Teacher licensure in parental choice programs and in the Special Needs Scholarship Program

With certain exceptions, this bill requires that, beginning on July 1, 2024, teachers at private schools participating in a parental choice program or in the Special Needs Scholarship Program must hold a license or permit issued by DPI. Under current law, teachers at choice schools must have at least a bachelor's degree from a nationally or regionally accredited institution of higher education, but they are not required to be licensed by DPI. There are no current law requirements regarding who may teach at SNSP schools.

The bill provides an exception for a teacher who teaches only courses in rabbinical studies. In addition, the bill provides a grace period for a teacher who has been teaching for at least the five consecutive years immediately preceding July 1, 2024, which allows the teacher to apply for a temporary, nonrenewable waiver of the licensure requirement. An applicant for a waiver must submit a plan for becoming licensed as required under the bill.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
