RETIREMENT AND GROUP INSURANCE

HEALTH INSURANCE COVERAGE

Waiting period for state employees

Under current law, most state employees, other than limited-term employees, may become covered under the state group health insurance plan on the first day of the first month after becoming employed with the state by filing an election within 30 days of being hired. However, most state employees are ineligible for an employer contribution towards the premiums for the health insurance for the first three months of employment. The bill changes the date to the first day of the second month for most state employees other than limited-term appointments hired on or after the effective date of the bill.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 40.05 (4) (a) 2. of the statutes is amended to read:
