EMPLOYMENT

Fees for work permits for minors

Under current law, a portion of fees collected by local permit officers for work permits for minors is forwarded to DWD. A portion of the fees collected by or forwarded to DWD for these permits is appropriated to DWD, and a portion of those fees is deposited into the general fund and is available for general purpose revenue. This bill credits the entire amount of fees collected by or forwarded to DWD to the appropriation account for the permit system for employment of minors.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
