Terrestrial invasive species prevention

This bill creates an annual appropriation from the conservation fund to DNR for grants to cooperative invasive species management areas for surveying, monitoring, and controlling terrestrial invasive species. The conservation fund is a segregated fund used to finance resource management programs administered by DNR.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 20.370 (5) (gs) of the statutes is created to read:

20.370 (5) (gs) *Terrestrial invasive species prevention.* The amounts in the schedule for grants to cooperative invasive species management areas for surveying, monitoring, and controlling terrestrial invasive species.

***NOTE: This SECTION involves a change in an appropriation that must be reflected in the revised schedule in s. 20.005, stats.
