School breakfast program

This bill expands eligibility for reimbursement under the school breakfast program to include operators of independent charter schools, the director of the Wisconsin Educational Services Program for the Deaf and Hard of Hearing, the director of the Wisconsin Center for the Blind and Visually Impaired, and operators of residential care centers for children and youth. The bill also prohibits DPI from making a reimbursement for a breakfast served at a school in the previous school year if that school ceased operations during the prior school year. This prohibition does not apply to reimbursements to a school district.

For further information see the local fiscal estimate, which will be printed as an appendix to this bill.
