***Online sales system for vehicle admission receipts and state trail passes***

This bill creates a continuing appropriation from the conservation fund to DNR for costs associated with online sales systems for vehicle admission receipts for state parks, forests, and recreation areas and state trail passes.

Under current law, no person may operate a vehicle in any state park or in certain other recreational areas on state land unless the vehicle displays a current vehicle admission receipt. Vehicle admission receipts may currently be purchased in-person, via phone, at self-registration kiosks, and online. Current law also requires a state trail pass for certain activities on state trails. State trail passes may currently be purchased in-person, via phone, and at self-registration kiosks, but not online.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
