GENERAL HEALTH AND HUMAN SERVICES

Home care provider registry

This bill requires DHS to conduct a one-year pilot program to create a home care provider registry to support home and community-based long-term care support programs and clients and vendors of care services. DHS is required to use its competitive request-for-proposals procedures to select a vendor of the software platform for the registry.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 9119. Nonstatutory provisions; Health Services.

(1) HOME CARE PROVIDER REGISTRY. The department of health services shall conduct a one-year pilot program to create a home care provider registry that supports home and community-based long-term care support programs, clients that

pay for home care privately, independent care workers, and vendors of the care service industry. The department of health services shall use a software platform for the registry and shall select a vendor for the software platform using its competitive request-for-proposals procedures.
