**HEALTH AND HUMAN SERVICE**

**MEDICAL ASSISTANCE**

***Community support program***

Currently, mental health and psychosocial rehabilitative services provided by a community support program are a benefit provided by the Medical Assistance program. Under current law, for these services, a county pays the nonfederal share of the Medical Assistance reimbursement and DHS reimburses the service provider for the federal share of the Medical Assistance reimbursement. Under the bill, DHS reimburses the service provider for both the federal and nonfederal share of the allowable charges for mental health and psychosocial rehabilitative services provided by a community support program.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
