FOR 2023-2025 BUDGET -- NOT READY FOR INTRODUCTION

AN ACT ...; relating to: the budget.

Analysis by the Legislative Reference Bureau SAFETY AND PROFESSIONAL SERVICES

PROFESSIONAL LICENSURE

Licensing fee revenue

Current law generally appropriates funding for the licensing, rule-making, and regulatory functions of DSPS for professional credentials and other approvals using 90 percent of revenues from the fees paid for those credentials and other approvals. The remaining 10 percent of these revenues are instead credited as GPR in the general fund.

The bill eliminates the exception whereby 10 percent of these revenues are credited as GPR and instead appropriates 100 percent of these revenues to DSPS for the purposes described above.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Section 1. 20.165 (1) (g) of the statutes is amended to read:

20.165 (1) (g) General program operations. The amounts in the schedule for the licensing, rule making rule-making, and regulatory functions of the department, other than the licensing, rule-making, and credentialing functions of the medical examining board and the affiliated credentialing boards attached to the medical examining board and except for preparing, administering, and grading examinations. Ninety percent of all All moneys received under chs. 440 to 480, except subchs. II and IV to IX of ch. 448, ch. 460 and ss. 440.03 (13), 440.05 (1) (b), 458.21, and 458.365, less \$10 of each renewal fee received under s. 452.12 (5); and all moneys transferred from the appropriation under par. (i); and all moneys received under s. 440.055 (2), shall be credited to this appropriation.

****Note: Per my note in the previous version, I modified the appropriations to match their description so that the affiliated credentialing boards attached to the Medical Examining Board under ch. 448 are under the (hg) appropriation. In this version, I also realized that there is one other affiliated credentialing board attached to the MEB that is *not* in ch. 448, the Massage Therapy and Bodywork Therapy Affiliated Credentialing Board. I therefore also added references to ch. 460.

Section 2. 20.165 (1) (gm) of the statutes is amended to read:

20.165 (1) (gm) Applicant investigation reimbursement. Ninety percent of all All moneys received from applicants for credentials under s. 440.03 (13), for the purpose of conducting investigations under s. 440.03 (13).

Section 3. 20.165 (1) (hg) of the statutes is amended to read:

20.165 (1) (hg) General program operations; medical examining board; interstate medical licensure compact; prescription drug monitoring program. Biennially, the amounts in the schedule for the licensing, rule-making, and regulatory functions of the medical examining board and the affiliated credentialing boards attached to the medical examining board, except for preparing, administering, and grading examinations; for any costs associated with the interstate medical licensure compact under s. 448.980, including payment of

assessments under s. 448.980 (13) (a); and for the controlled substances board's operation of the prescription drug monitoring program under s. 961.385. Ninety percent of all All moneys received for issuing and renewing credentials under subchs. II and IV to IX of ch. 448 shall be credited to this appropriation. All and ch. 460 and all moneys received from the interstate medical licensure compact commission under s. 448.980 shall be credited to this appropriation.

Section 4. 20.165 (1) (i) of the statutes is amended to read:

20.165 (1) (i) Examinations; general program operations. Ninety percent of all All moneys received under s. 440.05 (1) (b) for the purposes of preparing, administering, and grading examinations. Notwithstanding s. 20.001 (3) (c), any unencumbered balance in this appropriation account, excluding any amount specified by the secretary of administration that is reserved for the payment of future employee compensation or fringe benefit costs, at the end of each fiscal year which exceeds 30 percent of the estimated amount shown in the schedule under s. 20.005 for that fiscal year shall be transferred to the appropriation account under par. (g).

Section 5. 20.165 (1) (jr) of the statutes is amended to read:

20.165 (1) (jr) *Proprietary school programs*. The amounts in the schedule for the examination and approval of proprietary school programs under s. 440.52. Ninety percent of all All moneys received from the issuance of solicitor's permits under s. 440.52 (8) and from the fees under s. 440.52 (10) and all moneys received from the fees under s. 440.52 (13) (d) shall be credited to this appropriation account.
