Under current law, DNR administers a financial assistance program for projects that increase dam safety, including projects to maintain, repair, or remove a dam. Current law authorizes DNR to contract public debt for the purpose of funding the dam safety program. Under current law, DNR has bonding authority for the dam safety program of up to \$9,500,000. Debt service on this debt is paid from the general fund. DNR has additional bonding authority under the dam safety program of up to \$6,600,000, the debt service on which is paid from the conservation fund. This bill increases DNR's bonding authority, the debt service on which is paid from the general fund, by \$4,000,000.
