***Pupil transportation aid***

Under current law, a school district or an operator of a charter school that provides transportation to and from a school receives a state aid payment for transportation. The amount of the aid payment depends on the number of pupils transported and the distance of each pupil's residence from the school. The bill increases aid payments for pupils who reside more than 12 miles from the school from \$375 per pupil to \$400 per pupil, beginning in the 2023-24 school year.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
