***Payment for school medical services***

Under current law, if a school district or a cooperative educational service agency elects to provide school medical services and meets certain requirements, DHS is required to reimburse the school district or cooperative educational service agency for 60 percent of the federal share of allowable charges for the school medical services that they provide. If the Wisconsin Center for the Blind and Visually Impaired or the Wisconsin Educational Services Program for the Deaf and Hard of Hearing elects to provide school medical services and meets certain other requirements, DHS is also required to reimburse DPI for 60 percent of the federal share of allowable charges for the school medical services that the Wisconsin Center for the Blind and Visually Impaired or the Wisconsin Educational Services Program for the Deaf and Hard of Hearing provide. Further, under current law, DHS is required to reimburse school districts, cooperative educational service agencies, and DPI, on behalf of the Wisconsin Center for the Blind and Visually Impaired or the Wisconsin Educational Services Program for the Deaf and Hard of Hearing, for 90 percent of the federal share of allowable school medical services administrative costs.

This bill increases the amount that DHS is required to reimburse a school district, cooperative educational service agency, and DPI, on behalf of the Wisconsin

Center for the Blind and Visually Impaired or the Wisconsin Educational Services Program for the Deaf and Hard of Hearing, for provided school medical services to 100 percent of the federal share of allowable charges for the school medical services. The bill also increases the amount that DHS is required to reimburse a school district, cooperative educational service agency, and DPI, on behalf of the Wisconsin Center for the Blind and Visually Impaired or the Wisconsin Educational Services Program for the Deaf and Hard of Hearing, to 100 percent of the federal share of allowable school medical services administrative costs.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
