***Sales by a municipality or county of wine in a public park***

This bill allows a municipality or county to sell wine in its public parks without an alcohol beverage license.

Under current law, with limited exceptions, no person may sell alcohol beverages to a consumer unless the seller possesses a license or permit authorizing the sale. Under one exception, no license or permit is required for the sale, by officers or employees of a county or municipality, of fermented malt beverages (beer) in a public park operated by the county or municipality.

This bill applies this exception to wine along with beer.
