Under current law, the amount of per pupil aid paid to a school district is calculated using a three-year average of the number of pupils enrolled in the school district and a per pupil amount set by law. Under current law in the 2022-23 school year and each school year thereafter, the per pupil amount is \$742. Under the bill, the per pupil amount is \$766 in the 2023-24 school year and \$811 in the 2024-25 school year and each year thereafter.
