HEALTH AND HUMAN SERVICES

OTHER HEALTH AND HUMAN SERVICES

Current law includes two general appropriations to DCF for the expenditure of all block grant moneys received from the federal government, one as aids to individuals and organizations and one for state administration of federal block grants. This bill carves out of those two appropriations a new appropriation to DCF of all moneys received from the federal government specifically from the community services block grant to be expended for both assistance and administration under the Community Services Block Grant Program. In addition, the bill eliminates an appropriation to DCF of federal moneys for local assistance.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
