Counting pupils enrolled in four-year-old kindergarten

This bill changes how a pupil enrolled in a four-year-old kindergarten is counted by a school district for purposes of state aid and revenue limits. Under current law, a pupil enrolled in a four-year-old kindergarten program is counted as 0.5 pupil unless the program provides at least 87.5 additional hours of outreach activities, in which case the pupil is counted as 0.6 pupil. Under the bill, if the four-year-old kindergarten program requires full-day attendance by pupils for five days a week, a pupil enrolled in the program is counted as one pupil.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
