FOR 2017-2019 BUDGET -- NOT READY FOR INTRODUCTION

AN ACT ...; relating to: the budget.

Analysis by the Legislative Reference Bureau

HEALTH AND HUMAN SERVICES

PUBLIC ASSISTANCE

Under current law, DCF allocates specific amounts of federal moneys, including child care development funds and moneys received under the Temporary Assistance for Needy Families (TANF) block grant program, in each fiscal year for various public assistance programs, for child care-related purposes, including day care licensing activities, and for paying a portion of the claims under the earned income tax credit. This bill continues, increases, decreases, or modifies those allocations.

TANF funding funds services to prevent child abuse or neglect in Milwaukee County, services provided to ensure the safety of children who remain at home and to families with children placed in out-of-home care, and the BE GREAT: Graduate initiative through the Green Bay Boys and Girls Clubs.

This bill removes the geographic restriction on the provision of services to prevent child abuse or neglect, requires a county to match a certain percentage of the amount the county receives of the moneys allocated for safety and out-of-home placement services, and directs up to \$100,000 of TANF funding annually to the Boys and Girls Clubs to fund the BE GREAT: Graduate initiative in Milwaukee.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
