GENERAL COURTS AND PROCEDURE

DOT data sharing

Under current law, DOT annually transmits to the director of state courts a list of persons residing in the state that includes certain information about those persons. Each year, the director of state courts uses that information, along with other information available to the director of state courts, to compile a master list of potential jurors for use by the state circuit courts. This bill requires DOT to also send that list to the clerks of court for the federal district courts within this state.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 756.04 (2) (b) of the statutes is amended to read:

756.04 (2) (b) Each year, on a date agreed upon with the office of the director of state courts, the department of transportation shall compile a list that includes the

name, address, county, date of birth, race, gender, identification number and renewal date of each person residing in the state who is licensed as a motor vehicle operator under ch. 343 or who has received an identification card under s. 343.50 or 343.51, and social security number, as permitted by law and any record sharing agreement between the department of transportation and the office of the director of state courts. The office of the director of state courts shall establish the format of the list by agreement with the department of transportation. The department of transportation shall transmit the list without charge to the office of the director of state courts, ~~without charge.~~ and to the clerks of court for the district courts of the United States within this state. If the department of transportation does not have a record sharing agreement with the clerk of court for a district court that requires the clerk of court to keep prospective jurors' identification numbers, renewal dates, and social security numbers confidential and secure from unauthorized access, the department of transportation shall redact that information from the list the department of transportation transmits to the clerk of court.
