**FOR 2015-2017 BUDGET -- NOT READY FOR INTRODUCTION**

**AN ACT ...; relating to:** the budget.

*Analysis by the Legislative Reference Bureau*

**CORRECTIONAL SYSTEM**

**JUVENILE CORRECTIONAL SYSTEM**

Under current law, when a juvenile who has been adjudicated delinquent is placed under the supervision of DOC, DOC may place the juvenile on aftercare supervision, either immediately on placement with DOC or following a period of placement in a juvenile correctional facility (JCF). Currently, aftercare supervision is provided either by DOC or by the county department of human services or social services (county department) of the county in which the juvenile was adjudicated delinquent or of the county of the juvenile's legal residence. If a juvenile violates a condition of his or her aftercare status, the aftercare provider may take the juvenile into custody, and a hearing to determine whether the juvenile's aftercare status should be revoked must be held within 30 days after the juvenile is taken into custody. If the hearing examiner determines that the juvenile has violated a condition of aftercare supervision, the hearing examiner must determine whether confinement in a JCF is necessary to protect the public, provide for the juvenile's rehabilitation, and not depreciate the seriousness of the violation.

Under current law, DOC also provides a corrective sanctions program, consisting of intensive surveillance and community-based treatment services, for juveniles who have been adjudicated delinquent, placed under the supervision of DOC, and selected by the Office of Juvenile Offender Review (OJOR) in DOC to

participate in the program. A participant in the corrective sanctions program is considered to be in custody and may, if he or she violates a condition of that participation, be placed in a juvenile detention facility or a Type 1 JCF, *i.e.*, Lincoln Hills School (for boys) or Copper Lake School (for girls), without a hearing.

This bill, effective on July 1, 2017, or on the second day after publication of the 2017-19 biennial budget act, whichever is later, eliminates aftercare supervision provided by DOC and the corrective sanctions program. Instead, the bill requires DOC to purchase or provide community supervision services for juveniles who have been placed under the supervision of DOC, either immediately on placement with DOC or following a period of placement in a JCF. The bill permits DOC to purchase or provide for a juvenile who has been placed under community supervision: 1) surveillance, including electronic monitoring or global positioning system tracking, based on the juvenile's level of risk and community safety considerations; 2) youth report center programming for after school, evenings, weekends, other nonschool days, and other times when the juvenile is not under immediate adult supervision; 3) contacts with the juvenile and the juvenile's family of a type, frequency, and duration that are commensurate with the juvenile's level of risk and treatment needs; 4) case management services; and 5) any other treatment or services that are needed to meet the needs of the juvenile as determined by DOC.

The bill requires OJOR to evaluate each juvenile who is placed under community supervision and permits OJOR to place such a juvenile in Type 2 status, which is defined in the bill as the status of a juvenile who is placed in a Type 2 JCF. A juvenile who is on Type 2 status is considered to be in custody and may, if he or she violates a condition of participation in community supervision, be placed in a juvenile detention facility or a Type 1 JCF without a hearing. A juvenile who is under community supervision, but who is not on Type 2 status, may, if he or she violates a condition of community supervision, have his or her community supervision status revoked in the same manner as aftercare status may be revoked under current law.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
