for the decision.

5 (f) 1. The department's denial of a permit under this section is subject to
6 judicial review under ch. 227.

12 the application a \$250 fee. Each person that is granted a permit under this section
13 shall annually pay to the department a \$2,000 fee for as long as the person holds a
14 valid permit under this section. A permit issued under this section is valid for one
15 year and may be renewed, except that the department may revoke or suspend a
16 permit prior to its expiration. A person is not entitled to a refund of the fees paid
17 under this subsection if the person's permit is denied, revoked, or suspended.

19 premises that is within 500 feet of the perimeter of the grounds of any elementary
20 or secondary school, playground, recreation facility, child care facility, public park,
21 public transit facility, or library.

22 **(4)** Under this section, a separate permit is required for and issued to each
23 class of permittee, and the permit holder may perform only the operations

1 authorized by the permit. A permit issued under this section is not transferable
2 from one person to another or from one premises to another. A separate permit is

6 operate as a marijuana retailer, or that has any direct or indirect financial interest
7 in the operation of a marijuana retailer, shall be issued a permit to operate as a
8 marijuana producer, marijuana processor, or marijuana distributor. A person that
9 has been issued a permit to operate as a microbusiness is not required to hold
10 separate permits to operate as a marijuana processor, marijuana distributor, or
11 marijuana retailer, but shall specify on the person's application for a microbusiness
12 permit the activities that the person will be engaged in as a microbusiness.

2 producer, marijuana processor, and microbusiness shall submit representative
3 samples of the marijuana and usable marijuana produced or processed by the
4 marijuana producer, marijuana processor, or microbusiness to a testing laboratory
5 registered under s. 94.57 for testing marijuana and usable marijuana in order to
6 certify that the marijuana and usable marijuana comply with standards prescribed
7 by the department by rule, including testing for potency and for mold, fungus,

9 destroy any part of the sample that remains after the testing.

10 (b) Each marijuana producer, marijuana processor, and microbusiness shall

16 The department shall promulgate rules to determine lots and lot numbers for

8 complete records of the permittee's production and sales of marijuana and usable
9 marijuana in this state. The records shall be kept on the premises described in the
10 permit and in such manner as to ensure permanency and accessibility for
11 inspection at reasonable hours by the department's authorized personnel. The
12 department shall prescribe reasonable and uniform methods of keeping records and

17 the department shall give notice to the permittee that the permittee is required to
18 revise the permittee's records and keep them in the prescribed form. If the
19 permittee fails to comply within 30 days, the permittee shall pay the expenses

22 department shall send a bill for such expenses, and the permittee shall pay the
23 amount of such bill within 10 days.

15 the amount wrongfully collected. A separate suit need not be filed for each separate
16 payment made by any taxpayer, but a recovery may be had in one suit for as many
17 payments as may have been made.

18 (6) (a) Any person may be compelled to testify in regard to any violation of this
19 subchapter of which the person may have knowledge, even though such testimony
20 may tend to incriminate the person, upon being granted immunity from
21 prosecution in connection with the testimony, and upon the giving of such
22 testimony, the person shall not be prosecuted because of the violation relative to
23 which the person has testified.

1 (b) The immunity provided under par. (a) is subject to the restrictions under s.

10 given begins on the due date of the report under this subchapter.

11 (9) Any building or place of any kind where marijuana or usable marijuana is
12 sold, possessed, stored, or manufactured without a lawful permit or in violation of s.

12 in criminal investigations or sold to qualified buyers by the department, without
13 notice. If the department finds that the marijuana or usable marijuana may
14 deteriorate or become unfit for use in criminal investigations or for sale, or that
15 those uses would otherwise be impractical, the department may order it destroyed.

16 (3) If marijuana or usable marijuana on which the tax has been paid is seized
17 as provided under sub. (1), it shall be returned to the true owner if ownership can be
18 ascertained and the owner or the owner's agent is not involved in the violation
19 resulting in the seizure. If the ownership cannot be ascertained or if the owner or
20 the owner's agent was guilty of the violation that resulted in the seizure of the
21 marijuana or usable marijuana, it may be sold or otherwise disposed of as provided
