**LOCAL GOVERNMENT**

***Exception to law enforcement officer citizenship requirement***

Under current law, no person may be appointed as a deputy sheriff of any county or police officer of any city, village, or town unless that person is a citizen of the United States. This bill allows the sheriff of a county or the appointing authority of a local law enforcement agency to elect to authorize the appointment of noncitizens who are in receipt of valid employment authorization from the federal Department of Homeland Security as deputy sheriffs or police officers. The bill also prevents the law enforcement standards board from preventing such a noncitizen from participating in a law enforcement preparatory training program.
