RETIREMENT AND GROUP INSURANCE

WISCONSIN RETIREMENT SYSTEM

Rehired teacher annuitants in the Wisconsin Retirement System

Under current law, certain people who receive a retirement or disability annuity from the Wisconsin Retirement System (WRS) and who are hired by an employer that participates in the WRS must suspend that annuity and may not receive a WRS annuity payment until the person is no longer in a WRS-covered position. This suspension applies to a person who 1) has reached his or her normal retirement date; 2) is appointed to a position with a WRS-participating employer or provides employee services as a contractor to a WRS-participating employer; and 3) is expected to work at least two-thirds of what is considered full-time employment by the Department of Employee Trust Funds.

This bill creates an exception to this suspension if 1) the person retired from WRS-covered employment as a teacher; 2) at least 15 days have elapsed from the date the person left WRS-covered employment with a school district; 3) the person is hired as a teacher; 4) at the time the person initially retires from a school district, the person does not have an agreement with any school district to return to employment as a teacher or a contractor providing employee services as a teacher; and 5) the person elects to not become a participating employee at the time the person

is rehired or enters into a contract after retirement. In other words, the bill allows a WRS teacher annuitant who is either hired as a teacher or provides employee services as a teacher with a school district that is a participating employer to return to work as a teacher and elect to not become a participating employee for purposes of the WRS and instead continue to receive his or her annuity.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
