TAXATION

GENERAL TAXATION

Providing notices for public utility taxes

Under current law, public utility companies, including railroads and air carriers, are exempt from local property taxes and instead subject to special state taxes. Current law requires DOR to send certain notices regarding these taxes by certified mail. Under this bill, DOR must still provide the notices but is no longer required to send them by certified mail.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
